The undersigned, United Railroads of San Francisco, hereby submits its bid for a franchise and privilege for the construction, operation and maintenance of a double track railroad to be built, constructed and maintained over the route and upon the conditions referred to in the Resolution of the Board of Supervisors known as Resolution No. 540 (New Series) passed November 19, 1906, and approved by the Mayor of the City and County of San Francisco November 20th, 1906, determining to grant such franchise and privilege, and in the notice of sale of such franchise dated November 28th, 1906, and herewith files its bond in the sum of Ten Thousand (10,000) Dollars with sureties approved by the Mayor of the City and County of San Francisco, conditioned as required by said Notice of Sale and Section 6 Chapter 2, Article 2 of the Charter of said City and County, namely,

United Railroads of San Francisco hereby bids for said franchise and privilege three (3) per centum of the gross receipts arising from the use, operation, possession or enjoyment of said franchise during the first five years of the period for which the franchise is granted; four (4) per centum of the gross receipts during the next succeeding ten (10) years, and five (5) per centum, during the next succeeding ten (10) years.

United Railroads of San Francisco will also pay all charges for advertising in the official newspaper of Resolution No. 540 (New Series) determining the grant of the franchise herein referred to, of this Notice of

Sale and of the Ordinance granting said franchise.

UNITED RAILROADS OF SAN FRANCISCO,

By THORNWELL MULLALLY, Assistant to the President.

State of California, City and County of San Francisco.—ss.

GEORGE B. WILLCUTT, being first duly sworn according to law, deposes and says: That he is an officer, to-wit, the Secretary of the United Railroads of San Francisco; that he has read the foregoing bid and that such bid is genuine and not collusive or sham; that said United Railroads of San Francisco has not colluded, conspired, connived or agreed directly or indirectly with any other bidder or person to put in a sham bid or that such other person shall refrain from bidding, and has not in any manner sought by collusion to secure any advantage against the City and County of San Francisco, or any person interested in said street railroad for himself or any other person.

GEORGE B. WILLCUTT,

Subscribed and sworn to before me, this 29th day of December, A. D. 1906.

CHARLES R. HOLTON,

Notary Public in and for the City and County of San Francisco.

Relating to Reconstruction of Presidio and Ferries Railroad. Communication.

The following Communication, presented by Supervisor Coleman, was received and read:

"San Francisco, Jan. 11, 1907.

"Mr. Coleman, Chairman Judiciary Committee, Hon. Board of Supervisors, City—Dear Sir: In explanation of the delay in not operating within the specified time of ninety days as called for by Ordinance No. 51, we

beg to state to your Honorable Committee the true conditions of affairs.

"Work was commenced upon that portion of Union street from Steiner to Polk streets, as we were of the opinion that immediate transportation was needed throughout that district. The amount covered has been nine blocks and crossings. Work on same is about completed, and it is the intention of the company to operate cars thereon within three weeks. Transfer arrangements with the United Railroads at Fillmore and Union streets and also at Polk and Union streets are now under consideration, and we have every reason to believe that an amicable understanding will be the result. After the completion of that portion, work will then be commenced from the ferries and carried forth as fast as conditions will allow. The scarcity of material, together with the stormy weather, has delayed the work considerable.

"We would ask your Honorable Committee to report favorably for an extension of ninety days additional time in which to complete the work.

"Yours respectfully.

"GEO. A. NEWHALL,
"President."

Motion.

Supervisor Coleman moved that the Judiciary Committee be granted one week further time within which to report in the matter of the progress of reconstruction of the system of the Presidio and Ferries Railroad Company.

So ordered.

Adopted.

Respect to Memory of Archbishop George Montgomery.

Supervisor Walsh introduced the following Resolutions, which were unanimously adopted by a rising vote, as Resolution No. 700 (New Series), to-wit:

Whereas, Almighty God has removed from the earthly scene of his beneficent ministrations, his Grace, the Most Reverend George Montgomery, Coadjutor Roman Catholic Archbishop of San Francisco, a prelate most beloved by the people of our city, for the sanctity of his private life, his kindness of heart, his noble qualities and his gentle worth; and,

Whereas, his broad public spirit was ever manifest in actions conducive to the welfare of San Francisco,

and particularly in his great and abiding love for the youth of our city, to whose spiritual and temporal welfare he devoted his life and talents; and,

Whereas, his earthly course of life, both as churchman and citizen, was both by inspiration and example one of love and respect for his fellow man, for his country and for its institutions; now, therefore,

Resolved, By the Board of Supervisors of the City and County of San Francisco, in meeting assembled, that in the death of Archbishop Montgomery in the fullness of his splendid career, San Francisco has suffered the loss of one of its greatest citizens and one whose example in private life and public affairs we will ever hold in grateful remembrance; further,

Resolved, That when this board adjourns it does so out of respect

to his memory, and that a copy of these resolutions be entered in the journal.

In Matter of Suspension of William H. Langdon from Office of District Attorney.

The matter of hearing of charges preferred by his Honor the Mayor, in suspending Wm. H. Langdon from the office of District Attorney of the City and County was proceeded with.

Motion.

No appearance of Wm. H. Langdon in person or by attorney being noted. Supervisor Davis moved that the investigation be continued over until Monday, January 21, 1907, at 2:30 p. m. Motion carried.

ADJOURNMENT.

There being no further business, the Board at the hour of 5:20 o'clock, adjourned.

McGushin, Nicholas, O'Neill, Phillips, Rea, Tveitmoe, Walsh—17.

Oil Permits.

Resolution No. 708 (New Series), Granting Wm. T. Belvel permission, during the pleasure of the Board of Supervisors, to erect and maintain a storage tank of not more than 1200 gallons capacity in premises situate on easterly side of Albion avenue, 230 feet southerly from Sixteenth street, for the purpose of storing therein crude petroleum to be used as fuel under boilers in said premises.

Ayes—Supervisors Boxton, Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Kelly, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Phillips, Rea, Tveitmoe, Walsh—17.

Resolution No. 709 (New Series), Granting X L O Grease Company permission, during the pleasure of the Board of Supervisors, to erect and maintain a storage tank of not more than 2500 gallons capacity in premises situate on westerly corner of Twentieth avenue south and H street south, for the purpose of storing therein crude petroleum to be used as fuel under boilers in said premises.

Ayes—Supervisors Boxton, Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Kelly, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Phillips, Rea, Tveitmoe, Walsh—17.

Full Acceptance, Streets.

Bill No. 146, Ordinance No. 134 (New Series), entitled, "Providing for the full acceptance of the roadway of Sanchez street between Twenty-sixth street and Clipper street."

Ayes—Supervisors Boxton, Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Kelly, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Phillips, Rea, Tveitmoe, Walsh—17.

Bill No. 147, Ordinance No. 135 (New Series), entitled, "Providing for the full acceptance of the roadway of Alma street between Cole street and Belvedere street, and the roadway of Belvedere street between Grattan street and Alma street; also the crossing of Alma street and Belvedere street, paved with bituminous rock."

Ayes—Supervisors Boxton, Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Kelly, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Phillips, Rea, Tveitmoe, Walsh—17.

Changing Grades on Coso Avenue and on Precita Avenue.

Bill No. 148, Ordinance No. 136 (New Series), entitled, Changing and

establishing grades at certain points in Precita avenue and on Coso avenue."

Ayes—Supervisors Boxton, Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Kelly, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Phillips, Rea, Tveitmoe, Walsh—17.

Extension Time, Street Work.

Resolution No. 710 (New Series). Granting the City Street Improvement Company an extension of ninety days' time from and after January 28, 1907, within which to complete the contract for paving Valencia street between Eighteenth and Nineteenth streets.

This extension of time is granted for the reason that the Spring Valley Water Company and the United Railroads have been unable to complete their work.

Ninety days' time from and after January 9, 1907, within which to complete the contract for paving Larkin street between Hayes and McAllister streets.

This extension of time is granted for the reason that the debris has not as yet been removed.

Ayes—Supervisors Boxton, Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Kelly, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Phillips, Rea, Tveitmoe, Walsh—17.

Extension of Time, Street Work.

Resolution No. 711, (New Series), Granting J. J. Dowling an extension of ninety days' time from and after January 9, 1907, within which to complete the contract for paving Harrison street between Fourth and Sixth streets.

This extension of time is recommended for the reason that the contractor has been unable to complete the work on account of the construction of sewer in said street.

Ayes—Supervisors Boxton, Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Kelly, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Phillips, Rea, Tveitmoe, Walsh—17.

County Clerk Appoint Ten Additional Copyists.

Bill No. 136, Ordinance No. 137 (New Series), entitled, "Providing for the employment of ten additional copyists for the County Clerk's office, and fixing their compensation."

Action Deferred.

Authorizing Payment, Automobile, Board of Public Works.

Resolution No. — (New Series). Authorizing an expenditure of \$1950 to be made out of the Surplus Fund in payment to Boyer Motor Car Company for one Model G motor car for use of the Board of Public Works, as per contract and bill rendered, laid over from a prior meeting, was taken up, and

On motion, again laid over one week.

Appeal from Street Assessment, Eighth Avenue Between "J" and "K" Streets.

The matter of appeal from assessment made by the Board of Public Works for sidewalk work done by Carl Martin on Eighth avenue between "J" and "K" streets was proceeded with.

Hearing Postponed.

Supervisor Rea moved that the hearing be postponed one week.

So ordered.

PRESENTATION OF BILLS AND ACCOUNTS.

Demands upon the Treasury amounting to \$97,446.97 and entered in Register of Demands No. 3 (New Series), and numbered consecutively therein 2539 to 3181 inclusive, were presented, read and referred to the Finance Committee.

REPORT OF FINANCE COMMITTEE.

The Finance Committee, by Supervisor Gallagher, reported in favor of allowing the demands heretofore read and referred, said Committee having duly examined and approved the same, and, on his motion, said demands were so allowed and ordered paid by the following vote:

Ayes—Supervisors Boxton, Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Kelly, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Phillips, Rea, Tveitmoe, Walsh—17.

NEW BUSINESS.

Passed for Printing.

The following matters were *passed for printing*:

Authorizing Payment, Lumber, Water and Refunded Surveying Fees.

On motion of Supervisor Gallagher: Resolution No. — (New Series), Authorizing an expenditure of \$2296.50 to be made out of the General Fund in payment to the following firms for lumber, etc., furnished the City and County of San Francisco and to the Parkside Realty Co. for refund of money paid the Board of Works for surveys which have not been made:

	\$2296 50

As per contract and bills rendered.

Oil Permits.

On motion of Supervisor Mamlock:
Resolution No. — (New Series),
Granting Duboce Cafe and Bakery
permission, during the pleasure of
the Board of Supervisors, to erect
and maintain a storage tank of not
more than 350 gallons capacity, in
premises situate at No. 708 Four-
teenth street, for the purpose of stor-
ing therein crude petroleum to be
used as fuel in said premises.

Also, Resolution No. —, (New Series),
Granting Martin's Restaurant
permission, during the pleasure of the
Board of Supervisors, to erect and
maintain a storage tank of not more
than 350 gallons capacity, in premises
situate No. 2802 Mission street, for
the purpose of storing therein crude
petroleum to be used as fuel in said
premises.

Authorizing Board of Public Works to
Construct Sewers in Market Street from
Sansome Street to East Street.

On motion of Supervisor Rea:

Bill No. 150, Ordinance No. —
(New Series), entitled, "Authorizing
the Board of Public Works of the
City and County of San Francisco to
construct sewers in Market street,
from Sansome street to East street,
and in streets adjacent thereto."

Dedicating Park Portions of Dolores
Street to Park Purposes.

Also, Bill No. 151, Ordinance No.
— (New Series), entitled, "Dedi-
cating the parked portions of Dolores
street, between Fifteenth street
and Seventeenth street, to public
park purposes and placing the same
under the exclusive control and man-
agement of the Park Commissioners."

Ordering Street Work.

Also, Bill No. 151, Ordinance No.
— (New Series), entitled, "Order-
ing the performance of certain street
work to be done in the City and
County of San Francisco, approving
and adopting specifications thereof,
and authorizing the Board of Public
Works to enter into contract for do-
ing the same," the provisions of
which order the following work:

1. That Florida street, between
Sixteenth and Seventeenth streets, be
improved by the construction therein
of an 8-inch ironstone pipe sewer,
with appurtenances.

2. That artificial stone sidewalks
be constructed on Sixth avenue, be-
tween Clement and California streets.

3. That San Jose avenue, between
Twenty-second and Alvarado streets,
be improved by the construction
therein of stone curbs, and a bitum-
inous rock pavement.

4. That an 8-inch ironstone pipe
sewer, with appurtenances, be con-
structed along the center line of Pre-
sidio street, from a point 10 feet
westerly from its easterly termina-
tion to the easterly line of Baker
street; also that an 8-inch ironstone
pipe sewer be constructed on Baker
street, opposite the termination of
Presidio street, along the center line
of said Presidio street, produced,
from the easterly line of Baker street
to the center line thereof.

5. That artificial stone sidewalks
be constructed on Eleventh avenue,
between J and K streets, and that
stone curbs and artificial stone side-
walks be constructed, on the four an-
gular corners of each of the cross-
ings of Eleventh avenue and J street
and Eleventh avenue and K street.

6. That artificial stone sidewalks
be constructed on Twelfth avenue,
between H and J streets; that arti-
ficial stone sidewalks and stone curbs
be constructed on the four angular
corners of the crossing of Twelfth
avenue and I street, and that arti-
ficial stone sidewalks be constructed
on the southeasterly and southwest-
erly angular corners of the intersec-
tion of Twelfth avenue and H street.

Extensions of Time, Street Work.

Also, Resolution No. — (New
Series), Granting the Barber Asphalt
Paving Company the following exten-
sions of time to complete street
work:

Ninety days' time from and after
January 11, 1907, to complete the
paving of Bartlett alley, between Pa-
cific and Jackson streets.

Ninety days' time from and after
February 7, 1907, to complete the
paving of Ellis street, from Stockton
to Larkin streets.

Ninety days' time from and after
February 1, 1907, to complete the
paving of Kearny street, between
California and Pacific streets.

Ninety days' time from and after
February 7, 1907, to complete the

paving of Mission street, between Sixth and Ninth streets.

Ninety days' time from and after February 7, 1907, to complete the paving of Turk street, between Mason and Hyde streets.

Ninety days' time from and after February 7, 1907, to complete the paving of Sixteenth street, between Valencia and Folsom streets.

These extensions of time are granted for the reason that the contractor will be unable to complete the work within the time originally fixed by the Board of Public Works.

Also, Resolution No. — (New Series), Granting Flinn & Treacy an extension of thirty days' time from and after January 9, 1907, within which to complete the contract for the construction of a sewer in Dore street, between Bryant and Brannan streets.

This extension of time is granted for the reason that the contractor has been unable to procure material, and also on account of the inclemency of the weather.

Also, Resolution No. — (New Series), Granting Felix McHugh an extension of sixty days' time from and after January 29, 1907, to complete the contract for grading and macadamizing Twenty-ninth avenue, between Point Lobos avenue and A street.

This extension of time is recommended for the reason that the contractor has been delayed in the work owing to the inclemency of the weather.

Spur Track, Vermont Marble Company.

Also, Bill No. 153, Ordinance No. — (New Series), entitled, "Granting permission to the Vermont Marble Company, during the pleasure of the Board of Supervisors, to construct, maintain and operate a spur track commencing at a point in the south line of Brannan street, 8 feet west of the east line of Japan street, and thence crossing Brannan street to a point on the north line of Brannan street, 283½ feet east of Second street."

Authorizing Recorder to Appoint Extra Deputy and Two Index Clerks.

On motion of Supervisor Gallagher: Bill No. 154, Ordinance No. — (New Series), entitled, "Authorizing the appointment by the Recorder of one extra deputy and two index clerks."

Regulating Use of Spur Tracks.

Bill No. 149, Ordinance No. —

(New Series), entitled, "Providing for and regulating the construction, maintenance and use of spur tracks on and over public streets within the City and County of San Francisco, and fixing penalties for the violation thereof," laid over from a prior meeting, was taken up.

Referred to Committee of Whole.

Supervisor Furey moved that the Bill be referred to the Committee of the Whole meeting at "Mowry's Hall," Laguna and Grove streets, on Friday, January 25, 1907, and that all interested parties and representatives of the railroad companies be notified to appear at that time and place.

So ordered.

(This action, insofar as meeting place is concerned, was subsequently reconsidered—see later Proceedings.)

Adopted.

The following Resolutions were adopted:

Providing \$10,000 for Repair of Public Streets.

On motion of Supervisor Bixton:

Resolution No. 712 (New Series), as follows:

Resolved, That the sum of ten thousand (\$10,000) dollars be and is hereby appropriated, set aside and authorized to be expended by the Board of Public Works for the repair of various streets, and the attention of the Auditor and Treasurer be and is hereby respectfully called to the provisions of this Resolution.

Providing for Increased Salaries of Auditor's Clerks.

On motion of Supervisor Gallagher:

Resolution No. 713 (New Series), as follows:

Whereas, The salaries paid to the employees in the Auditor's office are totally inadequate in view of the increased cost of living and the present condition of affairs, and are much lower than the salaries paid other employees engaged in a similar capacity; therefore be it

Resolved, That the following amounts be added to the salaries of the following designated employees, and that the increase be charged against the appropriation for the assessment roll, a considerable portion of this work being performed by said employees in addition to their other duties:

Additional allowance per month.

One assistant deputy and statistician\$25 00

One assistant deputy and book-keeper\$50 00
 One chief clerk.....\$75 00
 One redemption clerk.....\$50 00
 One entry clerk.....\$50 00
 Five assistant clerks, each.....\$25 00

This Resolution to take effect from January 1, 1907.

The attention of the Auditor and Treasurer be and is hereby called to the provisions of this Resolution.

Providing \$35,000 Additional Appropriation for the Board of Public Works.

Also, Resolution No. 714 (New Series), as follows:

Resolved, That the sum of thirty-five thousand (\$35,000) dollars be and the same is hereby appropriated, set aside and authorized to be expended out of the Surplus Fund to meet bills incurred by the Board of Public Works.

Further Resolved, That the attention of the Auditor and Treasurer be and is hereby called to the provisions of this Resolution.

Providing \$2500 Additional Appropriation for Department of Elections.

Also, Resolution No. 715 (New Series), as follows:

Whereas, The Board of Election Commissioners have heretofore filed with this Board a statement relative to their financial appropriations for the current fiscal year, together with the report of the Registrar of Voters, from which it appears that an immediate additional appropriation is necessary to maintain the work of the Department of Elections; now therefore be it

Resolved, By the Board of Supervisors of the City and County of San Francisco, that the sum of two thousand five hundred (\$2500) dollars is hereby appropriated to and transferred to and for the use of said Department of Elections in addition to appropriation previously made, which said appropriation hereby made is made out of the General Fund, and so appropriated and transferred to and for the use of the said Department of Elections.

City Engineer and Engineer John R. Price Examine and Report to Board of Supervisors in Detail Upon American-Cosmunes Water Supply System of Bay Cities Water Company.

On motion of Supervisor Phillips: Resolution No. 716 (New Series), as follows:

Whereas, The present Municipal administration of San Francisco was

elected by the largest majority in municipal history and largely because the people accepted its pledges that if elected it would furnish them with an abundant, pure and wholesome supply of Sierra water from a system owned and operated by the city; and

Whereas, From the adoption of the present city Charter up to the election of the present city government the officials of the city fed the demands for public ownership of water with high-sounding promises that meant nothing to the people, but meant to the water monopoly undisputed and unmolested control of the city; and

Whereas, The calamity of fire on and following the 18th day of April, 1906, has immensely increased the necessities of the public as to water; and

Whereas, The time yet at the disposal of this administration, if its pledges to the people are to be maintained and redeemed, is none too great to permit it to perform this great work; and

Whereas, Numerous propositions have been considered by the Board of Supervisors and much time spent in public discussion, investigation and deliberation, and it is clear to this Board that the results properly expected by the public demand prompt action on the part of the Board of Supervisors; and

Whereas, The reports now before the Supervisors show that one of the sources of water supply offered to the city and heretofore in a preliminary way favorably considered by the Board was experted and recommended by Colonel George H. Mendell as a water supply for this city, said Mendell being considered one of the greatest engineers on water supply questions in the United States, and being the same Colonel Mendell afterward appointed president of the Board of Public Works of the city of San Francisco by ex-Mayor James D. Phelan, which report and recommendations were published in the Municipal Reports of the city (Municipal Reports, 1876-7, page 715); and

Whereas, A considerable portion of the same source of water supply was afterwards examined and experted and reported upon in behalf of the city of Sacramento and strongly recommended to that city by Engineer A. M. Hunt, who is recognized by many to be one of the ablest water supply engineers living, an attested copy of which writ-

ten report is now on file with the Clerk of the Board; and

Whereas, Another report upon this source of supply has heretofore been prepared by City Engineer Thomas P. Woodward and Assistant City Engineer John R. Price, in consultation with that distinguished authority, Marsden Manson, commending and approving the same properties as an adequate and desirable source of water supply for the city of San Francisco, and is now on file in the office of the Clerk of this Board, said source so recommended and approved by Engineers George H. Mendell, A. M. Hunt, Thomas P. Woodward, John R. Price and Marsden Manson, being that source offered to the city by the Bay Cities Water Company and known as the American-Cosumnes source; and

Whereas, The said Bay Cities Water Company has proposed to sell to the city of San Francisco this, the American-Cosumnes Sierra water supply source, and to guarantee it to be capable of delivering not less than seventy-five millions of gallons per day of pure mountain water, and further guaranteed to be so situated that the supply of such Sierra water may be increased from said American-Cosumnes source as required by the city's needs until more than two hundred million gallons per day can be procured therefrom without the necessity of acquiring any additional source of supply; and

Whereas, The American-Cosumnes source of supply, proposed by such Bay Cities Water Company, is situated entirely within the State of California; lies between elevations of fifteen hundred and eleven thousand feet above the sea, having an average elevation of nearly six thousand feet; is largely included in the Lake Tahoe National Forest Reserve; is almost uninhabited; is not open to settlement, and is entirely within the State's jurisdiction and subject to its admirable sanitary laws, which insure to its waters perpetual protection against pollution; and

Whereas, From all information before this Board on all obtainable water supply sources this Board is confirmed in its opinion that if the American-Cosumnes source has the advantages claimed for it in the reports of Engineers Mendell, Woodward, Price, Hunt and Manson, it is superior to any other; and

Whereas, It appears from the re-

ports of Engineers Woodward, Price and Manson that at the time of their investigation reservoir capacity was only examined and reported upon to the extent of thirty-five thousand seven hundred and twenty millions of gallons of water; and

Whereas, The American-Cosumnes people now guarantee that their system includes reservoir sites that insure a capacity of over one hundred thousand million gallons of water storage, being nearly three times the amount reported on by Engineers Woodward, Price and Manson; and

Whereas, This Board is advised that 70,100 million gallons of reservoir capacity would be ample to insure a daily supply of more than 200,000,000 gallons per day; therefore be it

Resolved, That the City Engineer of the City and County of San Francisco and John R. Price, former assistant engineer of said City and County, in charge of water supply investigation, be and they are hereby instructed immediately to make full, careful and complete examination of such maps, plans, notes of survey and computation sheets appearing in the engineering reports already submitted, and to demand of the proponents of the American-Cosumnes water supply system the production for their use in the preparation of their report all engineering data, surveys, etc., in their possession. And thereupon to inform this Board as follows:

In Reference to 75-Million-Gallon Daily Supply Proposed to Be Developed by the Bay Cities Water Company.

a. Having reference only to physical conditions such as water shed area, rainfall, runoff, dams, canals, reservoirs and the various existing structures and such structures as the proponents propose to install at their own cost:

First—In case the City of San Francisco should acquire the rights, properties and improvements included in the Bay Cities Water Company's proposition, could the city rely on a continuous and immediate daily supply therefrom of 75-million gallons of water delivered at the point specified by said proponents?

Second—From what natural subdivisions of the American-Cosumnes water sheds do the proponents intend to procure said 75-million gallons of daily supply?

b. Having reference to the volume of water which will be delivered by

the works included in proponent's offer, and the elevation at which proponents intend delivering the same:

First—What horsepower value does it possess, and how much electrical energy can be developed therefrom; and

Second—Are the structures, dams, canals, ditches, reservoirs, etc., that are erected, or that proponents intend erecting, so planned as to be permanent in character, adequate and suited to their intended uses?

Third—Will the 75-million gallon daily supply of water to be delivered by the works included in the proposition of Bay Cities Water Company be of good quality, that is, pure and free from contamination?

Fourth—What is the daily supply of water that will be provided from the American-Cosumnes water sheds by the structures now existing and the further structures which Bay Cities Water Company proposes to make at its own cost, as included in its proposition to the city?

Fifth—Will it be a continuous and assured supply?

Sixth—What is the estimated number of years that will elapse before the city will require a greater daily supply than that which would be provided by the improvements which the Bay Cities Water Company proposes to make, as included in its proposition to the city?

In Reference to a Daily Supply of 200 Million Gallons of Water Upon Further Development of the American-Cosumnes Water Sheds.

Having reference only to the physical conditions, such as water-shed area, rainfall and run-off, together with such additions to water storage facilities as are possible within the American-Cosumnes water sheds. Then under full development of required dams, canals, reservoirs and other structures requisite, necessary and possible of being made thereon:

First—Could the city of San Francisco safely rely upon the American-Cosumnes region for a continuing daily supply of 200 million gallons of water?

Second—What proportion of the 200 million gallons daily water supply could be procured from the American River division of the American-Cosumnes water shed; also what proportion thereof would come from the Cosumnes division, and from what parts of such division?

Third—If it be found that all of the

Cosumnes division of the American-Cosumnes water sheds is not requisite to the provision of a daily supply of 200 million gallons, then what part of the Cosumnes division would be excluded, and what are the characteristics of the excluded parts, and how great a daily supply of water could be produced therefrom, considering them alone?

Fourth—What is the estimated ultimate capacity in million gallons of water per day of the entire American-Cosumnes water sheds when the reservoir sites thereon have been developed to their fullest capacity, as offered by the Bay Cities Water Company.

Fifth—The Bay Cities Water Company has proposed that it will build certain structures for the provision of a daily supply of 75 million gallons. Are these structures as planned for the 75 million gallons adequate and suitable for use in connection with the development of a daily supply of 200 million gallons of water from the American-Cosumnes region?

Sixth—What is the estimated number of years that must elapse before the city of San Francisco will require a daily water supply of 200 million gallons?

Seventh—Is the system offered by the Bay Cities Water Company so designed that additions may be conveniently made thereto for the procurement of water supplies in excess of the 75 million gallons per day, when the same are required by the city?

In General.

The attention of the engineers is called to the fact that the Bay Cities Water Company has offered a guarantee of its titles to all the land, water rights, reservoir sites, structures, etc., contained within its proposal, and before submission to the people. Should its system be approved by the Board for such submission, these titles will be carefully investigated and passed upon by the city's official legal advisers. The object of the Board in requesting this report on the physical conditions above set forth is to enable it to determine whether the supply offered meets the requirements of the city for a municipal water supply, and if it be so found, then the Board will investigate and determine upon the question of titles and of the price of said supply; and if the adequacy of said supply, and the titles thereto and the price thereof shall be found satis-

factory, then the Board will submit to the people of the city at the earliest practicable time the proposition for a municipal water supply.

Board of Public Works Appraise Properties of Spring Valley Water Company for Purposes of Fixing Water Rates for 1907-8.

On motion of Supervisor Walsh:

Resolution No. 717 (New Series), as follows:

Resolved, That the Board of Public Works be and is hereby directed to submit to the Board of Supervisors not later than February 15, 1907, an appraisalment of the properties of the Spring Valley Water Company actually used in furnishing the City and County of San Francisco, and the inhabitants thereof, with a pure and wholesome supply of water, for the purpose of enabling said Board of Supervisors to establish a basis of valuation of said properties and upon which it may fix and determine water rates to be charged said City and County and its inhabitants for the fiscal year commencing July 1, 1907, and ending June 30, 1908.

In making said appraisalment the Board of Public Works shall submit a list of all lands, water rights, reservoir sites and tangible property, together with a specific statement of valuation in each instance.

Relating to Extension and Widening of Montgomery Avenue.

On motion of Supervisor Furey:

Resolution No. 723 (New Series), as follows:

Whereas, Heretofore this Board did resolve and determine that Montgomery avenue should be extended at a width of one hundred feet, northwesterly from its present northerly terminus to the waters of the Bay, and should also be extended at the same width of one hundred feet southeastwesterly from its present southerly terminus at Washington street, to Market street, in accordance with the recommendations of the Committee on Street Widening and Extensions, of the Committee of Forty appointed by his Honor, the Mayor, after the calamity of April 18, 1906; and

Whereas, This street extension and improvement will be of vital interest and benefit to the city, and it is extremely desirable that it should be proceeded with as expeditiously as practicable and before any further buildings shall be erected along the line of the proposed extensions; therefore be it

Resolved, That the City Engineer be and he hereby is requested and instructed to prepare at once and transmit to this Board as soon as possible a map of the lands and properties necessary to be taken for such proposed extensions and improvement, designating by metes and bounds each separate parcel necessary to be acquired for such extensions and improvement, and also a map or plat of the lots and parcels of land remaining after taking therefrom the land necessary for such extensions and improvement, describing the same severally by metes and bounds; further

Resolved, That the City Engineer be and he hereby is also requested to report to this Board as soon as possible what changes if any may be practicable in the grade of Montgomery avenue as it now exists between Pacific street and Union or Filbert streets, together with an estimate of the cost of changing the grade and any damages or benefits which may result to the property fronting on Montgomery avenue or intersecting streets from such proposed change of grade. And the City Engineer is requested to make a detailed report thereof at the earliest practicable time. Further

Resolved, That until the further order of this Board the Board of Public Works be and it hereby is directed and instructed to issue no building permits for the erection of any buildings on any land embraced within the

lines of such proposed extensions of Montgomery avenue. Further

Resolved, That John T. Harnes, Emile E. Kahn and N. Lang be, and they hereby are appointed appraisers to appraise the value of all lands included within the lines of such extensions and necessary to be taken for such improvement and extensions, and also to estimate and appraise any and all damages and benefits which may arise or accrue to contiguous lands and property by reason of such proposed improvement and extensions of Montgomery avenue, and they are hereby instructed and directed to report the same to this Board as soon as possible. Further

Resolved, That the City Attorney be, and he hereby is instructed and directed to prepare at once all necessary resolutions, orders and ordinances necessary to be adopted by this Board, and to advise this Board what proceedings must be taken, passed or adopted by this Board, together with the forms thereof, for the initiation, execution and accomplishment of the work of extending Montgomery avenue as aforesaid, and the Clerk of this Board is hereby directed and instructed to communicate this Resolution to the various officials and persons herein designated with the request that they proceed at once with the work allotted or assigned to, or required of them. Further

Resolved, That the Chairman of the Street Committee (Supervisor Rea), Chairman of the Finance Committee (Supervisor Gallagher) and the Chairman of the Committee on Public Utilities (Supervisor Boston), be, and they hereby are appointed a Special Committee to confer with the various officers and persons herein named with a view to securing early and speedy action in the premises.

VETO MESSAGE.

Providing for Increased Salaries of Auditor's Clerks.

The following message from his Honor the Mayor, returning without his approval and with his objections thereto, Resolution No. 713 (New Series), was received, read and ordered

published and entered at large in the Journal and referred to the Finance Committee:

Mayor's Office, City and County of San Francisco, Executive Department, January 31, 1907.

To the Honorable the Board of Supervisors—Gentlemen: I hereby veto and return without my approval Resolution No. 713 (New Series), which raises the salaries of several clerks in the Auditor's office, for the following reasons:

I believe that the increase in the salaries of the positions mentioned in said Resolution is out of all proportion, and while it may be necessary, is, in my opinion, too great an increase. I have always been in favor of increasing the salaries of underpaid employes and believe that the clerks mentioned in the Auditor's office should receive an increase over their present salary allowance, but to raise one clerk's salary twenty-five per cent, another's fifty per cent and another's seventy-five per cent seems to be disproportionate.

Yours very truly,

E. E. SCHMITZ, Mayor.

REPORTS OF COMMITTEES.

The following Committees by their respective Chairmen, presented reports on various matters referred, which reports were received, read and ordered filed, to wit:

**Spur Track Privilege, Southern Pacific
Railroad Company.**

Supervisor Rea introduced Bill No.
169, Ordinance No. — (New Ser-
ies), entitled, "Granting permission
to the Southern Pacific Railroad
Company, during the pleasure of the
Board of Supervisors, to construct,
lay down, maintain and operate spur
tracks along, over and across certain
public streets of the City and County
of San Francisco, State of Califor-
nia," the provisions of which permit
the construction of spurs along the
following route, to wit:

Commencing on existing track of
the Southern Pacific Railroad Com-
pany on Townsend street, at a point
about 200 feet southwesterly from
the southwesterly line of Fourth
street; thence running northeasterly
and northerly by a curve along
Townsend street and across Fourth
street on to private property in block
368; thence through private prop-
erty in block 368 to the southwesterly
line of Crooks street; thence cross-
ing Crooks street and Lusk alley and
entering private property and con-
tinuing thereon northeasterly to and
across Riten street to reach private
property owned by the Southern Pac-
ific Railroad Company between
Third street and Ritch street; also

Commencing on said spur track
first above described at a point in pri-
vate property between Crooks street
and Fourth street, and thence run-
ning southwesterly on private prop-
erty to and across Fourth street to
Bluxome street; thence continuing
southwesterly on and along Bluxome
street to and across Fifth street and
to and across Sixth street; thence
continuing across private property
and the following streets to Seventh
street, viz.: Across Harriet street
Geneva street, Brannan place and
Gilbelt street.

Privilege of Floor.

Francis Dunn, Attorney, was
granted the privilege of the floor and
was heard at length in opposition to
the passage of the Bill on the ground
that it granted a spur track privilege
to the Railroad Company itself, and
on the further ground that the con-
templated route traversed private
land, through which the Company
had no privilege to pass, and in con-

clusion, requested that action be deferred until the permittee could show that it had procured all rights of way.

Motion to Recommit.

Supervisor Tveitmoe moved the recommitment of the Bill.

Motion lost, by the following vote:

Ayes—Supervisors O'Neill, Tveitmoe.

Noes—Supervisors Boxtton, Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Lonergan, Mamlock, McGushin, Nicholas, Phillips, Rea, Walsh—14.

Privilege of Floor.

Samuel Knight, Attorney, representing Holbrook, Merrill & Stetson, owners of warehouse property in Bluxome street between Fifth and Sixth streets, was granted the privilege of the floor and asked that the Bill be amended by providing that in addition to preventing the switching or moving of cars on Bluxome street between the hours of 6 a. m. and 6 p. m., that no cars be allowed to stand on Bluxome street between said hours.

Amendment.

Whereupon, on motion of Supervisor Rea, the clause referred to in the Bill was amended to read as follows:

"Provided further, that on that portion of said spur track authorized to be constructed, laid down, maintained and operated along Bluxome street, no car or cars shall be switched or moved during the hours between 6 o'clock a. m. and 6 o'clock p. m., and that no cars shall be allowed to stand on Bluxome street between Fifth and Sixth streets between said hours."

Passed for Printing.

Thereupon, Bill No. 169, as amended, was *passed for printing*, by the following vote:

Ayes—Supervisors Boxtton, Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Lonergan, Mamlock, McGushin, Nicholas, Phillips, Rea, Walsh—14.

Noes—Supervisors O'Neill, Tveitmoe—2.

Determining to Grant a Street Railroad Franchise on Devisadero Street and Twentieth Street Cross Town Line.

Supervisor Boxtton introduced the following Resolution:

Whereas, Application has been

made to the Board of Supervisors of the City and County of San Francisco by the Devisadero Street Improvement Association and numerous property owners, merchants and residents of the Western Addition and Mission districts, through petitions filed October 22, 1906, to advertise for sale a franchise to construct and operate a street railroad along the following describe route, in accordance with the provisions of the Charter of the City and County of San Francisco, and the laws of the State of California, governing the granting of street railway franchises, to wit:

Commencing at the intersection of Page and Scott streets; thence along Scott street and curving into Duboce avenue; thence along Duboce avenue and curving into Noe street; thence along Noe street and curving into Sixteenth street; thence along Sixteenth street and curving into Church street; thence along Church street and curving into Eighteenth street; thence along Eighteenth street and curving into Valencia street; thence along Valencia street and curving into Twentieth street; thence along Twentieth street to Potrero avenue; and

Whereas, It appears to this Board that public interest and necessity will be subserved by the grant of such franchise; therefore

Resolved, That this Board grant a franchise as a whole, after due advertisement and offer for sale, to construct a double track street railroad, with all necessary turnouts, switches, crossings, curves, connections, terminal tracks and facilities over and along the route hereinbefore specified, said railroad to be operated by means of electricity with modern equipment and appliances, or by such other improved methods of propulsion as science may reveal and invention devise, and which may hereafter be sanctioned by the Board of Supervisors.

Said franchise shall be granted in the manner and subject to the conditions and restrictions provided in the Charter of the City and County of San Francisco, with particular reference to the following subdivisions and sections of Chapter 2, Article II of said Charter, relating to the powers of the Board of Supervisors, to wit:

Subdivision 2 and subdivision 27, as amended February 5, 1903, of Section 1 thereof and Section 6 thereof.

Provided further that the grantee operating under said franchise shall be required to pave the space between the rails and for two feet on each side thereof and between the tracks, if there be more than one, upon the streets whereon said tracks are to be laid, and to keep the same in good condition and repair under the supervision and to the satisfaction of the Board of Public Works of the City and County; also

That such street railroads operating under different managements, as the Board of Supervisors may permit, or the City and County itself, in the operation of a municipal railroad, shall have the privilege of using said tracks for a distance not to exceed ten (10) consecutive blocks, for the purpose of securing equal terminal facilities, upon condition that the expense of construction and repair of the tracks and appurtenances used by the said railways jointly be equitably divided between the respective owners; also

That the grantee operating under this franchise must pay to the City and County as a license upon each car such sum as the Board of Supervisors may fix, provided, however; that such sum shall not exceed fifty (\$50) per annum, nor be less than fifteen (\$15) dollars per annum; also

That as a condition precedent to the sale and granting of this franchise the grantee thereunder shall permit and allow all policemen and firemen of the City and County of San Francisco at all times, and all mail carriers in the employ of the of the United States Government while engaged in the actual discharge of duty, to ride on the cars of such company without paying any sum of money whatever for fare or otherwise; also

That the bidder for the said franchise shall file with his bid a good and sufficient bond in the penal sum of ten thousand dollars (\$10,000), with sureties thereon satisfactory to the Mayor of the City and County, conditioned that the bidder shall well and truly observe and perform the conditions of the franchise for which application is made, in the case the same is awarded to him, and that in case of breach of

any of the conditions of such bond, the whole of the penal sum of ten thousand (\$10,000) dollars shall be taken to be liquidated damages; also

That the successful bidder for this franchise shall pay all charges for advertising in the official newspaper of this Resolution, of the notice of sale and of the Ordinance granting said franchise.

Further, resolved, That the Clerk of this Board be and he is hereby authorized, empowered and directed to advertise for sealed proposals, or bids, for the sale of this franchise, in accordance with the provisions of the Charter, and with the terms of this Resolution as hereinbefore expressed, said bids to be filed with the Clerk not later than 12 M Saturday, March 23, 1907, and Monday, March 25, 1907, at the hour of 3 p. m., is hereby fixed as the hour and date for the opening of said proposals, or bids, and for the awarding of said franchise.

The Board of Supervisors reserves the right to reject any and all bids if they believe that the public interest will be subserved thereby.

Passed for Printing.

Supervisor Coffey moved the passage for printing of the Resolution.

Message From Mayor Requesting Leave of Absence.

The following Message from his Honor the Mayor was received and read:

To the Honorable, the Board of Supervisors:

Gentlemen—At a late hour yesterday I decided to accept the invitation of President Roosevelt to come to Washington for a conference on the Japanese question. I, therefore, respectfully request a leave of absence for thirty days in order that I may attend

to this very important public matter.
Yours truly,

E. E. SCHMITZ, Mayor.

Granting Mayor E. E. Schmitz Leave of Absence From State and Appointing Supervisor James L. Gallagher to Act as Mayor During Such Absence.

Thereupon, Supervisor Coleman introduced the following Resolution:

Whereas, his Honor Mayor E. E. Schmitz has filed with the Board of Supervisors the following request for a leave of absence from the State, to wit:

To the Honorable, the Board of Supervisors—Gentlemen: At a late hour yesterday I decided to accept the invitation of President Roosevelt to come to Washington for a conference on the Japanese question. I, therefore, respectfully request a leave of absence for thirty days in order that I may attend to this very important public matter.

Yours truly,

E. E. SCHMITZ, Mayor.

Now, therefore, Resolved, That his Honor, Mayor E. E. Schmitz, be and he is hereby granted permission to absent himself from the State of California for thirty (30) days; further

Resolved, That Supervisor James L. Gallagher be and is hereby appointed to act as Mayor of the City and County of San Francisco during the absence of his Honor, Mayor E. E. Schmitz, from the State.

Adopted, on motion of Supervisor Tveitmoe, as Resolution No. 761 (New Series), by the following vote:

Ayes—Supervisors Boxton, Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Rea, Tveitmoe, Walsh—15.

Report of Committee on Hospital and Health on Protests Against Maintenance of Certain Stables.

To the Honorable, the Board of Supervisors of the City and County of San Francisco:

Gentlemen—Your Committee on Hospital and Health begs leave to respectfully report that it has visited a number of stables now conducting business in this city, and which have been protested against by property owners and residents in their vicinity as being a menace to property on account of unsanitary conditions and danger of the construction of the buildings from a fire point of view.

A number of these stables were investigated by your Committee and in many instances the conditions were as

set forth in the protests, and in fact a filthy and very unsanitary condition.

The places mostly found to be a menace to the interests of inhabitants from the above reasons are:

At No. 3575 Seventeenth street there is absolutely no sanitation in these premises.

At No. 3553 Seventeenth street there is no drain whatever to carry off the stable accumulation.

At No. 60 Dorland street there is no sanitation, and the structure is overcrowded with horses, and indeed in a very bad and filthy condition.

Opposite No. 3553 Seventeenth street the sanitary conditions are very bad.

Your Committee would state that scarlet fever has been discovered in many homes in this locality and no doubt it can be attributable to the above unsanitary conditions of the neighborhood, brought about by such bad and uncleanly places as these stables referred to.

Your Committee would respectfully call attention of the Board of Health to the existing conditions and have the said nuisances abated; also the Board of Public Works' attention is respectfully called to the poor character of the buildings, which are unsafe, and some relief offered to condemn them.

The Board of Health is particularly requested to inspect the barns of Warren & Buckman at premises situate at Fifteenth and Dolores streets and compel some perfect sanitary regulations therein, that the people of the neighborhood may be protected from nuisance and danger of epidemic to their homes.

THOMAS F. LONERGAN,
J. J. FUREY.

Motion.

Supervisor Lonergan moved that the Report be adopted and that copies thereof be transmitted to the Departments specified therein and also to the District Attorney and to the Police Department.

So ordered.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED ON BY A COMMITTEE.

Passed for Printing.

Amending Ordinance No. 29, Relative to Liqueur Licenses.

Under suspension of the rules, Supervisor Mamlock introduced Bill No. 173, Ordinance No. —, entitled, "Amending Section 3 of Ordinance No. 29, New Series (as amended by Ordin-

ance No. 65, New Series), entitled, "Imposing a license on liquor dealers," and repealing Resolution No. 514, New Series," the provisions of which remove restrictions as to hours when liquors may be sold, under a "Liquor Dealers' License," which was,

On his motion, *passed for printing.*

Relating to Construction of Schoolhouses and Hospital under Bond Issue.

Supervisor Tveitmoe inquired regarding the status of the matter of construction of school houses and hospital building provided for in the bond issue and was informed by Supervisor Boxton, Chairman of the Public Utilities Committee, of the progress thus far made by the Supervisors in the appointment of Consulting Architects for preparation of plans of school buildings, and by Supervisor Nicholas, Chairman of the Public Buildings Committee, that the plans of twelve of said buildings would be ready within one week.

With regard to the new City and County Hospital, Supervisor Lonergan stated that the question of whether or not the building could be constructed on the present site had been under consideration, which question was now settled by the opinion of the City Attorney, herewith presented:

Opinion of City Attorney That Hospital Proposed Under Bond Issue Must Be Located on Almshouse Tract.

Office of City Attorney, San Francisco,
February 4, 1907.

Gentlemen—I acknowledge the receipt of your inquiry, through Supervisor Lonergan, as to whether or not the moneys appropriated under the bond issue for the purpose of building a city and county hospital may be expended in the erection of such building on the site of the present city and county hospital, or elsewhere, as the board may deem proper. In answer thereto, I will call your attention to bill number 1083, ordinance number 919, determining and declaring the necessity for the erection of a new city and county hospital and directing plans therefor "upon a site the property of the city and county, selected in accord-

ance with resolution number 551 of the Board of Supervisors, providing for the selection, adoption and dedication of a site for the proposed city and county hospital building, approved June 27, 1900."

In said resolution it is provided that the proposed city and county hospital shall be located upon the portion of the Almshouse Tract pursuant to the ordinance to which we have called your attention. A bond election was held, resulting in the authorization of the expenditure of the sum of one million dollars in accordance with resolution number 551.

It will thus appear that the people in voting for the appropriation and the location did so with the express declaration that said city and county hospital should be built upon the site selected in said resolution. I am therefore of the opinion that the money so directed to be expended in the manner specified in said resolution must be used in the erection of the said hospital upon the site selected by said resolution, and not otherwise.

WM. G. BURKE,

City Attorney.

To the Honorable Board of Supervisors of the City and County of San Francisco.

In Matter of Suspension of William H. Langdon From Office of District Attorney.

The matter of hearing of charges preferred by his Honor the Mayor, in suspending Wm. H. Langdon from the office of District Attorney of the City and County was proceeded with.

Motion.

No appearance of Wm. H. Langdon in person or by attorney being noted, Supervisor Davis moved that the investigation be continued over until Monday, February 18, 1907, at 2:30 p. m.

Motion carried.

ADJOURNMENT.

There being no further business, the Board, at the hour of 6:05 o'clock, adjourned.

Final Passage.

The following matters heretofore passed for printing, were taken up, *finally passed* by the following vote and numbered as follows:

Determining to Grant a Street Railroad Franchise on Devisadero Street and Twentieth Street Cross Town Line.

Resolution No. 770 (New Series), as follows:

Whereas, Application has been made to the Board of Supervisors of the City and County of San Francisco by the Devisadero Street Improvement Association and numerous property owners, merchants and residents of the Western Addition and Mission districts, through petitions filed October 22, 1906, to advertise for sale a franchise to construct and operate a street railroad along the following described route, in accordance with the provisions of the Charter of the City and County of San Francisco, and the laws of the State of California, governing the granting of street railway franchises, to wit:

Commencing at the intersection of Page and Scott streets; thence along Scott street and curving into Duboce avenue; thence along Duboce avenue and curving into Noe street; thence along Noe street and curving into Sixteenth street; thence along Sixteenth street and curving into Church street; thence along Church street and curving into Eighteenth street; thence along Eighteenth street and curving into Valencia street; thence along Valencia street and curving into Twentieth street; thence along Twentieth street to Potrero avenue; and

Whereas, It appears to this Board that public interest and necessity will

be subserved by the grant of such franchise; therefore

Resolved, That this Board grant a franchise as a whole, after due advertisement and offer for sale, to construct a double track street railroad, with all necessary turnouts, switches, crossings, curves, connections, terminal tracks and facilities over and along the route hereinabove specified, said railroad to be operated by means of electricity with modern equipment and appliances, or by such other improved methods of propulsion as science may reveal and invention devise, and which may hereafter be sanctioned by the Board of Supervisors.

Said franchise shall be granted in the manner and subject to the conditions and restrictions provided in the Charter of the City and County of San Francisco, with particular reference to the following subdivisions and sections of Chapter 2, Article II of said Charter, relating to the powers of the Board of Supervisors, to wit:

Subdivision 2 and subdivision 27, as amended February 5, 1903, of Section 1 thereof and Section 6 thereof.

Provided further that the grantee operating under said franchise shall be required to pave the space between the rails and for two feet on each side thereof and between the tracks, if there be more than one, upon the streets whereon said tracks are to be laid, and to keep the same in good condition and repair under the supervision and to the satisfaction of the Board of Public Works of the City and County; also

That such street railroads operating under different managements, as the Board of Supervisors may permit, or the City and County itself, in the operation of a municipal railroad, shall have the privilege of using said tracks for a distance not to exceed ten (10) consecutive blocks, for the purpose of securing equal terminal facilities, upon condition that the expense of construction and repair of the tracks and appurtenances used by the said railways jointly be equitably divided between the respective owners; also

That the grantee operating under this franchise must pay to the City and County as a license upon each car such sum as the Board of Supervisors may fix, provided, however, that such sum shall not exceed fifty (\$50) per annum, nor be less than fifteen (\$15) dollars per annum; also.

That as a condition precedent to the sale and granting of this franchise the grantee thereunder shall permit and

allow all policemen and firemen of the City and County of San Francisco at all times, and all mail carriers in the employ of the United States Government while engaged in the actual discharge of duty, to ride on the cars of such company without paying any sum of money whatever for fare or otherwise; also.

That the bidder for the said franchise shall file with his bid a good and sufficient bond in the penal sum of ten thousand dollars (\$10,000), with sureties thereon satisfactory to the Mayor of the City and County, conditioned that the bidder shall well and truly observe and perform the conditions of the franchise for which application is made, in the case the same is awarded to him, and that in case of breach of any of the conditions of such bond, the whole of the penal sum of ten thousand (\$10,000) dollars shall be taken to be liquidated damages; also.

That the successful bidder for this franchise shall pay all charges for advertising in the official newspaper of this Resolution, of the notice of sale and of the Ordinance granting said franchise.

Further resolved, That the Clerk of this Board be and he is hereby authorized, empowered and directed to advertise for sealed proposals, or bids, for the sale of this franchise, in accordance with the provisions of the Charter, and with the terms of this Resolution as hereinbefore expressed, said bids to be filed with the Clerk not later than 12 m. Saturday, March 23, 1907, and Monday, March 25, 1907, at the hour of 3 p. m., is hereby fixed as the hour and date for the opening of said proposals, or bids, and for the awarding of said franchise.

The Board of Supervisors reserves the right to reject any and all bids if they believe that the public interest will be subserved thereby.

Ayes—Supervisors Boxton, Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Kelly, Lonergan, Mandlock, McGushin, Nicholas, O'Neill, Phillips, Rea, Tveitmoec, Walsh—17.

RELATING TO THE PRESERVATION OF TELEGRAPH HILL.

Report of Committee on Beautification and Adornment of San Francisco.

To the Honorable the Board of Supervisors of the City and County of San Francisco.

Gentlemen: Your Committee on Beautification and Adornment of San Francisco, to which was referred the petition of the California Out Door Art League for the preservation of Telegraph Hill, and the question of the acquisition of same through the issuing of bonds, would respectfully state that, at a meeting held by your Committee, a large representation of members of said "California Out Door Art League" was present, also other interested persons, and the question was fully discussed; the petitioners urging the purchase by the City of the lands constituting "Telegraph Hill", deeming it to be the most logical and expeditious means of preserving it from demolition, that the same might be utilized for park and beautification purposes to the City.

After due deliberation and consideration by your Committee, it feels that action should be taken by your Honorable Board, whereby the question of the acquisition of the property could be submitted to the electors of the City and County at the coming bond election, and in conformity therewith your Committee respectfully recommends that the subject matter be referred to the Committee on Charter Amendment of your Honorable Board with the direction that the proper proceedings be taken to include the question of the acquisition by the City of

the lands comprising "Telegraph Hill" in the next bond election.

Relating to the Reconstruction and Electrifying of the Presidio and Ferries Railroad System.

Report of Judiciary Committee.

San Francisco, Feb. 11th, 1907.

To the Honorable, the Board of Supervisors—

Gentlemen: Your Judiciary Committee to whom were referred the question of granting an extension of time to the Presidio and Ferries Railroad Company within which to construct, equip and operate its several cable, steam and horse-car lines with electricity, so far as grades will permit, beg leave to report, after due and careful consideration of all attendant circumstances in connection with the reconstruction of said road, in favor of granting an extension of nine (9) months time to said company within which to reconstruct its entire system,

Your Committee recommends that as a condition precedent to the granting of said extension of time, that a bond in the penal sum of \$50,000 be exacted

from the Presidio and Ferries Railroad Company, conditioned that said company shall well and truly observe and perform all work of reconstruction within said period of nine months, otherwise the whole of said penal sum of \$50,000 shall be taken to be liquidated damages and payable into the treasury of the City and County of San Francisco.

Your Committee further recommends, in order to accommodate the residents of various districts along the route of the Union street line, that said Presidio and Ferries Railroad Company be permitted to operate any portion of its completed line, and also that said company be required to complete that portion of its road on Union street westerly from Steiner to the Presidio Reservation within 90 days.

In case of failure to complete this portion of the road at the expiration of 90 days, your Committee recommends that your Honorable Board reserve the right to compel said company to cease and abandon the operation of any portion of its road then being operated, until such time as the entire system of roads can be operated as a unit.

Respectfully submitted,

DANIEL G. COLEMAN,

Chairman.

JAMES L. GALLAGHER,

J. J. PHILLIPS,

J. J. O'NEILL,

J. J. FUREY,

Judiciary Committee.

Read by Clerk.

Amendment.

Supervisor Furey moved to amend the Report by including therein that the Presidio and Ferries Railroad Company be also required to complete within 90 days that portion of its road running easterly from Mason street to the Ferry.

So ordered.

Report Adopted.

Whereupon the Report of the Judiciary Committee, as amended, was adopted.

Passed for Printing.

Supervisor Coleman thereupon introduced Bill No. 179, Ordinance No. — (New Series), entitled, "Amending Section 2 of Ordinance No. 51 (New Series), entitled, 'An Ordinance authorizing and directing the Presidio and Ferries Railroad to operate all of its several cable, steam and horse railway lines, so far as grades will permit, by electricity by means of the so-called overhead trolley system,' approved

September 14, 1906, and repealing Section 5 of said Ordinance," the provisions of which extend the time of reconstruction of said Presidio and Ferries Railroad in consonance with the above Report, which Bill was,

On his motion, *passed for printing.*

Adopted.

Appointing Clement Bennett, Official Stenographer, Water and Lighting Rates Investigation.

Supervisor Phillips introduced the following Resolution, which was, on his motion *adopted* as Resolution No. 775 (New Series), to wit:

Resolved, That Clement Bennett be and he is hereby appointed official stenographer of the Board of Supervisors to take down and transcribe such testimony as may be given in the matter of fixing and establishing rates for water, heat, light and power for the year commencing July 1, 1907. The compensation of said stenographer is hereby fixed in the sum of eight dollars (\$8.00) per diem, the sum of fifteen (15) cents per folio for the original copy of transcribed testimony and the sum of ten (10) cents per folio for additional copies.

Relating to Water Rates Investigation. Motion.

Supervisor Phillips moved that the Special Order of Business fixed for this day's meeting be postponed, and that when the Board adjourns, it does so to meet on Thursday, February 14, 1907, at 7:30 p. m., to commence the inquiry preliminary to fixing water rates for the year commencing July 1, 1907.

So ordered.

Adopted.

The following Resolutions were *adopted*:

Granting Ocean Shore Railway Company the Right to Change the Grade of its Road on San Bruno Avenue.

On motion of Supervisor Rea:

Resolution No. 776 (New Series), as follows:

Whereas, An application having been made by the property owners and citizens of the City and County of San Francisco, residing at and near San Bruno avenue in said City and County, where the same is intersected and crossed by the line of the railway being constructed by the Ocean Shore Railway Company, requesting that the said Ocean Shore Railway Company reduce the grade of its said railway so as to cross said San Bruno avenue at grade; and

Whereas, the Honorable Board of Public Works having investigated said matter, and having passed a resolution in harmony with such request; and

Whereas, the Ocean Shore Railway Company having signified its willingness to comply with such request when duly authorized so to do by the Board of Supervisors of the City and County of San Francisco; therefore, be it

Resolved, By the Board of Supervisors of the City and County of San Francisco, that permission be and the same is hereby granted unto the said Ocean Shore Railway Company to cross San Bruno avenue, in said City and County, with the line of its said railway so as to conform to the official street grade now established for said San Bruno avenue; the approaches thereto, however, not to exceed four (4) feet in each one hundred (100) feet; said San Bruno avenue to be raised to the official grade established therefor, and the line of said railway shall at all times be maintained by said Ocean Shore Railway Company at said grade; provided, that the expense of doing the work incidental to raising said grades shall not be assessed to the City and County, or to the owners of private property.

Resolution No. 753 (New Series), adopted February 4, 1907, is hereby repealed.

Providing for Increased Salaries of Employees in Auditor's Office.

On motion of Supervisor Gallagher: Resolution No. 777 (New Series), as follows:

Whereas, The salaries paid to the employes in the Auditor's office are totally inadequate in view of the increased cost of living and the present condition of affairs, and are much lower than salaries paid other employes engaged in a similar capacity; therefore, be it

Resolved, That the following amounts be added to the salaries of the following designated employes, and that the increase be charged against the appropriation for the assessment roll, a considerable portion of this work being performed by said employes in addition to their other duties:

	Additional Allowance Per Month.

Extension of Time, Street Work.

Resolution No. 787 (New Series), Granting C. S. Harney an extension of ninety days' time from and after February 1, 1907, to complete the street work on H street, between Twentieth and Twenty-eighth avenues.

This extension of time is granted for the reason that the contractor has been unable to procure material and on account of the inclement weather.

Also, ninety days' time from and after February 8, 1907, to complete the contract for the paving of Fourth street, from the northeasterly line of Howard street to the northeasterly line of Freelon street.

This extension of time is granted for the reason that the contractor has been interrupted by the United Railroads from completing his contract.

Ayes—Supervisors Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Kelly, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Phillips, Rea, Walsh—15.

Resolution No. 788 (New Series), Granting the Pacific Coast Construction Company an extension of ninety days' time from and after February 12, 1907, within which to complete the construction of the Sixth-street sewer.

This extension of time is granted for the reason that the work of construction is complete, but further time is requested in order that the question of final payment may be adjusted.

Ayes—Supervisors Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Kelly, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Phillips, Rea, Walsh—15.

Resolution No. 789 (New Series), Granting Williams and Belsler an extension of ninety days' time from and after March 3, 1907, to complete the work of paving the roadway of Mission street, between Fifth and Sixth streets.

Also, ninety days' time from and

after March 3, 1907, within which to complete the construction of a sewer in Mission street, from a point 160 feet northeasterly from Seventh street and from a point 60 feet southwest from Seventh street to Mission street.

These extensions of time are granted for the reason that the operations of the United Railroads, and inclement weather, prevented the completion of the contracts.

Report of Printing and Salaries Committee, Relative to Deficiency in Stationery Department Appropriation 1906-7.

The following Report was read, adopted, and ordered referred to the Finance Committee:

To the Honorable, the Board of Supervisors of the City and County of San Francisco—

Gentlemen: Your Committee on Printing and Salaries respectfully begs leave to submit the following report:

Regarding the purchase of ten (10) book-typewriting machines for the County Clerk, authorized by Resolution No. 624, of your Honorable Board, and for which \$1,000.00 was appropriated.

Your Committee begs leave to report that said machines have been ordered.

Your committee also begs leave to report that the Clerk of the Stationery Department submitted his monthly report, together with a statement of the condition of the funds of the Department. This statement shows that the appropriation has been insufficient to meet the extraordinary demands made by the various municipal departments owing to the absolute depletion of their supplies, a result of the April fire. Notwithstanding the fact that the Demands for necessary supplies have been far in excess of what they have been under normal conditions, the appropriation for the fiscal year is about \$4000 less than that at the disposal of the Department last year. Under these conditions, your Committee is compelled to ask the assistance of the Finance Committee in order that the business of the various municipal departments may not be seriously retarded because of lack of supplies. For this reason the Chairman of this Committee was instructed to confer with the Finance Committee and request that an appropriation be allowed to meet the existing deficiency, and that an additional amount be allowed to meet the requirements of the various

departments during the remaining portion of this fiscal year.

Your Committee recommends that the Report of the Clerk of the Stationery Department for the month of December, 1906, be placed on file.

REPORT OF WATER RATES COMMITTEE IN THE MATTER OF ESTABLISHING WATER RATES FOR THE YEAR COMMENCING JULY 1st, 1907.

San Francisco, February 28, 1907.

To the Honorable the Board of Supervisors of the City and County of San Francisco—

Gentlemen: Your Committee on Water Rates, to whom were referred the matter of preparing a bill fixing and determining water rates to be collected in the City and County of San Francisco, for the year commencing July 1, 1907, and ending June 30, 1908, begs leave to report that it has carefully considered the transcript of testimony taken during the investigation recently had before your Honorable Board sitting in Committee of the Whole, together with the exhibits offered in evidence during said sitting.

From the testimony adduced during the investigation had before your Honorable Board, it appears that a reduction of 25 per centum was effected in the rate collectable under the Water Ordinance of 1906 from those now being collected by the Spring Valley Water company under the Ordinance of 1902, and although the Spring Valley Water company officials request the restoration of the former rate of 1902, nothing, in the testimony given, in the opinion of your Committee, would warrant it to recede from the position taken one year ago.

Your Committee therefore recommends the re-adoption of the Water Rates Ordinance of 1906, and is of the opinion that if the schedule of rates therein specified are accepted by the Spring Valley Water Company, or any other company engaged in the business of supplying water in the City and County of San Francisco without recourse to litigation, that it will provide a fair and equitable return upon the investment of properties actually used in supplying the City and County of San Francisco and its inhabitants with

a pure and wholesome supply of water.

Your Committee presents herewith a bill fixing and establishing water rates for the next ensuing fiscal year, with the recommendation of its passage for printing.

Inasmuch as the Spring Valley Water Company has persisted in defiance of law in collecting water rates in excess of those established by your Honorable Board by Ordinance No. 1775, passed March 19, 1906, and approved March 20, 1906, your Committee recommends that under the authority granted your Honorable Board by Section 1 of Article XIV of the Constitution of the State of California, that your Honorable Board declare forfeited and escheated to the City and County of San Francisco, a municipal corporation, for the public use, all its franchises and water works.

Your Committee presents herewith a resolution in consonance with its recommendation and requests its adoption by your Honorable Board.

Respectfully submitted,

JENNINGS J. PHILLIPS,

JAS. F. WALSH,

EDWARD I. WALSH,

Water Rates Committee.

Motion.

Supervisor Phillips moved that the Report of the Water Rates Committee be *adopted*.

Motion *carried* by the following vote:

FORFEITING FRANCHISES AND WATER WORKS OF THE SPRING VALLEY WATER COMPANY.

Adopted.

Supervisor Phillips introduced the following Resolution:

Whereas, The Spring Valley Water Company has persisted in defiance of law in collecting water rates in excess of those established by the Board of Supervisors under and pursuant to Ordinance No. 1775, entitled, "Regulating the monthly rates of compensation to be collected by any person, company or corporation engaged in the business of supplying water to the inhabitants of the City and County of San Francisco for family uses, for private purposes, for municipal uses and all public purposes of said city and county for the year commencing July 1, 1906, and ending June 30, 1907," passed March 19, 1906, and approved March 20, 1906; and

Whereas, The Constitution of the State of California (Section 1, Article XIV) especially provides that any person, company or corporation collecting water rates in any city and county, or city, or town, in this State, otherwise than established under the authority granted by the Constitution, shall forfeit the franchises and water works of such person, company or corporation to the city and county, or city, or town, where the same are collected, for the public use; and whereas, in the investigation held before the Board of Supervisors, preliminary to establishing water rates for the year commencing July 1, 1907, the Spring Valley Water Company, through its duly accredited officials, testified under oath that said company was still collecting and is now collecting rates under the ordinance of the Board of Supervisors passed and approved in the year 1902, in contravention of those established by the Board of Supervisors in the year 1906, as aforesaid; now, therefore, be it

Resolved, That the Board of Supervisors of the City and County of San Francisco declare, and it hereby does declare, that the Spring Valley Water Company has violated both the letter and the spirit of Section 1, Article XIV, of the Constitution of the State of California, in refusing to obey the mandate of the Board of Supervisors by persisting in exacting and collecting, in defiance of

law, water rates in excess of those established by said Ordinance No. 1775, approved March 20, 1906, and further, that said Board of Supervisors hereby declares all franchises and water works of said Spring Valley Water Company forfeited for the public use, to the City and County of San Francisco, a municipal corporation.

Adopted, on motion of Supervisor Phillips, as Resolution No. 812 (New Series), by the following vote:

Relating to Street Cleaning Day, March 3, 1907.

Geo. F. Duffey, President of the Board of Public Works, was granted the privilege of the floor, and expressed his appreciation of the work performed by the citizens of San Francisco, in sweeping and cleaning the streets on Sunday, March 3, 1907, under guidance of the Street Repair Association and of the Board of Public Works, and thanked Mr. A. W. Scott Jr., President of said Association, for his successful efforts, and, in conclusion, stated that if the streets were to be kept clean and the dirt carried away, an additional appropriation would have to be made.

A. W. Scott Jr., addressed the Board and stated that 25,000 or 30,000 loads of dirt were removed from the streets yesterday—that 15,000 loads are piled up and should be carted away and that Commissioner Duffey should have at least \$50,000 set aside and under his control for the continuation of the work of cleaning streets.

Thereupon, the Finance Committee, by its Chairman, Supervisor Gallagher, authorized the Board of Public Works to expend the sum of \$30,000 in the work of removing dirt from streets.

Whereas, Pursuant to Notice of Sale of Bonds prescribed by Ordinance No. 155 (New Series), entitled, "Providing for the sale of certain bonds of the City and County of San Francisco, fixing the date when bids will be received for the purchase of the same, and directing the Clerk of the Board of Supervisors to give notice thereof," approved February 11, 1907, the following bids of the Mission Bank and of the Fillmore Street Improvement Association were filed and received in open session of the Board of Supervisors of the City and County of San Francisco, on February 25, 1907, to wit:

"San Francisco, Feb. 25, 1907.

"The Honorable Board of Supervisors, City and County of San Francisco.

"Dear Sirs: The undersigned bank hereby offers a bid of par for street bonds of the City and County of San Francisco (3½ per cent) to the amount of fifty-five thousand dollars (\$55,000).

"We would desire to receive bonds of denominations of \$500 and \$1000, of Series 15 and following series to the

above specified amount, namely, fifty-five thousand dollars (\$55,000), but desire to have this bid filled from earliest series possible.

"Herewith we hand you cashier's check of this bank for 5 per cent of our bid, for two thousand seven hundred and sixty-five dollars (\$2765.00).

"Very truly yours,

"THE MISSION BANK,
"Stuart F. Smith."

"San Francisco, Cal., Feb. 25, 1907.

"To the Honorable Board of Supervisors, San Francisco, Cal.

"Gentlemen: On behalf of the Fillmore Street Improvement Association, I hereby tender its bid for the purchase at par of twenty-five (25) one thousand dollar (\$1000) street bonds of the fifteenth to the twenty-sixth series, both inclusive.

"In accordance with Section No. 2, of Ordinance No. 155 (New Series), I enclose certified check No. 5 on the Citizens' State Bank, city, for \$1250.00 to cover 5 per cent of the purchase price bid. Very respectfully yours,

"NORTON C. WELLS,
"President."

And, Whereas, Said bids are the best bids received for the purchase of the bonds specified therein; therefore

Resolved, That said bids be and are hereby accepted and the following bonds are hereby allotted to and sold at par and accrued interest to date of delivery, to the Mission Bank and to the Fillmore Street Improvement Association, as follows, to wit:

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Referred.

Supervisor Nicholas introduced the following Resolution:

License and Orders Committee Report in Favor of Refunding Moneys Paid on Unused Liquor Licenses.

Whereas, Section 1 of Ordinance

No. 29 (New Series), as amended by Ordinance No. 65 (New Series), approved September 25, 1906, provides that every person "Engaged in the business" of selling spirituous, or malt, or fermented liquors or wines shall pay a license of five hundred dollars (\$500) per annum, payable in quarterly installments of one hundred and twenty-five dollars (\$125), said installments to date from the time the license is issued; and

Whereas, Various persons received permits to engage in the business of selling spirituous, or malt, or fermented liquors from the Police Commissioners prior to the time they were prepared to engage in business, and paid their license upon receiving the permit, although they were not actually engaged in business, and under the provision of the aforesaid Ordinance were compelled to pay the same until they were actually engaged in business; therefore,

Resolved, That the License and Orders Committee of the Board of Supervisors be and is hereby authorized, empowered and requested (upon proper proof being presented under oath) to report in favor of all petitions now on file in the office of the Clerk of the Board of Supervisors, or that may be hereafter filed, for the refunding of all amounts paid the Tax Collector to the person or persons paying the same, for the period that said person or persons were not actually engaged in business.

Ordered referred to the License and Orders Committee.

ADJOURNMENT.

There being no further business the Board at the hour of 3:45 o'clock adjourned.

PROPOSALS.

Bid of Geo. B. Willcutt for Purchase of Street Railroad Franchise over so-called Devisadero and Twentieth Street Cross-Town Line.

San Francisco, March 23rd, 1907.
To the Board of Supervisors of the City and County of San Francisco:

The undersigned, Geo. B. Willcutt, hereby submits his bid for a franchise and privilege for the construction, operation and maintenance of a double track railroad to be built, constructed and maintained over the route and upon the conditions referred to in the resolution of the Board of Supervisors known as Resolution No. 770 (New Series), passed February 4th, 1907, and approved by the Mayor of the City and County of San Francisco, February 11th, 1907, determining to grant such franchise and privilege, and herewith files his bond in the sum of ten thousand dollars (\$10,000), with sureties approved by the Mayor of the City and County of San Francisco, conditioned as required by the notice of sale, and Section 6, Chapter II, Article II of the Charter of said City and County, namely:

Geo. B. Willcutt hereby bids for said franchise and privilege three per centum (3 per cent.) of the gross receipts arising from the use, operation, possession or enjoyment of said franchise during the first five (5) years of the period for which the franchise is granted; four per centum (4 per cent.) of the gross receipts during the next succeeding ten (10) years, and five per centum (5 per cent.) during the next succeeding ten (10) years.

Geo. B. Willcutt will also pay all charges for advertising in the official newspaper of Resolution No. 770 (New

Series), determining to grant the franchise herein referred to, of the Notice of Sale and the Ordinance granting said franchise.

GEO. B. WILLCUTT.

State of California, City and County of San Francisco—ss.

Geo. B. Willcutt, being first duly sworn according to law, deposes and says: that he is the person who makes the foregoing bid; that he has read the foregoing bid, and that said bid is genuine and not collusive nor sham; that said Geo. B. Willcutt has not colluded, conspired, connived or agreed, directly or indirectly, with any other bidder or person to put in a sham bid, or that such other person shall refrain from bidding, and has not in any manner sought by collusion to secure any advantage against the City and County of San Francisco, or any person interested in said street railroad, for himself or any other person.

GEO. B. WILLCUTT.

Protest of E. P. E. Troy Against Sale Franchise.

The Board of Supervisors of the City and County of San Francisco:

I protest against the award of the franchise for a street railway running from Scott and Page streets to Twentieth and Potrero avenue, for which bids are to be opened March 25, and I demand that all action on this matter be rescinded and annulled.

This franchise is of no value to anyone except the United Railroads. You have not provided conditions in it that will adequately compensate the city for the privilege. The total cost of the roadbed and track, cars and car-barn for this line will not exceed \$200,000.

As this is to be a crosstown line, it would undoubtedly earn as much as the Fillmore street line. During the recent Arbitration proceedings, the United Railroads acknowledged that the Fillmore street line carried 19.3 passengers per car mile, of whom 13.5 paid a cash fare of five cents, or 67.5 cents per car mile. The least number of daily car miles over the 2.2-3 miles of streets this proposed franchise covers would be 1270. This would bring daily receipts of \$857.25, or \$312,896

annually. As the annual expense of operation would not exceed \$55,576, the annual profit of this line should be not less than \$257,320. This, at four per cent, is equal to taking property of this city valued at \$6,433,000, and making a gift of it to the United Railroads, to bolster up its tottering fictitious capitalization.

Not one of the persons signing the petition you refer to in the call for bids resides along the route. Each gives his address as within the neighborhood of the offices of the United Railroads, corner Oak and Broderick streets.

Motion.

Supervisor Gallagher moved the reference of both Bid and Protest to the Committee on Public Utilities.

So ordered.

Bid of Union Trust Company of San Francisco for Purchase of Street Bonds.

The following *bid* for the purchase of Street Bonds of the City and County was received, opened, read and *ordered referred to the Finance Committee*:

San Francisco, February 25th, 1907.

To the Honorable the Board of Supervisors, City and County of San Francisco—Dear Sirs:

The undersigned hereby bids for seventy-five thousand (\$75,000) dollars, par value, Street Bonds of the City and County of San Francisco, the sum of \$75,000 and accrued interest, gold coin of the United States, in conformance with Ordinance No. 179 (New Series).

This bid is made by us in behalf of the Sutter Street Property Owners' Protective & Improvement Association and is made with the express understanding that your Honorable Body with the money obtained by you for these bonds when sold to us shall be applied only and in its entirety to the widening of Sutter street between Market street and Van Ness avenue, in this City and County.

Yours very respectfully,

UNION TRUST COMPANY OF SAN FRANCISCO.

UNFINISHED BUSINESS.

Relating to Award of Contract to Evening Post as Official Newspaper, from April 1, 1907, to April 1, 1908.

(Bill No. 208, Ordinance No. ——— (New Series), entitled, "Awarding the

contract for doing official advertising for the City and County of San Francisco for one year, from April 1, 1907, to April 1, 1908, to The Evening Post Publishing Company, and declaring and designating The Evening Post Newspaper to be the Official Newspaper during said period," heretofore passed for printing, was taken up on question of final passage.

Privilege of Floor.

Porter Ashe, Attorney representing Journal Publishing Company, was granted the privilege of the floor and asked that the Bill be referred to the Printing and Salaries Committee for consideration and hearing of protests.

Albert Johnson, Attorney representing the San Francisco Call, asked for reading of protests against awarding contract to Evening Post.

Motion.

Supervisor O'Neill moved for reading of protests.

So ordered.

Protest of San Francisco Call.

Before the Board of Supervisors of the City and County of San Francisco.

In the Matter of the Awarding of the Contract for the Official Advertising of the City and County of San Francisco for the year beginning April 1, 1907.

Now comes the San Francisco Call, John D. Spreckels, proprietor, and objects to the consideration of the bid of The Evening Post Publishing Company, submitted to the Board of Supervisors of the City and County of San Francisco on the 18th day of March, 1907, for the official advertising of said city and county for the year beginning April 1, 1907, and to the proposal of said The Evening Post Publishing Company to do such advertising for 35 cents per square, and protests against the acceptance of such bid, and objects to the award of any contract to said The Evening Post Publishing Company in pursuance of said bid, or in accordance with said proposal, on the following grounds, viz.:

I.

That the Evening Post, the newspaper in which the said The Evening Post Publishing Company proposes, if awarded said contract in pursuance of said bid, to do the official advertising of said City and County of San Francisco for said year, has not been in existence for two years, nor will

the same have been in existence for two years at the time the contract is let for said advertising.

II.

That the said newspaper, the Evening Post, in which the said official advertising is to be done by said The Evening Post Publishing Company in case said contract be awarded to it, has not a bona fide daily circulation of eight thousand copies, nor has such paper had such daily circulation of eight thousand copies at any time within eleven months last past.

Wherefore, the undersigned prays that the said bid and proposal of the said The Evening Post Publishing Company be rejected, and that the Board of Supervisors award the contract for said advertising to the undersigned, or to such other person (except said The Evening Post Publishing Company, as may be adjudged by said board to be the lowest responsible bidder publishing a daily newspaper in said City and County of San Francisco, having a bona fide daily circulation of eight thousand copies, and having been in existence for at least two years.

Dated March 23rd, 1907.

Protest of "The Bulletin."

Before the Board of Supervisors of the City and County of San Francisco, State of California.

In the Matter of the Letting of the Contract for the Official Advertising of the City and County of San Francisco, State of California, for the current year beginning April 1st, 1907, ending March 31st, 1908.

Protest of R. A. Crothers.

Comes now R. A. Crothers, proprietor of "The Bulletin", a daily newspaper published in the City and County of San Francisco, State of California, and a bidder for the contract to furnish the official advertising of the City and County of San Francisco, State of California, for the current year commencing April 1st, 1907, and ending March 31st, 1908, and objects to the letting of said contract to The Evening Post Publishing Company, a corporation, on the following ground, to wit:

That "The Evening Post", the

newspaper published by said Evening Post Publishing Company, a corporation, is not a daily newspaper having a bona fide daily circulation of at least eight thousand (8000) copies as required by the Charter of the City and County of San Francisco, State of California, Article II, Chapter III, Section 2 thereof.

Wherefore said R. A. Crothers prays that said bid of said Evening Post Publishing Company, a corporation, for said official advertising be by said Board of Supervisors rejected.

Respectfully submitted,

R. A. CROTHERS,

Proprietor of "The Bulletin".

VETO MESSAGE.

Relating to Vacating Position of Geo. B. Keane as Clerk of the Board of Supervisors.

The following message from his Honor the Mayor, returning without his approval and with his objections

thereto, Resolution No. 910 (New Series), was received, read, ordered published and entered at large in the Journal:

MAYOR'S OFFICE.

City and County of San Francisco,
Executive Department.

April 6, 1907.

To the Honorable Board of Supervisors—Gentlemen: Pursuant to Section 16, Article II, Chapter 1, of the Charter, I herewith return without my approval and I veto Resolution No. 910 (New Series), declaring the position of George B. Keane, Clerk of the Board of Supervisors, vacant, and electing John H. Ryan to fill the vacancy, for the following reasons:

1. Because the Resolution does not state the cause for the removal of Mr. George B. Keane.

2. If there should be any grounds for such removal he should be granted a fair and impartial trial.

3. Just two weeks prior to the passage of this Resolution which I return without my approval, he was unanimously elected by the Board of Supervisors, and there is nothing stated in the Resolution nor has anything been brought to my attention that he has done during those two weeks which would justify his removal in such a summary manner.

4. Reposing entire confidence in the integrity and ability of Mr. George B. Keane, I cannot approve a Resolution calling for his dismissal, which states no grounds for such dismissal and which leaves in the minds of the people of the City of San Francisco an impression that he has been unworthy of the position, which I personally know he has filled with credit. Yours truly,

E. E. SCHMITZ, Mayor.

REPORTS OF COMMITTEES.

The following Committees, by their respective Chairmen, presented reports on various matters referred, which reports were received, read and ordered placed on file, to wit:

Whereas, Pursuant to Notice of Sale of Bonds, prescribed by Ordinance No. 184 (New Series), entitled, "Providing for the sale of school bonds of the City and County of San Francisco, fixing the date when bids will be received for the purchase of the same, and directing the Clerk of the Board of Supervisors to give notice thereof," approved March 12, 1907, the following bids of the Public School Teachers' Retirement Fund Commissioners, and of Local Union No. 22, United Brotherhood of Carpenters and Joiners of America, were filed and received in open session of the Board of Supervisors on the 8th day of April, 1907, to-wit:

"San Francisco, April 8, 1907.

"To the Board of Supervisors, City and County of San Francisco.

"Gentlemen: Pursuant to a resolution of the Public School Teachers' Retirement Fund Commissioners, adopted on March 30, 1907, the undersigned hereby bid the sum of \$50,000 and the accrued interest for 50 school bonds, each of the denomination of \$1000, of any of the series from the thirteenth to the fortieth series, inclusive (preferably the longest series), as advertised for sale by the Board of Supervisors of the City and County of San Francisco, by Ordinance No. 184 (New Series), a copy of which ordinance is herewith attached and made a part hereof.

"In accordance with the provisions of said ordinance, we herewith enclose a certified check on the Western National Bank for the sum of two thousand five hundred (\$2500) dollars, being five per centum of the amount of our bid. We ask that

the above bonds be delivered on or subsequent to July 1, 1907.

"Yours respectfully,

"E. E. SCHMITZ,

"Chairman.

"CHAS. A. BANTEL,

"Treasurer.

"ALFRED RONCOVIERI,

"Secretary."

"San Francisco, April 8, 1907.

"To the Honorable, the Board of Supervisors of the City and County of San Francisco.

"I, the undersigned, John T. Burns, secretary of Carpenters' Union, Local No. 22, of the United Brotherhood of Carpenters and Joiners of America, do hereby submit a bid for twenty thousand (20,000) school bonds of the thirteenth series, in accordance with your notice of sale of bonds, Bill No. 197, Ordinance No. 184 (New Series), and enclose herewith certified check in the amount of one thousand dollars (\$1,000.00.)

"If this bid is accepted I desire bonds of the thirteenth series in the denomination of one thousand dollars (\$1,000.00), to be delivered on or after July 1, 1907, or at any period before that time agreed upon by your honorable board.

"JOHN T. BURNS,

"Secretary Local No. 22, United Brotherhood of Carpenters and Joiners of America."

And whereas, said bids are the best bids received for the purchase of the bonds specified therein; therefore,

Resolved, That said bids be and are hereby accepted, and the following bonds are hereby allotted to and sold at par and accrued interest to date of delivery, as follows:

To the Public School Teachers' Retirement Fund Commissioners, school bonds to the amount of fifty thousand dollars (\$50,000), comprising the first fifty (50) bonds of one thousand dollars (\$1000) denomination in the thirteenth series.

To Local Union No. 22, United Brotherhood of Carpenters and Joiners of America, school bonds to the amount of twenty thousand dollars (\$20,000), comprising the last seventeen (17) bonds of one thousand dollars (\$1000) denomination and the first six (6) bonds of five hundred

dollars (\$500) denomination in the thirteenth series.

Said bonds shall be delivered at any time after April 22, 1907, the said bidders to give five (5) days' notice to the Board of Supervisors requesting the delivery of said bonds or any part of them, and said Board of Supervisors, on said five (5) days' notice, may tender the bonds so sold or any part of them, as requested, to the said bidders, and demand payment therefor, but all bonds must be taken by said purchasers and delivered before July 8, 1907.

Said bonds shall be delivered and sold subject to the directions and instructions prescribed by the Charter of the City and County of San Francisco and those contained in Ordinance No. 1114 of the Board of Supervisors, approved January 25, 1904, providing for their issuance and the proceeds arising from the sale thereof shall be placed to the credit of the "School Construction Account" of the Public Building Fund, as provided in said ordinance.

Upon final delivery of all the bonds sold and the payment of proceeds into the treasury of the City and County of San Francisco, the clerk of this board is hereby directed and instructed to return to the Public School Teachers' Retirement Fund Commissioners their check in the sum of \$2500 accompanying their bid, and to Local Union No. 22, United Brotherhood of Carpenters and Joiners of America, its check in sum of \$1000, accompanying its bid.

RELATING TO FORFEITURE OF PLANT OF SPRING VALLEY WATER COMPANY.

Communication From San Francisco Real Estate Board.

The following Communication and Resolution were received and read:

To the Honorable Board of Supervisors of the City and County of San Francisco.

Gentlemen: At a meeting of the Board of Directors of the San Francisco Real Estate Board held on April 24, 1907, at which meeting the following were present: Messrs. E. L. Hoag, John H. Speck, David Rice, J. R. Howell, S. G. Buckbee, Samuel Center, G. D. Toy, John McGaw, O. C. Baldwin, the enclosed resolution was adopted. The resolution is self-explanatory.

It is hoped that your Honorable body will favor the plan suggested by the San Francisco Real Estate Board. We firmly believe that the action taken in the case of the Spring Valley Water Company was a well meaning attempt to secure an adequate and pure supply of water from the Sierras for city purposes, but we also believe that the developments in the case have shown that the expected result was not attained and that the only effect was to prevent the water company from borrowing money to rehabilitate its plant.

We respectfully petition your Honorable body to take favorable action upon the suggestions embodied in the resolutions of this Board.

Very respectfully,

THE BOARD OF DIRECTORS OF THE SAN FRANCISCO REAL ESTATE BOARD.

By B. L. CADWALADER,

Secretary.

Resolution adopted by the San

San Francisco Real Estate Board on April 24, 1907.

Whereas, The action of his Honor, Mayor Eugene E. Schmitz, and the Honorable, the Board of Supervisors of the City and County of San Francisco, in forfeiting the franchises of the Spring Valley Water Company has resulted in no appreciable benefit to the City and County, and has only succeeded in rendering it impossible for the Spring Valley Water Company to borrow money necessary for repairs and extensions of its plant; and

Whereas, The San Francisco Real Estate Board believes that the Spring Valley Water Company should be allowed to rehabilitate itself, with a view to the ultimate acquisition of its plant by the city, in connection with a source of pure water from the Sierras; therefore be it

Resolved, That the San Francisco Real Estate Board does hereby respectfully petition the Honorable Eugene E. Schmitz, Mayor, and the Honorable the Board of Supervisors of the City and County of San Francisco, to rescind their action declaring the franchises of the Spring Valley Water Company forfeited to the City and County of San Francisco.

THE SAN FRANCISCO REAL ESTATE BOARD.

By E. L. HOAG, President.

Attest: B. L. CADWALADER, Secretary.

Motion.

Supervisor Coleman moved that the Communication and Resolution of the San Francisco Real Estate Board be referred to the Public Utilities Committee.

So ordered.

Also, Bill No. 235, Ordinance No. — (New Series), entitled, "Granting permission, during the pleasure of the Board of Supervisors, to Berger, Carter Company to construct, maintain and operate a spur track beginning at

a point in the north line of Seventeenth street, between Mississippi street and Pennsylvania avenue, 114 feet east of Mississippi street; thence southerly crossing Seventeenth street, to the south line of Mississippi street, at a point 118 feet east of Mississippi street."

M. J. Hawley.

Also, Bill No. 236, Ordinance No. — (New Series), entitled, "Granting permission to M. J. Hawley, during the pleasure of the Board of Supervisors, to construct, maintain and operate a spur track along and over certain streets in the City and County of San Francisco as follows, to wit: Commencing on the property on the north line of Brannan street, 261.0 feet from the southerly line of Second street; thence westerly over private property across De Boom street at a point 262.6 feet from the easterly line of Second street; thence westerly across private property, crossing Federal street at a point 262.6 feet easterly from the easterly line of Brannan street."

Reinhart Lumber Co.

Also, Bill No. 237, Ordinance No. — (New Series), entitled, "Granting permission, during the pleasure of the Board of Supervisors, to Reinhart Lumber and Planing Mill Company to construct, maintain and operate a spur track, beginning in the now existing track of the Atchison, Topeka & Santa Fe Railway Company in the west line of Rhode Island street, about one hundred and twenty-five feet north of Sixteenth street, and running thence southerly along the east side of Rhode Island street and across Sixteenth and Seventeenth streets to Block No. 138."

Permit to Blast.

Also, Resolution No. — (New Series), Granting the Baldwin Contracting Company permission, during the pleasure of the Board of Supervisors, to explode blasts for the purpose of grading the property situate on the westerly side of Bryant street, twenty-five feet northerly from Sixteenth street.

Provided that said Baldwin Contracting Company shall execute and file a good and sufficient bond in the sum of five thousand (\$5000) dollars as fixed by the Board of Public Works in accordance with Ordinance No. 124.

Extension of Time, Street Work.

Also, Resolution No. — (New Series), Granting C. S. Harney the following extensions of time to complete the contracts for street work:

1. Ninety days from and after April

22nd, 1907, to complete the contract for street work on Eleventh avenue, between California street and Clement street.

2. Ninety days' time from and after May 2nd, 1907, to complete the contract for street work on H street, from Twentieth to Twenty-eighth avenues.

3. Ninety days' time from and after May 15th, 1907, to complete the contract for the paving of the roadway of Fourth street, from Freelon street to Channel street.

These extensions of time are granted for the reason that the contractor has been unable to complete the work, owing to inclemency of the weather.

Also, Resolution No. — (New Series), Granting the Barber Asphalt Paving Company the following extensions of time to complete contracts for street work:

1. Ninety days from and after May 8th, 1907, to complete the contract for paving of Sixteenth street, between Valencia and Folsom streets.

These extensions of time are granted for the reason that the contractor has been unable to complete the work on account of the inclement weather.

Permitting Metallic Arches on Fillmore Street.

Also, Resolution No. — (New Series), Granting The Fillmore Street Improvement Association permission, during the pleasure of the Board of Supervisors, to erect and maintain fourteen metallic electric arches at the crossings of Fillmore street, between Fulton and Sacramento streets, for the purpose of illuminating these streets.

Restraining Gray Brothers from Blasting on Beacon Street Until Grades are Established.

The following resolution, heretofore referred to the Streets, Sewers and Park Committee, and returned by said Committee amended in certain particulars and with the recommendation that the same do pass, was taken up:

Whereas, The official grade of Beacon street between Castro and Diamond streets has not been established; and

Whereas, The Gray Bros., manufacturers of crushed rock, are grading said Beacon street between Castro and Diamond streets without having complied with the law, namely, in not having the line and grade of said street determined before grading thereon; therefore, be it

Resolved, That the City Engineer is hereby requested to survey said block of Beacon street, after consultation with the property owners of said Beacon street, and to determine and report to this Board the extent of the damage that has been done to said block of Beacon street by said Gray Bros.; and be it further

Resolved, That the said Gray Bros. be and are hereby restrained from further excavation or work of any kind upon said block of Beacon street until said survey is made and official grade established.

Privilege of the Floor.

Patrick Healy was granted the privilege of the floor and was heard at length objecting to its amendment, by the interpolation of a line, relative to the City Engineer consulting with the property owners as to the grade, and in conclusion asked that said interpolation be stricken out.

Resolution Adopted.

Whereupon, on motion of Supervisor Coleman, said Resolution was *adopted* as Resolution No. 964 (New Series) by the following vote:

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Passed for Printing.

Repealing Ordinance No. 81 (New Series), Reducing Width of Sutter Street Sidewalks.

Under suspension of the rules, Supervisor Coleman introduced Bill No. 238, Ordinance No. — (New Series), entitled:

“Repealing ordinance No. 81 (New

Series), entitled ‘Amending Ordinance No. 1061, entitled, “Regulating the width of sidewalks,” approved December 18, 1903, by adding thereto a new section to be numbered two hundred and twenty-three,’ approved October 16, 1906,” which was, on his motion, *passed for printing*.

Referred.

Supervisor Nicholas presented the following Bill:

Amending Building Law, Relative to Height of Frame Buildings.

Bill No. 239, Ordinance No. — (New Series), entitled:

“Amending section No. 45, relating to the height of frame buildings, of Ordinance No. 31, (New Series), entitled, ‘Regulating the construction, erection, enlargement, raising, alteration, repair, removal, maintenance, use and height of buildings; regulating character and use of materials in and for buildings; establishing fire limits, and repealing all Ordinances in conflict with this Ordinance,’ approved July 5th, 1906.”

Providing for Extraordinary Expenditures School Department.

At request of Supervisor Tveitmoe, Supervisor O’Neill introduced the following resolution, and moved the suspension of the rules for its immediate consideration:

Whereas, By Article VII, Chapter V, Section 3 of the Charter of the City and County of San Francisco, it is provided that, “In case of extreme emergency or great calamity, such as disaster from fire, riot, earthquake or public enemy, the Board of Education may, with the approval of the Mayor and Board of Supervisors, incur extraordinary expenditures in excess of the annual limit provided for in this Charter for the repair and construction and furnishing of school houses in place of those injured or destroyed. The Supervisors may, by ordinance, cause to be transferred to the Common School Fund, from moneys in any fund not otherwise appropriated, sufficient moneys to liquidate such expenditures, and provide for the same in the next tax levy of the City and County.” and

Whereas, Under and by virtue of this provision of the Charter, the Board of Education has incurred extraordinary indebtedness amounting to about \$105,000 in excess of the regular appropriation, and

Whereas, This expenditure was made necessary in consequence of the great calamity of last April, and

Whereas, There will be needed for the proper operation of the Depart-

ment for the months of April, May and June, 1907, the further sum of \$15,000 in excess of the probable school revenue for said months, now therefore be it

Resolved, 1st. That the action of the Board of Education in incurring the aforesaid extraordinary expenditures be and the same is hereby approved and ratified, and further

Resolved, 2nd. That there be and is hereby appropriated and transferred to the Common School Fund out of the surplus that may exist at the end of this fiscal year in the General Fund or

in any other fund from which transfer can be legally made, the sum of \$120,000 for paying the aforesaid claims.

Referred.

Objection being made by Supervisor Gallagher to suspension of the rules, said Resolution was referred to the Finance Committee.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Under suspension of the rules, Supervisor Gallagher introduced the following Resolution and moved its adoption:

Clerk Notify Geary Street, Park and Ocean Railway Company to Operate Its Street Railroad Forthwith, Under Penalty of Forfeiting License.

Whereas, The Geary Street, Park and Ocean Railway Company has been permitted to operate a cable system over Geary street and Fifth avenue, between Kearny and D streets, in the City and County of San Francisco, at the pleasure of this Board, upon the payment of five (5) per cent of its gross receipts to the City and County of San Francisco; and

Whereas, Said Geary Street, Park and Ocean Railway Company has for a period of more than seven (7) days last past refused and neglected to operate said system, thereby causing a financial loss to the City and County of San Francisco, and great detriment and inconvenience to the citizens of said City and County of San Francisco who desire transportation;

Now, therefore be it Resolved, That the Clerk of this Board be and he is hereby directed to officially notify the Geary Street, Park and Ocean Railway Company to operate its said system on or before Wednesday, the 15th day of May, 1907, at the hour of 6 o'clock a. m., and that in the event of the failure of the said Geary Street, Park and Ocean Railway Company to operate its said system on or before said date that the license at will of said company be

immediately revoked and rescinded.

Further Resolved, That a special committee of three (3) members of this Board be appointed by the Chair to confer with the City Engineer and the Board of Public Works of this City and County to consider the advisability and practicability of forthwith operating over Geary street, a municipal street railway, and consider the practicability and advisability of forthwith spending the sum of \$325,000, or so much thereof as may be necessary, now lying unexpended in the City Treasury for the municipalization and operation of said railway over and along Geary street and Fifth avenue, between Kearny and "D" streets, and to ascertain whether said road can be placed in operation on or before June 30th, 1907, and to report back to this Board at its next regular meeting.

Substitute Resolution.

Supervisor Tveitmoe presented the following Substitute Resolution and moved its *adoption*, in lieu of the foregoing:

Mayor and Board Buy or Lease Rolling Stock of Geary Street, Park and Ocean Railroad Company for Purpose of Operating a Municipal Road.

Whereas, The franchise under which the Geary Street, Park and Ocean Railway Company has conducted the Geary-street railroad expired by its terms on November 6, 1903, and since that time the said street railroad has been operated by the said company without a contract or agreement with the City and County of San Francisco; and

Whereas, It was decided by this Board of Supervisors that they would equip the said street railroad in the most modern manner in order that it might be conducted and operated as a municipal street railway; and

Whereas, In the budgets for the fiscal years 1905-06 and 1906-07, appropriations were provided and set aside to cover the expense of doing this work; and

Whereas, The Geary Street, Park and Ocean Railway Company has not operated the aforesaid road for more than seven days last past and is not now endeavoring in any manner to operate said road, and has apparently abandoned the operation thereof;

Resolved, That the Mayor of the City and County of San Francisco, be and he is hereby empowered to make ar-

rangements, by and with the approval of this Board, to lease or purchase from the Geary Street, Park and Ocean Railway Company the rolling stock and other properties necessary for the operation of the street railroad heretofore conducted and operated by said company, payment for the same to be made from the sum set aside by this Board in the budget for the current fiscal year for the reconstruction and operation of the Geary Street Railroad, to the end that not only the convenience of the public may be conserved, but that we may, at the earliest possible moment, carry out the expressed wish of this Board to maintain and conduct the Geary street Railroad as a public utility.

Privilege of Floor.

R. H. Countryman was granted the privilege of the floor and was heard at length, urging the passage of the original resolution.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Relating to the Resumption of Traffic on Geary Street Railroad.

Supervisor Coleman, of the Special Committee on Resumption of Street Traffic in Geary Street, reported progress and stated that a written report would be filed by the committee at the next meeting of the Board.

Supervisor Gallagher, Chairman of said committee, stated that the committee had consulted with the officials of the Geary Street, Park and Ocean Railroad Company concerning the resumption of traffic on its road and that inasmuch as said officials refused to accede to the demand of its employes to pay the schedule demanded, namely, \$3.00 per day of eight hours, it was impossible to operate the road.

Under the circumstances, the committee will recommend that \$400,000

be added in the new Budget, to the present appropriation of \$325,000, for the purpose of constructing an up-to-date conduit electric road, to be operated by the municipality.

Adopted.

Under suspension of the rules, Supervisor Furey introduced the following Resolution:

Supervisors Boxton, Coleman, Davis, Frey, Gallagher, Louergan, Manlock, McGushin, O'Neill, Rea, Tveitmo, Walsh—12.

Quorum present.

His Honor Mayor Schmitz being absent, Supervisor Gallagher was called to the Chair.

READING THE JOURNAL.

On motion of Supervisor Coleman, the reading of the Journal of the previous meeting was ordered dispensed with.

REGULAR ORDER OF BUSINESS DISPENSED WITH.

On motion of Supervisor Coleman, the Regular Order of Business was ordered dispensed with.

STATEMENT FROM CHAIR.

The Chair stated that the purpose of the meeting was to hear taxpayers of the City and County on the "Budget" of the next ensuing fiscal year, before finally determining the same.

Motion.

Supervisor Boxton moved that taxpayers be granted the privilege of the floor and that the public hearing on the Budget be proceeded with.

So ordered.

PUBLIC HEARING ON BUDGET.

George Center, representing the Mission District, explained the lack of sewerage facilities in the lower Mission District and the new wholesale district, and requested that the sum of \$300,000 be set aside for the purpose of constructing a sewer in Sixteenth street to relieve the present condition. He also

asked that a liberal appropriation be made for street work in the same territory.

Chas. King, representing the Potrero Commercial and Manufacturers' Association, endorsed in the request of Mr. Center, stating that the condition of affairs in the Potrero District last year was terrible and should be relieved this year. He also requested that appropriations be made to cover the following, to wit:

To pave the City's portion of the streets surrounding Jackson Park.

To pave the City's portion of Twenty-third street at the County Hospital between Potrero avenue and Utah street.

To extend Hampshire street to Army street and to sewer the same.

To repair San Bruno road.

To grade Sixteenth avenue South.

To extend the Kansas-street sewer to Islais Creek.

J. H. Bloom asked that an appropriation of \$12,000.00 be made in the Budget to purchase land for the extension of Hampshire street and for constructing sewer in the extension.

R. Barker and *W. V. McCarthy*, representing the Oceanside District, asking that an appropriation of \$30,000 be made in the Budget for the grading and macadamizing of the north side of H street, along side of Golden Gate Park from Twenty-first avenue to the Ocean Beach, for the purpose of affording direct means of ingress and egress to that territory.

C. W. Rippe, representing the Sunset Improvement Club, endorsed the application to appropriate sufficient moneys to open "H" street from Twenty-first to Forty-fifth avenues.

W. C. Healy, representing Market and Church Street Improvement Club, asked that provision be made for installing lights on Market street from Valencia street to Castro street, and also urged an appropriation to improve the sewerage

system at Fourteenth and Church streets.

Andrew G. Maguire, representing Hayes Valley and Mission Improvement Club, urged that an appropriation be made to install lighting service on Hayes street between Market and Fillmore streets, and on Valencia street between Market and Twentieth streets.

J. Coffey, representing the Ashbury Heights district, requested that an appropriation be made in the Budget for the construction of a firehouse on Ashbury Heights.

J. T. Denahey, representing the Holly Park Improvement Club, asked that an appropriation of \$8000 be made for the purpose of grading, sewerage and macadamizing Holly Park avenue around Holly Park, and also requested that provision be made for installing twenty additional lights and to furnish additional police and fire protection in the Holly Park District.

Laul E. Fratessa, representing the University Mound District, asked that \$25,000 be appropriated for the repair of San Bruno avenue, and also requested that better lighting facilities be furnished that section of the city, and that a fire lot be purchased on the Five-Mile House Hill.

Norton C. Wells, representing the Fillmore Street Improvement Association, asked that an appropriation be made for the lighting of fourteen metallic arches on streets intersecting Fillmore street between Fulton and Sacramento streets, at a cost of \$25 per night, or approximately \$9000 for the year. He also requested that provision be made for street sprinkling and cleaning along Fillmore street.

F. R. Chambers, representing the Visitation Valley Improvement Club, requested that an appropriation be made to provide ten additional lights for the Visitation Valley District. He also endorsed the request of \$25,000 for the repair of San Bruno road and stated that a school was badly needed in the southeasterly portion of the City.

H. I. Minerl, representing Eranconia Heights Improvement Club, asked that \$5000 be appropriated to provide an outlet from that district to the San

Bruno road, and also called attention to the fact that more street lights and hydrants were required in that section.

A. Roos, representing the Fillmore Street Improvement Association, requested that provision be made to remedy sewer conditions along Fillmore street.

S. Mann, representing San Francisco School Teachers, and *Miss Margaret Mahoney*, president of the Teachers' Federation, requested that the appropriation asked for by the Board of education be granted in this year's Budget, in order to provide an increase of 20 per cent in salary of teachers whose present salary is under \$1200 per year.

A. E. Sather, representing the Bay View Improvement Club, asked that a sufficient sum be provided for school facilities, for adequate lighting and for police protection in the Bay View and Paul Tract Districts, and also urged that \$1250 be appropriated for a Fire Department lot on the Five-Mile House Hill.

H. M. Anthony, representing the Dolores Street Improvement Club, asked that an appropriation of \$2500 be made to complete the parking of Dolores street on both sides of Sixteenth street, in order to permit the owners of property to proceed with the work of bituminizing said street.

T. H. Sharman, representing the Bay View District, asked that an appropriation be made for additional lighting facilities in said district.

W. A. Eaton, representing the San Bruno Avenue Improvement Club, urged that \$2500 be made available for the repair of San Bruno road.

S. A. Byrne, representing the Precita Valley Improvement Club, asked that \$500 be appropriated for the purpose of constructing a coping around Bernal Park.

ADJOURNMENT.

There being no further requests for appropriations in the "Budget," the Board, at the hour of 10:15 o'clock, adjourned.

JOHN. H. RYAN,
Clerk.

Extensions of Time, Street Work.

On motion of Supervisor Sanderson:

Resolution No. — (New Series), Granting the Warren Incorporated Company an extension of twenty days' time from and after June 11, 1907, within which to complete the contract for driving piles on Market street, Drumm and Commercial streets.

This extension of time is recommended for the reason that the work has been delayed by other contract-

ors performing work on said sewer.

Also, Resolution No. — (New Series), Granting the Humboldt Construction Company an extension of ninety days' time from and after June 12, 1907, within which to complete the contract for the construction of the Ingleside Boulevard, between Ocean avenue and the county line.

This extension of time is recommended for the reason that the contractor has been unable to proceed with the work on account of the Spring Valley Water Company having made changes which will necessitate the revising of the original plans and specifications.

Also, Resolution No. — (New Series), Granting the City Street Improvement Company the following extensions of time to complete street work:

Sixty days' time from and after June 28, 1907, within which to complete the contract for paving, curbing, etc., the crossing of L street and Ninth avenue.

NEW BUSINESS.

Passed for Printing.

The following Bill was passed for printing by the following vote:

Temporarily Suspending the Dollar Limit of Taxation.

On motion of Supervisor Gallagher: Bill No. 254, Ordinance No. — (New Series), as follows:

Providing that the limitation of taxation specified in Section 11, Chapter 1, Article III of the Charter be temporarily suspended, and authorizing that an increase of taxation of twenty (\$0.20) cents on each one hundred (\$100) dollars assessed valuation on all assessable property in the City and County of San Francisco be levied for the fiscal year 1907-8, for the purpose of repairing, sprinkling and sweeping streets, and for the purpose of increasing the salaries of teachers in the primary and grammar schools.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited, determined and declared that the repair, sprinkling and sweeping of streets, to be performed by the Board of Public Works under the direction of the Board of Supervisors, and the proposition to increase the salaries of teachers in the primary and grammar schools of the City and County, as specified in the Budget of the fiscal year 1907-8, constitutes and is a great necessity and emergency of the kind and character contemplated by the provisions of Section 13, Chapter 1, Article III of the Charter, which provisions empower the Board of Supervisors to suspend temporarily the limitation of taxation specified in Section 11, Chapter 1, Article III of the Charter, and enables the Board of Supervisors to provide for such necessity and emergency.

Section 2. It is hereby determined and declared that the cost of the aforesaid propositions cannot be paid out of the ordinary annual income and revenue of the City and County for the fiscal year 1907-8.

Section 3. The limitation of taxation provided in Section 11, Chapter 1, Article III of the Charter is hereby temporarily suspended and an increase of taxation of twenty (\$0.20) cents on each one hundred (\$100) dollars

assessed valuation on all assessable property in the City and County is hereby authorized to be levied for the fiscal year 1907-8, the proceeds of said taxes to be applied to the aforesaid purposes as specified in the Budget for the fiscal year 1907-8.

Section 4. This Ordinance shall take effect and be in force immediately.

Ayes—Supervisors Boxton, Coffey, Coleman, Furey, Gallagher, Harrigan, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Phillips, Rea, Sanderson, Tveitmo, Walsh.—16.

Message from Mayor.

File.

The following message was received, read and ordered filed:

June 18, 1907.

To the Honorable the Board of Supervisors, San Francisco, California:

GENTLEMEN: Seeing in this morning's papers a statement to the effect that your honorable body at your meeting yesterday decided that I was temporarily unable to perform my duties as Mayor by reason of my detention in the custody of the Sheriff of the City and County of San Francisco, and therefore appointing Mr. James L. Gallagher as Acting Mayor, I hereby notify you that I am not unable nor unwilling to perform the duties required of me as the Mayor of the City and County of San Francisco, but will continue to do so.

This action by your honorable body clearly demonstrated the truth of the statement I made just after my return from Europe, that politics, and politics alone, was behind the prosecution, and that your action is the first step toward securing control of the municipal government in order that valuable franchises may be given to the wielder of the big stick, Mr. Rudolph Spreckels, and other valuable privileges accorded to those who have co-operated with him in his endeavor to purify (?) the city.

I also wish to notify you that any action taken by Mr. Gallagher in the capacity of Acting Mayor will be null and void and will by the complications it will cause do great injury to the city.

I demand that you send to my office all matters passed by your honorable body in order that I may have opportunity of inspecting them and of approving or disapproving them. I further notify you that so far as it is possible I intend to supervise and inquire into the work being done by the different departments, and, in fact, all such

other matters as may be necessary for me as Mayor so to do.

Yours respectfully,

E. E. SCHMITZ.

Mayor of the City and County of San Francisco.

UNFINISHED BUSINESS.

Repealing Ordinance No. 81 (New Series), Reducing Width of Sutter Street Sidewalks.

Bill No. 238, Ordinance No. — (New Series), entitled:

"Repealing Ordinance No. 81 (New Series), entitled, 'Amending Ordinance No. 1001, entitled, "Regulating the width of sidewalks," approved December 18, 1903, by adding thereto a new section to be numbered two hundred and twenty-three,' approved October 16, 1906," heretofore referred to the Streets, Sewers and Parks Committee, and returned by said Committee with the recommendation of its indefinite postponement and with the recommendation of passage of an amendatory measure fixing the width of sidewalks on Sutter street between Van Ness avenue and Grant avenue at 12 feet and between Grant avenue and Market street at 15 feet, was taken up.

Motion.

Supervisor Coleman moved the final passage of the Bill in lieu of adopting the recommendation of the Committee.

Privilege of Floor.

B. L. Cadwalader, Dr. J. W. Rosenstirn and J. Aronson were granted the privilege of the floor and were heard advocating the adoption of the Report of the Committee.

Final Passage.

Whereupon the question being taken, Bill No. 238 was *finally passed* as Ordinance No. 232 (New Series) by the following vote:

Ayes: Supervisors Boxton, Coleman, Davis, Gallagher, Harrigan, Kelly, Lonergan, Mamlock, McGushin, Nicholas, Walsh—11.

Noes: Supervisors Coffey, Furey, O'Neill, Phillips, Sanderson, Treitmoe—6.

Final Passage.

The following Bill, heretofore passed for printing, was taken up, *finally passed* by the following vote and numbered Ordinance No. 233 (New Series), to wit:

Temporarily Suspending the Dollar Limit of Taxation.

On motion of Supervisor Gallagher:

Bill No. 254, Ordinance No. 233 (New Series):

Providing that the limitation of taxation specified in Section 11, Chapter 1, Article III of the Charter be temporarily suspended, and authorizing that an increase of taxation of twenty (\$.20) cents on each one hundred (\$100) dollars assessed valuation on all assessable property in the City and County of San Francisco be levied for the fiscal year 1907-8, for the purpose of repairing, sprinkling and sweeping streets, and for the purpose of increasing the salaries of teachers in the primary and grammar schools.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby recited, determined and declared that the repair, sprinkling and sweeping of streets, to be performed by the Board of Public Works under the direction of the Board of Supervisors, and the proposition to increase the salaries of teachers in the primary and grammar schools of the City and County, as specified in the Budget of the fiscal year 1907-8, constitutes and is a great necessity and emergency of the kind and character contemplated by the provisions of Section 13, Chapter 1, Article III of the Charter, which provisions empower the Board of Supervisors to suspend temporarily the limitation of taxation specified in Section 11, Chapter 1, Article III of the Charter, and enables the Board of Supervisors to provide for such necessity and emergency.

Section 2. It is hereby determined and declared that the cost of the aforesaid propositions cannot be paid out of the ordinary annual income and revenue of the City and County for the fiscal year 1907-8.

Section 3. The limitation of taxation provided in Section 11, Chapter 1, Article III of the Charter is hereby temporarily suspended and an increase of taxation of twenty (\$.20) cents on each one hundred (\$100) dollars assessed valuation on all assessable property in the City and County is hereby authorized to be levied for the fiscal year 1907-8, the proceeds of said taxes to be applied to the aforesaid purposes as specified in the Budget for the fiscal year 1907-8.

Section 4. This Ordinance shall take effect and be in force immediately.

Ayes—Supervisors Boxton, Coffey, Coleman, Davis, Furey, Gallagher.

Harrigan, Kelly, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Phillips, Sanderson, Tveitmoec, Walsh—17.

Declaration of Vote.

The Chair declared that Ordinance No. 233 (New Series) was passed by the unanimous vote of the Supervisors.

Approval of Bill.

Whereupon the Clerk presented said Ordinance No. 233 (New Series), to the Acting Mayor, James L. Gallagher, by whom it was duly signed and approved.

Final Passage.

VETO MESSAGE.

The following message from Hon. E. E. Schmitz, returning "The Budget" of the fiscal year 1907-1908 without his approval and with his objection to six several items therein, was received and read:

June 21, 1907.

To the Honorable Board of Supervisors, San Francisco, Cal.

GENTLEMEN: I hereby return Bill No. 250, Ordinance No. 229 (New Series), entitled "An Ordinance fixing and appropriating the aggregate sum and items therefor allowed to each department, office, Board and Commission for the fiscal year ending June 30th, 1908, and making a Budget of the same. I herewith return without my approval and veto the following items.

1. Item designated as "Repairing, sprinkling and sweeping of streets," for \$720,000, to be paid for out of an additional and special emergency tax of twenty (20) cents on each one hundred

(\$100) dollars. I veto this item because I believe it is not consistent with the public policy or advisable at this time to go beyond the one dollar limit. Since the Charter went into effect the one dollar limit has never been exceeded; even after the calamity which befell San Francisco on April 18th, 1906, the policy of this administration was one of retrenchment and economy. I, therefore, fail to see how it would be at all consistent with or in the best interests of public policy to exceed the limit laid down by the Charter.

2. I herewith return without my approval and veto item under the head of District Attorney's office of bookkeeper, \$1200, for the reason that this position has not been created in accordance with the law, and also for the further reason that the same is not necessary for the purpose for which it is asked.

3. I hereby return without my approval and veto item of \$2100 calling for salary for First Assistant Bond and Warrant Clerk, for the reason that this position has not been created in accordance with the law, and is further not necessary for the District Attorney's office.

4. I herewith return without my approval and veto item of \$1500 as messenger for District Attorney, for the reason that there is no such position as messenger for the District Attorney, as the same has not been created according to the law, and for the further reason that it is an unnecessary expense, and while it may secure a position for some favorite, it is not in the interest of economy, which at this time every department should aim to maintain.

5. I hereby return without my approval and veto item for \$5000 for contingent expenses, for the reason that this is absolutely illegal and unnecessary. The Chief of Police is allowed \$8000 for contingent expenses, the Mayor is allowed \$3600 for contingent expenses, and no District Attorney since the Charter went into effect has ever been allowed one dollar for such purpose. I, therefore, see no reason why \$5000 should be allowed the District Attorney's office for contingent expenses when whatever work necessary under that head could be done by and with the appropriation of the Police Department.

6. I hereby return without my approval and veto item for \$720,000 for

the construction of a municipal street railroad system from Market street on Geary to Point Lobos avenue, along Point Lobos avenue, then along Tenth avenue to Fulton street, for the reason that this \$720,000 should be used for the sweeping and repairing of our streets. I do not believe the taxpayers of San Francisco should at this time be assessed in order to provide for a Municipal Railway beginning nowhere and ending nowhere. I do not wish it to be understood that in vetoing this item I am against the principle or policy of Municipal Ownership; on the contrary, I believe that San Francisco must eventually own its water system, its light and power system, and also its street railway system; but now as we are at present so much in need of public school houses, so much in need of better streets, so much in need of a new sewer system, and, in fact, in need of many other more necessary and useful things, I cannot approve at this time this item for \$720,000, believing that this amount should be used for the improvement of our streets alone.

I well understand the reason of your Honorable Board in not putting this item to be paid for out of the additional assessment of twenty cents on the dollar, knowing full well that you could not pass that proposition without the unanimous consent of the Board of Supervisors and with the approval of the Mayor. You have, therefore, instead put this item to be paid for out of the revenue raised within the one dollar limit, and in order to even it up you have placed \$720,000 for the repair, sweeping and cleaning of streets to be paid for out of the twenty cents additional to the dollar tax levy. This was done with the belief that I would not dare to veto or withhold my approval for allowing the Board to go beyond the dollar limit for the repair and cleaning of streets, while I might do so if it were for the construction of a municipal railroad. I wish to say here and now that I will join with your honorable body in raising an assessment for the repairs to our streets and sewers, and I regret exceedingly that I have no power to change this item for the purpose for which you intend it to the repairing of our streets and sewers.

Instead of shutting down the Geary Street Railroad and preventing its operation for at least a year or two, the public could be much more benefited

by having that road resume operations immediately. This would not only be in the interest of the public at large, but would also be in the interest of securing work for many carmen who are now out of work.

Yours respectfully,

E. E. SCHMITZ, Mayor.

Consideration of Mayor's Vetoes on Budget.

Thereupon, the Board proceeded to consider Ordinance No. 229 (New Series), entitled "An Ordinance fixing and appropriating the aggregate sum and the items thereof allowed to each department, office, board and commission for the fiscal year ending June 30, 1908, and making a Budget of the same," and the items vetoed therein by the Mayor.

Veto No. 1 Overruled.

The question being, "Shall the item, 'For the repair, sprinkling and sweeping of streets, to be performed by the Board of Works, under the direction of the Board of Supervisors, to be paid for out of an additional and special emergency tax levy of 20 cents on each \$100 assessed valuation, \$720,000,' pass notwithstanding the veto of the Mayor?" the Roll was called, with the following result:

Ayes—Supervisors Boxton, Coffey, Coleman, Davis, Furey, Gallagher, Harrigan, Kelly, Lonergan, Mamlock, McGushin, Nicholas, O'Neill, Phillips, Sanderson, Tveitmoe, Walsh—17.

The Chair declared the Mayor's veto *overruled*.

Veto No 2 Overruled.

The question being, "Shall the item, 'Salary of bookkeeper for District Attorney, \$1200,' pass notwithstanding the veto of the Mayor?" the Roll was called, with the following result:

DELIVERY OF ASSESSMENT ROLL, 1907-1908.

The Chair announced that the Assessor, Washington Dodge, had this day delivered to the Clerk of the Board of Supervisors the Assessment Roll of the fiscal year 1907-1908, consisting of sixty volumes, describing real estate and secured personal property, seventeen volumes describing unsecured personal property, four volumes of indexes and sixty volumes of Hook books.

Also, that the Assessor had this day filed the List of Arbitrary Assessments, separate from the Assessment Book, as required by Section No. 3633 of the Political Code of the State of California.

Report of Assessor on Assessment Roll of 1907-1908.

San Francisco, July 1, 1907.

To the Honorable Board of Supervisors of the City and County of San Francisco:

The Assessment Roll this day completed and turned over to your Board shows a most remarkable and gratifying increase over that of a year ago, which was made up shortly after our disastrous fire. That Roll amounted to \$376,000,000. The present Roll is over \$429,000,000, a gain in assessed values of \$53,000,000 in twelve months. As property is not assessed at over sixty per cent of actual value, this increase represents an actual gain in values during the year approximating \$90,000,000.

This showing is not only most reassuring to those who may have had doubts of the speedy rehabilitation of our City, but it is most gratifying when considered in connection with the financial necessities of our City. Our revenue for the coming fiscal year has been estimated on an Assessment Roll of \$410,000,000. This remarkable growth

in our resources will put at our disposal as a surplus revenue over \$270,000.

In our personal property it was not anticipated that there would be any increase this year over that of last year for several reasons. One of these reasons being the fact that much personal property remained on last year's Roll which had been destroyed by the fire and which had to be cancelled in the preparation of the present Roll; another reason was that many of our largest mercantile and manufacturing firms have not been able to secure proper accommodations in this City, and were, and are yet, housing their business and warehousing their goods in near-by cities. All these losses, however, have been overcome and a net gain is shown in personal property amounting to \$12,000,000, the actual gain, however, in this class of property is, for the reasons stated, much greater. This \$12,000,000 gain in assessed value represents an actual gain of over \$3,000,000.

A comparison of this year's Roll with that of last year would indicate that up to March 1st over \$40,000,000 had actually been expended in the construction of new buildings and in the reconstruction of the old buildings.

During the past sixty days this office has collected and turned into the City Treasury as taxes on personal property the sum of \$361,000 and as poll tax collections the further sum of \$82,000.

Yours truly,

WASHINGTON DODGE, Assessor.

Read and ordered filed.

PROCEEDINGS OF BOARD OF EQUALIZATION.

The Board then proceeded to and examined the Assessment Roll as received from the Assessor.

Resolutions Adopted.

Whereupon the following Resolutions were introduced by Supervisor McGushin, Chairman of the Equalization of Assessments Committee, and adopted, to wit:

Also, Resolution No. 1119 (New Series), as follows:

Adopting a rule as to the manner in which persons, firms, companies and corporations are to be notified why their assessments for the fiscal year 1907-1908 should not be increased by the Board of Supervisors sitting as a Board of Equalization.

Resolved, That it is hereby adopted as a rule of this Board that the notice required to be given under the provisions of Section 3673 of the Political Code to corporations or persons to show cause why their assessments on the assessment book of real and personal property for the fiscal year 1907-1908 shall not be increased, will be as follows:

To corporations: A written or printed notice addressed to the president, secretary or managing agent of each corporation, and delivered by the sergeant-at-arms of this Board at the office of each corporation in this city.

To persons, firms or companies: A written or printed notice, postage prepaid, and mailed to their address.

The Clerk is hereby directed to cause to be delivered or mailed to the several corporations, persons, firms or companies, when designated by this Board, the said notice at least twelve (12) hours prior to the time set for hearing said parties as aforesaid.

Board of Equalization Hear Applications July 9, 1907.

Also, Resolution No. 1120 (New Series), as follows:

Resolved, That this Board shall meet on Tuesday, July 9, 1907, at 2 o'clock p. m. as a Board of Equalization to examine applicants for reduction of as-

Notice to the Board of Supervisors of the City and County of San Francisco That Eugene E. Schmitz Has Been Convicted of Felony.

To the Honorable The Board of Supervisors of the City and County of San Francisco: Pursuant to the provisions of Section 997 of the Political Code of the State of California you are hereby notified that on the 13th day of June, 1907, Eugene E. Schmitz, then Mayor of the City and County of San Francisco, was duly convicted of a felony, to wit, extortion, by a jury in the Superior Court of the State of California in and for the City and County of San Francisco, and that thereafter, on the 8th day of July, 1907, judgment upon said conviction was duly rendered by the said Superior Court sentencing the said Eugene E. Schmitz to be im-

prisoned in the State Prison at San Quentin for the period of five years, a certified copy of which judgment is hereunto attached.

Dated July 9th, 1907.

F. H. DUNNE,

Judge Superior Court of the State of California in and for the City and County of San Francisco.

Dated July 9th, 1907.

Judgment.

In the Superior Court of the State of California in and for the City and County of San Francisco.—Department No. 6.

Monday, July 8th, 1907.

Present, Hon. Frank H. Dunne, Judge.

The People of the State of California vs. Eugene E. Schmitz, convicted of felony, to wit: extortion.—No. 305.

The District Attorney, with the defendant and his counsel, Messrs. Campbell, Metson & Drew, J. J. Barrett and C. H. Fairall, came into court. The defendant was duly informed by the Court of the indictment duly presented and filed against him on the 15th day of November, 1906, by the Grand Jury of the City and County of San Francisco charging said defendant with the crime of felony, to wit: extortion; of his arraignment on December 6th, 1906, and plea of "Not guilty" as charged in said indictment on March 7th, 1907; of his trial; of the verdict of the jury, on the 13th day of June, 1907: "We, the jury, find the defendant, Eugene E. Schmitz, guilty as charged in the indictment."

The defendant was then asked if he had any legal cause to show why judgment should not be pronounced against him, to which defendant's counsel moved the Court for a new trial, which motion was by the Court denied, to which ruling defendant's counsel duly excepted. Defendant's counsel thereupon moved the Court in arrest of judgment, which motion was by the Court denied; to which ruling defendant's counsel duly excepted. And no sufficient cause being shown or appearing to the Court thereupon the Court renders its judgment. That whereas, the said Eugene E. Schmitz has been duly convicted in this Court of the crime of felony, to wit: extortion, it is therefore ordered, adjudged and decreed that the

said Eugene E. Schmitz be punished by imprisonment in the State Prison of the State of California, at San Quentin, California, for the term of five (5) years. The defendant was then remanded to the custody of the Sheriff of said City and County, to be by him delivered into the custody of the proper officers of said State Prison.

Office of the County Clerk of the City and County of San Francisco.

I, H. I. Mulcrevy, County Clerk of the City and County of San Francisco, and ex-officio Clerk of said Superior Court thereof, do hereby certify the foregoing to be a true and correct copy of the judgment and sentence entered on the minutes of the said Court in and for the City and County of San Francisco, State of California, in the above entitled cause, as appears of record in my office.

Attest, my hand and the seal of the said Superior Court, this 8th day of July, A. D. 1907.

(Seal) H. I. MULCREVY, Clerk.

By LAWRENCE BUCKLEY, Deputy Clerk.

I, H. I. Mulcrevy, County Clerk of the City and County of San Francisco, State of California, and ex-officio Clerk of the Superior Court thereof, hereby certify that the foregoing is a full, true and correct copy of the original judgment and sentence in the above entitled cause filed in my office on the 8th day of July, 1907.

In witness whereof, I have hereunto set my hand and affixed the seal of the Superior Court this 9th day of July, 1907.

(Seal) H. I. MULCREVY, Clerk.

By LAWRENCE BUCKLEY, Deputy Clerk.

Read and ordered filed.

Adopted.

Thereupon Supervisor Phillips introduced the following Resolution:

Declaring a Vacancy Exists in Office of Mayor, Due to Conviction and Sentence of E. E. Schmitz of Crime of Extortion.

Whereas, At the municipal election held in the City and County of San Francisco in November, 1905, Eugene E. Schmitz was elected Mayor of the City and County of San Francisco and thereafter qualified as such, and

Whereas, On the 8th day of January, 1906, said Eugene E. Schmitz, pursuant to said election, assumed

the duties of said office and became said Mayor; and

Whereas, Thereafter in the Superior Court of the State of California in and for the City and County of San Francisco, on the 13th day of June, 1907, the said Eugene E. Schmitz was convicted of a felony, to wit, the crime of extortion, and was then and there convicted of an offense involving a violation of his official duties, to wit, the crime of extortion; and

Whereas, On the 8th day of July, 1907, the judgment of the said Superior Court was duly given, made, rendered and entered against the said Eugene E. Schmitz upon the said conviction and the said Schmitz was by said Court sentenced to imprisonment in the State Prison at San Quentin, in the State of California, for a term of five years; and

Whereas, The said Eugene E. Schmitz is actually now in jail and in custody; and

Whereas, The office of the Mayor of the City and County of San Francisco is vacant and a vacancy exists therein; now therefore, be it

Resolved, That a vacancy exists in the office of Mayor of the City and County of San Francisco.

Resolved, further, That the Board of Supervisors of the City and County of San Francisco do proceed forthwith with the election of a Mayor of the City and County of San Francisco to fill the unexpired term of the said Eugene E. Schmitz and to fill the vacancy now existing in the office of Mayor for the unexpired term of the said Eugene E. Schmitz.

Adopted on motion of Supervisor Phillips as Resolution No. 1144 (New Series), by the following vote:

Ayes—Supervisors Coffey, Coleman, Davis, Furey, Gallagher, Kelly, McGushin, Nicholas, Phillips, Walsh—10.

Resignation of Chas. Boxtton From Office of Supervisor of the City and County of San Francisco.

Office of the Board of Supervisors, New Hall of Justice, 70 Eddy street, San Francisco, Cal., July 9th, 1907.

To His Honor James L. Gallagher, Acting and de facto Mayor of the City and County of San Francisco, and to

the Honorable the Board of Supervisors of said City and County of San Francisco—Gentlemen:

I hereby resign from the office of Supervisor of the City and County of San Francisco and as a member of the Board of Supervisors of said City and County; this resignation to take effect immediately.

CHAS. BOXTON.

Read and *accepted*.

Election of Mayor.

Thereupon, the Board proceeded with the election of a Mayor to fill the unexpired term of E. E. Schmitz.

Supervisor Coleman nominated Chas. Boxton.

The nominations being closed, Supervisor Coleman moved that Chas. Boxton be elected to office of Mayor of the City and County of San Francisco.

Communication from E. E. Schmitz, Appointing Samuel T. Sawyer to the Office of Supervisor, vice Chas. Boxton, resigned, together with Certificate of Appointment of said Samuel T. Sawyer.

The following communication and certificate were received:

San Francisco, July 16, 1907.

To the Honorable Board of Supervisors of the City and County of San Francisco.

Gentlemen: I hereby notify you that I have this day appointed Mr. Samuel T. Sawyer a member of the Board of Supervisors vice Charles Boxton, resigned, for the balance of the term for which the aforesaid Charles Boxton was elected.

Yours respectfully,

E. E. SCHMITZ,

Mayor of the City and County of San Francisco.

Certificate of Appointment.

City and County of San Francisco, State of California.

Reposing special confidence in the capacity and integrity of Samuel T. Sawyer, I, E. E. Schmitz, Mayor of the City and County of San Francisco, by virtue of the authority in me vested, do by these presents appoint him, the said Samuel T. Sawyer, a Supervisor and a member of the Board of Supervisors, in and for the City and County of San Francisco, vice Charles Boxton, resigned, for the unexpired portion of the term for which said Charles Boxton was elected, pursuant to the provisions of the Charter governing such appointment.

In witness whereof, I have hereunto set my hand and caused the seal of the City and County of San Francisco to be affixed this 16th day of July, 1907.

(Seal)

E. E. SCHMITZ,

Mayor of the City and County of San Francisco.

Attest: John J. Boyle, Secretary.

Read, ordered filed and seat in Board denied alleged appointee, Samuel T. Sawyer, who was present, upon the ground that E. E. Schmitz is not the Mayor of the City and County of San Francisco, and is therefore without authority to appoint to membership in the Board of Supervisors.

Resignation of Chas. Boxton from Office of Mayor of the City and County of San Francisco.

To the Board of Supervisors of the City and County of San Francisco:

I hereby resign the office of Mayor of the City and County of San Francisco, State of California, this resignation to take effect immediately.

Dated at San Francisco, California, this 16th day of July, 1907.

CHAS. BXTON.

Read, and, on motion of Supervisor Coleman, accepted by unanimous vote.
Election of Mayor.

Veto Message.

The following message from his Honor the Mayor, returning without his approval and with his objections thereto, Bill No. 215, Ordinance No.

242 (New Series), entitled, "Ordering the repaving with basalt blocks of the roadway of Harrison street, from fourth street to Sixth street, in accordance with specifications prepared therefor by the Board of Public Works, and authorizing an expenditure of \$45,000 out of the proceeds of sale of street bonds for the doing of said work," was received, read, ordered published, entered at large in the Journal and referred to the Finance Committee:

Mayor's Office, City Hall.

July 26, 1907.

To the Honorable, the Board of Supervisors of the City and County of San Francisco:

Gentlemen—I am constrained to return to you without my signature Bill No. 215, providing for the repaving of the roadway of Harrison street. It appears that there remain but \$2052.87 available for the purpose mentioned in the bill. Under the circumstances it seems to me premature to order the work and to call for bids.

EDWARD R. TAYLOR,

Mayor of the City and County of San Francisco.

**Relating to Franchise Applications of
Western Pacific Railway Co.
Motion.**

Supervisor D'Ancona moved that all matters relating to the application of the Western Pacific Railway Company for a franchise to construct, maintain and operate a steam railroad in the City and County of San Francisco be referred to the Joint Committee on

Streets, Sewers and Parks and Judiciary.

So ordered.

Veto Message.

The following message from his Honor the Mayor returning without his approval and with his objections thereto Resolution No. 1161 (New Series), authorizing an expenditure of \$27,615.23 to be made out of the Surplus Fund in payment for supplies, materials and services rendered the City and County, was received, opened, read, ordered published, entered at large in the Journal and referred to the Finance and Judiciary Committees:

Mayor's Office, City and County of San Francisco, San Francisco, August 2, 1907.

To the Board of Supervisors of the City and County of San Francisco:

I am constrained to return with my disapproval Resolution No. 1161, providing for an expenditure of \$27,615.23.

I am satisfied that the items of expenditure provided for in the Resolution should be closely scrutinized by the Finance Committee, and to that end I return the Resolution.

EDWARD R. TAYLOR, Mayor.

Veto Message.

The following message from his Honor the Mayor returning without his approval and with his objections thereto Resolution No. 1171 (New Series), was received, opened, read, ordered published, entered at large in the Journal and referred to the Finance and Electricity Committees:

San Francisco, August 2, 1907.

Mayor's Office, City and County of San Francisco.

To the Board of Supervisors of the City and County of San Francisco:

I herewith return to you with my disapproval Resolution No. 1171, which provides that the amount of \$3,892.50 be paid to those in the service of the Department of Electricity for the month of July, 1907, in excess of the Budget appropriation of \$3,000, this excess to be paid out of the Budget Appropriation for "rehabilitation."

This payment, if made, would be wholly unauthorized, as each appropriation must be specifically devoted to its own purposes, nor can any demand be legally paid unless there be a present appropriation out of which to pay it.

EDWARD R. TAYLOR, Mayor.

Under suspension of the rules, Supervisor D'Ancona introduced the following Resolution:

Clerk Invite Representatives of Modesto and Turlock Irrigation Districts to Confer With Public Utilities Committee Regarding Water Rights on Tuolumne River.

Whereas, A rehearing of the application of the City and County of San Francisco for the privilege of storing the storm waters of the Hetch-Hetchy Valley and Lake Eleanor district has been granted by the Secretary of the Interior, and

Whereas, It has been reported that the residents of the Modesto and Turlock Irrigation Districts fear that the use of the storm waters of the Sierras will be injurious to the interests of the said irrigation districts, and

Whereas, It is the wish and best policy of San Francisco to protect and aid the interior valleys, therefore be it

Resolved, That the Clerk of this Board be and he is hereby directed to invite the above named districts to send representatives to attend a meeting of the Public Utilities Committee to be held Wednesday, August 14th, at 2 p. m., in the hope that the plan for the impounding of the excess waters of the Sierras may be agreed upon acceptable to the city and without danger to the true interests of the irrigation districts affected.

Adopted, on motion of Supervisor D'Ancona, as Resolution No. 1183 (New Series).

Referred.

Supervisor D'Ancona moved the suspension of the rules for the introduction of the following Resolution:

So ordered.

Sutter Street Railway Company Directed to Remove Trolley Wire Suspended Over Railroad on Market Street From Sutter Street to Ferry.

Resolution No. — (New Series),
as follows:

Whereas, The Sutter Street Railway Company filed with the Board of Supervisors on June 4th, 1906, a petition to operate its railways in the City and County of San Francisco by electricity by means of the so-called overhead trolley system and to erect the necessary poles and string the necessary wires and provide and use the proper and necessary means to that end; and

Whereas, Although no action has been taken on said petition by the Board of Supervisors, said Sutter Street Railway Company is proceeding with the work, preliminary to constructing a system of rails adapted to the overhead trolley system, on Market street from Sutter street to the Ferry, and a trolley wire is strung directly over said rails;

Now, therefore, be it Resolved, That the Sutter Street Railway Company be and is hereby directed to remove said trolley wire so strung without lawful authority on Market street from Sutter street to the Ferry.

Motion.

Supervisor D'Ancona moved that the Resolution be adopted and also referred to the Committee on Public Utilities.

NEW BUSINESS.

Passed for Printing.

The following matters were *passed for printing*:

Granting Western Pacific Railway Company Permission to Lay Temporary Grading Tracks.

On motion of Supervisor Magee: Resolution No. — (New Series), as follows:

Resolution granting permit to the Western Pacific Railway Company to lay down railroad tracks and to run cars thereon on certain streets for the sole purpose of excavating and filling in the same and the adjoining land.

Be it resolved by the Board of Supervisors of the City and County of San Francisco, State of California, as follows:

1. That the Western Pacific Railway Company, a corporation, be and hereby is granted permission for the period of six (6) months from the date of the passage of this Resolution to lay down railroad tracks and run cars thereon on Texas street, between Twenty-second street and a point half way distant between Twenty-second street and Twenty-first street; on Twenty-second street, between Texas street and Mississippi street; on Mississippi street, between Twenty-second street and a point half way distant between Twenty-second street and Twenty-third street; on Pennsylvania avenue, between Twenty-second street and a point half way distant between Twenty-third street and Twenty-fourth street; on Twenty-fifth street, between the westerly line of Iowa street and the westerly line of Kentucky street, for the sole purpose of excavating and filling in the above mentioned portions of said streets, and also the adjoining land either belonging to the Western Pacific Railway Company or on which said Western Pacific Railway Company may obtain

permission from the owner thereof to so excavate or fill.

II. Said tracks shall be laid level with the street and shall be maintained and operated in such manner as not to interfere with the use by the public of the streets occupied by the said tracks.

Full Acceptance Certain Streets.

Also, Bill No. 272, Ordinance No. — (New Series), entitled, "Providing for full acceptance of the roadway of Sixth avenue, between "C" and Fulton streets, Godous street, between California avenue and Mission street, Belvedere street, between Rivoli avenue and Seventeenth street, Seventeenth street, between the easterly line of Cole street and the westerly line of Shrader street and the crossings of Seventeenth and Cole, Seventeenth and Shrader streets, Belvedere street, between Rivoli avenue and Alma avenue, and the intersection of Rivoli avenue and Belvedere street."

Extension Time. Street Work.

Also, Resolution No. — (New Series), Granting the Barber Asphalt Company an extension of sixty (60) days' time from and after July 11th, 1907, within which to complete the contract for the paving of the roadway of Bartlett alley, from Jackson street to Pacific street.

This extension of time is granted for the reason that on account of the large amount of debris and building material in the street it has been impossible to complete the work within the time originally fixed by the Board of Public Works.

Thirty (30) days' time from and after September 5th, 1907, within which to complete the contract for the paving, etc., the roadway of Sutter street, from Van Ness avenue to Sansome street.

This extension of time is granted for the reason that the contractors are awaiting a decision from the courts as to the validity of their contract.

Thirty (30) days' time from and after August 6th, 1907, within which to complete the contract for paving, etc., Ellis street from Stockton to Larkin streets.

This extension of time is granted for the reason that the neglect of property owners to move back their area walls has prevented the contractors from completing the work within the time originally set by the Board of Public Works.

Also Resolution No. — (New Ser-

ies), Granting the City Street Improvement Company an extension of sixty (60) days' time from and after July 21st, 1907, within which to complete the contract for paving, etc., of the roadway of the crossing of Tenth avenue and "K" street.

This extension of time is granted for the reason that owing to the scarcity of material the contractor has been unable to complete the work within the time originally fixed by the Board of Public Works.

Also, Resolution No. — (New Series), Granting Flinn & Tracey an extension of twenty-eight (28) days' time from and after August 3d, 1907, within which to complete the contract for the construction of a sewer in Seventh street, from Howard street to Market street and from Market and Seventh streets to Jones and McAllister streets.

This extension of time is granted for the reason that on account of scarcity of material the contractor has been unable to complete the work within the time originally fixed by the Board of Public Works.

Also, Resolution No. — (New Series), Granting C. S. Harney an extension of thirty (30) days' time from and after August 5th, 1907, within which to complete the contract for the paving of the roadway of Fourth street, from Howard street to Freelon street, and ninety (90) days from and after August 13th, 1907, within which to complete the contract for the paving of the roadway of Fourth street from Freelon street to Channel street.

These extensions of time are granted for the reason that a question has arisen as to the validity of the contracts for the performance of this work under the bond issue and the matter is now before the courts.

Relating to Penalties for Failure to Complete Street Work Under Contracts.

Referred.

The question of providing means whereby street contractors may be penalized for failure to complete street work within the time specified in contracts was ordered referred to the Joint Committee on Streets, Sewers and Parks and Judiciary.

Adopted.

The following Resolution was adopted:

Clerk Solicit Offer for Sale of Certain Lands in Children's Playground, 100 Vara Block 397.

On motion of Supervisor D'Ancona:

Resolution No. 1187 (New Series), as follows:

Whereas, The Board of Supervisors, under authorization granted by the bond issue held on September 29, 1906, did purchase, previous to the earthquake-fire of April, 1906, certain parcels of land for children's playground purposes in that portion of 100-vara block No. 397, bounded by Bryant, Brannan, Seventh and Harriet streets; and

Whereas, Although offers were solicited for several remaining parcels of land in said block and negotiations for the acquisition of said lands were pending at the time of said earthquake-fire, all record evidence of said pending transactions were destroyed; now therefore be it

Resolved, That the Clerk of this Board be and he is hereby directed to solicit offers in writing from the owners of the following described parcels of land constituting a part of said 100-vara block No. 397 and forming a part of said children's playground to sell to the City and County of San Francisco their respective holdings, to wit:

Prohibiting Erection and Maintenance of Poles and Overhead Electric Wires Within Certain Limits.

Bill No. 273, Ordinance No. — (New Series), prohibiting the erection of poles and overhead electric wires within certain prescribed limits; providing for the placing of electric wires and conductors under ground within certain limits in the City and County of San Francisco and for the removal of all overhead wires and conductors within said limits and all poles and contrivances used for supporting the same.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It shall be unlawful for any electric light, electric power, telegraph, telephone or other electric company or street railway company or any person, firm or corporation, after the passage of this order, to erect or construct within the hereinafter described territory in the City and County of San Francisco, any pole or overhead wires, overhead cable or device upon or over any street or alley, by, through, over or by means of which electricity is or may be in any manner transmitted, conducted or conveyed for the purpose of electric light, heat, power, telegraph, telephone, railway or other electric service.

Section 2. It shall be unlawful from and after eighteen months from the date of this order for any electric light, electric power, telegraph, telephone or other electric company or street railway company or any person, firm or corporation to maintain, continue, use, operate or employ within the territory hereinafter described any pole or overhead wires, overhead cable or device over or upon any street or alley within said territory, by, through, over, or by means of which electricity is, has been, or may be in any manner transmitted, conducted or conveyed for the purpose of electric light, heat, power, telegraph, telephone, railway or other electric service; and all such poles, overhead wires, cables, devices or apparatus erected, maintained, operated or employed in violation of this order shall be deemed and become public nuisances.

Section 3. Each and every pole, overhead wire, overhead cable, device and apparatus hereafter erected or constructed in violation of this order shall be summarily taken down and removed by the Board of Public Works.

Section 4. Each and every pole, overhead wire, overhead cable, device and apparatus owned, controlled, operated, employed or used by any and all of said electric light, heat, power, telegraph, telephone, railway or electric companies or by any other person, firm or corporation, shall be taken down and removed before the expiration of eighteen months from the date of the passage of this order at the cost and expense of the person, firm or corporation so owning, controlling, operating, employing or using the same.

Section 5. The Board of Public

Works shall, upon the expiration of eighteen months from the date of the passage of this order, proceed to at once take down, remove and carry away any and all poles, overhead wires, cables, devices and apparatus aforesaid as may not have been previously removed by the owners or operators thereof as required by the provisions of this order; and said Board of Public Works is hereby expressly given full power and authority to use and employ for that purpose as much force as may be necessary to effectually carry out the provisions of this order.

Section 6. Every person, firm or corporation, who shall erect or construct within the territory hereinafter described, any pole or overhead wire, overhead cable or device over or upon any street or alley in said territory for any of the purposes above mentioned, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than two hundred dollars nor more than five hundred dollars for every day such poles and appliances are left standing after such erection and construction.

Section 7. Every person, firm or corporation, who shall within the territory hereinafter described, after the expiration of eighteen months from the date of the passage of this order, keep, maintain, continue, employ, operate or use in any manner whatever, for any of the above mentioned purposes, any such pole or overhead wires, cable, device or apparatus aforesaid, or who shall have neglected for the period of eighteen months from the passage of this order to take down and remove, according to the provisions of this order, any and all such poles, overhead wires, cables, devices and apparatus aforesaid, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than two hundred dollars nor more than five hundred dollars for every day such poles and appliances are left standing after the expiration of said eighteen months after the passage of this order.

Section 8. Posts used for the support of lamps, exclusively, and such terminal poles and other appliances as may be necessary for reaching places of business and residence at the terminals of underground wires are hereby exempt from the provisions of this order; provided, however, that posts used for the support of lamps exclusively and poles used for terminal pur-

poses and wires thereon shall not be connected with any other pole by overhead wires; and provided further that such posts and poles shall be erected and maintained under the supervision and to the satisfaction of the Board of Public Works.

Section 9. All electric lights, electric power, telegraph, telephone and other electric companies and street railway companies and all other persons, firms and corporations that now keep, continue, maintain, use, operate or employ any pole, overhead wires, cables, devices or apparatus conveying, transmitting or conducting electricity for any of the purposes herein mentioned, shall have and they are hereby granted the right to place underground, within the territory hereinafter described, in the streets and alleys thereof, conduits and other receptacles for the purpose of holding wires, and the necessary apparatus and appliances for the purpose of transmitting and conveying electricity and making the necessary connections for disposing of the same; provided, however, that all such underground conduits or receptacles, apparatus and appliances shall be placed, constructed and maintained under the supervision and to the satisfaction of the Board of Public Works.

Section 10. Following is a description of the territory within the City and County of San Francisco hereinafter referred to, affected by this order, and within which it shall be unlawful in accordance with the provisions of this order to erect, construct, keep, maintain, use, operate or employ upon the streets or alleys thereof any pole or overhead wires, overhead cable or device, by, through, over or by means of which electricity is, has been or may be in any manner transmitted or conducted for the purpose of electric light, heat, power, telegraph, telephone, railway or other electric service, to wit:

Commencing at the point of intersection of the northwesterly line of Market street with the northeasterly line of East street, running thence northwesterly along said line of East street to the northerly line of Broadway street; thence westerly along the northerly line of Broadway street to the westerly line of Devisadero street; thence southerly along said westerly line of Devisadero street to the southerly line of Duboce avenue; thence easterly along said line of Duboce avenue to its intersection with the westerly line of Church street;

thence southerly along the westerly line of Church street to the southerly line of Sixteenth street; thence easterly along the southerly line of Sixteenth street to the westerly line of Guerrero street; thence southerly along the westerly line of Guerrero street to its intersection with the northerly line of Army street; thence easterly along the northerly line of Army street to the easterly line of Folsom street; thence along Folsom street on the easterly and southeasterly lines thereof to the northeasterly line of East street; thence along the northeasterly line of East street to the point of commencement.

Section 11. All orders and ordinances and parts of orders and ordinances in conflict herewith are hereby repealed.

Section 12. This ordinance shall go into effect from and after its passage.

August 12, 1907.

NEW BUSINESS (Resumed).

Report of Joint Committee on Judiciary and Hospital and Health Recommending Abolishment of Municipal Commissary Department.

To the Honorable, the Board of Supervisors of the City and County of San Francisco—Gentlemen:

Your Joint Committee on Judiciary and Hospital and Health, to which was referred the matter of the creation and maintenance of the Municipal Commissary Department, report as follows:

The Chief Commissary, Mr. Thos. Gallagher, appeared before the Joint Committee and testified in relation to the mode of procedure and conduct of the said department. After a careful consideration of the question involved, your Committee finds no warrant under the Charter for the creation or maintenance of such a department.

Your Committee, therefore recommends to your Honorable Board that the said Municipal Commissary Department be abolished, as being unauthorized and in conflict with the Charter. We recommend, however, that the Chief Commissary's assistants remain in charge of the department with pay until the first day of September next.

The reason for fixing upon this date is to enable the said department to close its affairs and to turn over to the proper authorities, stock on hand, including provisions, horses, wagons, harness, etc.

Your Committee further recommends that the matter of the appropriation set aside in the Budget for

1907-08 for said Commissary Department be referred to the Finance Committee of your Honorable Board with the request that the sum specified therein be apportioned amongst the department,—the City and County Hospital, the Twenty-sixth Street and Smallpox Hospital, the City and County Almshouse, the County Jails and City Prison.

Your Committee has prepared a Resolution in accordance with these recommendations and respectfully request that the same be passed by your Honorable Board.

Committee on Judiciary—Sullivan, Murphy, Brandenstein.

Committee on Hospital and Health—Pavof, D'Ancona, Sachs.

Read and ordered filed.

Adopted.

Whereupon, Supervisor Sullivan introduced the following Resolution:

Abolishing Municipal Commissary Department.

Whereas, The department known as the Municipal Commissary Department was created and is maintained in violation of the provisions of the Charter; therefore be it

Resolved, That the said Municipal Commissary Department be and the same is hereby abolished, and that all resolutions, particularly Resolutions Nos. 114 and 137 (New Series), relating thereto are hereby repealed; and further

Resolved, That the officials of said Commissary Department be and are hereby directed to turn over to the proper authorities on or before September 1, 1907, all supplies, property and equipment used in the conduct of said department, and that the salaries of said officials other than the chief commissary be allowed and paid for services during the month of August, 1907; and further

Resolved, That the Finance Committee of this Board be requested to apportion among the City and County Hospital, the Twenty-sixth Street and Smallpox Hospitals, the City and County Almshouse, the County Jails and City Prison the amount set aside in the Budget for the maintenance of said Commissary Department for the fiscal year 1907-08.

Adopted, on motion of Supervisor Sullivan as Resolution No. 1194 (New Series).

Proposals.

Proposals for the burial of the indigent dead for the year ending June 30, 1907, were received, opened and read, being as follows:

No. 1, Edward Kelly, \$8.05 per body; contagious cases, \$20 per body.

No. 2, James Hagan, \$3.50 per body.

No. 3 Joseph Hagan, \$3.99 per body.

Ordered referred to the Finance Committee.

ADJOURNMENT.

There being no further business, the Board at the hour of 4:15 o'clock adjourned to meet on Wednesday, August 14, 1907, at 2 p. m.

SPECIAL ORDER.

Shortage of Water Supply.

In accordance with action taken at meeting of Monday, August 12th, 1907, the Board proceeded with the Special Order of business fixed for this day, namely, the consideration of the question of the shortage of water in San Francisco, particularly that of the Western Addition supplied by Lake Honda.

Petition of Water Rate Payers' League for the Appropriation of Sufficient Funds to Complete Pipe Line to Connect Lake Honda with Lake Pillarcitos.

The following petition was received and read:

San Francisco, Cal., August 12, 1907.

To the Honorable the Mayor and the Board of Supervisors of the City and County of San Francisco.

Gentlemen: As secretary of the Water Ratepayers' League of San Francisco, an organization composed

of residents and property holders affected by the present shortage in the supply of water in this city, I have the honor to inform you that at a meeting of said organization held on the evening of Sunday, August 11th, 1907, at the residence of Dr. J. N. Powell, No. 37 Shrader street, the following resolutions were unanimously adopted:

Whereas, The present shortage of water in the Western Addition, Panhandle, Richmond and Sunset districts, and other parts of the city, is a very serious condition which should at once have the attention of the Board of Supervisors, Board of Public Works and Board of Fire Commissioners; and

Whereas, The Spring Valley Water Company claims to be too poor and unable to borrow money to rehabilitate its worn-out and damaged plant, and claims to be unable even to expend the small sum of from \$25,000 to \$40,000 for a pipe line to supply the distributing reservoir known as Lake Honda with the storage waters of Lake Pillarcitos; therefore, be it

Resolved, That the Board of Supervisors be and it is hereby petitioned to forthwith appropriate out of the urgent necessity fund or any other available fund or funds of the city, the amount of money necessary to construct said pipe line, on the condition, however, that the same shall be and remain the property of the City and County of San Francisco, and to be for the use and under the control of this municipality at all times, as a necessary measure towards remedying at once the existing critical situation of a shortage of water in the distributing reservoir upon which the largest and most important parts of this city are vitally dependent; and also as a first step toward the acquisition of a municipally owned water supply; and be it further

Resolved, That copies of this resolution be immediately submitted to His Honor the Mayor and the Board of Supervisors.

I beg further to advise you that Messrs. Dr. C. D. Salfield, Hugh J. Melsaacs and Louis Goldstone, composing the executive committee of said League, were duly authorized to submit said resolutions to his Honor the Mayor and the Board of Supervisors at the meeting of said Board on Monday, August 12th, 1907, and to urge suitable action by said Board of Super-

visors in accordance with said resolutions.

Very respectfully,

LOUIS GOLDSTONE,

Secretary of the Water Ratepayers' League of San Francisco.

Address: No. 1126 Fillmore street, room No. 5.

Officers of the Water Ratepayers' League of San Francisco: President, Dr. J. N. Powell, 37 Shrader street, San Francisco; secretary, Louis Goldstone, 1126 Fillmore street, room 5, San Francisco. Executive Committee: Dr. C. D. Sulfield (chairman), Hugh J. McIsaacs, Louis Goldstone.

Communication from Hotel Majestic, Calling Attention to the Inadequacy of the Water Supply in the Western Addition.

The following communication was received and read:

San Francisco, August 12, 1907.

To the Honorable Board of Supervisors.

Gentlemen: Pardon me for taking up your time with the following lines, but as I know that you have the interests of our city at heart, I think that I am justified to make you acquainted with the following facts:

On Wednesday, August 7th, the water supply in my hotel (Majestic Annex, 1528 Sutter street) was discontinued without any notice given at all. I avoided the explosion of my boilers just in the nick of time by putting out the fires. I went personally to the office of the Spring Valley Water Co., and after making my complaint, I was referred to one of their engineers. He told me that as the city compelled the Spring Valley Water Co. to reduce their water rates, they cannot afford to make the necessary repairs on their works. He also said that the water supply to the Western Addition would be probably exhausted within two or three weeks and then we would have no water at all. Outside of the inconvenience to my guests, who are mostly Eastern people, the danger in case of fire is quite imminent. Every day since Wednesday, the 7th, I have hardly any water supply at all above the second floor. The insurance companies are threatening to cancel my insurance, and you can readily see the predicament I am in.

I trust you will use your good office to help me in this matter.

I beg to remain, yours very truly,

HOTEL MAJESTIC,

GUSTAV MANN, Manager.

Communication from His Honor, the Mayor, Transmitting Letter from Herman Schussler, Chief Engineer of the Spring Valley Water Company to the Chief Engineer of the San Francisco Fire Department, Relative to the Shortage of Lake Honda Water Supply.

The following communication from His Honor the Mayor was received and read:

Mayor's Office, City and County of San Francisco.

San Francisco, August 12, 1907.

To the Board of Supervisors of the City and County of San Francisco.

Gentlemen: I beg to submit to you a communication addressed by the Chief Engineer of the Spring Valley Water Company to the Chief Engineer of the San Francisco Fire Department, a copy of which communication has been sent to me by the former.

Sunday, August 11, 1907.

To P. H. Shaughnessy, Esq., Chief Engineer, S. F. F. Dept.

My Dear Sir: Yesterday morning at 7 o'clock Lake Honda Reservoir stood at 13' 9", containing 8,947,000 gallons. This morning at 7 o'clock it stood at 13', containing 7,872,000 gallons, showing a loss during the past 24 hours of 1,075,000 gallons. During the same time 6¼ million gallons was sent into the Lake Honda system via the Lake Merced pumps, making the total consumption via Lake Honda 7,325,000 gallons.

This loss, if continued, will exhaust the reservoir during the next week. Should a hot spell intervene, the reservoir will be empty sooner, unless the great waste going on from this system is effectually stopped.

The water company is doing all in its power to complete the new emergency pumping plant near Ocean View at the earliest time possible so as to give some relief from this quarter.

As the water company is practically powerless in the matter of stopping the enormous waste of water going on all over the city, the city authorities should use every effort and employ every and all means in their power to stop any and all waste of water, as the city is otherwise steadily but surely approaching a great crisis, the greatest since the earthquake calamity of last year.

The city should at once pass an ordinance and strictly enforce it stopping any and all waste of water all over the city, such as standing irrigators,

excessive garden sprinkling, all sidewalk and street washing and sprinkling; all use of fire hydrants for any purposes whatsoever except by and for the Fire Department, all waste through leaky or faulty plumbing in houses or through propping up or opening water closet stopcocks (which is mostly done during the night), etc., etc.

I believe that only immediate and joint action of the three great city departments, viz., the Fire Department, the Board of Public Works and the Police Department, coupled with the help from the other city departments and the very best efforts of the water company, will be able to reduce this present excessive waste, which is now crippling the water service and endangering the city.

Thanking you and the honorable Board of Fire Commissioners for the hearty co-operation in trying to accumulate water in Lake Honda Reservoir for fire protection purposes; and in the hope of meeting you at your earliest convenience to-morrow forenoon, I remain, most respectfully yours,

(Signed) H. SCHUSSLER,
Chief Engineer, S. V. W. Co.

I submit these communications to you for such action as you may deem proper.

Yours very truly,
EDWARD R. TAYLOR,
Mayor.

Report of City Engineer on the Shortage of Water Supply.

The following Report was received and read:

Office of Board of Public Works,
San Francisco, Aug. 12, 1907.

To the Honorable the Board of Supervisors of the City and County of San Francisco.

Gentlemen: In accordance with the instructions of the Public Utilities and Fire Committees of your Honorable Board, requesting the Chief of the Fire Department and the City Engineer to examine and report upon the present condition of the water supply of the Spring Valley Water Company, I have the honor to submit the following report. It is to be regretted that the matter was not sooner called to my attention, so that I could have diverted to its consideration the time its urgency and importance demands.

It would be well to review the daily average consumption of water by the City and County of San Francisco and the great increase of the rate during

the past few years, as shown by the following table:

AVERAGE DAILY CONSUMPTION.

1899.....	25,011,000	gallons
1900.....	25,466,000	"
1901.....	26,675,000	"
1902.....	27,676,000	"
1903.....	31,595,000	"
1904.....	33,822,000	"
1905.....	34,897,000	"

During the first three months of 1906, immediately preceding the fire, the average daily consumption was as follows:

January, 1906....	34,258,000	gallons
February, 1906....	34,336,000	gallons
March, 1906....	35,265,000	gallons

For the three months of June, July and August after the fire the daily rate was as follows:

June, 1906.....	26,625,000	gallons
July, 1906.....	27,660,000	gallons
August, 1906....	29,103,000	gallons

For the three corresponding months of 1907 the rate was:

June, 1907.....	30,971,000	gallons
July, 1907.....	32,212,000	gallons
August, 1907....	33,060,000	gallons

The increase over 1906 and the monthly increases are readily noted. The present rate is only 2,205,000 less than that of the month immediately preceding the fire. With the decreased population of the City it is more than might have been anticipated.

By the destruction by the earthquake of the Pilarcitos pipe line, which formerly fed by gravity into Lake Honda Reservoir, that supply was directly cut off from the city. The water of the Pilarcitos Reservoir, however, has been turned into the San Andreas Reservoir, and as much of it reaches the city as can be carried by the existing San Andreas pipe line.

The recent increased consumption has been more than the utmost pumping facilities of the company can supply. This deficiency is most evident in the so-called High District, including the more elevated portions of the Fifty Vara and Western Addition Districts and most of Richmond. The Lower District is still fairly well supplied, but at the expense of the Upper District.

Lake Honda Reservoir is now supplied by pumps at Lake Merced at the rate of 6,500,000 to 7,000,000 gallons a day, one-half of which is pumped from Lake Merced direct and the other half from the pipe line leading from the San Andreas Reservoir. Its capacity

is 33,000,000 gallons. It was full on June 14th. Since that time the daily consumption has increased and more has been drawn from it than has been pumped into it. On August 1st there were 15,619,000 gallons remaining. On August 12th there were only 8,708,000 gallons. If the rate for August continues, the reservoir will be entirely dry in fifteen (15) days.

The situation is a most serious one. All the pumps which supply water to the Upper District are running at their full capacity. The consumption must be reduced in some manner and the supply increased.

The public should be warned against any possible waste of water. All leaks should be mended. Street sprinkling and sewer flushing should be stopped. If a conflagration should occur the results would be most disastrous.

The water company is now constructing a new pumping plant near Ocean View, which will be completed in a week or ten days. This will add a supply of 2,500,000 to 3,000,000 gallons a day, which will relieve the situation to that extent.

Measures should be taken immediately to make available all the water from the San Andreas Reservoir, which is now reinforced by the water from the Pilarcitos Reservoir. A 44-inch pipe is laid from the San Andreas Reservoir to Baden, which has ample capacity. From Baden the present pipe line is reduced to a 30-inch pipe, which is not of sufficient capacity to carry the required amount of water. In order to relieve the difficulty it will be necessary to construct an additional pipe line from Baden to the new Ocean View pumping plant. The company had this work under way and had all but 6600 feet of this pipe laid when operations were suspended. If this connection be made it will be possible to supply from the fully installed Ocean View pumps 6,000,000 gallons per day; from the Lake Merced pumps 7,000,000 gallons and from the other pumps now supplying the Lake Honda district 7,000,900 gallons—a total of 20,000,000 gallons—which will be ample for the district. This is the only method by which an ample supply can be obtained under the existing conditions.

Owing to the limited time, it has been impossible to make a joint report with the Chief Engineer of the Fire

Department, with whom, however, I have consulted.

Very respectfully,

THOS. P. WOODWARD,

City Engineer.

Report of the Chief Engineer of the Fire Department on Shortage of San Francisco Water Supply.

The following report was received and read:

San Francisco, August 12, 1907.

To the Committee on Public Utilities of the Board of Supervisors.

Gentlemen: I beg to report that, in accordance with your request, I have investigated the causes of the shortage in the Lake Honda water supply in company with City Engineer Woodward and his assistant, Mr. Price, and I find that on the showing of the Spring Valley Water Co. itself the amount of water pumped daily has been decreased by a million gallons during the last month, which has reduced the water level in Lake Honda about 17 feet. The water company claims that this decrease was due to the increased demand for water in the lower districts of the city, leaving less available to be pumped to the upper levels. I visited Lake Merced Ranch, where I found that a new pumping plant was about to be completed, which will pump 3,000,000 gallons daily to Lake Honda, drawing its supply from the San Andreas pipe line. At present two pumps are working at the old pumping station on the shore of Lake Merced, one of which draws its supply from the San Andreas pipe line and the other from the lake, each one pumping about 3,500,000 gallons per day.

When the new pump is in service, which will be, barring unforeseen delays, within two weeks, this will relieve one of the Lake Merced pumps from its present work of pumping San Andreas water, and will permit both those pumps to draw from Lake Merced, which will increase the Lake Honda supply to the extent of 3,000,000 gallons per day. This, however, can only be a temporary expedient, as it will take water out of the Lake Merced twice as fast as it is replenished, and if kept up indefinitely would empty the lake. To permanently increase the supply the 30-inch pipe line which was in course of construction from Baden to the new pumping station before referred to and on which work has been suspended

and must be completed, which would have a possible carrying capacity of 10,000,000 gallons, although the pumps at present installed would only be able to pump 3,000,000 gallons.

I am informed that the pipe for this line is on hand, being a portion of the old Pilarcitos line that has been taken up and repaired. The claim is made that about \$30,000 is needed to lay 6000 feet of this pipe through a sandy soil, which would be at the rate of \$5.00 per foot. In my judgment, even when this is done, it will meet the demands of the City for little more than a year. To provide beyond that time, a new 44-inch main should be laid from Millbrae, where the Crystal Springs and Alameda Creek pipe lines come together to University Mound Reservoir, and a 36-inch from there to a connection with the 24-inch main at Army and Alabama streets. The 24-inch main on Howard street, which now terminates at Fourth street, should be continued to Fremont street, and thence to a connection with the 16-inch main on Market street, in order to relieve the draft on the 20-inch main on Sansome street. Finally, a pumping plant should be established at Howard and Tenth streets, by means of which the University Mound water could be pumped through a 16-inch main into the Lake Honda system at Ellis and Polk streets. These various improvements might reasonably be expected to meet the demands for water, until the City could develop its own supply, independent of any private interest.

Respectfully submitted,

P. J. SHAUGHNESSY,
Chief Engineer, S. F. F. D.

Address of Herman Schussler, Chief Engineer of the Spring Valley Water Co.

Herman Schussler, Chief Engineer of the Spring Valley Water Company, was granted the privilege of the floor and addressed the Board at length, giving a history of the inception of the company, the construction of water works for San Francisco, and also explained the destruction by the earthquake of April 18th, 1906, of a portion of the large mains leading from the San Mateo reservoirs into the San Francisco distributing system, the partial reconstruction of said mains and the subsequent delay in reconstruction resultant through lack of finances of the Spring Valley Water Company. He stated that the water in Lake Honda, which was formerly supplied from the Pilarcitos

main, was being lowered daily through misuse and waste and exhibited charts explanatory of his statement. He claimed that the company and the Fire Department had done all they could to stop the waste, and asked that the Board exercise its full power to prevent the misuse and waste of water by consumers.

Address of M. B. Kellogg, Attorney for the Spring Valley Water Co.

M. B. Kellogg, attorney for the Spring Valley Water Company, stated that the company was now operating at a loss and as it has no guaranteed income for the future it could not extend its plant and thus relieve the existing condition at Lake Honda. The sum of \$30,000 was needed to complete the line between Baden and Ocean View. If the 1902 water rates are maintained, the company may be able to pull through. Its receipts are about \$150,000 monthly, operating expenses \$50,000 and taxes about \$31,000. Its stock sold for about \$40 per share in January, 1907.

Adopted.

Whereupon, Supervisor Magee introduced the following Resolution:

Prohibiting Waste and Misuse of Water in the City and County.

Whereas, The water supply of San Francisco, particularly that in the Western Addition, is temporarily limited and decreased through the destruction of mains leading to Lake Honda, and until the reconstruction of said mains it is of great importance that extreme care and economy be exercised in the use of water for other than domestic consumption and for building and fire purposes; now, therefore, be it

Resolved, That the use of water be and it is hereby restricted and limited to domestic consumption and to building and fire purposes only, and that the use thereof for unnecessary flushing of sewers, washing vehicles and washing sidewalks and streets and the excessive use thereof in gardens and lawns by private individuals, be and the same is hereby prohibited; and, further, that no person but those permitted by the Fire Department shall use or draw water from the fire hydrants.

Further resolved, That any violation of this Resolution shall constitute a misdemeanor and shall be punished by a fine of fifty (\$50) dollars or by imprisonment in the County Jail for five

(5) days, or by both such fine and imprisonment.

Further resolved, That the Chief of Police be and he is hereby directed to enforce the provisions of this Resolution forthwith.

Adopted, on motion of Supervisor Magee, as Resolution No. 1195 (New Series).

Passed for Printing.

Supervisor Magee introduced the following entitled Bill:

Prohibiting the Waste and Misuse of Water in the City and County.

"Restricting and limiting the use of fresh water supplied by the Spring valley Water Company to the City and County of San Francisco and to the inhabitants thereof to domestic consumption and to building and fire purposes only; prohibiting the use thereof for unnecessary flushing of sewers, washing of vehicles, washing of sidewalks and streets, and the excessive use thereof in gardens and lawns; and prohibiting the use of fire hydrants by persons other than those authorized by the Fire Department of the City and County."

Passed for printing, on motion of Supervisor Magee.

NEW BUSINESS.

Adopted.

The following Resolutions were *adopted* by the following votes:

Providing \$500 for Sanitary Purposes for August, 1907.

On motion of Supervisor Brandenstein:

Resolution No. 1196 (New Series), as follows:

Resolved, That there be set aside and appropriated to the Board of Health out of the Urgent Necessity Fund the sum of five hundred dollars for the purpose of defraying the expenses of sanitation during the month of August, 1907.

Ayes—Supervisors Booth, Brenner, Brandenstein, Center, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan—16.

Coroner Allowed Services of Extra Messenger and Morgue Tender.

Also, Resolution No. 1197 (New Series), as follows:

Resolved, That the Coroner be and is hereby authorized to retain in his department the extra messenger and morgue tender heretofore employed in

the Morgue, for which no money was set aside in the Budget of 1907 and 1908, and for that purpose the payment of such employees, amounting to the sum of \$150.00 per month, hereafter be allowed out of the appropriation for urgent necessities.

Ayes—Supervisors Booth, Brenner, Brandenstein, Center, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan—16.

Professional Boxing Permit, Occidental Athletic Club.

On motion of Supervisor Stafford: Resolution No. 1198 (New Series), as follows:

Resolved, That the Occidental Athletic Club be and is hereby granted permission to hold a professional boxing exhibition during the month of September, 1907, provided that said exhibition shall conform with and be held subject to the provisions of Ordinance No. 624 of the Board of Supervisors approved January 9th, 1903.

Ayes—Supervisors Booth, Brandenstein, Brenner, D'Ancona, Magee, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford—11.

Noes—Supervisors Center, Faymonville, Molera, Murdock, Sullivan—5.

City Attorney Dismiss Appeal, Case of "Langdon vs. City and County of S. F. et al."

On motion of Supervisor Murphy: Resolution No. 1199 (New Series), as follows:

Resolved, That the City Attorney be and is hereby instructed to dismiss appeal in action entitled "Langdon vs. City and County of San Francisco et al.," said action involving the title to the office of District Attorney of the City and County of San Francisco.

Further resolved, That the Clerk of this Board be and is hereby directed to immediately transmit this Resolution to the City Attorney.

Action Deferred.

Supervisor Brenner introduced the following Resolution:

Repealing Resolution No. 812 (New Series) Forfeiting Plant of Spring Valley Water Company.

Resolved, That Resolution No. 812 (New Series), forfeiting the franchises and water works of the Spring Valley Water Company, in effect March 12th, 1907, be and the same is hereby repealed.

On motion, *action deferred one week.*

Adopted.

Under suspension of the rules, Supervisor D'Ancona introduced the following Resolution:

Spring Valley Water Company Directed to Complete Pipe Line from Baden to Ocean View.

Resolved, That the Spring Valley Water Company be and is hereby directed to complete the pipe line already begun from Baden to Ocean View at the earliest possible date.

Motion.

Supervisor D'Ancona moved the adoption of the Resolution.

Amendment.

Supervisor Magee moved to amend the Resolution by striking out therefrom the word "directed" and by inserting in lieu thereof the word "requested."

Amendment, *carried*. Supervisor D'Ancona voting No.

Resolution Adopted.

whereupon, the question being taken, the Resolution as amended was *adopted* as Resolution No. 1200 (New Series). Relating to Shortage of Water Supply in San Francisco, and to Financial Condition of the Spring Valley Water Company.

Colonel W. H. Heuer, Chairman of the Federated Water Committee, was granted the privilege of the floor and addressed the Board, stating that the conditions regarding the shortage of the water supply of San Francisco were true and that the pipe line should be constructed from Baden to Ocean View without delay to relieve the condition at Lake Honda.

Hon. James D. Phelan addressed the Board, explaining the terms of a deed of trust of the Spring Valley Water Company with the Union Trust Company as trustee, wherein I. W. Hellman, as purchaser, was obligated to buy certain bonds of the Spring Valley Water Company on call, and stated that the Spring Valley Water Company was in a position to finance itself and should not come to the City and County with a request for \$30,000 to construct its pipe line or for any sum. He thereupon submitted and read the following memorandum taken from the books of the Spring Valley Water Company:

Memorandum, Spring Valley Water Co., August 13, 1907.

Bonds, \$28,000,000.00, authorized; face value \$1,000.00 each; due 1923. 4 per cent per annum coupons. Union Trust Company, trustee; 14,500 or \$14,

500.00 face value of bonds were delivered to I. W. Hellman, purchaser, August 31, 1906, at \$30 each and accrued interest to redeem outstanding bonds.

There are 17,859 bonds sold, or 3359 in excess of 14,500 necessary for redemption of old issues.

Deed of Trust, Article 2, provides that bonds shall be issued for new construction, betterments and new acquisitions in improvement of the company's property, and in the acquisition of property in its business. Company must file plans with trustee. A certificate of its secretary and its Chief Engineer that the cost of the new work or acquisitions shall amount to 85 per cent of par value of bonds. Trustee can investigate and if it disputes statement can arbitrate in usual way, and the arbitration shall be final and controlling.

Up to November, 1908, I. W. Hellman has exclusive privilege to buy, at any agreed price, but if he declines after notice of 30 days company can sell to any one at a greater price than he offers.

Hellman has option to buy 1500 bonds at \$50 each and covenants to buy 500 at \$30 each by December 11, 1907, on 30 days' notice. This date by agreement made January 10, 1907, was extended from March 1, 1907, to December 1, 1907.

APPOINTMENT OF SPECIAL COMMITTEE.

Motion.

Supervisor Sullivan moved that his Honor the Mayor appoint a Special Committee of Three to confer with the officials of the Spring Valley Water Company for the purpose of devising ways and means to relieve the condition caused by the shortage of water in the City and County.

Amendment.

Supervisor Brandenstein moved to amend—that the Committee be increased to a number to be indicated by the chair and that James D. Phelan and a representative of the City Attorney's office be added to the Committee.

Amendment *carried*.

Personnel of the Special Committee.

Subsequently during the meeting, his Honor the Mayor announced the appointment of the following persons to constitute the Special Committee to confer with the Spring Valley Water Company officials, to-wit:

His Honor the Mayor, Edward R. Taylor, Supervisors D'Ancona, Sulli-

van and Magee, Hon. James D. Phelan, ex-Mayor, and Engineer J. H. Dockweiler.

Privilege of the Floor.

Supervisor D'Ancona moved that Dr. C. D. Salfield be granted the privilege of the floor.

So ordered.

Whereupon Dr. C. D. Salfield addressed the Board on the matter of the diminishing water supply of Lake Honda and the means of relieving this condition.

Relating to the Publicity of the Shortage of Water.

Motion.

Supervisor Brenner moved that the Clerk be authorized to advertise prominently in the daily newspapers the fact of the prevailing shortage of

water and to request consumers not to waste or misuse the same.

Motion *carried*.

Reconsideration.

Objection being subsequently made to such publicity, Supervisor Brenner moved the reconsideration of the vote whereby the motion was carried.

Motion *carried*.

Whereupon, Supervisor Brenner's motion to instruct the Clerk to advertise regarding the shortage of water was *denied*.

ADJOURNMENT.

There being no further business, the Board at the hour of 5 o'clock adjourned.

JOHN H. RYAN,
Clerk.

REPORTS OF COMMITTEES.

The following Committees, by their respective Chairmen, presented reports on various matters referred, which reports were received, read and ordered placed on file:

Finance Committee, by Supervisor Brandenstein.

Fire Committee, by Supervisor Faymonville.

Printing and Salaries Committee, by Supervisor Booth.

Special Report of Finance Committee on Accounts of Auditor and Treasurer and on Moneys in Treasury.

The following Report presented by Supervisor Brandenstein was received, read and adopted:

San Francisco, August 16th, 1907.

To the Honorable the Board of Supervisors, City and County of San Francisco.

Gentlemen: In compliance with Resolution Number 1185 (New Series), of the Board of Supervisors, passed August 5th, 1907, which reads:

"Resolved, That the Finance Committee be and it is hereby directed to investigate all transactions and accounts of the Auditor and Treasurer, count the moneys in the treasury, the amount to the credit of each fund and to report to the Board at its regular meeting August 19th, 1907."

We beg to submit the following:

The books of the Auditor and the Treasurer showed a balance of cash on hand at beginning of business, August 14th, 1907, of \$4,309,200.61. The actual cash on hand, including \$3,000,000.00 stored in the Mint of the United States

at San Francisco, was \$4,309,200.71, an excess of 10 cents.

Your Committee, consisting of Mr. H. U. Brandenstein, Chairman, and Messrs. Gustav Brenner and Lippman Sachs, together with the Treasurer and the Auditor and their deputies, made a count and an examination of the moneys deposited in the vault of the Treasurer of the City and County of San Francisco on August 14th, 1907, and on August 16th, 1907.

All loose coin and currency and coin in unsealed bags was actually counted by the Committee. Thirty-eight bags with Treasurer's seal only, each containing \$20,000 in gold, were weighed, opened, examined by the Committee and resealed by the Treasurer and the Auditor. Eight of these bags selected at random were actually trayed and counted by the Committee. Twenty-five bags, with Treasurer's and Auditor's seals, each said to contain \$20,000 in gold, were weighed by the Committee. Five of these bags selected at random were opened by the Committee and resealed by the Treasurer and the Auditor. One of these bags was actually trayed and counted by the Committee. The composition of the cash was as follows:

63 bags gold 20s, \$20,000.00 each (sealed)	\$1,260,000.00
2 bags gold 20s, \$5,000.00 each (unsealed)	10,000.00
Loose coin in trays in vault	11,800.00
Coin and currency for teller (current day)	22,550.81

Reported in Mint of the United States—150 bags gold 20s, \$20,000.00 each (sealed)	3,000,000.00
Total	\$4,309,200.71

The moneys in the vault of the Treasurer at the Western National Bank and in the vault at the Mint of the United States are now under seal of the joint custodians, the Treasurer and the Auditor.

The moneys in the Mint of the United States are said to be in jointly sealed bags, having been counted and sealed January 8th, 1906, when Mr. Chas. A. Bantel succeeded Mr. J. E. McDougald as Treasurer of the City and County of San Francisco.

Owing to lack of facilities at the Mint and the inconvenience that would be

caused the Federal authorities at this time, the examination, weighing and counting of the moneys stored there has been postponed temporarily. The Treasurer holds a receipt from the Superintendent of the Mint, Mr. F. A. Leach, for 75 boxes said to contain \$3,000,000.00 in gold.

Every facility was granted the Committee by Mr. Bantel and his deputies.

An investigation of all transactions and accounts of the Auditor and the Treasurer, in view of the volume thereof, was not practical in the time at the disposal of the Committee. This, and the report of the unsold bonds in the hands of the Treasurer, will be made the subject of another report.

The amount to the credit of each fund appears on the books of the Treasurer as follows:

**REPORT OF SPECIAL COMMITTEE
ON THE MATTER OF SHORTAGE
OF WATER SUPPLY IN SAN FRAN-
CISCO.**

His Honor the Mayor, reported verbally on behalf of the Special Committee appointed by the Board of Supervisors at its last meeting to investigate the matter of shortage of water supply in San Francisco, that two discussions had been had by the Committee with the Directors of the Spring Valley Water Company, that the Directors of the Spring Valley

Water Company had agreed to complete the construction of the pipe line from Baden to Ocean View at the expense of the Water Company, that when said pipe line is constructed the supply would be increased 10,-000,000 gallons daily and would relieve the situation at present imperiling the Western Addition. It was also agreed by the Special Committee and the Board of Directors of the Spring Valley Water Company that the City Attorney would be asked to report upon the status of the water rates litigation covering the past several years; that the opinion of the City Attorney would be obtained as to the validity of the Water Rates Ordinance of 1907-8; and further, that Resolution No. 811 (New Series) forfeiting the franchises and properties of the Spring Valley Water Company to public use would be recommended for repeal.

**PRESENTATION OF BILLS AND AC-
COUNTS.**

Absent—Supervisors Magee, McGushin, Tveitmoe—3.

Action Deferred.

The following Resolution laid over from a former meeting, was taken up, and, on motion, action thereon was postponed one week.

Intention to Call Special Election for Bonds.

Resolved, That it is hereby declared to be the intention of this Board to call a special election on or about October 31st, to obtain a vote of the people upon the following matters:

The issuance of bonds for an auxiliary water system for fire protection;

For the cancelation of the outstanding issue of bonds for a City and County Hospital and the issuance of a new

series bearing four per cent interest for the construction of a new hospital on the present site;

For the acquisition of land for park purposes on Telegraph Hill and in the Fairmount Tract and such other projects as may be hereafter determined upon.

Action Deferred.

Supervisor D'Ancona introduced the following Resolution, which was, on his motion, postponed one week:

Board Petition His Excellency, the Governor, to Call Special Session of Legislature for Ratification of Charter Amendments.

Whereas, For the reconstruction of the public property of San Francisco there is needed a larger sum of money than can be obtained by direct taxation within the limits of the Charter; and

Whereas, There is urgently needed the installation of an auxiliary water system for fire protection, the cost of which can be borne only through an issue of bonds; and

Whereas, In the present state of the financial market, bonds cannot be sold even at the maximum rate permitted by the Charter, namely 4 per cent; and

Whereas, For the above named purposes it is necessary that the Charter of the City and County of San Francisco be amended in such a way as to permit of the issuance of bonds of a higher rate than permitted by the present charter; and

Whereas, No amendments can be adopted until 1909, unless the State Legislature be called in special session for the approval of Charter Amendments; therefore be it

Resolved, That the Board of Supervisors of the City and County of San Francisco, with the approval of his Honor, the Mayor, petition his Excellency, the Governor, to call the Legislature in special session about the first day of December, 1907, in order that amendments to be submitted to the people about the thirteenth of November may be presented to the Legislature for approval and ratification.

Motion.

Supervisor Faymonville moved that copies of the last two Resolutions be mailed to each member of the Board.

So ordered.

VETO SUSTAINED.

Ordering the Repaving of Harrison Street Between Fourth and Sixth Streets.

Ordinance No. 242 (New Series), entitled, "Ordering the repaving with basalt blocks of the roadway of Harrison street from Fourth street to Sixth street, in accordance with specifications prepared therefor by the Board of Public Works, and authorizing an expenditure of \$15,000 out of the proceeds of

the sale of Street Bonds for the doing of said work", heretofore returned by his Honor the Mayor without his approval and with his objections thereto, and subsequently referred by the Board to the Finance Committee and by said Committee to the Streets, Sewers and Parks Committee, and returned by said last named Committee with the recommendation that the Mayor's veto be sustained, was taken up and, on the vote by which said Ordinance was finally passed, was reconsidered.

Question.

The question being "Shall the Ordinance finally pass, notwithstanding the objections of his Honor the Mayor?"

The Roll was called with the following result:

Ayes—None.

Noes—Supervisors Booth, Brandenstein, Brenner, Center, D'Ancona, Faymonville, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan—15.

Declaration of Chair.

The Chair declared the Ordinance refused passage and the Mayor's veto sustained.

Adopted.

Under suspension of the rules, the following Resolutions were adopted:

City Attorney Advise as to the Status of Water Rates Litigation, and as to Validity of Water Rates Ordinance, 1907-8.

On motion of Supervisor Sullivan: Resolution No. 1210 (New Series), as follows:

Resolved, That the City Attorney be and he is hereby requested to report to this Board at his earliest convenience the status of the litigation of the Spring Valley Water Company against the City and County of San Francisco, involving the water rates for the years 1903, 1904, 1905, 1906 and 1907.

Further Resolved, That the City Attorney be and he is hereby requested to advise this Board whether or not in his opinion the Ordinance establishing water rates for the fiscal year commencing July 1st, 1907, is a valid Ordinance under the law.

City Attorney Defend City and County in Action Instituted by Otis Elevator Company.

Also, Resolution No. 1212 (New Series), as follows:

Whereas, The Otis Elevator Company, a corporation, has commenced suit against the City and County of San Francisco to enforce payment of the sum of sixty-four hundred dollars, alleged to be due from said City and County upon contract for installing an elevator in the City Hall.

Resolved, That the City and County

Attorney be and he is hereby instructed to defend said suit.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Relating to Committee Reference of Matters Pertaining to Removal of Poles and Overhead Wires and Sutter Street Railway Company Tracks.

Motion.

Supervisor D'Ancona moved that the Streets and Judiciary Committees of the Board be added to the Public Utilities Committee for the consideration of Bill No. 273, providing for the removal of poles and overhead wires within certain districts and for the consideration of Resolution directing the Sutter Street Railway Company to desist in the matter of the reconstruction of tracks on Market street.

So ordered.

Adopted.

Resolution No. 1213 (New Series), as follows:

Resolved, That the Clerk of the Board be and he is hereby directed to supervise the conduct of the Municipal Commissary Department during the remainder of this month, and to send to the City and County Hospital, the Almshouse, and the jails such property as may be on hand in said department at the end of the month; and

Resolved, That all of the employees of the Municipal Commissary Department be and they are hereby directed to follow such orders as they may receive from the Clerk of this Board in reference to the conduct of said department.

Adopted, on motion of Supervisor D'Ancona, as Resolution No. 1213 (New Series).

Referred.

Supervisor D'Ancona introduced the following Resolution, the subject matter of which was ordered referred to the Finance Committee and to the Printing and Salaries Committee:

Finance and Printing and Salaries Committees to Examine into Salary Roll and Assignments of the Clerk's Office.

Resolution No. — (New Series), as follows:

Resolved, That the Joint Committee on Finance and Printing and Salaries

be requested to examine the salary roll of the office of the Clerk of this Board and recommend such changes, if any, in salaries and assignments of duties as may be deemed best.

Adopted.

Supervisor Murphy introduced the following Resolution, and moved the suspension of the rules for its immediate consideration.

So ordered.

City Attorney Defend Action, Savings Banks Against Appropriation for Municipal Street Railroad.

Resolution No. 1214 (New Series):

Whereas, The Hibernia Savings and Loan Society and many other savings banks of this City have instituted a suit against the City and County of San Francisco and the Supervisors thereof, in which suit the validity of the item of \$720,000 in the Budget for the year 1907 and 1908, for the construction of a municipal street railroad, is attacked and an injunction prayed restraining the defendants from entering into any contract or incurring any indebtedness in regard to the construction of the said municipal railroad; now, therefore, be it

Resolved, That the City and County Attorney be and he is hereby instructed to defend said suit.

Adopted, on motion of Supervisor Murphy, as Resolution No. 1214 (New Series).

Referred.

Supervisor Murphy introduced the following Resolutions, which were, on his motion, *ordered referred to the Charter Amendments Committee*, to wit:

Proposal to Amend Charter by Providing for Regulation of Telephone Charges.

Resolution No. — (New Series), as follows:

Proposing to amend subdivision 14, section 1, chapter 2, of Article II of the Charter of the City and County so as to provide for regulation of telephone charges.

Resolved, That a proposal be submitted to the electors of the City and County at the general election to be held therein on Tuesday, the 5th day of November, 1907, to amend subdivision 14 of Section 1, Chapter 2, of Article II of the Charter thereof so as to read as follows:

14. To fix and determine by ordinance in the month of February of each year, to take effect on the first day of July thereafter, the rates of compensation to be collected by any person, company or corporation in the City and County for the use of water, heat, light, power or telephonic service supplied to the City and county, or to the inhabitants thereof, and to prescribe the quality of the service.

Proposal to Amend Charter by Providing for Sale of Lands by the City and County.

Also, Resolution No. — (New Series), as follows:

Proposing to amend the Charter of the City and County by adding to chapter 2, article II thereof, seven new sections, to be numbered sections 9, 10, 11, 12, 13, 14, 15 and 16, providing for the sale of land by the City and County.

Resolved, That a proposal be submitted to the electors of the City and County at the general election to be held therein on Tuesday, November 5th, 1907, to amend the Charter of said City and County by adding to chapter 2, Article II, thereof, seven new sections to be numbered sections 9, 10, 11, 12, 13, 14, 15 and 16, and to read as follows:

Section 9. The Board of Supervisors may by ordinance determine that the public interest or necessity demands the sale of lands owned or held by the City and County.

Such ordinance must describe the lands to be sold and the terms of sale, which may be for cash or on credit not exceeding one year, payable in gross or in installments, and in such kind of money, with interest, as the Supervisors in and by such ordinance may direct. The land may be sold in one parcel or in subdivisions, as the supervisors may in such ordinance determine, and shall be made by the Mayor as hereinafter provided.

Section 10. Every such sale must be at public auction, unless the Supervisors shall in and by such ordinance determine that all or a portion of such lands shall be sold at private sale.

Section 11. When a sale at public auction is to be had, the Clerk of the Board of Supervisors must give notice thereof by publishing the same in the official newspaper, and in case the land to be sold is situate in another county, also, in the newspaper published in said county, at least three weeks successively next before the sale, which said notice shall describe the lands to be sold.

Such sales at public auction must be made in the county where the land is situated, and must be between the hour of 9 o'clock in the morning and 5 o'clock in the afternoon, and must be made on the day named in the notice of same, unless the same is postponed.

Sec. 12. When it shall have been determined by the Supervisors as hereinbefore provided that the sale of such lands shall be at private sale, notice of the same must be posted by the Clerk of the Board in three public places in the City and County, when the land to be sold is situated therein, and when the land to be sold is situated in an-

other County, then in three public places in such County, and published in the official newspaper in such County to be designated by the Supervisors. Such notice shall be so published for two weeks successively next before the day on or before the day on or after which the sale is to be made, and the lands and tenements to be sold must be described therein with common certainty. The notice must state a day on or after which the sale will be made, and must state that all bids or offers will be received by the Mayor of the City and County at his office. The day last referred to must be at least fifteen days from the first publication of notice; and the sale must not be made before that day, but must be made within six months thereafter. The bids or offers must be in writing, and must be filed with the Mayor at his office.

No sale of real estate at private sale shall be confirmed by the Supervisors as hereinafter provided unless the sum offered shall be at least ninety per cent of the appraised value thereof, to be fixed and determined as next hereinafter provided.

An appraisalment of such lands shall be made and filed with the Supervisors within three weeks after the final passage of the ordinance mentioned in section 9 of this chapter, by the Assessor, Auditor and Chairman of the Finance Committee of the Board of Supervisors, who are hereby constituted a board of appraisalment for such purpose.

Section 13. When a sale shall have been made by the Mayor as in sections 11 and 12 hereof provided, he shall require from the person to whom the property is sold a deposit amounting to ten per cent of the sum bid. He shall immediately thereafter, at the next meeting of the Supervisors, report the fact of such sale to the Supervisors, with a statement of the sum bid and the name of the bidder, with a request that the Board confirm such sale.

Section 14. The Clerk of the Supervisors shall immediately thereupon give notice by publication in the official newspaper that at a meeting of the Supervisors, to be held not less than twenty nor more than thirty days from the first publication of such notice, that such sale has been made, the amount for which the property has been sold, and the name of the purchaser. Such notice shall also contain a statement that at such meeting, if an offer of ten per cent more in amount than that named in said notice shall be made to the Supervisors, in writing, by a responsible person, the Supervisors will confirm such sale to such person, or order a new sale.

Section 15. At the meeting next hereinafter mentioned, if it appears

to the Supervisors that the sum bid is not disproportionate to the value of the property sold, and that a greater sum cannot be obtained, or if an increased bid as mentioned in section — hereof be made and accepted, the Supervisors shall by ordinance confirm such sale and direct conveyances to be made by the Mayor. A certified copy of such ordinance shall be recorded in the County Recorder's office in the County in which the property is situated.

Section 16. Conveyances must thereupon be made by the Mayor to the person to whom the sale shall have been confirmed, and shall be delivered to him upon payment of the balance of the purchase price, or giving security by mortgage or deed of trust to the City and County, if the sale shall have been on credit as hereinbefore provided. Such conveyances shall be in the name of the city and County, and shall be effective to convey all the right, title and interest thereof to the grantee therein named.

Proposal to Amend Charter by Providing for Submission of Franchises to the People for Ratification.

Resolution No. — (New Series), as follows:

Proposing to amend the Charter of the City and County, Section 21, Chapter 1, of Article 11 thereof.

Resolved, That a proposal be submitted to the electors of the City and County at the general election to be held therein on Tuesday, November 5th, 1907, to amend Section 21, Chapter 1, Article 11, of the Charter so as to read as follows:

Sec. 21. Except as otherwise provided in the Constitution of the State, or as otherwise provided in this Charter, every ordinance involving the granting by the City and County of any franchise for the supply of water or light, or for the lease or sale of any public utility, must be submitted to a vote of the electors of the City and County at the election next ensuing after the adoption of such ordinance.

The tickets used at such election shall contain the words "For the Ordinance" (stating the nature of the proposed ordinance) and "Against the Ordinance" (stating the nature of the proposed ordinance).

If a majority of the votes cast upon such ordinance shall be in favor of the adoption thereof, the Board of Election Commissioners shall, within thirty days from the time of such election, proclaim such fact; and upon such proclamation such ordinance shall have the same force and effect as an ordinance passed by the Supervisors and approved by the Mayor.

No such franchise, or lease or sale of any public utility shall be of any force or effect except it be made by

ordinance, and such ordinance be adopted by the people as in this section provided.

Proposal to Amend Charter by Providing for the Acquisition by the City and County of Land for Water Purposes.

Also, Resolution No. — (New Series), as follows:

Proposing to amend the Charter of the City and County by adding to Chapter 2, Article II thereof, a new section, to be numbered Section 17, providing for the acquisition by the City and County of land for water purposes.

Resolved, That a proposal be submitted to the electors of the City and County at the general election to be held therein on Tuesday, November 5th, 1907, by adding to Chapter 2, Article II of the same a new section, to be numbered Section 17, and to read as follows:

Section 17. The Supervisors shall have the power, in the name and for the benefit of the City and County, to acquire by the purchase or condemnation, subject to the conditions and limitations herein and in the general laws of the State prescribed, any lands situated within the City and County or in any part of the State of California, deemed necessary for constructing or

maintaining canals, aqueducts, reservoirs, tunnels, flumes, ditches, or pipes for conducting or storing water for the use of the City and County or the inhabitants thereof.

Relating to Unsightly Poles on Streets

His Honor the Mayor called attention to the fact that unsightly poles were being continually erected in the Western Addition, that the privilege was being grossly abused and suggested that some action be taken by the Board to remedy the existing condition of affairs.

Motion.

Supervisor Brandenstein moved that the question be referred to the Committee on Beautification and Adornment.

So ordered.

Motion.

Supervisor O'Neill moved that the question of the removal of charred and partially burned poles in the burned district be ordered referred to the Streets, Sewers and Parks Committee.

So ordered.

ADJOURNMENT.

There being no further business, the Board at the hour of 4:15 o'clock, adjourned.

File.

A Communication from the Pound Keeper, notifying the Board of Supervisors of the appointment of deputy pound keepers under Ordinances of said Board, was received, read and *ordered filed*.

Notice of Removal of A. M. Wallen, Thos.

F. Finn, and John L. Moore from Their Respective Offices as Police Commissioners of the City and County.

The following Communication, from his Honor the Mayor, filed in the Office of the Clerk of the Board of Supervisors on August 20th, 1907, was received, read and *ordered entered at length in the Journal*.

To the Honorable, the Board of Supervisors of the City and County of San Francisco:

This is to notify you that I have this twentieth day of August, 1907, removed A. M. Wallen, Thomas F. Finn and John L. Moore from their respective offices as Police Commissioners of the City and County of San Francisco and members of the Board of Police Commissioners of said City and County, and the following is hereby furnished you as a statement of the cause of such

removals applying respectively to each of such removals, to wit:

That each said Wallen, Finn and Moore had, with his associates in office, retained in office as Chief of Police of said City and County, Jeremiah T. Dinan, who has been and is notoriously unfit for said office. That said Dinan had and has shown himself to be lacking in that character and efficiency which are necessary for one to possess in order to properly discharge the duties of his office. He was and is now, and has been ever since he assumed the duties of his office, an associate of persons of low character and did not and does not possess either the respect or the confidence of his subordinates; he was and is utterly lacking in either the disposition or the energy necessary to deal with the criminal class of this city; he had and has kept large numbers of patrolmen in districts where they were not needed, instead of detaching them in places where they were needed; he had and has taken no effective means to suppress houses of prostitution in respectable residence districts and such houses have been and now are maintained there; he had and has permitted houses of prostitution to flaunt themselves in the open; and under him that discipline had and has become relaxed without which a police force ceased and ceases to be an instrument of order. Besides all this, said Dinan had been and is now under indictment by the Grand Jury of said City and County under two separate accusations, charging said Dinan with willful and corrupt misconduct in his office as such Chief of Police, and averring as against the said Dinan and in accusation of him the following facts, to wit:

That in the year 1906, the Grand Jury of the City and County of San Francisco regularly returned to the Superior Court of the State of California, in and for the City and County of San Francisco, an indictment against one Eugene E. Schmitz, charging the said Schmitz with the crime of extortion, and thereafter in the said Superior Court the defendant Schmitz entered his plea of not guilty to the said indictment and the said indictment was of the records of the said Court and of the criminal causes therein numbered 305. That the said indictment so returned upon the plea of the defendant thereto came on regularly for trial on the 21st day of May, 1907, before the above entitled Court and Department No. 6 thereof, Hon. Frank H. Dunne, presiding, and the said Court then and there had jurisdiction of the said indictment, of the said trial and the said proceedings, and since said 21st day of May, 1907, the said defendant had been on trial in said Court upon said charge, and the said cause

had been pending therein upon trial thereof; that said J. F. Dinan, as such Chief of Police had and has the control, management and direction of all members of the Police Department in the City and County of San Francisco, with full power to detail any of the members of said department to such public service as he may direct; that at all the times mentioned herein there was a police force consisting of many members of the said City and County of San Francisco, and a police department therein, and the said police force and the said police department were under the control, management and direction of the said Dinan as such Chief of Police; that during the trial of the said Schmitz as aforesaid and on the 21st day of May, 1907, and each of the days thereafter to and including the 31st day of May, 1907, the said Dinan as such Chief of Police commanded and directed the members of the said police force of the City and County of San Francisco under his control and direction to aid and assist the said Schmitz in his trial, and commanded and directed the said members of said police force to report to him and to said Schmitz any and all facts, matters and things connected with said cause which might aid or be calculated to aid the said Schmitz in the trial thereof; and under and pursuant to the said command and direction the said police force and the members thereof did aid and assist the said defendant Schmitz in the trial of said cause and did report to the said defendant Schmitz and to said Dinan as such Chief of Police, matters and things which would aid and which were designed to aid and assist the said Schmitz in the trial of said cause; and the said Dinan as such Chief of Police, and the said members of said police force so commanded and directed as aforesaid did not report the said matters and things to the District Attorney of the City and County of San Francisco or to the representatives of the people of the State of California in said cause and trial, and did not and would not aid or assist the people of the State of California nor the District Attorney of the City and County of San Francisco nor the representatives of the people of the City and County of San Francisco in the said trial or in the said cause; that the said Dinan as such Chief of Police for the purpose and with the intent on his part of subverting justice, preventing the due administration of the law and securing the acquittal of the said defendant Schmitz, gave such orders, directions and commands and in addition thereto did direct and command certain members of the police force of the City and County of San Francisco, to-wit: James McGowan, Archie Hamill, Daniel Collins and A. J. Rocca,

and others whose names were to the Grand Jury unknown, to call upon citizens of the City and County of San Francisco whose names had been drawn as prospective jurors in said cause and upon veniremen from which the jury in said cause was to be selected, and to investigate the said prospective jurors and veniremen to ascertain concerning them all of the information possible and all that possibly could aid the defendant in said cause in procuring an acquittal therein, and directed and commanded the said officers to report and communicate to him as such Chief of Police and to said defendant Schmitz the said information they might obtain and any information respecting said jurors or veniremen or any other persons which might aid or assist said Schmitz in procuring an acquittal of himself in said cause, and said officers so named as aforesaid and said others whose names are unknown to this Grand Jury, in pursuance of said orders, commands and directions of said Dinan as such Chief of Police, did call upon prospective jurors and veniremen in said cause, did interview them, did investigate matters and things pertaining to said jurors, with a view and with the intent of aiding and assisting the said Schmitz in said trial and procuring an acquittal for him therein, and did report said investigations, information, and the results thereof to said Schmitz and to said Dinan as such Chief of Police; that the said acts of said Dinan as such Chief of Police, and the said orders, directions and commands of said Dinan as such Chief of Police were done and given and made for the purpose and with the intent and design of procuring an acquittal of said Schmitz, regardless of the evidence in said cause and for the purpose of aiding and assisting said Schmitz in said cause, notwithstanding the evidence against said Schmitz might show he was guilty of the offense charged against him; and the said Dinan as such Chief of Police did not nor did said officers nor did any of them report or communicate to the District Attorney of the City and County of San Francisco or to the people of the State of California any of the information, matters or things hereinbefore referred to, nor did they or any of them aid or assist the District Attorney or the people of the State of California, or the representatives of the people of the State of California in the said cause or said trial; that all of the acts of the said Dinan as such Chief of Police and all of the commands, directions and orders hereinbefore referred to were done, given and made by said Dinan as such Chief of Police knowingly, willfully and with the corrupt purpose and design on the part of said Dinan as such Chief of

Police to aid and assist the said Schmitz, defendant as aforesaid, regardless of the fact or the evidence of the said cause against said Schmitz and with the intent and design as aforesaid to prevent the due administration of the law and for the subversion of justice.

In further accusation and additional specification the said Grand Jury did accuse the said Dinan of willful and corrupt misconduct in office in this: that on the 15th day of September, 1906, at the City and County of San Francisco, State of California, the said Dinan knowingly, unlawfully and corruptly conspired and agreed with Alfred Andrieu, J. C. Harris, J. J. McKenzie, P. Lester, Harry Wilson, Richard Creighton, Jerry Driscoll and Abraham Ruef to commit an act injurious to public morals for the perversion and obstruction of justice and due administration of the laws of the State of California in the manner and by the means following, to wit: That the said Dinan was then and there duly appointed, qualified and acting Chief of Police of the City and County of San Francisco, State of California, and as such Chief of Police had the power and authority, and it was his duty to enforce the laws of the State of California relating to the matters and things hereinafter in this paragraph mentioned; that the said Dinan and said Ruef did then and there willfully, knowingly, unlawfully and corruptly conspire and agree with each other and with the said Alfred Andrieu, J. C. Harris, J. J. McKenzie, P. Lester, Harry Wilson, Richard Creighton and Jerry Driscoll, all of the City and County of San Francisco, State of California, that a certain house consisting of a barroom and forty-eight apartments, situate, located and being at numbers 712 and 714 Pacific street, at said City and County of San Francisco, State of California, should be willfully, knowingly and unlawfully opened, maintained, conducted and kept by them as a house of prostitution and lewdness, and that persons should willfully and knowingly reside in said house for said purposes, and said house should be the residence and resort of common prostitutes and other lewd and dissolute persons, and that said house should be kept and maintained for the purposes of assignation, prostitution, and as a house of public resort by which the peace, comfort and decency of the immediate neighborhood would be habitually disturbed, and that the apartments thereof should be by them let to other persons to be used for the purpose of assignation and prostitution; and the house so described as aforesaid was, with the knowledge and consent of the said Dinan, as such Chief of Police, so

opened, maintained, conducted and kept and the apartments thereof let as hereinbefore set forth; all of which was done by the said Dinan willfully, unlawfully, intentionally and corruptly.

Notwithstanding said accusations, neither said Wallen, Finn nor Moore, acting with his associates in office, did suspend said Dinan from his said office, nor have they or any of them made any public investigation of the charges so made against him. Yet, knowing all these things, and with full knowledge of the lack of qualification of said Dinan to hold said office, each said Wallen, Finn and Moore, acting with his associates in office, insisted in retaining him as Chief of Police.

That each said Wallen, Finn and Moore has well known and now well knows that houses of prostitution not only flaunt themselves in the open, but are maintained in respectable residence districts; that without good reasons each of them has, with his associates in office, granted licenses that had for good reasons been revoked; complaints have been laid before each of them and his associates in office against those holding permits to sell liquor, of keeping disorderly houses, which complaints each of them, with his associates in office, declined to hear; each of them, with his associates in office, had well known and now well knows of the existence of poolrooms in this city in violation of law, and that places of gambling had been and are openly maintained, and gambling openly indulged in, in violation of law, and had done nothing to bring about the suppression of the same.

EDWARD ROBESON TAYLOR,

As Mayor in and for the City and County of San Francisco.

Done at the office of the Mayor this twentieth day of August, 1907, in witness whereof I have hereunto set my hand and caused the seal of the City and County of San Francisco to be affixed.

Notice of Removal of Wm. R. Hagerty
from Office of Police Commissioner of
the City and County.

The following Communication from his Honor the Mayor, filed in the office of the Clerk of the Board of Supervisors August 21st, 1907, was received, read and ordered entered at length in the Journal:

To the Honorable, the Board of Supervisors of the City and County of San Francisco,—

This is to notify you that I have this twentieth day of August, 1907, removed W. R. Hagerty from his office as Police Commissioner of the City and County of San Francisco and Member of the Board of Police Commissioners of said City and County; and the following is hereby

furnished you as a statement of the cause of such removal, to-wit:

That said Hagerty had, with his associates in office, retained in office as Chief of Police of the said City and County, Jeremiah F. Dinan, who has been and is notoriously unfit for said office. That said Dinan had and has shown himself to be lacking in that character and efficiency which are necessary for one to possess in order to properly discharge the duties of his office. He was and is now, and has been ever since he assumed the duties of his office, an associate of persons of low character and did not and does not possess either the respect or the confidence of his subordinates; he was and is utterly lacking in either the disposition or the energy necessary to deal with the criminal class of this city; he had and has kept large numbers of patrolmen in districts where they were not needed, instead of detailing them in places where they were needed; he had and has taken no effective means to suppress houses of prostitution in respectable residence districts and such houses have been and now are maintained there; he had and has permitted houses of prostitution to flaunt themselves in the open; and under him that discipline had and has become relaxed without which a police force ceased and ceases to be an instrument of order. Besides all this, said Dinan had been and is now under indictment by the Grand Jury of said City and County under two separate accusations, charging said Dinan with willful and corrupt misconduct in his office as such Chief of Police, and averring as against the said Dinan and in accusation of him the following facts, to-wit:

That in the year 1906 the Grand Jury of the City and County of San Francisco regularly returned to the Superior Court of the State of California in and for the City and County of San Francisco an indictment against one Eugene E. Schmitz charging the said Schmitz with the crime of extortion, and thereafter in the said Superior Court the defendant Schmitz entered his plea of not guilty to the said indictment, and the said indictment was of the records of the said Court and of the criminal causes therein numbered 305. That the said indictment so returned upon the plea of the defendant thereto came on regularly for trial on the 21st day of May, 1907, before the above-entitled Court and Department No. 6, thereof, Hon. Frank H. Dunne presiding, and the said Court then and there had jurisdiction of the said indictment, of the said trial and the said proceedings, and since said 21st day of May, 1907, the said de-

fendant had been on trial in said Court upon said charge, and the said cause had been pending therein upon trial thereof; that said J. F. Dinan, as such Chief of Police, had and has the control, management and direction of all members of the Police Department in the City and County of San Francisco, with full power to detail any of the members of said department to such public service as he may direct; that at all the times mentioned herein there was a police force consisting of many members of the said City and County of San Francisco, and a Police Department therein, and the said police force and the said Police Department were under the control, management and direction of the said Dinan as such Chief of Police; that during the trial of the said Schmitz as aforesaid and on the 21st day of May, 1907, and each of the days thereafter to and including the 31st day of May, 1907, the said Dinan as such Chief of Police commanded and directed the members of the said police force of the City and County of San Francisco under his control and direction to aid and assist the said Schmitz in his trial, and commanded and directed the said members of said police force to report to him and to said Schmitz any and all facts, matters and things connected with said cause which might aid or be calculated to aid the said Schmitz in the trial thereof; and under and pursuant to the said command and direction the said police force and the members thereof did aid and assist the said defendant Schmitz in the trial of said cause and did report to the said defendant Schmitz and to said Dinan as such Chief of Police, matters and things which would aid and which were designed to aid and assist the said Schmitz in the trial of said cause; and the said Dinan as such Chief of Police, and the said members of said police force so commanded and directed as aforesaid did not report the said matters and things to the District Attorney of the City and County of San Francisco or to the representatives of the people of the State of California in said cause and trial, and did not and would not aid or assist the people of the State of California nor the District Attorney of the City and County of San Francisco nor the representatives of the people of the City and County of San Francisco in the said trial or in the said cause; that the said Dinan as such Chief of Police, for the purpose and with the intent on his part of subverting justice, preventing the due administration of the law and securing the acquittal of the said defendant Schmitz, gave such orders, directions and commands, and in addition thereto did direct and command certain members of the police force of the City and County of San Francisco, to-wit: James Mcgowan, Archie Hamill, Daniel Collins and A. J.

Rocca, and others whose names were to the Grand Jury unknown, to call upon citizens of the City and County of San Francisco whose names had been drawn as prospective jurors in said cause and upon veniremen from which the jury in said cause was to be selected, and to investigate the said prospective jurors and veniremen to ascertain concerning them all of the information possible and all that possibly could aid the defendant in said cause in procuring an acquittal therein, and directed and commanded the said officers to report and communicate to him as such Chief of Police and to said defendant Schmitz, the said information they might obtain and any information respecting said jurors or veniremen or any of them which might aid or assist said Schmitz in procuring an acquittal of himself in said cause; and said officers so named as aforesaid and said others whose names are unknown to this Grand Jury, in pursuance of said orders, commands and directions of said Dinan as such Chief of Police, did call upon prospective jurors and veniremen in said cause, did interview them, did investigate matters and things pertaining to said jurors, with a view and with the intent of aiding and assisting the said Schmitz in said trial and procuring an acquittal for him therein, and did report said investigations, information, and the results thereof, to said Schmitz and to said Dinan as such Chief of Police; that the said acts of said Dinan as such Chief of Police, and the said orders, directions and commands of said Dinan as such Chief of Police, were done and given and made for the purpose and with the intent and design of procuring an acquittal of said Schmitz, regardless of the evidence in said cause and for the purpose of aiding and assisting said Schmitz in said cause, notwithstanding the evidence against said Schmitz might show he was guilty of the offense charged against him; and the said Dinan as such Chief of Police did not nor did said officers nor did any of them report or communicate to the District Attorney of the City and County of San Francisco or to the people of the State of California any of the information, matters or things hereinbefore referred to, nor did they or any of them aid or assist the District Attorney or the people of the State of California or the representatives of the people of the State of California in the said cause or said trial; that all of the acts of the said Dinan as such Chief of Police and all of the commands, directions and orders hereinbefore referred to were done, given and made by said Dinan as such Chief of Police knowingly, willfully and with the corrupt purpose and design on the part of said Dinan, as such Chief of Police, to aid and assist the said Schmitz, defendant

as aforesaid, regardless of the fact or the evidence of the said cause against said Schmidt and with the intent and design as aforesaid to prevent the due administration of the law and for the subversion of justice.

In further accusation and additional specification the said Grand Jury did accuse the said Dinan of willful and corrupt misconduct in office in this: that on the 15th day of September, 1906, at the City and County of San Francisco, State of California, the said Dinan knowingly, unlawfully and corruptly conspired and agreed with Alfred Andrieu, J. C. Harris, J. J. McKenzie, P. Lester, Harry Wilson, Richard Creighton, Jerry Driscoll and Abraham Ruef to commit an act injurious to public morals for the perversion and obstruction of justice and due administration of the laws of the State of California in the manner and by the means following, to-wit: That the said Dinan was then and there duly appointed, qualified and acting Chief of Police of the City and County of San Francisco, State of California, and as such Chief of Police had the power and authority, and it was his duty to enforce the laws of the State of California relating to the matters and things hereinafter in this paragraph mentioned; that the said Dinan and said Ruef did then and there willfully, knowingly, unlawfully and corruptly conspire and agree with each other and with the said Alfred Andrieu, J. C. Harris, J. J. McKenzie, P. Lester, Harry Wilson, Richard Creighton and Jerry Driscoll, all of the City and County of San Francisco, State of California, that a certain house consisting of a bar-room and forty-eight apartments situate, located and being at numbers 712 and 714 Pacific street, at said City and County of San Francisco, State of California, should be willfully, knowingly and unlawfully opened, maintained, conducted and kept by them as a house of prostitution and lewdness, and that persons should willfully and knowingly reside in said house for said purposes, and said house should be the residence and resort of common prostitutes and other lewd and dissolute persons, and that said house should be kept and maintained for the purposes of assignation, prostitution, and as a house of public resort by which the peace, comfort and decency of the immediate neighborhood would be habitually disturbed, and that the apartments thereof should be by them let to other persons to be used for the purpose of assignation and prostitution; and the house so described as aforesaid was, with the knowledge and consent of the said Dinan, as such Chief of Police, so opened, maintained, conducted and kept, and the apartments thereof let

as hereinbefore set forth; all of which was done by the said Dinan willfully, unlawfully, intentionally and corruptly.

Notwithstanding said accusations said Hagerty, acting with his associates in office, did not suspend said Dinan from his said office, nor has he or any of them made any public investigation of the charges so made against him. Yet, knowing all these things, and with full knowledge of the lack of qualification of said Dinan to hold said office, said Hagerty, acting with his associates in office, insisted in retaining his as Chief of Police.

That said Hagerty has well known, and now well knows, that houses of prostitution not only flaunt themselves in the open, but are maintained in respectable residence districts; that without good reasons, said Hagerty has, with his associates in office, granted licenses that had for good reasons been revoked; complaints have been laid before said Hagerty and his associates in office against those holding permits to sell liquor, of keeping disorderly houses, which complaints said Hagerty, with his associates in office, declined to hear; that said Hagerty, with his associates in office, had well known, and now well knows, of the existence of poolrooms in this city in violation of law, and that places of gambling had been and are openly maintained, and gambling openly indulged in, in violation of law, and he had done nothing to bring about the suppression of the same.

REPORTS OF COMMITTEES.

The following Committees by their respective Chairmen presented reports on various matters referred, which reports were received, read and ordered filed, to wit:

Finance Committee, by Supervisor Brandenstein.

Fire Committee, by Supervisor Faymonville.

Hospital and Health Committee (2 reports), by Supervisor Payot.

Printing and Salaries Committee, by Supervisor Booth.

Report of Artificial Lights Committee,
Lighting Contract 1907-8.

To the Honorable, the Board of Supervisors of the City and County of San Francisco:

Gentlemen—Your Artificial Lights Committee to whom were referred the

bids of the San Francisco Gas and Electric Company, a corporation, for lighting streets and the outlying districts and the public buildings (except school buildings) of the City and County for the fiscal year ending June 30th, 1908, beg leave to present the following report:

The original figures bid were as follows:

For each separate gas lamp per night, .087 cents.

For gas for public buildings, per 1000 cu. ft., .20713 cents.

For electric current for public buildings and for power purposes, per kilowatt hour, .04 cents.

Mr. John A. Britton, President of the San Francisco Gas and Electric Company, appeared before your Committee and consented on behalf of his company to the modification from the original figures bid to the following scale, to-wit:

For each single burner gas lamp, lighted all night, 6.548 cents per lamp per night.

For each gas triple lamp cluster lighted until 12 o'clock, or all night, 5 cents for each lamp of the cluster per lamp per night.

For a single lamp of a triple lamp cluster used all night where two lamps of the cluster are extinguished at midnight, 6.548 cents.

For each electric arc lamp, lighted all night, 20.713 cents per lamp per night.

For each electric arc lamp, lighted until midnight, 13.81 cents per lamp per night.

As this is the lowest scale ever offered to the City and County, your Committee is of the opinion that the modified bids should be accepted and that provision should be made for the expenditure of the total appropriation made in the Budget and so recommend.

On July 30th, 1907, there were installed in the City and County 1616 electric arc lights, 250 of which burned until midnight and the remainder all night, and also 4210 gas lamps, included in which are 150 cluster lamps.

Computing at the modified rates the present number of lamps installed and deducting from the total appropriation of \$275,000, this sum and the sum of \$33,120, the estimated cost of lighting public buildings, \$930 for regular expenses and \$2400 for so-called "out-ages" that is for lights not burning, a balance of about \$28,000 remains in the fund.

This will permit of the restoration of 1300 gas lamps and sixty-three (63) arc lights in the burnt district, considering the time necessary for the erection and will also permit before January 1st, 1907, the installation of approximately 150 arc lamps and 500 gas lamps in the outlying districts.

It is a well settled fact that street

lighting is one of the best means of police protection and your Committee is of the opinion that the lighting of the burnt sections of the City and County, which it will later recommend, will give stability to property values and do more to encourage building operations than any other expedient. Your Committee recommends the adoption of the Resolution herewith submitted, accepting the bids subject to the proffered modifications.

Respectfully submitted,

LIPPMANN SACHS, Chairman.

Report of Committee on Beautification and Adornment of San Francisco on the Maintenance of Poles.

To the Honorable Mayor and Board of Supervisors of the City and County of San Francisco.

Sirs: In accordance with your instructions, the Committee on Beautification and Adornment of San Francisco has made an inspection of the principal streets of the city, in regard to the poles erected thereon and has the honor to report as follows:

There seems not to have been any system or order in the erection of poles for conveying electric currents. Some of them are erected on the roadway of the streets, near the curb, others on the sidewalk and others in the middle of the street. Equal disorder prevails in the matter of size, shape and uses of said poles, some being short, others very high; some slender, others very stout, while some carry no wires and others are loaded with a large number of them.

Supervisor Rixford took several pictures, which will give you an idea of the facts pointed out in this report.

In the burnt district of the city, there are any charred wooden poles, and bent metallic ones, some of which are mere skeletons, which remain of the effects of the great disaster that should rapidly disappear from the surface of the city. In some streets of the city, the wires are so numerous and entangled that they present a most disagreeable aspect. In other streets the poles are so numerous that they look like a veritable forest. From the notes taken by Supervisor Stafford, on the spot, the Committee will mention few instances of the cases enumerated above. There are many double and useless poles on Market street, from the Ferries to Mason street; at Eighth and Market, poles 14 inches by 14 inches in size, charred and placed on wrong spots; at Twelfth street, trolley poles in the center of the street, and other

poles on the west side; between Howard and Folsom streets, on the same street, there is a regular forest of poles, many bent and other useless; on Fourteenth street, between the same streets mentioned above, the same condition prevails; on Sixteenth street a profusion of heavy wires are carried by poles which are considered very dangerous; at the four corners of Sixteenth and Howard streets there are eleven poles; in one block on Valencia street there are sixteen poles on one side of the street and eleven on the other side, of large size and height; in other blocks there are twenty-seven poles with clusters of three and more in one spot. On Haight street there are 20 poles per block; on California and other streets there are at present many poles in course of erection of great length, which are nothing but trees divested of their barks. Their appearance is simply hideous. They are placed in holes, some times with nothing but sand to hold them in place.

The above are only few instances of the places observed by your Committee, but no others are mentioned, not to make this report too lengthy.

The poles placed in the center of Twelfth street and the poles placed in the center of Van Ness avenue, which break the beautiful lines of the street, marring the effect of such a wide and long avenue, in the opinion of your Committee, shows that the contemplated ornamental trolley poles for Market street, should be placed on the sides and not at the center of the street.

In view of the above facts, your Committee begs leave to recommend the following:

All charred, bent and useless poles, should be removed at once from the streets.

In future the size, shape and number of poles per block should be regulated.

To give effect to these provisions, your Committee will present for your approval ordinances which, after hearing the interested parties, it is hoped will become the law on this matter.

Respectfully submitted,

E. J. MOLERA,

W. G. STAFFORD.

Report of the Public Utilities Committee on the Condition of the City Hall and the Hall of Justice and the Cost of Rehabilitating Same.

Read and ordered filed.

To the Honorable the Board of Supervisors of the City and County of San Francisco—Gentlemen: At a meeting of your Honorable Board held August 5, 1907, your Committee on Public Buildings was requested to consult with an architect and contractor

and report to the Board on the condition of the "City Hall" and the "Hall of Justice," and to estimate the cost of rehabilitating the same.

Your Committee, after careful deliberation, begs leave to submit the following report.

CITY HALL.

We find that the portions of the building which suffered the greatest damage from the earthquake, as indicated by the tinted portions on the accompanying plan, are the Larkin street wing from the south corridor south and from the north corridor north, the dome and its contiguous parts and the wing connecting the dome with the Larkin street wing. Although the foundation, walls, the majority of the basement and first-story walls and a large portion of the corridor walls of the second and third stories are in good condition without cracks, still the damage to these portions of the building are so great as to render the restoration of them to their former condition very costly.

In view of the fact that the building, although an admirable piece of work of its time, is badly lighted and badly arranged as compared with our modern Class A office building.

Your Committee would recommend the complete removal of the portions mentioned (namely the Larkin street wing, the dome and the wing connecting the two), except that the steel frame of the dome and such structural parts as may be used in its restoration be left standing.

We would recommend in place of the Larkin street wing that a modern Class A building, four stories and basement, be constructed on the old foundations harmonizing in its exterior architectural treatment with the remaining portions of the building, the same height of cornice and order treatment being retained, and a fourth story added in the shape of a retreating story or mansard.

It is estimated that this new wing will cost two millions (\$2,000,000) of dollars.

The east wing now occupied by the Mayor's office, the wing extending along McAllister street and the portion of the building connecting it with the dome, are the parts of the building least damaged by the earthquake. As the first story of this portion can be temporarily rehabilitated at a comparatively small outlay, it is thought

advisable to continue the work already commenced in the east wing and to install offices as far as the Larkin street wing. This would house practically all of the departments which occupied the City Hall before the fire except the Courts and the Department of Electricity, and would reduce the rents paid by the city in the amount of about \$20,000.00 a year.

The cost of these improvements would be about \$95,000—\$10,000 of which would be used in fittings and furniture.

This is a close estimate and requires that the work be done with the utmost economy. It would pay for itself in rents saved in four or five years.

If thought advisable, after the Larkin street wing is completed, to restore the two upper stories of these wings, the same can be done as needs of the city demand.

As regards the dome, the steel frame work can be painted so as to protect it from the weather and restored at a later period.

In view of the many more urgent demands at this time on the public treasury, it is not thought advisable to ask for a bond issue to restore the dome.

THE "HALL OF JUSTICE."

We have examined the "Hall of Justice" on Kearny, Washington and Merchant streets.

The exterior walls are standing except in the rear, where the earthquake caused the heavy prison tanks to fall through the floors, carrying everything with them and destroying the rear wall.

The steel frame is badly warped by the fire and the floors out of level, due to the bending and buckling of the basement columns.

As the building was cheaply constructed and cannot be restored as a Class A building, we would recommend its entire removal and the construction in its place of a Class A structure, at a cost of seven hundred and fifty thousand (\$750,000) dollars.

Respectfully submitted,

Report of the Committee on Public Utilities on the Condemnation of Lands for the County Jail and Additions to the Hall of Justice.

To the Honorable the Board of Supervisors of the City and County of San Francisco — Gentlemen: Your Committee on Public Utilities, to whom were referred the offers of owners of property in the County Jail and additions to the Hall of Justice sites proposed for acquirement under the Bond Issue, to sell their several parcels of land to the City and County, and also an appraisement made by Louis M. Mosser of the said lands, begs leave to report that after a full and impartial hearing granted said owners of said property, or their representatives, that your Committee is unable to agree with them for the sale of their respective holdings at a sum deemed reasonable and just by your Committee.

In view of these facts, your Committee recommends that the City Attorney be instructed to institute condemnation proceedings for the acquisition of said lands, and in order that a standard of value may be early determined, that said City Attorney be instructed to commence actions against one parcel of land in each site, namely, that assessed to the Schmeidell Estate in the County Jail site, and that assessed to Florence N. Perine in the additions to the Hall of Justice site. When said standard of value is thus established, the purchase of the other necessary parcels will, in the judgment of your Committee, be readily consummated.

Report of the Charter Amendments Committee on Proposals to Amend the Charter.

The following Report was presented and read:

To the Honorable, the Board of Supervisors of the City and County of San Francisco, State of California:

Your Committee on Charter Amendments to whom was referred a series of proposals to amend the Charter of the City and County of San Francisco, submitted by various civic organizations of said City and County, begs leave to report thereon as follows:

Your Committee recommends the submission of the following twenty-one proposals to the electors at the Municipal Election to be held on Tuesday, November 5th, 1907.

The experience of the past has shown that a better expression of public sentiment is obtained when proposals to amend the Charter are submitted at general elections, instead of at special elections, and, moreover, an expense of possibly ten thousand dollars will be saved to the City and County by submitting said proposals at said election:

Municipal Bonds.

1. This amendment relates to the issuance of municipal bonds, and provides that the same may be either term or serials, as the Supervisors may direct.

The maximum rate of interest is raised from four to five per cent per annum, and provision is made that the bonds may run for seventy-five years, instead of forty years, and the sinking fund need not commence until eighteen years have elapsed, in conformity with the recent amendment to the Constitution of the State.

Your Committee strongly urges the adoption of this amendment, by reason of the inability of the City and County of San Francisco to sell three and one-half per cent serials, after repeated efforts have been made so to do, and believes that although a variance is made in permitting term bonds to be sold, instead of serials, nevertheless, under another proposed amendment to be submitted, and which will be treated later, the City and County of San Francisco may avail itself of such amendment by depositing its moneys now lying idle in the Treasury, in banks, and obtain at least two per cent interest on daily balances.

The new amendment provides that in the event of the bonds having been offered for sale by the Supervisors, and not sold under public bidding, they may be afterwards sold at the City Treasury, or branches, to any applicant at a price to be fixed by the Board of Supervisors, provided that such prices are not less than par, and accrued interest, nor less than the highest sum bid for similar bonds. It also provides that the payment of the principal may be made at such places as the Supervisors may direct, New York, for instance, and exacts a deposit of five per cent from bidders, with a maximum deposit of ten thousand dollars. Such bonds as may have been heretofore issued or which may be hereafter issued, and which cannot be sold at par, after three advertised offers to sell, may be cancelled by

the Supervisors. It further provides for a system of registration of bonds for those who do not desire to present interest coupons to the Treasurer.

Provision is made that when the interest and sinking fund of any public utility can be paid out of its surplus earnings, no tax for such purpose shall be provided in the general levy.

The justice of such a policy is at once apparent.

When the purpose for which the bonds have been issued shall have been accomplished, and a surplus remains in the fund in excess of two thousand dollars, the same shall be applied to the payment of interest on the bonds, and to the redemption of the principal. Whenever the amount is two thousand dollars and less, the surplus reverts to the general fund.

Tax Levy.

2. The fiscal policy, with respect to the levying of taxes, outlined in the Charter, is departed from in this amendment by providing that taxes levied for running expenses of the City Government shall not exceed eighty-five cents on one hundred dollars, instead of one dollar, as at present. However, the current expenses may be paid out of the revenue from other sources, which revenue is increased annually, and the sole purpose of this amendment is to enable the City and County to obtain at least fifteen cents, annually, under the dollar limit, to be used for the construction and repair of street pavements, sewers, public buildings, and for the purchase of land; for instance, it is safe to assume that five hundred million dollars will be the average assessment roll of the City and County of San Francisco for many years to come. This will give (provided the Supervisors levy the tax of fifteen cents), at least seven hundred and fifty thousand dollars, annually, for these purposes, but it in no manner restricts the Board of Supervisors from appropriating money within the eighty-five-cent levy, or from revenue from other sources, to provide for either current expenses or for public improvements.

Providing for the Disposition of Surplus Earnings of any Public Utility.

3. This amendment provides that any surplus earnings of any public utility shall be applied directly to the discharge of any bonded indebtedness incurred for the acquisition of such utility.

Deposit of Public Funds in Banks.

4. This amendment provides that

the Treasurer may deposit public funds in banks, in the manner prescribed by the Constitution of the State of California, and the General Law. The provisions are the same as the State law, with such changes as will make it applicable to the City and County only. The main idea as hereinbefore referred to, is to permit the City and County to obtain interest on its deposits now lying idle in the Treasury. The conditions of deposit are safeguarded in every particular, it being necessary for the Treasurer to obtain the consent of the Mayor to deposit. The rate of interest on daily balances, not less than two per cent, shall be fixed by the Board of Supervisors.

It is certainly not in line with public policy to permit several millions of dollars to lie idle in the City Treasury when the money is not in use, and cannot be put into use for many months, and when interest can be obtained, under proper safeguards laid down by the Constitution of the State of California, supplemented by the Charter provisions.

Progressive Payments on Public Contracts.

5. This amendment provides that progressive payments may be made by the City and County on public work that shall not in the aggregate exceed in amount seventy-five per cent of the value of the work done at the time of payment, nor shall more than seventy-five per cent be paid until the completion and final acceptance of the work.

This amendment will permit persons and companies of moderate means to bid on public work, and will not restrict it to the hands of a few, as at present.

Increasing Treasurer's Bond and Providing for the Payment of Premiums on Official Bonds in Excess of \$10,000.

6. This amendment provides for increasing the official bond of the Treasurer of the City and County from one hundred thousand dollars to two hundred thousand dollars, and also provides for the payment of premiums on official bonds in excess of ten thousand dollars, conditioned that not more than one-half of one per cent, shall be paid as such premium.

This policy is in accord with that followed in the business world, and your Committee believes it should be adopted by the City and County.

Increasing Urgent Necessity Fund from Thirty-six Thousand Dollars to One Hundred Thousand Dollars per Annum.

7. This amendment increases the amount allowed to be appropriated annually by the Board of Supervisors for urgent necessities, from thirty-six

thousand dollars to one hundred thousand dollars.

At the time of the preparation of the budget, it is very difficult to foresee all requirements of the City and County for the ensuing fiscal year, and ample provision should be made to permit the meeting of contingencies which may arise, particularly when the expenditure of this fund is safeguarded by the requirement of fifteen votes of the Supervisors, and the sanction of the Mayor.

Salaries and Vacations of Members of the Fire Department.

8. This amendment is recommended pursuant to petition of fifteen per cent, and more, of the qualified voters of the City and County of San Francisco, to increase the salaries of members of the Fire Department of the City and County, and to provide vacations for its members, and also to increase the pensions of said members.

Your Honorable Board ordered transmitted to the Registrar of Voters for authentication the aforesaid petition and was advised by that official that there were 14,381 total actual signers thereto, of which number 2,208 were illegally verified, leaving a net number of 12,173, said number being 2,957 in excess of the requisite fifteen per cent of 61,442 voters, namely, 9,216.

Your committee hereby expressly refers to and makes a part hereof the report of said Registrar.

Under the Constitution, and the Charter of the City and County of San Francisco there is no discretion with your Honorable Board other than to submit the above amendment to the electors as petitioned for, and your committee hereby recommends that such action be taken.

Authorizing Municipal Ownership of Public Utilities, Providing for the Purchase of Lands for Water Purposes, and Relating to Income from Public Utilities and Method of Accounting.

9. This amendment provides that an express grant of power be given the City and County of San Francisco to acquire, construct or complete, operate, maintain, sell or lease any public utility, subject to Charter limitations, and further provides that the City and County may acquire lands for use in connection with a municipal water supply.

The question of whether or not the method of procedure outlined in the present Charter for the acquisition of public utilities constitutes a grant of power has been raised, and your committee deems it expedient to set at rest said question, and resolve it in favor of the City and County by a specific grant of power.

In view of the proposed acquisition of water rights in the Sierras, the City should be enabled to acquire any lands

that may be necessary for such purpose, and specific provision is made therefor in the proposed amendment.

The receipts from any public utility operated by the City and County shall be kept in a special fund and used as follows:

(1) For the payment of operating expenses.

(2) For repairs and reconstruction.

(3) For payment of interest and sinking fund on bonds issued for the utility.

(4) For extensions and improvements.

(5) For a reserve fund.

When the reserve fund exceeds one-half of the annual cost for operating expenses, the excess may be turned into the General Fund.

One of the main purposes of the amendment is to require that the books of account for any public utility be kept distinct from other city accounts, and in such a manner as to show the true and complete financial results of such municipal ownership.

Providing for the Sale of Lands by the City and County.

10. This amendment empowers the City and County of San Francisco to sell either at public or private sale, in the general manner outlined for the conduct of probate sales, land of the City and County, heretofore acquired for children's playground purposes, and lands which may be hereafter acquired, excepting such lands as may be dedicated to parks, squares or children's playgrounds.

While your committee believes in the general policy of the non-sale of public lands, nevertheless, in the event of the acquisition of public utilities, it is possible that lands not actually required for use in connection with said utilities may be purchased by the City and County, and in that event the City should be in a position to sell such lands as in the judgment of the Board of Supervisors and the Mayor are not required for public use.

Grade Changes.

11. The Charter of the City and County of San Francisco specifies that the manner of changing grades shall be in general conformity with the plan outlined in the Charter for the opening, widening and extension of streets, supplemented by ordinance of the Board of Supervisors.

Although an ordinance, providing for the changing of grades, has been passed by the Board of Supervisors, nevertheless, in the only instance in which the matter was pressed to a final determination, it was held by the Superior Court of the City and County of San Francisco, that the procedure specified in said Ordinance was at variance with the general law and in-

operative, and to remedy this condition, your committee is of the opinion that a Charter amendment is necessary, which amendment when ratified by the Legislature, will have the full force and effect of a statute.

Opening and Widening of Streets.

12. This amendment provides for the repeal of the procedure outlined in the charter, which is found to be inadequate, and for the substitution in lieu thereof of the provisions of the general law of the State, which has been construed by the courts. Such few changes in the law as were necessary to make it apply to the City and County have been incorporated.

It may be said in connection with this matter that no procedure has been attempted under the Charter to open and widen streets.

Liability of the City and County, and Its Officials, for Damages Due to Defective Streets, Sewers or Sidewalks.

13. The Charter as at present constituted imposes an onerous liability upon the members of the Board of Public Works in this: That they are subject to actions at law for damages due to accidents arising from defective streets or sewers. As it is physically impossible for any official to prevent accidents of this character, it is deemed no more than just and right that some relief should be given.

Members of the Board of Public Works in past years have been subject to suits for damages, and judgments rendered against them, through no fault of theirs.

This amendment proposes to make such officials liable for damages arising from this cause only after written notice is served upon them of defects in streets and sewers, and ten days shall have elapsed thereafter, and provides also that no such liability shall accrue unless there are funds on hand available for making the necessary repairs.

Leasing School Lands.

14. This amendment provides that school lands may be leased under certain conditions for thirty-five years instead of twenty years. In the case of valuable land owned by the School Department, and no longer required for school purposes, it has been found impossible to lease advantageously for a term of twenty years or less, such holdings. It is now proposed that if a lessee shall agree to erect a substantial building, and shall, after requisite procedure, bid a sum suitable and satisfactory to the Board of Education, the Board of Supervisors, and the Mayor, a leasehold may be given for a period not exceeding thirty-five years, the improvements on the land to revert to and become the property of the

City and County, at the termination of the leasehold.

Spur Tracks.

15. This amendment authorizes the Board of Supervisors to permit the laying of spur tracks, connecting warehouses with the belt line or any other lines of railroad, which now or may hereafter enter the City and County, under regulations prescribed by the Board of Supervisors.

Official Advertising.

16. This amendment provides that the official newspaper shall have a bona fide daily circulation of at least two thousand, instead of eight thousand, as at present.

Regulating Telephone Rates and Prescribing the Quality of Service.

17. This amendment supplements the charter provision now in effect, providing for the regulation of water and light rates, by adding thereto a clause granting to the Board of Supervisors the power to regulate the rates to be collected for telephone service, supplied to the City and County, or to the inhabitants thereof, and to prescribe the quality of the service.

Children's Playground Commission.

18. This amendment provides for the creation of a children's playground commission, consisting of seven members, three of whom may be men, and two of whom may be women, and that the President of the Board of Education, and the President of the Park Commissioners, or the Superintendent of Parks, as the Park Commissioners may direct, shall be ex-officio members of said playground commission.

The commission is authorized and empowered to receive bequests and donations for children's playground purposes, and to expend moneys appropriated in the annual budget by the Board of Supervisors, for the purchase of lands, and for the equipment and maintenance of playgrounds.

This amendment will appeal to the citizens of the City and County of San Francisco as being in line with modern progress as exemplified in all the large Eastern cities of the United States, and, moreover, in the opinion of your Committee, will provide for the direct control, by a suitable commission, of the recreation of children in congested districts.

Department of Public Health.

19. This amendment provides for a change in the composition of the membership of the Board of Health from that as at present constituted of five physicians, and the President of the Board of

Public Works and the Chief of Police as ex-officio members, to that of two physicians and five laymen, and eliminates the President of the Board of Public Works and Chief of Police as ex-officio members, and farther provides that the term of office of its members shall be seven years, and that they shall be removed only by judicial proceedings under the Penal Code. This is permitted under a recent constitutional amendment, and it is believed, will take the department out of politics.

The purpose of this amendment is to place in the hands of a mixed board, instead of a board of professional men, the conduct of the County Hospital and the Alms House, and such other hospitals and institutions as may be controlled by the Board of Health.

Your Honorable body has been petitioned to submit a proposal to amend the Charter by creating a Board of Hospital Trustees from various civic, labor and religious organizations of the City and County, for the purpose of managing the County Hospital and the Almshouse.

A Charter provision for the creation of a commission as petitioned for would be, in the opinion of your Committee, in violation of the Constitution of the State of California, and as the real purpose hoped to be attained is the proper control and management of the City and County Hospital, your Committee believes that the purpose will be effected through control by a mixed board, and that the harmony of the Charter provisions will not be disturbed.

Providing for the Examination of Signatures to Petitions Emanating from the Electorate.

20. This amendment provides for the proper examination and authentication by the Board of Election Commissioners of signatures subscribed to petitions to amend the Charter, and to submit ordinances.

The present charter provisions, governing the requisite per centum of signatures is retained, but the section is supplemented by requiring that petitions shall be prepared, signed, verified, and arranged as now required by section 1188 of the Political Code, which last named section requires that said petition must be fastened together, bound by precincts and arranged in the manner and form required for the arrangement, binding and fastening of original affidavits of registration. This will facilitate immeasurably the work of authentication and verification of signatures by the Registrar's office and will permit of none but genuine

signatures to be ultimately affixed to petitions.

This amendment is suggested by Thomas V. Cator, member of the Board of Election Commissioners, and brings in harmony with the general registration laws, the Charter of the City and County of San Francisco.

The Recall.

21. This amendment provides that the holder of any elected office may be removed at any time by the electors qualified to vote for a successor of such incumbent. The procedure provides that upon the filing of a petition with the Board of Election Commissioners, signed by at least forty per cent of the entire vote cast at the election at which any incumbent was elected, asking that said incumbent be removed, the Board of Supervisors, upon proper authentication and verification of signatures by the Election Commissioners, shall call a special election whereat shall be submitted to the people the question of removing or retaining in office the person whose recall is sought. The general language and procedure of the recall provision of the Los Angeles Charter is followed, in view of the fact that this measure has been passed upon by the courts.

Your Committee reports adversely to and recommends the rejection by your Honorable Board of the following proposed amendments to the Charter:

Increasing the Salaries of Members of the Police Department.

1. A petition has been filed with your Honorable Board alleged to have been signed by 11,140 qualified voters of the City and County of San Francisco, praying that your Honorable Board submit a proposal to amend the Charter by increasing the salaries of members of the Police Department.

The said petition was duly referred by your Honorable Board to the Registrar of Voters for authentication of signatures thereto affixed, and said Registrar has reported to your Honorable Board that 3499 of said signatures are not verified as required by law. This being the case, your Committee regrets to state that in its opinion, in accordance with the requirements of the Constitution, your Honorable Board has no discretion other than to reject said proposal. Further, it is doubtful, under a strict reading of the law, whether or not said petition can be amended by adding thereto a sufficient number of verified signatures, in time to permit of the same being authenticated by the Registrar, and to give opportunity for the requisite advertising and interim subsequent there-to the day of holding the election.

Relating to Annual Vacations and Pay for Holidays of Municipal Employees.

2. On August 22nd, 1904, there was filed with the predecessors of your Honorable Board a petition alleged to have been signed by fifteen per cent of the qualified voters, petitioning the Board of Supervisors to submit five certain Charter amendments relating to the office hours of public officers, to the annual vacation of municipal employees, to the closing of public offices at noon on Saturdays, to weekly half holidays for municipal employees, and to the pay of municipal employees for holidays, to a vote of the qualified electors.

Thereafter, the Board of Supervisors ordered submitted the said amendments at the general election to be held in November, 1906.

The fire following the earthquake of April 18, 1906, destroyed said petitions which were on file in the clerk's office of the Board of Supervisors, and at the general election held in 1906, the same were not submitted.

Now comes Edwin R. Zion, on behalf of the petitioners, and petitions your Honorable Board to submit at the next election to be held for Charter amendment purposes, the said amendments as filed three years ago, and which have been destroyed by fire.

Your Committee advises against such submission.

1st. On the ground of common sense, there having been no verification or authentication ever made of the signatures annexed to the petitions, and all evidence of the signatures being destroyed;

2nd, That the Constitution of the State of California, as construed in the case of *Lubliner vs. Board of Supervisors of the City and County of San Francisco*, contemplates the submission of any amendment so petitioned for, either at a special election called for the purpose, or at the next ensuing general election, after the filing of such petitions.

As the Supreme Court of the State of California has held that municipal elections are general elections for Charter amendment purposes, and as no special election was called for this particular purpose, and as a municipal election was held in the year 1905, and a general state election was held in the year 1906, your Committee is of the opinion that said petition has lapsed and is no longer of any force or effect.

Sundry Petitions.

3. Your Committee recommends the denial of the following petitions to amend the Charter on the ground that they are not of sufficient public importance to warrant the departure

from the general procedure outlined by the Charter, and in full force and effect during the past seven years and more, viz.:

1. Petition of the Board of Fire Commissioners to amend the Charter by providing that the repair of Fire Department buildings and structures shall be under the control of said commissioners.

2. Petition of James Mulcahy, on behalf of himself and thirteen others, to increase the pensions of retired members of the old Fire Department.

3. Petition of Robert Munch, and other civil engineers, to prevent the City Engineer from making surveys of private property.

4. Petition of Merchants' Association of San Francisco to repeal subdivision 9 of section 9 of chapter 1 of article VI of the Charter, relating to the opening and tearing up of streets.

5. Petition of the Merchants' Association of San Francisco, imposing a duty upon the members of the Police Department of reporting defects in streets.

Use of Patented Pavements.

4. Your Committee reports against the petition of the Merchants' Association of San Francisco to amend the Charter by providing for the use of patented pavements, on the ground that there is no immediate pressing need for permitting a patented street pavement to be advantaged, at the expense of other street pavements, now specified in the General Ordinances of the Board of Supervisors, and the use of which pavements, in the opinion of your Committee, has permitted full, free and competitive bidding.

Your Committee has considered this question very thoroughly, and although the proposed amendment apparently safeguards the matter of competitive bidding, in the use of patented pavements, nevertheless, it cannot but add to the burden of expense to the City and County, the patentee being able to regulate the price, despite any injunction contained in the charter.

Providing for the Appointment of Police Judges by the Mayor.

5. Your Committee reports against the petition of the Merchants' Association of San Francisco to amend the Charter by providing that the Judges of the Police Courts shall be appointed by the Mayor. These officials are now elected every four years by the people, and although it is the general policy of the Charter to place the control of the Municipal Government in the hands of the Mayor, nevertheless, it will be readily appreciated that if such control were given a venal man, it would serve to build up and entrench a strong political machine, which is

the policy, as we take it, of your Honorable Body, to prevent.

Your Committee has proposed amendments in conformity with its recommendations, which amendments are recommended for adoption and publication by your Honorable Board.

Your Committee further recommends that the Board of Election Commissioners be instructed to place upon the ballot at the election to be held on Tuesday, November 5, 1907, the above mentioned proposals, in the manner of their presentation to your Honorable Board.

Dated, August 26, 1907.

Report of Registrar of Voters on Verification of Signatures to Petition to Amend Charter, Relative to Salaries of Members of the Police and Fire Departments.

San Francisco, August 23rd, 1907.

Hon. John H. Ryan, Clerk of Board of Supervisors of the City and County of San Francisco—Dear Sir:

In response to your communication transmitting to me two separate petitions, one seeking to amend the Charter of the City and County of San Francisco with reference to the salaries of members of the Police Department and the other seeking to amend such Charter as relating to the Fire Department.

I have to report that I caused the names of the signers to be counted upon the said petition relating to the Police Department and the actual signers thereto are 11,140.

The Petition relating to said Police matter contains 19 bundles, but each bundle contains several petitions, or separate papers, verified by separate respective persons. Section 22 of Chapter 1 of Article II of the Charter requires the oath therein referred to to be made by "One of the signers of each such paper."

The following named persons have each verified respectively a separate paper, to which the person respectively, so verifying, is not a signer, and the number of signatures thus invalidated are as respectively given below:

Bundle No. 1	A. G. Hostetter	123
Bundle No. 1	B. C. Wood	70

Total 3,499

Section 8 of Article XI of the Constitution of California requires these petitions to be signed by fifteen per cent of the qualified electors of the City and County.

Upon August 17th, 1907, the total Registration of Electors in the City and County was 61,442, of which 15 per cent was 9,216. Deducting the above 3,499 invalid signatures from the 11,140 actual signers leaves as valid signers 7,641 which is 1,575 less than the 9,216 required by the Constitution.

Recapitulation.

Number names signed..... 11,140
Number of invalid signers.... 3,499

15 per cent of 61,442..... 9,216

Excess over requirements... 2,957

No comparison of the signatures with the register has been attempted, to learn if the signers apparently valid are registered voters.

The affidavits of registration pursuant to Section 1113 Political Code are contained in 294 separate precinct books arranged in alphabetical order. The signers to these peti-

tions are not arranged by precinct or alphabetical order, and comparison is impossible until these names are first separated into 294 proper precincts, and then reduced to alphabetical order by such precincts before any comparison can be made.

No official force is employed for any such purpose. The clerks are all engaged in the work relating to the coming election. If such a comparison is to be required, it would be necessary for the Election Commissioners to empower me to call upon the Civil Service for a large number of clerks to perform the service.

It would require many days of labor by a large force of such clerks, and entail a very large expense.

Your communication does not enclose any resolution of the Supervisors requesting the Election Commissioners to undertake or order such work.

The Legislature of the State having seen the practical impossibility of such comparisons being made between a vast mass of names without alphabetical or precinct order, at the last session amended the law relating to petitions of political candidates so as to require the same to be presented in precinct and alphabetical order and arrangement in agreement with the books of precinct registration. Whether the signatures properly verified are in accordance with the Charter is, as I understand, a legal question for the Supervisors and not for the Registrar of Voters.

Respectfully submitted,

GEO. P. ADAMS,
Registrar of Voters.
Chairman.

During the reading of the foregoing report, his Honor the Mayor, left his seat and called Supervisor Brandenstein to the Chair.

Motion.

Supervisor Murphy moved that when the Board adjourns it does so to meet on Tuesday, August 27th, 1907, to consider proposals to amend the Charter. So ordered.

Motion.

Supervisor Stafford moved that the Board do not consider after this meeting any further amendments to the Charter. So ordered.

INTRODUCTION OF CHARTER AMENDMENTS.

Granting Western Pacific Railway Company Permission to Lay Temporary Grading Tracks.

Resolution No. 1221 (New Series), as follows:

Resolution granting permit to the Western Pacific Railway Company to lay down railroad tracks and to run cars thereon on certain streets for the sole purpose of excavating and filling in the same and the adjoining land.

Be it resolved by the Board of Supervisors of the City and County of San Francisco, State of California, as follows:

I. That the Western Pacific Railway Company, a corporation, be and hereby is granted permission for the period of six (6) months from the date of the passage of this Resolution to lay down railroad tracks and run cars thereon on Texas street, between Twenty-second street and a point half way distant between Twenty-second street and Twenty-first street; on Twenty-second street, between Texas street and Mississippi street; on Mississippi street, between Twenty-second street and a point half way distant between Twenty-second street and Twenty-third street; on Pennsylvania avenue, between Twenty-second street and a point half way distant between Twenty-third street and Twenty-fourth street; on Twenty-fifth street, between the westerly line of Iowa street and the westerly line of Kentucky street, for the sole purpose of excavating and filling in the above mentioned portions of said streets, and also the adjoining land either belonging to the Western Pacific Railway Company or on which said Western Pacific Railway Company may obtain permission from the owner thereof to so excavate or fill.

II. Said tracks shall be laid level with the street and shall be maintained and operated in such manner as not to interfere with the use by the public of the streets occupied by the said tracks.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'An-

cona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Full Acceptance Certain Streets.

Bill No. 272, Ordinance No. 246 (New Series), entitled, "Providing for full acceptance of the roadway of Sixth avenue, between "C" and Fulton streets, Godeus street, between California avenue and Mission street, Belvedere street, between Rivoli avenue and Seventeenth street, Seventeenth street, between the easterly line of Cole street and the westerly line of Shrader street, and the crossings of Seventeenth and Cole, Seventeenth and Shrader streets, Belvedere street, between Rivoli avenue and Alma avenue, and the intersection of Rivoli avenue and Belvedere street."

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Extension Time, Street Work.

Resolution No. 1222 (New Series), Granting the Earber Asphalt Company an extension of sixty (60) days' time from and after July 11th, 1907, within which to complete the contract for the paving of the roadway of Bartlett alley, from Jackson street to Pacific street.

This extension of time is granted for the reason that on account of the large amount of debris and building material in the street it has been impossible to complete the work within the time originally fixed by the Board of Public Works.

Thirty (30) days' time from and after September 5th, 1907, within which to complete the contract for the paving, etc., the roadway of Sutter street, from Van Ness avenue to Sansome street.

This extension of time is granted for the reason that the contractors are awaiting a decision from the courts as to the validity of their contract.

Thirty (30) days' time from and after August 6th, 1907, within which to complete the contract for paving, etc., Ellis street, from Stockton to Larkin streets.

This extension of time is granted for the reason that the neglect of property owners to move back their area walls has prevented the contractors from completing the work within the

time originally set by the Board of Public Works.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Resolution No. 1223 (New Series), Granting the City Street Improvement Company an extension of sixty (60) days' time from and after July 21st, 1907, within which to complete the contract for paving, etc., of the roadway of the crossing of Tenth avenue and "K" street.

This extension of time is granted for the reason that owing to the scarcity of material the contractor has been unable to complete the work within the time originally fixed by the Board of Public Works.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Resolution No. 1224 (New Series), Granting Flinn & Tracey an extension of twenty-eight (28) days' time from and after August 3d, 1907, within which to complete the contract for the construction of a sewer in Seventh street, from Howard street to Market street, and from Market and Seventh streets to Jones and McAllister streets.

This extension of time is granted for the reason that on account of scarcity of material the contractor has been unable to complete the work within the time originally fixed by the Board of Public Works.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Resolution No. 1225 (New Series), Granting C. S. Harney an extension of thirty (30) days' time from and after August 5th, 1907, within which to complete the contract for the paving of the roadway of Fourth street, from Howard street to Freelon street, and ninety (90) days from and after August 13th, 1907, within which to complete the contract for the paving of the roadway of Fourth street, from Freelon street to Channel street.

These extensions of time are granted for the reason that a question has arisen as to the validity of the contracts for the performance of this

work under the bond issue and the matter is now before the courts.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Prohibiting the Waste and Misuse of Water in the City and County.

Bill No. 274, Ordinance No. 247 (New Series), Restricting and limiting the use of fresh water supplied by the Spring Valley Water Company to the City and County of San Francisco and to the inhabitants thereof to domestic consumption and to building and fire purposes only; prohibiting the use thereof for unnecessary flushing of sewers, washing of vehicles, washing of sidewalks and streets, and the excessive use thereof in gardens and lawns; and prohibiting the use of fire hydrants by persons other than those authorized by the Fire Department of the City and County.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Engine and Boiler Permits.

Resolution No. 1226 (New Series), Granting Owens & Unger permission, during the pleasure of the Board of Supervisors, to erect and maintain an engine and boiler of eighty-five (85) horsepower, in premises situate east line of Sansome street, 137½ feet south of Pacific street, the same to be used for furnishing power to a spice mill.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Resolution No. 1227 (New Series), Granting M. Hagiwara permission, during the pleasure of the Board of Supervisors, to erect and maintain an engine and boiler of ten (10) horsepower, in premises situate 1211 Seventh avenue, the same to be used for laundry purposes.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Resolution No. 1228 (New Series), Granting Collins, McCarthy Candy Company permission, during the pleasure of the Board of Supervisors, to erect and maintain an en-

gine and boiler of forty (40) horsepower, in premises situate No. 409-411 Jackson street, the same to be used for furnishing power in a candy factory.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Resolution No. 1229 (New Series), Granting John Anglade permission, during the pleasure of the Board of Supervisors, to erect and maintain an engine and three boilers of thirty-five (35) horsepower each, in premises situate on the northeast corner of Cambridge and Wayland streets, the same to be used in a soap factory.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Action Deferred.

Favoring Election of November 5, 1907, Under Australian Ballot System.

Supervisor Brandenstein introduced the following Resolution:

Whereas, The Board of Election Commissioners, through its President, Mr. T. V. Cator, has reported to this Board the advisability of providing adequate means of holding the coming election, and has stated the difficulty of obtaining sufficient voting machines to replace those destroyed is augmented by the danger of having more tickets in the field than can be accommodated by the machines, which are limited in size so that they can hold but seven ballots; therefore

Resolved, That it is the sense of this Board that the coming election be held under systems authorized by the Statutes known as the Australian Ballot System, and the Board of Election Commissioners is requested in view of the difficulties presenting themselves to use the said Australian Ballot at the election to be held November 5th, 1907.

Motion.

Supervisor Brenner moved that the Resolution be *laid over one week*.

So ordered.

Action Deferred.

Supervisor Molera introduced the following Resolution:

Ordering Removal of Poles in Certain Districts.

Whereas, The indiscriminate placing of unsightly poles on the public streets and the leaving of unused and unnecessary poles therein, thereby destroying the appearance of said streets; therefore, be it

Resolved, That all poles not in actual use for the purposes intended at the time that they were erected or that in the opinion of the Chief of the Department of Electricity are unnecessary, must be removed within thirty (30) days after the passage of this Resolution; and if not so removed the Board of Public Works shall remove the same and charge the expense thereof to the owners.

All poles erected in the future must conform to design on file with the Board of Public Works, and all poles already erected that do not conform with such designs shall be changed for others that conform with said designs within one year after the passage of this Resolution.

All poles hereafter erected must be placed equidistant on each side of the street.

All poles already erected shall be moved to conform to this Resolution within one year from the passage of this Resolution.

Motion.

Supervisor Sullivan moved that action be deferred on the Resolution pending report on Bill No. 273, providing for removal of poles and wires now under consideration by the Joint Committee on Public Utilities, Streets and Judiciary.

So ordered.

The following Resolution was *passed for printing*:

Award, San Francisco Gas and Electric Company, Lighting Contract, 1907-08.

On motion of Supervisor Sachs: Resolution No. — (New Series), as follows:

Resolved, That the contract to light the streets and the outlying districts and all public buildings (except school buildings) of the City and County of San Francisco with gas and electricity, and for supplying power for all purposes for the term of one year commencing July 1st, 1907, and ending June 30th, 1908, in strict accordance with the specifications and advertisements inviting proposals thereon be and the same is hereby awarded to the San Francisco Gas and Electric Company, a corporation, at the hereinafter designated prices and modifications thereof, said company being the lowest responsible bidder, to wit:

For each separate gas lamp per night	\$.087
For each separate arc light per night20713
For gas for public buildings, per 1000 cu. feet60
For electric current for public buildings and for power purposes, per kilo-watt hour64

Provided, that the sureties on the bond of the San Francisco Gas and Electric Company, which bond is hereby fixed at \$45,000.00, shall be satisfactory to his Honor the Mayor, who is hereby authorized to enter into said contract, subject to the following conditions, to wit:

That said San Francisco Gas and Electric Company shall, during said term of one year, from July 1st, 1907, to June 30th, 1908, light the public streets and outlying districts of the City and County with not less than 4210 gas lamps and not less than 1616 electric arc lamps during the said term.

Of the above 1616 electric arc lamps 1306 shall be lighted all night and the remaining 250 may be extinguished at midnight, as is the practice at the present time; it being distinctly understood, however, that the City and County may, during the period of said term, order any and all said last mentioned lights to be lighted all night, subject, however, to the increased scale for all night lighting as hereinafter provided.

The term of lighting and extinguishing shall be as follows:

Arc lights shall be lighted three-quarters of an hour after sunset and shall be extinguished not earlier than three-quarters of an hour before sunrise, excepting, however, the aforesaid 250 lights extinguished at midnight. In the case of gas lamps the last lamp shall be lighted not later than one hour after sunset and the first gas lamp shall be extinguished not earlier than an hour and a quarter before sunrise, provided that the last lamp shall not be extinguished earlier than fifteen minutes before sunrise.

The acceptance of the bids aforesaid are subject to the following conditions, to wit:

That said bids be and they are hereby reduced and modified so that the total sum to be paid hereunder to the San Francisco Gas and Electric Company, a corporation, for the lighting of all public buildings (except school buildings), streets, and the supplying of power to the City and County for the term of one year shall be two hundred and seventy-five thousand dollars (\$275,000.), payable in such monthly sums as may be chargeable according to the monthly usage, but not to exceed in the aggregate for the year two hundred and seventy-five thousand dollars (\$275,000.).

Deductions for lights not burning shall be computed at the rate of 6.548 cents per night for single burner gas lamps; 5 cents per night for each lamp of an all-night of 12 o'clock triple lamp cluster, except where one of the lamps of a triple-lamp cluster should continue to burn all night, then the deduction charge for that lamp shall be 6.548 cents per night, 20.713 cents per night for each all-night electric arc lamp and 13.81 cents per night for each 12 o'clock arc lamp.

That irrespective of the number of lights installed the City and County shall not be obliged to pay more than the following scale of rates to the San Francisco Gas and Electric Company, a corporation, to wit:

For each single burner gas lamp, lighted all night, 6.548 cents per lamp per night.

For each gas triple lamp cluster lighted until 12 o'clock, or all night, 5 cents for each lamp of the cluster per lamp per night.

For a single lamp of a triple lamp cluster used all night where two lamps of the cluster are extinguished at midnight, 6.548 cents.

For each electric arc lamp, lighted all night, 20.713 cents per lamp per night.

For each electric arc lamp, lighted until midnight, 13.81 cents per lamp per night.

It is understood that all single burner

gas lamps and all triple lamp clusters not 12 o'clocks shall be what is termed all-night every-night lamps, i. e., lighted upon the sunset-sunrise schedule, for 365 nights in the year.

It is understood that all 12 o'clock arc lights and 12 o'clock triple lamp clusters are to burn from the lighting times as above noted until 12 o'clock midnight.

It is understood that in order to facilitate extinguishing all 12 o'clock triple lamp clusters shall be grouped and contiguous.

Action Deferred.

Withdrawn.

The following Resolution laid over from a prior meeting was taken up, and at the request of the author thereof, Supervisor D'Ancona, *withdrawn*:
Intention to Call Special Election for Bonds.

Resolved, That it is hereby declared

to be the intention of this Board to call a special election on or about October 31st, to obtain a vote of the people upon the following matters:

The issuance of bonds for an auxiliary water system for fire protection;

For the cancellation of the outstanding issues of bonds for a City and County Hospital and the issuance of a new series bearing four per cent interest for the construction of a new hospital on the present site;

For the acquisition of land for park purposes on Telegraph Hill and in the Fairmount Tract and such other projects as may be hereafter determined upon.

Action Deferred.

The following Resolution, laid over from a prior meeting was taken up, and on motion of Supervisor D'Ancona, amended, with respect to the date of holding election for adoption of Charter amendments, by striking out the words "November thirteenth," and inserting in lieu thereof the words "November five."

Whereupon, the Resolution, as amended, was laid over one week:

Board Petition His Excellency, the Governor, to Call Special Session of Legislature for Ratification of Charter Amendments.

Whereas, For the reconstruction of the public property of San Francisco there is needed a larger sum of money than can be obtained by direct taxation within the limits of the Charter; and

Whereas, There is urgently needed the installation of an auxiliary water system for fire protection, the cost of which can be borne only through an issue of bonds; and

Whereas, In the present state of the financial market, bonds cannot be sold even at the maximum rate permitted by the Charter, namely 4 per cent; and

Whereas, For the above named purposes it is necessary that the Charter of the City and County of San Francisco be amended in such a way as to permit of the issuance of bonds of a higher rate than permitted by the present Charter; and

Whereas, No amendments can be adopted until 1909, unless the State Legislature be called in special session for the approval of Charter Amendments; therefore, be it

Resolved, That the Board of Supervisors of the City and County of San Francisco, with the approval of his Honor the Mayor, petition his Excellency the Governor, to call the Legislature in special session about the first day of December, 1907, in order that amendments to be submitted to the people about the thirteenth of November may be presented to the Legislature for approval and ratification.

Adopted.

The following Resolutions were adopted by the following votes and numbered as follows:

Providing \$3892.50 for Deficiency in July, 1907, Salaries, Department of Electricity.

Resolution No. 1252 (New Series), as follows:

Whereas, the employes of the Department of Electricity have performed the work in said department during the month of July, 1907, under color of authority, and a gross injustice would be done them not to compensate them for work actually done, notwithstanding any technicality of the law to the contrary, and

Whereas, in the judgment of your Finance Committee, the Rehabilitation Fund can be drawn upon to meet the exigencies of this case therefore,

Resolved, That the sum of \$3892.50 be and is hereby appropriated for rehabilitation of departments to pay for services of employes in the Department of Electricity during the month of July, 1907, in excess of the amount for said department provided in the budget of 1907 and 1908.

Favoring the Australian Ballot System, Election of November 5th, 1907.

The following Resolution introduced at the last meeting by Supervisor Brandenstein was taken up:

Whereas, the Board of Election Commissioners, through its president, Mr. T. V. Cator, has reported to this board the advisability of providing adequate means of holding the coming election, and has stated the difficulty of obtaining sufficient voting machines to replace those destroyed is augmented by the danger of having more tickets in the field than can be accommodated by the machines, which are limited in size so that they can hold but seven ballots; therefore,

Resolved, That it is the sense of this board that the coming election be held under systems authorized by the statutes, known as the Australian ballot system, and the Board of Election Commissioners is requested in view of the difficulties presenting themselves to use the said Australian ballot at the election to be held November 5 1907.

Amendment.

Supervisor Sullivan moved to amend

by adding the following paragraph: "Further Resolved, That the Board of Election Commissioners be and is hereby requested to notify the Supervisors of its intention to use the Australian ballot system, or voting machines, at the said election."

SALARIES AND VACATIONS OF MEMBERS OF THE FIRE DEPARTMENT.

Statement.

Supervisor Murphy, Chairman of the Charter Amendments Committee, stated that the following entitled proposal to amend the Charter arose upon petition of the electors, and that it was not within the province of either the Board or the petitioners to change in any manner the wording of said petition, and further that under the requirements of the Constitution of the State of California, the Board must order submitted, said proposed amendment to the electors.

Order of Submission.

Charter Amendment No. 8, entitled, "Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco, State of California, to amend the charter of said City and County by amending chapters 8, 4 and 3 of Article IX thereof, relative to the composition of the personnel of the companies of the Fire Department and the salaries and vacations of the members thereof."

Ordered submitted.

No—Supervisor O'Neill—1.

Absent—Supervisors Brandenstein, Comte, Faymonville, Molera, Payot, Sachs, Stafford, Tveitmoe—8.

(The question on the foregoing Charter Amendment No. 20 was originally declared *lost* on a vote of nine *ayes*, one *no*, which ruling was subsequently ordered changed by the Chair to that as above noted.)

THE RECALL.

Charter Amendment No. —, entitled, "Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco, State of California, to amend the Charter of said City and County by adding to Chapter 1 of Article 11 thereof a new section to be numbered 23, relating to the recall of elected officers."

Privilege of Floor.

On motion of Supervisor Murdock, Dr. J. C. Haynes, President of the Direct Legislation League of California, was granted the privilege of the floor, and was heard at length with reference to the per centum of signatures necessary to be affixed to a petition to the Supervisors providing for the recall of any elected officer. The gentleman advocated amending the proposal by changing the requisite per centum from 40 to 25.

Amendment.

Supervisor O'Neill moved to amend the second paragraph of Section 23 of the proposal by striking out the words

"equal in number to at least forty per centum of the entire vote cast at the election at which the officer sought to be removed was elected," and by inserting in lieu thereof, the words "equal in number to at least thirty per centum of the entire vote cast at the election at which the officer sought to be removed was elected."

So ordered.

Adopted.

Whereupon, said Charter Amendment (Originally numbered 21 in the report of the Charter Amendments Committee, filed August 26, 1907) was *adopted* as amended by the following vote, and in accordance with the Supplemental Report of said Charter Amendments Committee this day filed, was designated as No. 23.

Ayes—Supervisors Booth, Bremer, Center, D'Ancona, Magee, Murdock, Murphy, O'Neill, Rixford, Sullivan—10.

Absent—Supervisors Brandenstein, Comte, Faymonville, Molera, Payot, Sachs, Stafford, Tveitmoe—8.

SUPPLEMENTAL REPORT OF CHARTER AMENDMENTS COMMITTEE.

To the Honorable, the Board of Supervisors of the City and County of San Francisco:

Gentlemen—Your Charter Amendments Committee begs leave to present the following Supplemental Report with respect to the proposal to amend the Charter by increasing the salaries of the Chief of the Department of Electricity and the employes of said department, submitted by Supervisor Brenner, Chairman of the Electricity Committee of your Honorable Board.

Your Committee has amended the proposal submitted in several particulars, by providing as follows:

1. By fixing the salary of the Chief of the Department in the sum of three thousand (\$3000) dollars per annum.

2. By providing that the salaries of the employes of the Department shall be annually fixed by the Board of Supervisors.

3. By providing that all employes of the Department shall be subject to the Civil Service provisions of the Charter, and by further providing that all persons heretofore appointed to said Department by the Civil Service Commission shall be confirmed in their appointments.

As amended, your Committee recommends the submission to the people of said proposal.

With respect to the petition of members of the Police Department, reported adversely upon by your Committee in its previous report, upon the ground that in the opinion of your Committee there was no power under the Constitution and the Charter to order the submission of the same to the electors without the requisite 15 per centum of

verified signatures being affixed thereto, your Committee begs leave to recommend, inasmuch as the petitioners are not permitted to amend their petition by adding additional names and by annexing affidavits thereto, that your Honorable Board consider the advisability of submitting the amendment to the electors of your own volition, on lines similar to that of the petition on file.

Your Committee recommends that the "Recall" proposal be given the last place on the ballot and that the proposal to amend the Charter with reference to the Department of Electricity or any other amendment that may be adopted by your Honorable Board precede said "Recall".

Respectfully submitted,

D. C. MURPHY,

Chairman, Committee on Charter Amendments.

Read and ordered filed.

School Department Amendments.

Privilege of Floor.

Alfred Roncovieri, Superintendent of Schools, was granted the privilege of the floor, and addressed the Board requesting the Supervisors to submit to the electors at the election of November 5, 1907, the proposals emanating upon petition of more than fifteen per centum of electors in the year 1904, to amend the Charter with respect to the School Department.

Adopting Adverse Report of Charter Amendments Committee.

Supervisor Murphy moved the adoption of that portion of the Report of the Committee on Charter Amendments filed on August 26th, 1907, and entered in the Journal of Proceedings of that date, reporting adversely to and recommending the rejection by the Board of Supervisors of the following proposals to amend the Charter, to-wit:

Relating to annual vacation and pay for holidays of municipal employes. Sundry petitions, to-wit:

1. Petition of Board of Fire Commissioners to control repairs to fire department buildings.

2. Petition of James Mulcahy to increase pensions of retired members of the old Fire Department.

3. Petition of Robert Munch and other civil engineers to forbid the City Engineer making surveys of private lots.

4. Petition of Merchants' Association of San Francisco, relative to opening and tearing up streets.

5. Petition of Merchants' Association to impose the duty upon members of the Police Department of reporting defects in streets.

Use of patented pavement. Providing for the appointment of Police Judges by the Mayor.
So ordered.

Resolution Adopted.

Directing Clerk to Advertise Proposals to Amend Charter, and Election Commissioners to Place Same on Ballot at Election of November 5, 1907.

Supervisor Murphy introduced the following Resolution:

Resolved, That the Clerk of this Board be and he is hereby directed to cause to be advertised for a period of 20 days in the official newspaper proposals to amend the Charter, this day adopted by the Board of Supervisors.

Further Resolved, That the Board of Election Commissioners be and they are hereby directed to place upon the official ballot at the election to be held on Tuesday, November 5, 1907, said proposals to amend the Charter, in the order and sequence of their adoption by the Board of Supervisors.

Adopted, on motion of Supervisor Murphy, as Resolution 1257 (New Series), by the following vote:

REPORT OF FEDERATED WATER COMMITTEE ON VALUATION OF PROPERTIES OF SPRING VALLEY WATER COMPANY.

The following Communication and Report was received and ordered re-

ferred to the Public Utilities Committee:

August 28th, 1907.

To the Honorable, the Board of Supervisors—Gentlemen:

Enclosed herewith please find a copy of the report made by Col. W. H. Heuer to the Federated Water Committee.

This report by resolution, submitted to your honorable board for your early consideration.

Federated Water Committee.

By Wm. F. Smith, Secretary.

To the Executive Committee of the Federated Water Committee, San Francisco, Calif.—Sirs:

It is well known that the existing water supply of San Francisco is deficient and that an additional supply is imperative. To meet these conditions the Federated Water Committee, at its first session, declared that, in its judgment, several things are necessary, among them, first, to obtain a fair and equitable appraisal of the valuation of the Spring Valley Water Company's plant and properties as a basis upon which to establish an annual water rate for consumers, as provided by law, so as to enable the Water Company to have an income sufficient to pay its operating expenses, interest on its investment, taxes and make such betterments as may be necessary to place its plant in proper condition to supply an adequate amount of water until such time as the city could acquire its own water supply; second, that the city ought to have an option to purchase the Water Company's plant at one appraised value within ten years or some other specified time; third, that such appraisement should not include property of the Water Company which may not be necessary for its working plant but which may have been acquired by it in other counties to shut out competition or property which has fallen into disuse.

There appeared, by invitation, before the Executive Committee of the Federated Water Committee, Capt. A. H. Payson, President of the Spring Valley Water Company, who stated frankly to the Committee the financial and physical conditions of the Company and afterwards submitted a letter to said Committee enclosing copy of letter which he had submitted, under date of May 22nd, 1907, to the Chairman of the Finance Committee of the Board of Supervisors. Capt. Payson was requested by the Executive Committee to submit, as far as practicable, terms and conditions on which his Company might enter into negotiations with properly authorized persons for the sale of its property. After conference with the Board of Directors, he stated orally to the Committee that, in the absence of the consent of the stockholders, he

could not fix a specific price at which the property might be sold, but suggested as a basis for negotiations and consideration that the Directors would be willing to recommend to the stockholders that the property be sold to the City for the face value of the bonds and stocks; that there be excepted from the sale the Lake Merced property, for which the Water Company would deduct from the purchase price \$4,000,000, and allow the City the use of the water in Lake Merced for a charge of four per cent per annum interest on \$4,000,000, until such time as the City no longer desires to use the water of the Lake; and that the Water Company would also deduct from the purchase price the land value of any property which it owned not actually in use for a water supply and which the City would not require. A list of these properties, with their reported cost, is appended hereto; aggregate cost, \$641,000.

The Chairman of the Finance Committee of the then Board of Supervisors also, by request, appeared before the Executive Committee and, after being informed of the condition of the Water Company and of the desires of the Executive Committee, stated the difficulties in obtaining an appropriation for the City's water supply and of changing the rates from those already fixed, but promised to submit the matter to the Finance Committee and to the Board of Supervisors with favorable recommendation.

Recently a new Mayor and Board of Supervisors were placed in charge of the City's affairs. At a meeting of our Executive Committee, held August 2nd, it was resolved that a Committee be appointed to arrange a conference with the Finance Committee of the new Board of Supervisors, to lay the matter of water supply before it. A committee of one called on the Chairman of the Finance Committee and, at the suggestion of the latter, petitioned, on August 3rd, for a public hearing before the Finance and Public Utilities Committees of the Board of Supervisors. The petition was submitted to the Board of Supervisors on August 5th and, it is believed, received consideration, but, up to the present time, no date has been set for the public hearing.

At all events, up to date, your Executive Committee has been diligent in getting information concerning the matters entrusted to its charge and has the honor to submit its conclusions for such action as the Federated Water Committee may deem proper.

The questions before us are these: What is a fair value of all the property of the Spring Valley Water Company? Secondly, in case the City decides to purchase, is it advisable to eliminate the Lake Merced Ranch?

We have made no independent investigation in the field, but present to the Committee the values of the property placed upon it from time to time.

First: The testimony given by various expert engineers in the suit of the Spring Valley Water Company brought in 1903 in the United States Court.

Second: From official reports showing the value put upon the property by City engineers in water rate investigations.

Third: From a printed report of the Chief Engineer of the Spring Valley Water Company, Mr. Herman Schussler, prepared after the disaster in 1906.

Fourth: From statements submitted by the Spring Valley Water Company.

Fifth: From outside sources.

The latter amount represents valuation, as determined above, in 1905, without considering any variation in value of property since 1877.

The aggregate of 14 above estimates 433,760,536.00
Average

30,982,895.43
The amount thus deduced, viz: \$30,982,895.43 was obtained by attaching equal weight to each of the fourteen estimates above referred to and taking a mean or average of all of them. This, it was thought, would afford a reasonably close approximation to the value of

all the property owned by the Spring Valley Water Company, including that at Lake Merced, which had not been offered for sale.

Twelve of the estimates used in the above calculation, were made before the fire and earthquake of April 18th, 1906.

In consideration of the estimates taken before the fire, it cannot be now overlooked that the Spring Valley Water Company suffered in common with most other property owners by direct and indirect injury.

The blow given the City is reflected by all its public service corporations. Consumers have been reduced in number and others have taken up new locations, rendering useless many of the old service connections in the burned district; pipes have been broken and mains have been ruptured.

"Pilareitas conduit, which, for a considerable portion of its length is crossed by the fault line, was, from such portion broken, telescoped, collapsed, pulled apart and damaged beyond possibility of economical repair. The San Andreas conduit was broken where it crossed the head of the Baden Marsh. Several stretches of the Crystal Springs conduit were injured. At Baden Marsh the pipe was ruptured in many places and long sections were thrown from the trestle and a great length of the trestle was broken down. Examinations disclosed that some of the timbers were decayed. The distributing mains were injured in many places. Those from College Hill and University Mound Reservoirs were completely severed and those from Lake Honda badly damaged."

(Report of Committee on Water Supply to the Committee on Reconstruction of San Francisco, May 26th, 1906. Signed by C. H. McKinstry, Engineer Corps, U. S. A.; Thomas P. Woodward, City Engineer, and Messrs. Bogue, Marx, Hunt, Duryea, Manson and Brown.)

The fault line ran through the center of the San Andreas and Crystal Springs Reservoirs, causing some damage to the upper Crystal Springs dam, and by reason of this partial destruction causing the abandonment of the Pilareitas thirty-inch pipe line.

The total distance of destroyed bridges and broken pipes in the valleys was 2,850 feet. Lake Honda Reservoir was damaged by the earthquake, cracking the heavy western wall. (See the report on the Water Supply of San Francisco, by Herman Schussler, Chief Engineer Spring Valley Water Company, July 23rd, 1906.)

These reports, when examined, show not only considerable actual damage which has since been in part repaired, but they reveal the potential danger to a water system whose main reservoirs

in San Mateo County are traversed by the earthquake fault which may, at any time, cause serious injury.

The market or selling price of the securities, bonds and stocks of the Spring Valley Water Company has declined since the disaster, which, perhaps, indicates, to some extent, the measure of the damage done to the property by the disaster.

In January, 1906, I. W. Hellman, syndicate manager, who had agreed to purchase the bonds at 93, sold them to the public in large blocks at 98. They are now selling at 83, or a decline of fifteen points, which represents a shrinkage of \$2,678,850. Likewise, the stock, which was selling before the fire at thirty-seven and three-fourths, dropped to 20, representing a decline of 17 $\frac{3}{4}$ on the 280,000 shares, or \$4,970,000, or a total depreciation in the property, so far as the market value of the securities is concerned, of \$7,648,850.

Since the disaster an assessment of three dollars per share has been levied and collected, amounting to \$840,000, a large part of which has been presumably used to repair damage.

In the estimate of \$30,982,895.43, as an approximate appraisement of the value of the Spring Valley Water Company's plant and properties, twelve of the estimates used and having been made prior to 1907, did not take into consideration any loss by damage through the earthquake and fire to the company's property. This should be considered, and the only estimate we have of said loss is contained in an estimate by the City Engineer in 1907, in which the loss is estimated at \$1,250,000, and which is partly offset by betterments made since, estimated by him at \$309,501, or a net loss of \$880,499; also by an assessment amounting to \$840,000 levied on the stockholders and by the shrinkage in the market value of the stocks and bonds. If the estimated net loss, viz., \$880,499, be deducted from each of the twelve estimated values before the fire and there be added to that result the other two estimates made after the fire, viz., the City Engineer's estimate of 1907, \$21,569,828, and market value of stocks and bonds (stock at 20, bonds at 83), \$20,422,970, the result is \$123,194,548, which represents an aggregate of fourteen estimates of valuation reduced to an after-fire basis, from which an average valuation of \$30,228,182 is obtained.

In the appraisement thus resulting the lowest market value of the stock and bonds was again used as one item in determining valuation. The stock fluctuate and certainly do not determine the actual value of the property. If the item referred to be omitted from the calculation, the average estimated value of the property, based on the

other thirteen estimated items, becomes \$30,982,429.

It is evident from an examination of eleven estimated values of the property varying between the extreme limits of \$51,500,000 and \$22,736,643, made by competent engineers, that it is difficult to fix an actual valuation on this property. Dozens of combinations of these estimates, in groups of twos, threes or a larger number, can be made, and an average of each combination taken will result in many different valuations of the property.

What is believed to be the fairest method is to take all the estimates herein used into consideration. The average thus obtained lies between thirty and thirty-one millions of dollars, which is slightly less than the terms which the water company tentatively suggested.

From testimony offered in court, it is difficult, perhaps impracticable, to ascertain the value of the Lake Merced property. Estimates were made, but were so tied up with other items, such as water rights, catchment areas, lands, pumping plants and other properties not itemized, that a separate valuation of the Merced properties is difficult to obtain.

In his report of 1903, Mr. Grunsky, City Engineer, estimates value of Lake Merced property at \$2,573,293; Mr. Woodward, City Engineer, in 1907, estimates it at \$2,702,979, plus \$3,000. It is said that a real estate firm in this city has estimated the value of the property at \$13,000,000 to \$16,000,000.

The Lake Merced system supplies about $3\frac{1}{2}$ million gallons per day, or about 10 per cent of all the water furnished the city. The average present daily supply is nearly 35 million gallons, and this is believed to be about the existing capacity of supply of the Spring Valley Water Company. It is barely sufficient for present demand. Colonel Mendel, in his exhaustive report of 1877, estimates that by an expenditure of \$6,836,200 the Alameda system may be developed so that the company can furnish about 80 million gallons per day, and that said amount is about the ultimate limit of the water-resources of the company.

In a paper recently prepared by Mr. Schussler for the Commonwealth Club of San Francisco it was stated that the Alameda system can be developed to produce a reliable yield of between seventy and seventy-five million gallons per day; that the peninsula system, by taking in the San Gregorio and Pescadero watershed, by raising its Crystal Springs dam and obtaining additional water from Purissima, Lower Pilarcitas and Locks creeks, can be developed so as to furnish a daily supply of forty-five millions of gallons. This would aggregate an average daily supply of

one hundred and ten to one hundred and twenty millions of gallons. This would suffice for the requirements of about one million people. Professor Marx estimates that this population may be reached about the year 1940.

Additional water must eventually be obtained from other sources, probably from the Sierras. To bring this water to the city may take ten years of time. The city is growing; in ten years its water requirements will probably amount to fifty-two million gallons per day. This additional supply or increase for economical reasons will probably come from a development of the San Antonio Creek country in Alameda County. From information furnished by the Chief Engineer of the Spring Valley Water Company it has been roughly estimated that this locality, with an expenditure of about one million dollars, will, after one year's time, furnish about ten million gallons per day. If more than this is required, the Arroyo Valley may be developed at an estimated cost of a little more than two or two and one-half millions of dollars, and it will furnish about twenty millions of gallons per day.

Calaveras Creek may also be developed at an expenditure of between ten and eleven millions of dollars, and will furnish an estimated daily supply of thirty million gallons. At present this development is not deemed advisable, for the following reasons: 1st, That it will take at least three years to build the dam, or before any water from that source can be supplied; 2nd—There is a question to be determined as to the legal rights of the Spring Valley Water Company to a part of its water resources in Alameda County. 3rd—Uncertainty as to whether or not at reasonable expense a satisfactory foundation can be obtained for the proposed high dam in the Calaveras watershed; 4th—The reported lowering of the water table in Alameda County by the drafts made upon its subterranean waters.

To get water from the San Gregorio and Pescadero on the coast will cost more, and on account of numerous tunnels will take longer than to obtain it from Alameda County.

Unless the city purchases or acquires the Spring Valley Water Company system, it is probable that none of the Alameda County properties will be developed. This system now supplies the city with about fifteen millions of gallons per day. The supply from the Peninsula system is at present only capable of furnishing about twenty millions of gallons per day.

Immediate action is believed to be necessary. To postpone needed extensions to the present water works system is dangerous. The present owners allege that because of a lack of funds

or their inability to advantageously sell bonds, they cannot extend the system. Provision must be made at once to increase the water supply from thirty-five million gallons per day to fifty or sixty million gallons per day, and steps should be taken to secure an ultimate supply of not less than 200 million gallons per day.

The question of water supply for this city has been fully discussed before the Commonwealth Club of San Francisco, and the final report of its Section of Social Welfare is as follows:

"Resolution, April 10th, 1907.

"Whereas, A pure and abundant supply of water is an imperative necessity for San Francisco and its neighbor cities; and whereas, the public is not in possession of sufficient information to decide wisely between the different sources of Sierra supply; and whereas, the two Sierra projects favored by the present and preceding city administrations have been complicated with irrelevant questions; and whereas, it is important that the people be assisted in their choice by competent and unbiased authority; be it

"Resolved, That the Commonwealth Club advises and requests that the Board of Supervisors reappoint the Board of Engineers to which the examination of water projects was committed last year and that this board be instructed to determine:

"1st—The source of water supply in the Sierra Nevada Mountains that will, at the least cost, and in the shortest time, provide the best and most eligible supply to meet the present and future needs of San Francisco, with a possible addition of Oakland and Alameda.

"2nd—The best route on which to bring the water to this city.

"3rd—The best and most economical plan for securing a distributing system."

The above resolutions cover the whole ground. In the above recommendations with the exception that the investigation should include only the San Francisco supply, we heartily concur.

Besides a Sierra supply, we believe we must have the Spring Valley system. It has been shown how a valuation of between thirty and thirty-one millions of dollars for the system was obtained as an average of fourteen different estimates, which include those of the company's experts and which appear large.

As to the Merced Ranch, within the city limits, from which three and one-half million gallons of water, of questionable purity, is drawn daily, it may be regarded as an emergency supply. In case of pipe breakage it might serve as a temporary supply, and to that extent only is valuable as a source of water.

Should the city acquire the Merced Ranch, it could, under a charter amendment, resell the land in subdivisions after first having created park drives and open spaces, and protecting by dike and bulkhead the lake waters from surface seepage; the lake itself is fed by subterranean springs.

As San Francisco is deficient in suburbs, this large acreage within the city limits should not be excluded from settlement. Such a plan as this could be entertained after the city had secured a Sierra supply.

We have given the average value of the whole based on various estimates.

The market value of the bonds (@83) and the stock at 20 amounts to \$5,600,000 for the stock and \$14,822,970 for the bonds, or a total of \$20,422,970.

It is safe to say that should an attempt be made to buy all the stock, its price would rapidly appreciate. On the other hand, should the city not purchase the Spring Valley Water Company's properties, but construct its own works and distributing system, the market value would show still greater depreciation. The bonds yield 4 per cent interest on par and mature in 1925. There are \$17,850,000 issued out of \$28,000,000 authorized. On December 31st, 1905, sufficient bonds were underwritten at 93 to take up the old bonded indebtedness of \$14,500,000, and other bonds have been sold at about the same rate. Due to the condition of the money market and to the late disaster, in which the Spring Valley Water Company's property was considerably damaged, the stock fell to 20 and the new bonds to 83. At 80 they would yield 5 per cent.

The property of the Spring Valley Water Company has actually depreciated in value because it is not able to furnish as much nor as pure a supply as it was before the disaster, and the weak spots of the system have been exposed. It is only entitled to a return upon its value, whatever be the causes of depreciation. That is one of the ordinary risks of ownership. When it rehabilitates its plant it will be entitled to a return on the increased value of its property. So when stockholders, as in this case, assess themselves, they add value which should yield revenue.

Private individuals have suffered loss by reason of the late disaster and have begun uncomplainingly to restore their property. They are not insured an income by law, but they may profit by a speculative advance.

Unlike private property, however, quasi-public property, invested with a public use, is practically barred from speculative advances, and if the property suffers injury, the stockholders should restore it with a guarantee that they will receive interest on their new investment.

The courts have held: "The cost of the system cannot be used as a basis for fixing rates, but only its present value."

The cost of the system is presumably represented by the stocks and bonds. These are selling below par; that is to say, the public is unwilling to buy the property at its cost.

The peculiar character of quasi-public property subject to regulation certainly affects its value. But its character is stamped on it by the constitution, and it has no other character. If private citizens choose to deal in so essential a commodity as water, and subject their investments to constitutional limitations, they cannot complain.

No one will buy property which has no speculative value and whose income is determined by interested third parties.

All these considerations tend to keep down the value of the property of a water company under the laws of the State of California and almost compel municipal ownership.

We recommend that the city authorities by negotiation agree upon a price with the company, for all or such portion of said property as may be desired and at that price an option to purchase for five years be immediately secured, and that thereafter a bond election be ordered, at which the citizens may have an opportunity to vote.

Respectfully submitted,

For the Committee,

W. H. HEUER, Chairman.

COMMUNICATIONS AND REPORTS FROM CITY AND COUNTY OFFICERS.

Communications and Reports from City and County officers were received and referred as follows:

To the Charter Amendments Committee.

From the Board of Election Commissioners, notifying Board of their intention to conduct election of November 5, 1907, by means of the official paper ballot prescribed by Section 1197 of the Political Code.

From Alfred Roncovieri, Superintendent of Schools, to order submitted to the electors certain proposals to amend the Charter, petitioned for by the electors in the year 1904.

To the Committee on Education.

From the Board of Education, to the effect that it has leased at a nominal rental, the Harrison Primary School site, on Grove street, between Polk and Larkin streets, to the Fire Department.

To the Equalization of Assessments Committee.

From the Tax Collector, recommending that Certificate of Sale No. 692, for

the year 1906, representing property in W. A. Block No. 815, assessed to I. Moore, and sold to the State in error for non-payment of taxes be canceled by the Recorder in accordance with Section 3805 of the Political Code.

From the Tax Collector, requesting that the Recorder be directed to cancel Certificate of Sale No. 562, for year 1906, representing property in W. A. Block No. 319, assessed to L. Elkus, and sold in error to the State for non-payment of taxes.

To the Finance Committee.

From the Registrar of Voters, with requisition for Elliott-Fisher Book-keeping Machine, formerly used in the Commissary Department.

From F. A. Schmitz, Superintendent of the City and County Almshouse, with requisition for 1 Platform Scale, 1 Counter Scale and 1 Truck heretofore used in the Commissary Department.

To the Hospital and Health Committee.

From the City Attorney, stating, with respect to title of certain property in Forty-ninth avenue, between H and I streets, that owing to the loss of public records he will be unable to give desired information until he is in receipt of abstract for which he has applied to an Abstract Company.

To the Judiciary Committee.

From the Sheriff, with requisition for set of California Reports for use in Department No. 2, Superior Courts.

From Wm. G. Burke, City Attorney, enclosing opinion of Judge Sturtevant as to the constitutionality of Ordinance No. 189 (New Series), relating to erection of stables.

To the Police Committee.

From the Juvenile Detention Home, with report for the month ending August 31, 1907.

From the Poundkeeper, with report for the month of July, 1907.

To the Public Utilities Committee.

From the Board of Education, transmitting Resolution of said Board requesting that all properties purchased in the City and County by Bond Issue moneys be dedicated to the School Department in accordance with law and the spirit and intent of the Bond Issue.

From the Board of Public Works, requesting that the sum of \$81,000 be set aside for the construction of the McKinley School, plans and specifications for which have been approved by the Board of Public Works and the Board of Education.

To the Joint Committee on Public Utilities, Education and Buildings.

From the Board of Education, submitting in compliance with request for information as to the particular school most needed at the present time, that

the construction of the Bay View School be commenced at once.

From the Board of Public Works, transmitting approved plans and specifications of the Monroe School, and recommending that the sum of \$81,000 be set aside for the construction of said school.

From the Board of Education, submitting list of schools most needed in the City at the present time; also, list of land sites required.

To the Printing and Salaries Committee.

From the Mayor, with requisition for one Remington typewriting machine.

From the Stationery Department of the Board of Supervisors, with report for the month ending July 31st, 1907.

From the Police Department, with requisition for 50 Alphabetical Rolls and 50 Numerical Rolls for use in the Police Department.

From the Board of Police Commissioners, with requisition for one copy of Church's Annotated Charter.

To the Streets, Sewers and Parks Committee.

From the Board of Public Works, recommending the expediency of performing the following street work, the expense thereof to be assessed on private property, to wit:

1. That a 12-inch ironstone pipe sewer with appurtenances be constructed in Ashbury street, from the northerly boundary of San Miguel Rancho to a point on a line at right angles with the southeasterly line of Ashbury street at its point of intersection with the northerly line of Sixteenth street; that that a 12-inch ironstone pipe sewer be constructed in Ashbury street, from the last described point to a point in a line at right angles with the southeasterly line of Ashbury street at its point of intersection with the center line of Sixteenth street.

2. That a 12-inch, 15-inch and 18-inch ironstone pipe sewers be constructed in the crossing of Arkansas street and Sixteenth street.

Also, that granite curbs and a bituminous rock pavement be constructed on Seventh avenue, between "A" and "B" streets.

3. That "C" street, between Forty-seventh and Forty-eighth avenues be improved by macadamizing the roadway and sidewalks thereof.

That artificial stone sidewalks be constructed on both sides of Sixth avenue, between Point Lobos avenue and "B" street; and also, that granite curbs and artificial stone sidewalks be constructed on the four angular corners of the crossing of Sixth avenue and "A" street.

4. That granite curbs and artificial stone sidewalks be constructed on

Turk street, between Masonic avenue and Central avenue, and on the intersection of Turk street and Central avenue.

5. That the crossing of "B" street and Forty-sixth avenue be graded to official line and grade; that redwood curbs and a macadamized pavement be constructed thereon.

6. That Seventh avenue, between "A" and "B" streets be improved by constructing granite curbs and a bituminous rock pavement on the roadway thereof.

7. That Forty-ninth avenue, between "B" street and Fulton street be improved by grading to official line and grade, and by constructing granite curbs and artificial stone sidewalks on the four angular corners of the crossing of Forty-ninth avenue and "C" street.

Also, recommending that C. S. Harney be granted an extension of 90 days' time from and after August 29th, 1907, within which to complete street work on "H" street, from Twentieth to Twenty-eighth avenues.

Also, recommending that C. S. Harney be granted an extension of 90 days' time from and after September 12th, 1907, within which to complete contract for the paving of Fourth street, between Freelon and Channel streets.

Also, recommending that C. S. Harney be granted an extension of 90 days' time from and after September 4th, 1907, within which to complete contract for the completion of street work on Fourth street, between Howard and Freelon streets.

Also, recommending that Flinn and Treacy be granted an extension of 90 days' time from and after September 8th, 1907, within which to complete contract for street work on Mission street, between Twentieth and Army streets.

Also, requesting that the sum of \$400 be set aside for the repair to machinery of the Fourth-street Bridge.

Also, recommending that the width of sidewalks on Hawthorne street be fixed at nine (9) feet.

Also, requesting that the sum of \$25,000 be set aside for the repaving of Fillmore street, between Fulton and Sacramento streets.

Also, recommending the full acceptance of the roadway of Palm avenue, between California street and Euclid avenue, paved with bituminous rock.

Also, recommending the full acceptance of the roadway of Dolores street, between Sixteenth and Seventeenth streets, paved with bituminous rock.

Also, recommending the full acceptance of the roadway of Broderick street, between Eddy and Ellis streets, paved with bituminous rock.

Also, recommending the full accept-

ance of the crossing of the roadway of Palm avenue and Euclid avenue, paved with bituminous rock.

Also, calling attention to recommendation of said Board in the matter of constructing a sewer in First avenue and "H" street, and stating that the City is liable for a part of the expense for the doing of said work.

Also, recommending the ordering of the following street work:

That Forty-sixth avenue, from "B" to "C" street, be improved by grading to official line and grade.

Also, that a bituminous rock pavement be constructed on the crossing of Twenty-sixth and Bryant streets; that artificial stone sidewalks be constructed on the westerly side of Dolores street, between Market and Fifteenth streets, on Twenty-fourth street, between Diamond and Douglass streets, and on Fair Oaks street, between Twenty-third and Twenty-fourth streets.

Referred to Board of Public Works.

A Petition of the Music Committee of the Fillmore Street Improvement Association, for permission to erect band stands at various locations in the vicinity of Fillmore Street, was received, read and *ordered referred to the Board of Public Works.*

Reports of Committees.

The following Committees by their respective Chairmen presented reports on various matters referred, which reports were received, read and *ordered filed*, to-wit:

Fire Committee, by Supervisor Faynonville.

Police Committee, by Supervisor Stafford.

Public Buildings Committee, by Supervisor Rixford.

Printing and Salaries Committee, by Supervisor Booth.

Hospital and Health Committee, by Supervisor Payot.

Report of Public Utilities Committee Against Petitions to Condemn for Public Use Existing Street Railway and Telephone Systems.

To the Honorable Board of Supervisors,—

Gentlemen: Your committee on Public Utilities to which was referred a petition that plans be prepared whereby the municipality shall condemn for public use all of the existing street railway and telephone systems of this city, and submit to the people the proposal to issue bonds of an amount estimated at twenty-two millions for the immediate acquisition of said properties as a municipal enterprise, and requesting that subpoenas issue to compel the attendance of witnesses to prove that public interest and necessity demand the ac-

quisition of said properties, begs leave to report thereon as follows:

The Charter limits the bonded indebtedness of the city to fifteen per cent of the assessed valuation. At the present valuation of four hundred and twenty million dollars the extreme limit of the city's possible bonded indebtedness is sixty-three million dollars. As an issue of seventeen million dollars has already been authorized, the city's capacity to borrow is now limited to forty-six millions. Were twenty-two millions set aside for the purchase of street railway and telephone systems, there would remain but twenty-four millions with which to acquire water works and an auxiliary system of fire protection, and to provide for the reconstruction of the City Hall and other public property. It is evident, therefore, that in the present state of the city's borrowing power, the most ardent disciples of public ownership must choose between a system to supply the city with water for domestic and fire purposes on the one hand, and the wholesale operation of street railways on the other. Your committee believes that the public ownership of an adequate water system is of prime and pressing importance to prosperity, safety and health of the city. Whatever else the city may undertake it must not drain its capacity to borrow in such a way as to make a public water system an impossibility.

Furthermore, the maximum rate of interest that our bonds can bear under the present Charter is four per cent, a rate at which it is universally recognized bonds cannot be sold in the present state of the financial market. It is to be regretted that all public enterprises requiring the expenditure of large sums of money await the adoption of an amendment to the Charter and its ratification by the Legislature.

The Committee on Public Utilities therefore recommends that consideration of the petition be indefinitely postponed, and that the application for the issuance of subpoenas be not granted.

Respectfully submitted,

Award, San Francisco Gas and Electric Company, Lighting Contract, 1907-08.

Resolution No. 1272 (New Series), as follows:

Resolved, That the contract to light the streets and the outlying districts and all public buildings (except school buildings) of the City and County of San Francisco with gas and electricity, and for supplying power for all purposes for the term of one year commencing July 1st, 1907, and ending June 30th, 1908, in strict accordance with the specifications and advertisements inviting proposals thereon be and the same is hereby awarded to the San Francisco Gas and Electric Company,

a corporation, at the hereinafter designated prices and modifications thereof, said company being the lowest responsible bidder, to wit:

For each separate gas lamp per night	\$.087
For each separate arc light per night20713
For gas for public buildings, per 1000 cu. feet60
For electric current for public buildings and for power purposes, per kilo-watt hour04

Provided, that the sureties on the bond of the San Francisco Gas and Electric Company, which bond is hereby fixed at \$45,000.00, shall be satisfactory to his Honor the Mayor, who is hereby authorized to enter into said contract, subject to the following conditions, to wit:

That said San Francisco Gas and Electric Company shall, during said term of one year, from July 1st, 1907, to June 30th, 1908, light the public streets and outlying districts of the City and County with not less than 4210 gas lamps and not less than 1616 electric arc lamps during the said term.

Of the above 1616 electric arc lamps 1366 shall be lighted all night and the remaining 250 may be extinguished at midnight, as is the practice at the present time; it being distinctly understood, however, that the City and County may, during the period of said term, order any and all said last mentioned lights to be lighted all night, subject, however, to the increased scale for all night lighting as hereinafter provided.

The term of lighting and extinguishing shall be as follows:

Arc lights shall be lighted three-quarters of an hour after sunset and shall be extinguished not earlier than three-quarters of an hour before sunrise, excepting, however, the aforesaid 250 lights extinguished at midnight. In the case of gas lamps the last lamp shall be lighted not later than one hour after sunset and the first gas lamp shall be extinguished not earlier than an hour and a quarter before sunrise, provided that the last lamp shall not be extinguished earlier than fifteen minutes before sunrise.

The acceptance of the bids aforesaid are subject to the following conditions, to wit:

That said bids be and they are hereby reduced and modified so that the total sum to be paid hereunder to the San Francisco Gas and Electric Company, a corporation, for the lighting of all public buildings (except school buildings), streets, and the supplying of power to the City and County for the term of one year shall be two hundred and seventy-five thousand dollars (\$275,000), payable in such monthly sums as may be chargeable accord-

ing to the monthly usage, but not to exceed in the aggregate for the year two hundred and seventy-five thousand dollars (\$275,000).

Deductions for lights not burning shall be computed at the rate of 6.548 cents per night for single burner gas lamps; 5 cents per night for each lamp of an all-night of 12 o'clock triple lamp cluster, except where one of the lamps of a triple-lamp cluster should continue to burn all night, then the deduction charge for that lamp shall be 6.548 cents per night, 20.713 cents per night for each all-night electric arc lamp and 13.81 cents per night for each 12 o'clock arc lamp.

That irrespective of the number of lights installed the City and County shall not be obliged to pay more than the following scale of rates to the San Francisco Gas and Electric Company, a corporation, to wit:

For each single burner gas lamp, lighted all night, 6.548 cents per lamp per night.

For a gas triple lamp cluster lighted until 12 o'clock, or all night, 5 cents for each lamp of the cluster per lamp per night.

For a single lamp of a triple lamp cluster used all night where two lamps of the cluster are extinguished at midnight, 6.548 cents.

For each electric arc lamp, lighted all night, 20.713 cents per lamp per night.

For each electric arc lamp, lighted until midnight, 13.81 cents per lamp per night.

It is understood that all single burner gas lamps and all triple lamp clusters not 12 o'clocks shall be what is termed all-night every-night lamps, i. e., lighted upon the sunset-sunrise schedule, for 365 nights in the year.

It is understood that all 12 o'clock arc lights and 12 o'clock triple lamp clusters are to burn from the lighting times as above noted until 12 o'clock midnight.

It is understood that in order to facilitate extinguishing all 12 o'clock triple lamp clusters shall be grouped and contiguous.

Extensions of Time, Street Work.

Resolution No. 1273 (New Series), Granting the Humboldt Construction Company an extension of fifty days' time from and after September 10th, 1907, within which to complete the contract for the construction of the Ingleside Boulevard, between Ocean avenue and the County line.

Report of Public Utilities Committee on Application of Geary Street, Park and Ocean Railroad Company to Operate System.

San Francisco, August 30th, 1907.
To the Honorable, the Board of Supervisors of the City and County of San Francisco—Gentlemen:

Your Committee on Public Utilities to whom was referred the application of the Geary street, Park and Ocean Railway Company for the privilege to operate cars over Geary street, from Kearny street to Fulton street and Tenth avenue, together with other petitions relating to the same subject, begs leave to report as follows:

The necessity for transportation facilities is so great that the Geary-street line should be opened up to traffic on the best terms that can be obtained, even if under more prosperous circumstances the City might demand more favorable conditions.

With this in mind the Committee recommends that the application of the Geary Street, Park and Ocean Railway Company be granted on the following conditions, to wit:

1. That the permit shall not be construed or claimed to be a franchise, or by lapse of time to become a franchise.

2. That the permit be revocable by the Board of Supervisors or by the Mayor at one day's notice.

3. That the permit be granted and accepted on the condition that upon receipt of the notice before mentioned the said railroad will cease to operate its cars and will not permit the use of its cars on the tracks heretofore used by said railroad.

4. That said Company file with the Clerk of your Honorable body a detailed statement of the monthly receipts derived from passenger fares.

5. That said Company pay into the municipal treasury monthly 10 per cent of the total gross receipts.

6. That said Geary street, Park and Ocean Railway Company shall pave and keep in repair that portion of the street between the rails of said road and two (2) feet on both sides thereof.

Respectfully submitted,

A. A. D'ANCONA.

JAMES P. BOOTH,

L. SACHS.

Committee on Public Utilities.

Read and ordered filed.

Geary Street, Park and Ocean Railway Company Resume Operations.

Whereupon, Supervisor D'Ancona introduced the following Resolution and moved its adoption:

Resolution No. — (New Series), as follows:

Resolved, That permission be and is hereby granted to the Geary Street, Park and Ocean Railway Company to operate cars on the route heretofore traversed by the cars of said Company, this permit being granted and exacted upon the express conditions, to wit:

1. That this permission shall not be construed or claimed to be a franchise or in any way whatever to become a franchise.

2. That this permit may continue only during the pleasure of the Board of Supervisors and may be revoked at one day's notice, either by the Board of Supervisors or by the Mayor.

3. That upon the receipt of the notice hereinbefore mentioned the Geary Street, Park and Ocean Railway Company will cease to operate cars on the aforesaid route and will not permit its cars to be operated on said route.

4. That a statement will be filed by the Geary Street, Park and Ocean Railway Company, monthly, of the total receipts derived from passenger fares.

5. That said Geary Street, Park and Ocean Railway Company pay into the municipal treasury monthly 10 per cent of the gross receipts of the said Company derived from passenger fares.

6. That said Geary Street, Park and Ocean Railway Company will pave and keep in repair that portion of the streets between the rails of said road and two (2) feet on both sides thereof.

Motion.

Supervisor Faymonville moved that Horace G. Platt, president of the Geary Street, Park and Ocean Railway Company be granted the privilege of the floor.

So ordered.

Privilege of the Floor.

Whereupon, Mr. Platt addressed the Board and while agreeing to the other conditions specified in the Resolution, objected to the one imposing the obligation on the Company of paying into the Treasury of the City and County 10 per cent of the gross receipts of the Road, holding that 5 per cent was all that the Company was able to pay under normal conditions.

Motion.

Supervisor O'Neill moved that the representatives of Organized Labor be granted the privilege of the floor.

So ordered.

Privilege of the Floor.

Thereupon, P. H. McCarthy, Pres-

ident of the Building Trades Council of San Francisco, Richard Cornelius, President of the Carmen's Union, A. W. Sweeney, representing the Iron Trades Council, and W. J. French, representing the Allied Printing Trades Council, addressed the Board requesting that a condition be inserted in the permit that the wages of platform men be fixed at \$3.00 per day of 8 hours, or in lieu thereof that the City proceed to operate the road itself.

Amendment.

Supervisor O'Neill moved to amend the Resolution by adding thereto the following clause, "It is understood that a condition of granting this permit is that the said Geary Street, Park and Ocean Railway Company shall pay the platform men it may employ a minimum wage of \$3.00 for 8 hours service a day."

Substitute Motion.

Supervisor Sullivan moved as a substitute for the whole that the entire matter be laid over one week.

Motion lost by the following vote:

Ayes—Supervisors Booth, Center, O'Neill, Sullivan, Tveitmoe—5.

Noes—Supervisors Brandenstein, Brenner, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, Payot, Rixford, Sachs, Stafford—13.

Motion to Amend Lost.

Whereupon, the question being taken on Supervisor O'Neill's amendment, said motion was lost.

Motion to Amend Lost.

Supervisor Brenner moved to amend the Resolution by striking out the words and figures "10 per cent" with respect to the percentage of gross receipts to be paid to the City and County and by inserting in lieu thereof the words and figures "5 per cent."

Motion lost by the following vote:

Ayes—Supervisors Brenner, Faymonville, Sachs—3.

Noes—Supervisors Booth, Brandenstein, Center, Comte, D'Ancona, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Stafford, Sullivan, Tveitmoe—15.

Resolution Adopted.

Whereupon, the question being taken on the adoption of the Resolution as recommended by the Committee, the same was carried and said Resolution adopted as Resolution No. 1285 (New Series), by the following vote:

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan—17.

No—Supervisor Tveitmoe—1.

Action Deferred.

The following Resolution, laid over from a prior meeting, was taken up and, on motion of Supervisor D'Aucona, again *laid over one week*:

Board Petition His Excellency, the Governor, to Call Special Session of Legislature for Ratification of Charter Amendments.

Whereas, For the reconstruction of the public property of San Francisco there is needed a larger sum of money than can be obtained by direct taxation, within the limits of the Charter; and

Whereas, There is urgently needed the installation of an auxiliary water system for fire protection, the cost of which can be borne only through an issue of bonds; and

Whereas, In the present state of the financial market, bonds cannot be sold even at the maximum rate permitted by the Charter, namely, 4 per cent; and

Whereas, For the above named purposes it is necessary that the Charter of the City and County of San Francisco be amended in such a way as to permit of the issuance of bonds of a higher rate than permitted by the present Charter; and

Whereas, No amendments can be adopted until 1909, unless the State Legislature be called in special session for the approval of Charter Amendments; therefore, be it

Resolved, That the Board of Supervisors of the City and County of San Francisco, with the approval of his Honor the Mayor, petition his Excellency the Governor, to call the Legislature in special session about the first day of December, 1907, in order that amendments to be submitted to the people about the thirteenth of November may be presented to the Legislature for approval and ratification.

Referred.

City Attorney Institute Condemnation Proceedings for County Jail and Hall of Justice Lands.

The following Resolution, laid over from a prior meeting, was taken up, and on motion of Supervisor D'Aucona, ordered referred to the Joint Committee on Public Buildings and Police.

Resolution No. — (New Series),

Whereas, The offers submitted to the Board of Supervisors by the owners of property in lands comprising the County Jails and Additions to the Hall of Justice sites, authorized to be purchased under the Bond Issue, are, in the judgment of the Board of Supervisors, unreasonable and excessive, and said Board is unable to agree with the owners of said property upon a price deemed reasonable by said Board; now, therefore, be it

Resolved, That the City Attorney be and he is hereby authorized and

directed to commence condemnation proceedings for the acquisition by the City and County of San Francisco of the following described lands for the purpose of constructing thereon the new County Jail and Additions to the Hall of Justice as authorized by the electors at a special election held for that purpose on September 29th, 1903, to-wit:

County Jail Site.

Commencing at a point on the south side of Washington street, distant thereon one hundred and thirty-seven (137) feet six (6) inches west from the southwest corner of Washington and Montgomery streets, and thence along said southerly line of Washington street one hundred and six (106) feet six and one-half (6½) inches to the southeast corner of Washington street and Dunbar Alley thence southerly along the easterly line of Dunbar Alley fifty-three (53) feet and six (6) inches; thence at right angles easterly twenty-three (23) feet; thence at right angles southerly forty-two (42) feet; thence at right angles westerly twenty-three (23) feet to the east line of Dunbar Alley; thence southerly along said east line of Dunbar Alley forty-two (42) feet to the northeast corner of Merchant street and Dunbar Alley; thence easterly along the northerly line of Merchant street one hundred and six (106) feet six and one-half (6½) inches; thence at right angles northerly one hundred and thirty-seven (137) feet and six (6) inches to the south line of Washington street and the point of commencement, being a portion of 50 Vara Survey Block No. 69.

Additions to the Hall of Justice Site.

Report of Public Utilities Committee on Parkside Transit Company Franchise.

San Francisco, Sept. 9, 1907.

To the Honorable Board of Supervisors, City and County of San Francisco.

Gentlemen: Your Committee on Public Utilities, to which was referred the application for a street railway franchise for the Parkside district, to-

gether with petitions and protests relating thereto, begs leave to report thereon as follows:

The bill granting the Parkside franchise is now before your honorable body for final passage.

It is claimed that the establishment of this street railway would open up a large and attractive section of the city for residential purposes, would add to the assessed valuation, and increase the material prosperity of the city. Your Committee recognizes this, but deems the preservation of public honor more important than material prosperity and believes that material prosperity itself cannot endure unless associated with decency and honor in the conduct of public business.

According to confessions publicly made by the officials who passed to print the Bill now under consideration, and according to testimony given before the Grand Jury, the early stages of the Parkside franchise matter were tainted with bribery and official corruption. Your honorable body, by finally passing this Bill, would ratify acts of corruption and betrayal of a public trust. For these reasons, if there were no others, your Committee would recommend that Bill No. —, granting the Parkside franchise, be denied final passage.

If it be claimed that there was no direct bribery, but only yielding to extortion, the answer is that the applicants should have postponed the attempt to turn the Parkside district into city lots and to build a street railway until such time as the enterprise could be accomplished honorably and without contaminating the stream of public life.

Although your Committee bases its adverse report primarily upon the reasons above given, there are many objections to the terms of the franchise considered solely upon its merits. (1) It requires the abandonment of the picturesque Ocean Road. (2) It requires also the relinquishment of Nineteenth avenue as a boulevard. If this should be done at all, it certainly should not be allowed until the new boulevard on Twentieth avenue is completed and accepted by the city. The committee considers that it should not be done at all and that Nineteenth avenue should be kept as a boulevard on account of its relation to the new road from Ocean avenue to San Mateo. (3) The gauge of the road is not specified. By a slight change in the gauge the grantee could prevent any other company or the city from running cars over any portion of the road as expressly provided for in subdivision 5 of Section 3. (4) There is no provision requiring the consent of the city as a condition precedent to the assignment of the franchise. If another com-

pany were to obtain this franchise by assignment, it could juggle the gross receipts in such a way that the percentage to be paid the city might be materially reduced. (5) Considering that the beneficiary of this franchise was ready to pay the head of a political organization several thousands of dollars for his assistance in obtaining the franchise, it would be fair for the city to require that the company pay the expenses of keeping one of the streets, say Nineteenth avenue, in repair for its entire length from curb to curb. (6) In the interests of industrial peace the city might also consider the advisability of requiring submission to arbitration of all disagreements between the company and its employees. (7) The city might also determine from now on to require the insertion in all street railway franchises of a condition whereby the beneficiary shall agree to allow the city to purchase the plant at a reasonable valuation. This would preserve the city's interests, would enable the city to obtain the profits accruing from its own growth and would prevent the evils of over-capitalization.

Respectfully submitted,

A. A. D'ANCONA.
JAMES P. BOOTH.

Approving Action of Street Committee in Signing July and August Claims.

Also, Resolution No. 1303 (New Series), as follows

Whereas, The Street Committee of the Board of Supervisors has approved numerous claims for labor, material furnished, and services rendered the Department of Public Works of the City and County, in connection with the work of cleaning, sweeping and repairing the streets, and the repairing of sewers and bridges, for the months of July and August, 1907, which claims originated in said Department without any official sanction by the Board of Supervisors; and

Whereas, From the evidence obtained it appears to said Committee that said labor and material and services have been furnished and rendered at current market price; and

Whereas, It is now the announced policy of the Board of Public Works to follow both the letter and the spirit of the Charter in the matter of awarding contracts for the doing of public work and for the employment of labor thereon; now, therefore, be it

Resolved, That the action of said Committee in approving said claims presented for said labor, material and services during the months of July and August, 1907, be and the same is hereby approved.

City Attorney Condemn Lands for Additions to Hall of Justice.

Supervisor Rixford introduced the following Resolution:

Whereas, The offers submitted to the Board of Supervisors by the owners of property in lands comprising the Addition to the Hall of Justice site, authorized to be purchased in the Bond Issue, are, in the judgment of the Board of Supervisors, unreasonable and excessive, and said Board is unable to agree with the owners of said property upon a price deemed reasonable by said Board; now, therefore, be it

Resolved, That the City Attorney be and he is hereby authorized and directed to commence condemnation proceedings for the acquisition by the City and County of San Francisco of the following described lands for the purpose of constructing thereon the additions to the Hall of Justice, authorized by the electors at a special

election held for that purpose on September 29th, 1903, to-wit:

Additions to the Hall of Justice Site.

Commencing on the south line of Washington street, distant seventy (70) feet east from the easterly line of Kearny street; thence at right angles southerly and parallel with Kearny street thirty-four (34) feet and eight (8) inches; thence at right angles easterly and parallel with Washington street forty-seven (47) feet and six (6) inches; thence at right angles southerly and parallel with Kearny street five (5) feet and eight (8) inches; thence at right angles easterly and parallel with Washington street twenty (20) feet; thence at right angles southerly and parallel with Kearny street thirteen (13) feet and two (2) inches; thence at right angles easterly and parallel with Washington street twenty-two (22) feet and six (6) inches to the westerly line of Dunbar alley; thence northerly along said westerly line fifty-three (53) feet and six (6) inches to the southwest corner of Washington street and Dunbar alley; and thence at right angles west along the southerly line of Washington street ninety (90) feet to the point of commencement, being a portion of 50 Vara Survey Block No. 69.

Privilege of the Floor.

Luther Elkins, representing property owners on the proposed new County Jail site, being granted the privilege of the floor, addressed the Board, requesting that action be taken to acquire said site.

Motion.

Thereupon, the foregoing Resolution was on motion adopted as Resolution No. 1304 (New Series).

Roll Call for the Introduction of Resolutions, Bills and Motions Not Considered or Reported Upon by a Committee.

Adopted.

The following Resolutions were introduced under suspension of the rules and adopted:

Providing for Additional Salaries, Department of Electricity.

On motion of Supervisor Bremner:
Resolution No. 1305 (New Series),
as follows:

Resolved, That out of the sum of twenty thousand (\$20,000) dollars appropriated in the Budget of the fiscal year 1907-8 for maintenance and operation of the Department of Electricity, there be set aside to be expended by the Department of Electricity the sum of ten thousand dollars, in payment of salaries and wages of employes in said Department, and the balance of said

fund be set aside for the purpose of defraying the expenses of materials.

The attention of the Auditor and Treasurer is hereby called to the provisions of the above resolution.

Petitioning Secretary of the Interior to Pass Upon City's Application for Reservoir Rights in Hetch Hetchy Valley and Lake Eleanor.

On motion of Supervisor Murphy:
Resolution No. 1306 (New Series),
as follows:

Whereas, There is now before the Honorable, the Secretary of the Interior, the long-pending question of granting or denying this city the right to store waste flood waters in Hetch-Hetchy and Lake Eleanor reservoirs; and

Whereas, These reservoir sites, and those remaining in that portion of the basin of Tuolumne river set apart as a National Park, are the only reservoir sites on the west slope of the Sierra Nevada mountains which are not already in the hands of private corporations or of individuals who are in a position to make exorbitant charges therefor; and

Whereas, The reservoir rights of way asked for, if granted, will enable the City and County of San Francisco to supply the homes within its borders with the purest and most abundant supply of the great necessity, *water*; therefore, be it

Resolved, That the Honorable, the Secretary of the Interior be and he is hereby petitioned to make an early, and, if consistent with his high duties and responsibilities, a favorable decision in this matter which is of paramount importance to the City and County of San Francisco, and that the Clerk be and he is hereby directed to immediately transmit to him a certified copy of this Resolution.

Mayor Lease Red Men's Building for Superior Courts.

On motion of Supervisor Rixford:
Resolution No. 1307 (New Series),
as follows:

Resolved, That his Honor the Mayor be and is hereby authorized and requested to enter into a lease with the Improved Order of Red Men, a fraternal society, for a term of one year, commencing the first day of October, 1907, with the privilege of a renewal for a period not exceeding three years, for that certain building situate on the northerly side of Golden Gate avenue, between Leavenworth and Hyde streets, known and designated as Red Men's Hall, upon the following terms and conditions, to-wit:

REPORTS OF COMMITTEES.

The following Committees, by their respective Chairmen, presented reports on various matters referred, which reports were received, read and ordered filed, to wit:

Finance Committee—By Supervisor Brandenstein.

Fire Committee—By Supervisor Faynonville.

Public Buildings Committee—By Supervisor Rixford.

Public Utilities Committee—By Supervisor D'Ancona.

Report of the Police Committee on Matter of Minors Frequenting Billiard Rooms, on Boxing Permits and on Masquerade Ball Permits.

To the Honorable the Board of Su-

perisors of the City and County of San Francisco.

Gentlemen: Your Police Committee, to whom were referred various matters, begs leave to report thereon as follows:

In the matter of the petition of the Society for the Protection of Children, for the passage of an Ordinance prohibiting the assemblage of minors under the age of 21 years on the streets after the hour of 8 o'clock in the evening, your Committee begs leave to state that such an Ordinance (No. 838) is in effect at the present time and that said petition is unnecessary.

In the matter of the petition of the Society for the Protection of Children for the passage of an Ordinance prohibiting minors under the age of 18 years from frequenting billiard and pool rooms or engaging in games of billiards, pool or cards, your committee begs leave to report in favor of said petition and will recommend the passage of such an Ordinance. Your committee desires to state in this regard that a similar Ordinance was in effect in San Francisco for many years previous to 1903, and that the Police Committee favors the enactment of such legislation at the present time, inasmuch as young boys congregate in large numbers in places where billiards and pools are played for the purpose of playing "nickel-in-the-slot" machines and other gambling devices therein used.

In the matter of the communication from the San Francisco Labor Council enclosing resolutions condemnatory of the practice of permitting motormen and conductors of the United Railroads of San Francisco to carry concealed weapons, your Committee begs leave to state that in its opinion the legislation extant is sufficient and that the prayer of the petitioner should be properly addressed to the executive arm of the government and that it has transmitted petition to his Honor, the Mayor, and to the Police Department, with the request that the law be enforced. Similar action to the above has also been taken on petition from Western Addition Improvement Club, calling attention to the fact that the murderer of one George McGuire has not as yet been apprehended and urging vigorous action in the matter.

Your Committee reports adversely to the following petitions:

Against the petition of Alex Greggins for permission to conduct a professional boxing exhibition during the month of October, 1907. Your Committee is of the opinion that the recent plethora of professional boxing exhibitions during the last few months is all sufficient and that a month at least might elapse without another occurring in San Francisco.

Against the petition of the Columbia Athletic Club, for permission to conduct an amateur boxing exhibition at Dreamland Pavilion on Friday evening, September 20, 1907. In regard to this latter matter your Committee has caused an investigation to be made of the standing of professional and so-called amateur clubs and has found that not one of said clubs complies with the provisions expressed in Ordinance No. 624 of your Honorable Board relative to membership and equipment. With the knowledge of these facts before it, your Committee has directed the Chief of Police to refuse to allow the Bay City Athletic Club to conduct a so-called amateur boxing exhibition on Friday evening, September 13th, 1907, said permit being qualified by the following conditions: "Providing, however, that the said exhibition shall be conducted in accordance with the provisions of Ordinance No. 624 of the Board of Supervisors." Inasmuch as these conditions are not complied with, your Committee took the action before noted and requests that your Honorable Board sanction its policy in this regard.

Against the petition of the "Non-A-Mes" Social Club, for permission to conduct a masquerade ball in Puckett's Hall, Church street, near Fourteenth street, on the evening of October 5th, 1907, without the payment of the license fee required by law. The Tax Collector of the City and County advises your Committee that gross abuses have existed in the past in regard to the issuance of so-called gratuitous permits to hold masquerade balls, and your committee is of the opinion that such a condition of affairs should be discontinued forthwith and so recommend.

Respectfully submitted,

Minority Report of Public Utilities Committee in Favor of Granting Parkside Transit Company's Franchise.

San Francisco, September 16th, 1907.

To the Honorable Board of Supervisors of the City and County of San Francisco. Gentlemen: At your last session a report on the application for a street railway franchise for the Parkside District was made by your majority Committee on Public Utilities. The undersigned, constituting the minority of said Committee, stated to your Honorable Board that he did not have an opportunity to be present at any of the meetings when the said matter was considered by the Public Utilities Committee, and, as his views differed, in some respects, from those of the majority of said Committee, if given an op-

portunity, would present a minority report at your next meeting to take place this day. In accordance to said statement, the minority of your Committee on Public Utilities begs leave to report as follows:

The principal reason given by the majority of your Committee for denial of final passage of bill ——— granting the Parkside franchise, was that, "According to confessions publicly made by the officials who passed to print the bill now under consideration and according to testimony given before the Grand Jury, the early stages of the Parkside franchise matter were tainted with bribery and official corruption. Your honorable body by finally passing this bill would ratify acts of corruption and betrayal of public trust."

I am sure that every member of your honorable body agrees with your Committee: "That the preservation of public honor is more important than material prosperity, and that material prosperity cannot endure unless associated with decency and honor in the conduct of public business."

Without intending to enter into a discussion of such a delicate matter, which, after all, must be left to the conscience of each individual member, in as far as the above moral precepts apply to the granting of this franchise, the minority of your Committee will venture the following remarks: The matter of whether or not bribery was committed in obtaining the preliminary passage of the proposed franchise, is now in the hands of a vigorous prosecution and before a competent court of justice. It is the belief of the minority of your Committee that it would be improper for your honorable body to offer an opinion, implied or expressed, on the subject. If such bribery occurred, it is certain that due punishment will be inflicted on the transgressors.

The matter that according to public confessions made by the officials who passed to print the bill now under consideration, corruption was practiced for the passage of said bill and for that reason said franchise should be denied final passage; it is the opinion of the minority of your Committee that the said corruption did not taint the merits of the subject-matter of the franchise itself, and, it should be considered on its merits and for the best interests of the city. It is further believed that, as long as your honorable body keeps upright, just and clean, no fear should be apprehended of any taint of contagion from the corruption of some

members of the late Board of Supervisors.

The minority of your Committee, not desiring to enlarge any more on the above subject, will consider the merits of the proposed franchise.

The granting of such franchise by your honorable body would open up a new and important district of the city; it would convert a waste and sandy place into streets and avenues and cause the erection of numerous homes for families which, necessarily, will have to leave the city unless accommodations with attractive quarters will be offered them. It would give needed transportation to the present residents of that district, who are innocent of any wrongdoing and to whom the withdrawal or postponement of granting this franchise, would inflict a great hardship; it would increase the taxable property of the city, thereby helping to defray the expenses of its government; in a word, it would benefit all citizens and injure none, and would comply with the wishes of the majority of the people of San Francisco, as attested by numerous petitions presented to your honorable Board.

After careful investigation, the minority of your Committee has found that the proposed Parkside franchise was duly advertised and all conditions of the law and the Charter complied with; that it contains the ordinary clauses and the guarantees for their enforcement of similar franchises, and therefore its passage to final approval, should be immediate.

Should your honorable body determine on a policy of enmity to public utilities and enterprises, or burden them with all that corporations will bear, the minority of your Committee dares to foretell that the stream of the life of this city would soon run dry and the prosperity and industries now in existence soon be destroyed.

To answer the specific objections to the terms of the franchise, mentioned by the majority of your Committee, the minority cannot do better than to refer your honorable body to the appended communication of the "Sunset District Improvement Club", the contents of which have been corroborated by the minority of your Committee and fully endorsed by it.

Respectfully submitted,

E. J. MOLERA,

Member of the Committee on Public Utilities of the Board of Supervisors of the City and County of San Francisco.

SUNSET DISTRICT IMPROVEMENT CLUB.

San Francisco, Sept. 13th, 1907.

To the Honorable Board of Super-

visors of the City and County of San Francisco.—Gentlemen: The majority report of your Committee on Public Utilities on the granting of street railway franchise through the Sunset District has received our careful consideration, and we respectfully present our reply thereto.

The benefits to be derived through the establishment of the proposed railway and the necessity and urgency therefor is admitted, as well as the general good which would result to the city at large.

While we admit, and are certainly ourselves concerned in the preservation of the public honor as a matter of prime importance, it is also true that the prosperity and independence of the masses and classes of our citizens is one of the greatest factors in the maintenance of such honor. Poverty and excessive hardship among large numbers of a community has never preserved or maintained civic pride and honor, but has tended to debase and destroy those virtues.

Continued delay, or denial, of the franchise in question, can only produce poverty and hardship for many of our citizens, particularly under our present strained conditions.

Furthermore, we do not believe that the destruction of material prosperity in the Sunset District, and the suffering of thousands of innocent owners and citizens because of an unfortunate situation for which we are not to blame, should be made the only object lesson to the world through the action of our legislative body. There is no reason to doubt the ability of our courts to fully preserve our public honor and serve the cause of justice.

The penalizing of your innocent petitioners is a remedy that never appeared in any statute for enforcement by a court of law.

Your petitioners who are now asking the granting of this franchise were as open and sincere in their efforts to secure the same a year ago as we are today. The true merit of our request being admitted, the passage of the franchise at this time would be an act in the cause of justice and not a ratification of any unworthy action of your predecessors.

As to the objections urged against the franchise on its merits:

(1) The abandonment of the picturesque ocean road will come in a short time at all events. The trees, which are its chief beauty (in warm weather), are on private lands of the Spring Valley Water Works. This very land is specially excepted from the holdings of that company in all estimates for the purchase of its water system by the city. The sub-

division of the property adjoining Ocean road into residence lots will involve numerous intersecting streets along the Ocean road from both sides, and the destruction of the trees at such points. It is also a well-known fact that such trees as now fringe the road are anything but desirable in our climate for perpetual shade of a residence, and the removal of similar forest growth, in many nearby suburban sections, is ample evidence of the fact.

This road, at the western end, is always boggy and at times almost impassable. The cost of permanent work at this end of the road would be over \$100,000 and would result in only an inferior highway. If the city cannot make considerable repairs and properly maintain this road, and particularly the western end, during the coming winter, the road will be greatly damaged and become absolutely impassable. Viewing the deplorable conditions of our many streets, essential to our commercial convenience, there is not much hope for an appropriation for Ocean road.

(2) The abandonment of 19th avenue as a boulevard was at first opposed by the promoters of the boulevard system to San Mateo. The superiority of both the proposed 20th avenue boulevard and the substitute for Ocean road, which latter is to be fully completed at a cost of \$105,000 by the Parkside Transit Company, is so great, that the very people who find the greatest use and enjoyment in these boulevards not only consented, but have urged these changes in the proposed boulevard system. Nineteenth avenue has but four inches of macadam as against the standard official requirement of eight inches. The improvement and maintenance of this thoroughfare as a boulevard is only possible at great expense to the city and property owners.

Nineteenth avenue was created a boulevard at the instance of the Automobile Club and not on the petition of property owners. As a boulevard it has been a disgrace to the city, except while repaired and maintained by the present applicants for the railway franchise during the past two years. Their care of the road, however was discontinued in May last.

Twentieth avenue was made available in consideration of the Parkside Realty Company and property owners doing the work from H street to the proposed Parkside avenue.

The so-called Boulevard System connecting San Mateo with San Francisco, and the proper maintenance of 19th avenue as a thoroughfare are

improvements which depend entirely upon the granting of this franchise for street railway.

The suggestion that Nineteenth avenue should not be available until Twentieth avenue be fully completed we think is unwarranted. The Parkside Company has up to this time proven itself to be anything but niggardly or shortsighted in constructing the most desirable and beneficial roadways for Sunset District, and in a manner that indicates permanency.

These so-called boulevards have never been of any concern to the city in the matter of their proper repair and maintenance, and their present importance is attributable entirely to the improvement in real estate in their neighborhood, brought about by the liberality and development of private enterprise.

(3) That the gauge of the road is not specified:

In that connection, an interview with officers of the Parkside Transit Company discloses the fact that it is impracticable to purchase rolling stock for other than a standard gauge road.

(4) The suggestion that the receipts might be juggled so as to prevent the city getting its proper percentage in event of any assignment of this franchise, the same would be true without such assignment. In neither event could this be done without the perpetration of a fraud, against the perpetration of which the city, and its law officers, are amply able to protect it. We will have to assume that the charter has wisely and carefully provided all necessary safeguards in such matters as even reasonably seemed to require them.

(5) In reply to the suggestion that an arbitration clause be placed in this franchise we submit that the city should maintain an attitude of neutrality in all industrial disputes. The city is neither empowered nor qualified to enter upon their adjustment through conditions inserted in franchise ordinances, or otherwise.

(6) The law requires the company to pave and keep in repair that portion of the streets which lies between its tracks and for two feet on each side thereof. This is all the people of San Francisco, by charter provision, require of its street railway companies.

The fact that a self-confessed extortionist held up the applicants for this franchise to our loss, offers no justification for the city doing likewise, by the imposition of the suggested arbitrary and unwarranted conditions in a franchise requiring the keeping in repair of entire streets. We do not believe the city

desires to, or will, place itself in any such position.

(7) In making the suggestion that the city should insert a condition in the franchise permitting it to take the property at any time it might choose we submit that the views of the majority report show that they have ignored the charter from which they derive their powers.

Article XII of our Charter expressly empowers the city by condemnation or purchase to acquire these properties at any time upon the approval of the people by ballot and in no other way. At the expiration of the franchise, the roadbed, rails and all fixtures in the street, become the property of the city by operation of law.

Judging the attitude of our city, and its financial ability on the acquisition of public utilities, by the expressions of your Honorable Board and your acts in connection therewith, the acquisition by the city of any extensive street railway system can be effected only in a quite distant future.

The purchase or acquisition of a water system has been given precedence over all other public utilities and in all probability light and power works and a telephone system will receive consideration in the order named. The intention of the people as expressed in the Charter being to "gradually" acquire its public utilities, it seems to us that undue concern is being manifested for the acquisition by the city of a comparatively unimportant street railway where the Charter has made provision therefor, which can be availed of at any time.

In conclusion, we suggest that the proceedings in the granting of this franchise have reached a point where it is impossible legally, to change the terms of the grant. Bids were received and the franchise awarded as at present conditioned. It would be a fraud upon those who might otherwise have bid, to now change the terms of the grant. Furthermore, the charter does not permit that method of procedure; for, if a change could be made disadvantageous to the grantee, it is equally true that a change could be made advantageous to the grantee.

Finally, we suggest that the propositions made by the Committee are in many instances speculative and in others impossible of realization.

It may be accepted as true, by all fair-minded men, that the city will not undertake the construction of the railway into this district, and the fact that such road must be run at a loss for years to come, and that

it is only under circumstances of this kind where the promoters are heavy holders of real estate in that neighborhood that we can ever hope to have a street railway in the Sunset District.

We ask, therefore, that we be given that to which we are entitled, and that it be not denied for sentimental reasons.

Respectfully,

C. W. RIFFEE,

President Sunset District Improvement Club.

Report of Joint Committee on Public Utilities, Education and Public Buildings on Schools and Playgrounds.

To the Honorable the Board of Supervisors of the City and County of San Francisco.

Gentlemen: Your Joint Committee on Public Utilities, Education and Public Buildings, to which was referred the matter of the erection of temporary school buildings at various locations in the city, in accordance with the recommendation of the Board of School Directors; and wherein a request had been made for the setting aside therefor the sum of sixty thousand dollars (\$60,000), the estimated cost therefor, your Committee would respectfully report:

That whilst it feels that the request of the Board of Education should be complied with for the purpose of at least temporarily rehabilitating the schools that have been destroyed, by adding a greater number of class rooms to accommodate a larger number of pupils, as recommended. Nevertheless, your Committee, at this time thinks that the amount of money for this purpose as requested is not available, and consequently, carefully considered the question of looking to the schools mostly needed and required with the limited amount of money that could be advanced for the purpose at this time. The Board of Education was accordingly asked to submit a list of the

schools most urgently needing additions and repairs, and upon its statement your Committee would respectfully recommend that the Finance Committee of your Honorable Board set aside out of the Rehabilitation Fund the sum of Thirty-three thousand (\$33,000) Dollars, to the credit of the School Department, for repairs and additions to the following schools, and in the following amounts:

Fairmount School, the sum of \$5,000.
 Burnell School, the sum of \$5,000.
 Hunter's Point School, the sum of \$1,000.
 Marshall School, the sum of \$1,500.
 Bay View School, the sum of \$2,000.
 Hancock School, the sum of \$2,500.
 Girls' High School, the sum of \$16,000—Total, \$33,000.

The Board of Public Works was requested to make an examination of the repairs necessary to the Mission High School building and file an estimate of the cost with your Committee at its earliest convenience.

Your Committee further considered the matter of the communication from the Board of Education recommending the acquisition of land for school purposes, situate at Nineteenth and Angelica streets and described as follows:

Commencing at a point on the southeast corner of Nineteenth and Angelica streets, thence running south 205 feet to the northerly line of Cumberland street, thence easterly at right angles 173 feet; thence at right angles southerly 23 feet; thence at right angles easterly 10 feet; thence at right angles northerly 114 feet; thence at right angles westerly 50 feet; thence northwesterly 118 feet $2\frac{1}{2}$ inches to a point on the southerly line of Nineteenth street; thence at right angles 102 feet westerly to the point of beginning, being a portion of Mission Block No. 72.

Your Committee would respectfully recommend in accordance with appraisements had of the said property that the same be purchased by the City for school purposes in the sum of Thirty-four thousand (\$34,000) Dollars, to be paid for out of Bond issue moneys, if after proper search the title to said land is found to be good and sufficient by the City Attorney.

Regarding the acquisition of lands for Children's Playground purposes, situate in Block 152, Fifty Vara Survey, your Committee would state that various agents and property owners were present and the question was discussed at length as to values, etc.

After due consideration, it is the sense of your Committee that the said block of land be purchased as a site for playground purposes, and in order to arrive at just and reasonable prices and values therefor it was recommended by your Committee that it will confer with the appraisers who heretofore

appraised the said land and endeavor to equalize the values as set forth in their respective appraisements, that a just and equitable basis might be determined, wherein your Committee will be in position to make an offer to each owner of respective pieces or parcels of land comprising said Block 152, and in the event of such equitable offer being refused, your Committee would then recommend commencement of condemnation proceedings for possession of said property against the respective owners of any piece or parcel of land in said block so refusing.

Report of Finance Committee on Transfer of Moneys from United States Mint to City and County Treasury Western National Bank Vaults.

Finance Committee of the Board of Supervisors.

San Francisco, September 14, 1907.

To the Honorable, the Board of Supervisors of the City and County of San Francisco, San Francisco, California—Gentlemen: Supplementing the Report made August 31st, 1907, on the account of moneys in the joint custody of the Auditor and the Treasurer of the City and County of San Francisco, we beg to report that on Saturday, September 7th, 1907, seventy-five (75) boxes said to contain three million (\$3,000,000.00) dollars were moved from the Mint of the United States at San Francisco to the vault of the Treasurer of the City and County of San Francisco at the Western National Bank. The vault in the Mint from which the seventy-five (75) boxes were removed was sealed on January 7th, 1907, by Messrs. F. A. Leach, Superintendent of the Mint, Julius Jacobs, Assistant Treasurer of the United States, Charles A. Bantel, Treasurer of the City and County of San Francisco, and E. K. Leach, Cashier of the Mint. This seal was broken in the presence of your Committee, and the boxes were removed from the Mint to the Western National Bank under protection of a special detail of six police in two furniture trucks from W. Ingwersen. The boxes were transferred to the vault of the Treasurer in the Western National Bank without delay or difficulty.

On September 13th, 1907, your Committee and representatives of the Treasurer and the Auditor examined and weighed the contents of the seventy-five (75) boxes transferred from the Mint. By courtesy of Messrs. F. A. Leach, Director of the Mint, and Frank T. Sweeney, Superintendent of the Mint, Mr. F. J. Currier, Expert Weigher, was detailed to the service of the Commit-

tee. The scale was kindly loaned by the federal authorities.

The composition of the three million (\$3,000,000.00) dollars was found to be as follows:

142 sacks gold 20's—\$20,-	
000.00	\$2,840,000.00
3 sacks gold 10's— 20,-	
000.00	60,000.00
4 sacks gold 5's— 20,-	
000.00	80,000.00
1 sack gold 20's.....	10,000.00
gold 5's	10,000.00
<hr/>	<hr/>
150	\$3,000,000.00

All sacks were found to be under the double seal of the joint custodians, the Treasurer and the Auditor. All sacks were weighed by Mr. F. J. Currier. Two sacks, selected at random, were opened and examined; quarter drafts were taken and the accuracy of the contents confirmed. One of these sacks was used as a standard by which the others were weighed. Six sacks varying from one to two ounces over and short from the standard so selected were drafted and the accuracy of the contents confirmed by such drafts.

All sacks opened were resealed by the joint custodians, with the exception of one sack containing gold fives—\$20,000.00. All sacks were replaced in the vault of the Treasurer.

Respectfully submitted,
H. U. BRANDENSTEIN,
LIPPMANN SACHS,

Finance Committee of the Board of Supervisors of the City and County of San Francisco.

Approved: Lester, Herrick & Herrick, Certified Public Accountants.

FOLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Referred.

Supervisor D'Ancona introduced the following Resolution:

Relating to Housing of Infirm Refugees and to Care for Chronic Sick Persons.

Resolved, That as soon as practicable after the buildings erected on the Almshouse Tract for the use of refugees by the Board of Directors of the Relief and Red Cross Funds have been dedicated to the City and County, said buildings, together with buildings now known as Buildings 4 and 1, be devoted to the use of the refugees now at the Ingleside Camp and the inmates of the Almshouse; and further

Resolved, That the buildings known as 2 and 3 be devoted to the care of patients usually cared for at the City and County Hospital suffering from chronic diseases, as advanced and incurable tuberculosis; and further

Resolved, That persons needing surgical care, or suffering from acute diseases only, be cared for at the City and County Hospital or such other hospitals as may hereafter be designated to take the place of said City and County Hospital; and further

Resolved, That the Board of Health

be requested to consider the subject matter of the above Resolution and advise this Board of their wisdom and practicability; and further

Resolved, That the Board of Directors of the Relief and Red Cross Funds be requested to inform this Board whether this use of the buildings for the refugees meets their approval.

Ordered referred to Hospital and Health Committee.

Relating to Establishment of Public Retail Markets.

Supervisor Murdock introduced the following Resolution, and moved the suspension of the rules for its immediate consideration.

So ordered.

Resolved, That the Finance and Judiciary Committees be and are hereby requested to report what action can be taken by the Board of Supervisors in the furtherance of Public Retail Markets, for the relief of the citizens of San Francisco from extortionate charges for vegetables and food supplies generally; whether the use of designated public squares or unused school lots can legally be granted, and if so to suggest their location; whether the erection of buildings and provision for their superintendence can be taken by the City, or must be left to provide enterprise; and in general what it is possible, or desirable, for the municipal authorities to do in the protection of the people from the abuses to which they are subjected.

Amendment.

Supervisor Murdock moved to amend the Resolution by striking out reference to the Finance and Judiciary Committees and by inserting in lieu thereof the name of Supervisor Bremner.

So ordered.

Adopted.

Whereupon, said Resolution as amended was *adopted* as Resolution No. 1332 (New Series).

Relating to Parkside Franchise.

During the reading of the Petitions Supervisor Brandenstein called attention to the fact that the Special Order

of Business in the Parkside franchise matter, fixed for 2:30 o'clock this day, had passed, and suggested that the matter be taken up at once.

Whereupon Supervisor D'Ancona, Chairman of the Committee on Public Utilities, stated that no agreement had been reached in the matter and requested that the Committee be granted one week's further time, and also moved that the Parkside franchise matter be made a Special Order of Business on Monday, September 30th, 1907, at 2:30 p. m.

So ordered.

The following Communication was received, read, ordered referred to the Joint Committee on Public Utilities and Streets, and spread at length in the Journal:

Supplemental Agreement of Parkside Transit Company, Waiving Certain Rights Conferred by Proposed Franchise as to the Character of Road and Assuming Obligations to Grade Twentieth Avenue Boulevard and to Plant Shade Trees on Parkside Avenue.

San Francisco, Cal., Sept. 23rd, 1907.
To the Mayor and Board of Supervisors of the City and County of San Francisco—Gentlemen:

At the suggestion of your Joint Committees on Public Utilities and Streets, which have had under consideration the final passage of the ordinance granting a franchise for a street railway in the Sunset District to the Parkside Transit Company, which ordinance is now pending before your Board on final passage, the said Parkside Transit Company hereby signifies its willingness, and hereby binds itself by this supplemental agreement, in the event of the passage of said ordinance in its present form:

(1) To construct the proposed railway only according to the standard gauge, to wit: 4 ft. 8½ in.;

(2) To relinquish, and it does hereby relinquish, all right which may be conferred by said ordinance to construct such railway either above the street, as an elevated railway, or below the street as a sub-way railroad, the true intent of this relinquishment being that this Company shall construct its railroad only upon the surface of the street;

(3) To grade Twentieth avenue, now a boulevard, from "H" street south to "W" street to the official line and grade within six months from the receipt by this Company from the City Engineer of diagrams of official line and grade of said Twentieth avenue between said streets.

We further agree that a failure on the part of this Company to perform the work contemplated in these conditions according to the tenor thereof, shall work a forfeiture of any franchise granted under said ordinance.

We also agree to plant shade trees on both sides of Parkside Boulevard and for the full length thereof, on request of the board of Supervisors signified by resolution of said Board.

Respectfully,

PARKSIDE TRANSIT COMPANY,
J. E. GREEN, President.
G. A. NICHOLLS, Secretary.

Central Pacific Railway Company.

Bill No. 303, Ordinance No. 277 (New Series), as follows:

Declaring the length of the main track and the assessed value of the railway of the Central Pacific Railway Company in the City and County for the year 1907.

Whereas, Pursuant to Section 3665 of the Political Code, this Board is required to pass an order stating and declaring the length of the main track and the assessed valuation of each railway in this City and County as fixed by the State Board of Equalization; and

Whereas, The Auditor of this City and County has transmitted to this Board, on the 14th day of September, 1907, a copy of the statement made and received from the State Board of Equalization fixing the assessment of the Central Pacific Railway Company, which recited that:

The State Board of Equalization on the 5th day of August, 1907, assessed for the year 1907 the Central Pacific Railway Company for its franchise, roadway, roadbed, rails and rolling stock in the State of California in the aggregate sum of \$21,275,273.

The entire length of the main track of railway of said company in the said State is 770.93 miles.

The length of the main track of railway of said company in the City and County of San Francisco is 2.46 miles.

The assessed value per mile of said railway, as fixed by a pro rata distribution per mile of the assessed value of the whole franchise, roadway, roadbed, rails and rolling stock of such railway of the said company within the State, according to said assessment of said State Board, is \$27,506.89.

The apportionment of the assessment of said franchise, roadway, roadbed, rails and rolling stock by said Board

for the City and County of San Francisco, is, according to the assessment of said State Board, \$67,888; now, therefore

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby expressly stated and declared that the length of the main track of the railway of the Central Pacific Railway Company in this City and County is 2.46 miles, and that the assessed value of the railway of the Central Pacific Railway Company in the City and County for the year 1907, is, according to said assessment of said State Board, \$67,888.

Pullman Company.

Bill No. 304, Ordinance No. 278 (New Series), as follows:

Declaring the length of the main track and the assessed value of the railway of the Pullman Company in the City and County for the year 1907.

Whereas, Pursuant to Section 3665 of the Political Code, this Board is required to pass an order stating and declaring the length of the main track and the assessed valuation of each railway in this City and County as fixed by the State Board of Equalization; and

Whereas, The Auditor of this City and County has transmitted to this Board, on the 14th day of September, 1907, a copy of the statement made and received from the State Board of Equalization fixing the assessment of the Pullman Company, which recited that:

The State Board of Equalization on the 5th day of August, 1907, assessed for the year 1907, the Pullman Company for its franchise, roadway, roadbed, rails and rolling stock in the State of California in the aggregate sum of \$1,025,527.

The entire length of the main track of railway of said company in the said State is 3078.577 miles.

The length of the main track of railway of said company in the City and County of San Francisco is 7.36 miles.

The assessed value per mile of said railway, as fixed by a pro rata distribution per mile of the assessed value of the whole franchise, roadway, roadbed, rails and rolling stock of such railway of the said company within the State, according to said assessment of said State Board is \$528.01.

The apportionment of the assessment of said franchise, roadway, roadbed, rails and rolling stock by said Board for the City and County of San Francisco, is, according to the assessment of

said State Board, \$3,886; now, therefore

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. It is hereby expressly stated and declared that the length of the main track of the railway of the Pullman Company in this City and County is 7.36 miles and that the assessed value of the railway of the Pullman Company in the City and County for the year 1907, according to said assessment of said State Board, \$3,886.

Section 2. The Clerk is hereby directed to cause this order to be entered upon the minutes of this Board.

Board Petition His Excellency the Governor to Call Special Session of Legislature for Ratification of Charter Amendments.

Resolution No. — (New Series), as follows:

Whereas, For the reconstruction of the public property of San Francisco there is needed a larger sum of money than can be obtained by direct taxation within the limits of the Charter; and

Whereas, There is urgently needed the installation of an auxiliary water system for fire protection, the cost of which can be borne only through an issue of bonds; and

Whereas, In the present state of the financial market, bonds cannot be sold even at the maximum rate permitted by the Charter, namely, 4 per cent; and

Whereas, For the above named purposes it is necessary that the Charter of the City and County of San Francisco be amended in such a way as to permit of the issuance of bonds of a higher rate than permitted by the present Charter; and

Whereas, No amendments can be adopted until 1909, unless the State Legislature be called in special session for the approval of Charter Amendments; therefore, be it

Resolved, That the Board of Supervisors of the City and County of San Francisco, with the approval of his Honor the Mayor, petition his Excellency the Governor, to call the Legislature in special session about the first day of December, 1907, in order that amendments to be submitted to the people about the thirteenth of November may be presented to the Legislature for approval and ratification.

Resolved, That the Printing and Salaries Committee of this Board be requested to prepare specifications and secure the printing of 80,000 copies of a circular to be furnished voters, giving information on the subject of the proposed amendments to the Charter.

Mayor Lease Odd Fellows' Building for Criminal Departments, Superior Court.

On motion of Supervisor Rixford:
Resolution No. 1373 (New Series), as follows:

Resolved, That his Honor, the Mayor, be and he is hereby authorized to enter into an agreement and lease with the owner of that certain building known as Odd Fellows' Hall Building, situate on the northerly line of Market street, between Larkin street and Marshall Square, San Francisco, pursuant to which the City and County of San Francisco shall lease upon the terms and conditions herein stated, all halls,

auto-chambers, approaches and passage-ways in said building, and all stairways leading to and therefrom, and all toilet-rooms and other rooms in said building.

The term of said lease shall be two years, with the privilege or renewals for a period of time not exceeding two years more.

The City and County shall have the use of said building and halls, rooms, corridors, passage-ways, approaches and stairways from 8 a. m. to 6 p. m. daily, during the term of said lease and extensions thereof, for the monthly rental of \$300.00, payable monthly.

The lessor shall employ the requisite number of janitors to keep the demised premises in good and clean condition. One janitor shall at all times when any court is in session in said building be in attendance to perform necessary or proper janitorial work. Said janitors employed by the lessor shall daily sweep and clean said halls, auto-chambers, approaches, passages and rooms and shall daily arrange in the proper manner and position, under the direction of the Judges holding court in said building, all chairs and other furniture in the demised premises. The wages or salaries of all janitors employed in and about said building shall be paid by the lessor and the lessee shall not be responsible for the same or any part thereof. The lessee shall have the use of all tables, chairs and other furniture in said building, and the rooms thereof necessary for the transaction of business therein without any extra charge therefor.

The City and County shall agree at its own expense to cover with canvas or other suitable material the floors of all halls used for court purposes.

In the event of the use by said court of any of said halls in said building after the hour of 6 o'clock p. m. of any day during the term of the lease, or any extension thereof, the City and County shall pay an extra rental of \$2.50 per hour for the use of such halls.

The lessor shall provide without extra charge all gas and electric lighting, also the necessary heating required in said rooms during their use by the City and County for the purposes aforesaid.

Mayor Lease Eighth Floor of Grant Building for Law Library.

Also, Resolution No. 1374 (New Series), as follows:

Resolved, That his Honor, the Mayor, be and he is hereby authorized to enter into an agreement and lease with the owner of that certain building, known as the Grant building, situate at the intersection of Seventh and Market streets, San Francisco, pursuant to which the City and

County of San Francisco shall lease, upon the terms and conditions herein stated, from said owner, the entire eighth floor of said Grant building, to be used for the San Francisco Law Library, the chambers of the Judges of the Civil Departments of the Superior Court of the City and County of San Francisco, and for the courtroom and jury-room of Department No. 5 of said Superior Court.

The period of said lease shall be two years from the 15th day of October, 1917, with the privilege of a renewal for a period of time not exceeding two years more.

The rental of said premises shall be four hundred and fifty (\$450) dollars per month, payable monthly in United States gold coin on the last day of each and every month of said term and all extensions thereof.

The lessor shall employ all janitor service necessary to keep all of the rooms on said eighth floor and all corridors, passageways, toilet rooms and windows on said floor in good and clean condition at all times during said term and all renewals thereof, without any charge or expense to the City and County of San Francisco.

The lessor shall provide all gas and electricity required for lighting all of the rooms, corridors, passageways and toilet rooms on said eighth floor of said building without any cost or expense to said City and County.

Said lessor shall provide adequate elevator service from eight o'clock a. m. of each day to 10:30 o'clock

p. m. of each day, for the use of all persons occupying or going to or leaving said eighth floor of said building, and said service shall be without charge or expense to the City and County.

Said lessor shall also, at his own cost and expense, heat and keep heated at all proper times said eighth floor and all rooms and corridors thereon.

Said lessor shall, at his own expense, remove the partitions between rooms 11 and 12 on said eighth floor and washstands therein, and make said rooms (numbers 11 and 12) one large rectangular room, with an entrance leading thereto from the hall or corridor on said floor.

Mayor Give Due and Legal Notice of Termination of Tenancies of Premises Now Used by Superior Courts.

On motion of Supervisor Sullivan: Resolution No. 1375 (New Series), as follows:

Resolved, That his Honor, the Mayor, be and he is hereby authorized for and on behalf of the City and County of San Francisco, to give to all persons entitled thereto due and legal notices terminating the tenancies under which the City and County occupies premises, now used by the Judges of the Superior Court, for courtroom and chamber purposes.

ADJOURNMENT.

There being no further business, the Board, at the hour of 4:30 p. m., adjourned.

The following Report was received and *ordered spread at length in the Journal*:

Report of Chief of Department of Electricity on the Proposed Extension of the Underground Wire District Provided in Bill 273.

San Francisco, Cal., September 25, 1907.
Committee on Public Utilities, Honorable Board of Supervisors, City and County of San Francisco—Gentlemen:

In accordance with the directions of your Committee, at a meeting held on the 11th day of September, 1907, a communication, of which there is attached herewith a copy, was transmitted to the several electrical companies on the 13th instant, and, pursuant thereto, a conference was held on September 19, the following representatives being present: Mr. Holberton, for the San Francisco Gas and Electric Co.; Mr. Naphtaly, for the City Electric Co.; Messrs. Fricke and McMeen, for the Home Telephone Co.; Messrs. Phillips and Robinson, for the Pacific States Telephone and Tel. Co., and Mr. Wm. R. Hewitt, Chief Department of Electricity.

As a result of this conference, it was agreed by all present that the present underground district, as outlined under Ordinance 214, be increased by the new limits, shown in a description attached to this report, all work therein to be finished within three (3) years, and, in addition thereto, that there be an annual extension to these new limits of not less than 5280 nor more than 6000 feet of street per year; so that underground construction and the removal of poles from streets may be carried on systematically and continuously. The old district would be considered a completed district, known as No. 1 District, the addition to be created by a new Ordinance to be known as No. 2 District, which provides for an extension of 9 lineal miles in addition

to the 30 miles now embraced in the present, or old, district.

Concerning annual underground district extension, I might suggest that several cities, particularly Los Angeles, provides for two miles of streets to be cleared of poles per year, and, in order that we may not fall behind municipalities of smaller area and population than San Francisco, I would respectfully suggest that two miles of streets be substituted for the conference proposal of 5280 feet or one mile. Whether or not it is advisable to press this matter for the immediate future, owing to the rehabilitation of all plants, is a question which is respectfully submitted to your Honorable Committee for its final settlement. Herewith please find maps showing underground districts and Department of Electricity's connections to telephone ducts.

Yours very truly,

W. R. HEWITT,

Chief, Department of Electricity.

Duplicated to Thornwell Mullaly, V. P., U. R. R. of S. F., carbon to S. L. Foster, Chief Electrician; Geo. C. Holberton, Gen. Mgr. S. F. Gas & Elec. Co.; Pacific Teleph. & Teleg. Co., Mr. Robinson; Home Teleph. Co., Mr. S. G. McMen, E. E.; City Elec. Co., Mr. S. L. Naphitaly, G. M.; W. U. Teleg. Co., Mr. I. Miller Jr., Supt.; Postal Teleg. Cable Co., Mr. Storrer, Supt.; Pacific Auxiliary F. A. Co., Mr. Alf Clarke, Supt.; City Engineer, Department of Public Works.

San Francisco, Cal., September 13, 1907.

Your attention is called to the following directions, as issued by Mr. Sullivan, speaking for the Committee on Public Utilities of the Board of Supervisors, at a meeting held on the 11th day of September, 1907:

"We want the telephone companies, the San Francisco Gas & Electric Co., the City Electric Co. and the City, as represented by yourself, to confer together and arrange, as far as you can, upon a graduated scale of time and territory within which all the wires may be put underground in the territory described in the Ordinance, commencing a year and a half or two years from the present date and progressing until the entire system is covered; also want a map showing the route of all underground wires of the City."

In connection with the above directions, it will be necessary for me to have a map showing the general route and locations of your underground conduit system. This I should be pleased to have you deliver to the bearer, our Mr. Allen, who is in immediate charge of underground work in this Department, in order that we may proceed to provide a general scheme of underground conduits, as called for in the proposed bill No. 273 of the Board of Supervisors, providing for the placing

of wires underground in certain districts.

Any further information concerning this matter which Mr. Allen may require in making up the general map I will be pleased to have you furnish him at your earliest convenience.

Thanking you in advance for your consideration, I remain,

Yours very truly,

W. R. HEWITT,

Chief, Department of Electricity.

"From and after three (3) years from the date of the passage of this Ordinance, it shall be unlawful to erect or maintain any pole or overhead wire, etc., in district No., bounded as follows:

"From the southwest corner of Washington and East streets, thence running westerly along the south property line of Washington street to the east property line of Dupont street; thence southerly along the east property line of Dupont street to the south property line of Bush street; thence westerly along the south property line of Bush street to the east property line of Polk street; thence northerly along the east property line of Polk street to the south property line of Washington street; thence along the south property line of Washington street to the west property line of Polk street; thence southerly along the west property line of Polk street to the west property line of Bush street; thence westerly along the south property line of Bush street to the east property line of Van Ness avenue; thence northerly along the east property line of Van Ness avenue to the south property line of Washington street; thence westerly along the south property line of Washington street to the west property line of Van Ness avenue; thence south along the west property line of Van Ness avenue to the north property line of Fell street; thence westerly along the north property line of Fell street to the west property line of Franklin street; thence southerly along the west property line of Franklin to the southwest corner of Franklin and Market streets; thence southwesterly along the north property line of Market street to a point opposite the southwest corner of Market and Valencia streets; thence across Market street at right angle to the southwest corner of Market and Valencia streets; thence southerly along the west property line of Valencia street to the north property line of Twenty-first street; thence across Valencia street to the northeast corner of Twenty-first and Valencia streets; thence northerly along the east property line of Valencia street to the south property line of Market street; thence along the south property line of Market street to the southwest corner of Market and Twelfth streets; thence

To the Streets, Sewers and Parks Committee.

From the Fire Commissioners, transmitting report as to the impassible condition of certain streets in the Mission district and the difficulty of the fire apparatus in responding to alarms in consequence thereof.

From the Board of Public Works, recommending that the sum of \$100 be set aside and appropriated for the purpose of constructing new wooden steps in Lincoln street, from Union to Green streets.

Also, Recommending that the width of sidewalks on Second street, between Mission and Market streets, be fixed at 15 feet.

Also, Recommending that the width of sidewalks on the northerly side of Bush street, between Battery and Market streets, be fixed at 15 feet.

Also, Recommending that grades be changed and established at certain points on Diamond street, Beacon street, Castro street, etc.

Also, Recommending that Flinn & Treacy be granted an extension of 30 days' time from and after September 29th, 1907, within which to complete construction of sewer in Stevenson street, 525 feet westerly from Seventh street.

Also, Recommending the expediency of performing the following street

work, the expense thereof to be assessed on private property, to wit:

That artificial stone sidewalks be constructed on Hoffman avenue, between Twenty-fourth and Alvarado streets, and on the four angular corners of Hoffman avenue and Twenty-fourth streets, and Hoffman avenue and Elizabeth street; also, on the four angular corners of the crossings of Hoffman avenue and Twenty-third street, and Hoffman avenue and Alvarado street.

That granite curbs and a bituminous rock pavement be constructed on Hyde street, between Beach and North Point streets.

That an 8-inch ironstone pipe sewer, with appurtenances, be constructed in Turk street, between the westerly and center line of Baker street, and that a 12-inch ironstone pipe sewer with appurtenances be constructed in the center line of Baker street, between the center and southerly lines of Turk street; that brick cesspools and ironstone pipe culverts be constructed in the northerly half of Turk street, opposite the termination of Baker street, and on the southwest corner of Baker and Turk streets.

That artificial stone sidewalks and a bituminous rock pavement be constructed on Twenty-fourth street, between Dolores street and Castro street, and that artificial stone sidewalks and a bituminous rock pavement be constructed on Twenty-second street, between Bryant street and Potrero avenue.

That artificial stone sidewalks be constructed on Fourth avenue, between Point Lobos avenue and Clement street.

That artificial stone sidewalks be constructed on York street, between Twenty-third and Twenty-fourth streets, and on the four angular corners of the crossing of York and Twenty-third streets.

That an 8-inch ironstone pipe sewer, with appurtenances, be constructed in Green street, between Baker and Lyon streets, and that 8 and 12-inch ironstone pipe sewers, with appurtenances, be constructed in Lyon street, between Green and Union streets.

That redwood curbs and a bituminous rock pavement be constructed in the crossing of California street and Eighteenth avenue, and that said crossing be graded to official line and grade.

Also, Recommending that the bond of A. Fodera for permission to blast on Washington street, between Powell and Mason streets, be fixed in the sum of \$10,000.

RELATING TO PARKSIDE TRANSIT COMPANY FRANCHISE.

His Honor Mayor Taylor called attention to the fact that the matter of the granting of the Parkside Transit

Company franchise had been made a Special Order of Business for 2:30 p. m. this day, and suggested that the matter be taken up at once.

So ordered.

Motion.

Whereupon Supervisor D'Ancona, Chairman of the Joint Committee on Public Utilities and Streets, stated that the Committee was not ready to report and moved that the matter be *laid over one week.*

So ordered.

NEW BUSINESS.

(Out of Order.)

Motion.

Supervisor Murphy called attention to the necessity of acting at once upon following Resolution and moved the suspension of the rules for its immediate consideration.

So ordered.

Mayor Notify Owners of Premises Now Occupied by City Attorney, County Clerk, District Attorney, Civil Service Commission and Sheriff of Termination of Tenancies.

Resolved, That his Honor the Mayor be and he is hereby authorized for and on behalf of the City and County of San Francisco to give to all persons entitled thereto due and legal notice terminating the tenancies under which the City and County occupies premises now used by the City Attorney, County Clerk, District Attorney, Civil Service Commission and Sheriff, as offices for their respective departments.

Adopted. on motion of Supervisor Murphy, as Resolution No. 1376 (New Series).

Reports of Committees.

The following Committees, by their respective Chairmen, presented reports on various matters referred, which reports were received, read and ordered spread at length in the Journal:

Gentlemen: Your Committee on Artificial Lights, to whom various matters were referred, respectfully submit the following report:

In favor of the passage of Resolution No. —, directing the San Francisco Gas and Electric Company to install arc lamps and gas lamps and remove seven gas lamps from California street, between Presidio avenue and Spruce street.

ELECTRIC ARC LAMPS.

- 1 arc lamp, Day and Noe streets.
- 1 arc lamp, California and Maple streets.
- 1 arc lamp, California and Laurel streets.

1 arc lamp, California and Locust streets.

1 arc lamp, California and Spruce streets.

1 arc lamp, California street and Presidio avenue.

4 arc lamps on Larkin street from Market street to Sutter street.

1 arc lamp, Lower Terrace and Serpentine avenue.

1 arc lamp, Valencia street, between Twenty-fifth and Twenty-sixth streets.

1 arc lamp, Collingwood and Twenty-first streets.

GAS LAMPS.

1 gas lamp, Colton and Brady streets.

In favor of the removal of seven gas lamps from the following locations, and the erection of six arc lamps in place of said gas lamps:

The seven gas lamps at present located in California street, between Presidio avenue and Spruce street.

Respectfully submitted.

L. SACHS.

G. L. CENTER.

THOMAS MAGEE.

Report of Finance Committee.

To the Honorable Board of Supervisors of the City and County of San Francisco.

Gentlemen: Your Finance Committee, to whom were referred various matters, begs leave to report thereon as follows:

In favor of setting aside out of the "Rehabilitation Fund" the sum of \$33,000 for improvements, additions to and equipment for the following schools, to wit:

Fairmount School	\$ 5,000
Bernal School	5,000
Hunter's Point School	1,000
Marshall School	1,500
Bay View School	2,000
Hancock School	2,500
Girls' High School	16,000

Total\$33,000 -

Your Committee also recommends that the sum of \$500 be set aside out of the "Rehabilitation Fund" for the purpose of providing for the initial payment on purchase price of \$2600 for a lot of land 100x70 feet in dimensions on the northeast corner of Andover and Jefferson avenues and adjoining the Bernal School.

This land is rented at the present time by the Board of Education at a monthly rental of \$12.50, and an offer has been made to sell the property to the City and County at what is known to be a reasonable price, namely, \$2600, conditioned that \$500 shall be paid on account, and the balance due on the purchase price, namely, \$2100, shall be paid after provision therefor has been made in the Budget of the next ensuing year; the interest on the balance due is to be paid at the rate of 6 per

cent per annum by the Board of Education until final payment is made. An agreement to convey will be given by the owner of the property, Ellen S. Ford (widow), and a deed therefor placed in escrow pending the fulfillment of the conditions of the agreement.

In favor of payment of a claim of Cuyler Lee for \$516 for use and repairs to one Cadillac car formerly used by the Board of Public Works.

This car was commandeered by the Police Department shortly after the earthquake-fire of April 18, 1906, and delivered to the Board of Public Works and used by that Board for several months, and repairs were made thereto at the instance of the President of the Board of Public Works by changing the original body to another suitable to its purposes.

The car was originally billed at \$1121, and repairs to the amount of \$330 were subsequently added to the cost. After repairs had been made the car was returned to Mr. Lee for sale and \$650 obtained upon it, leaving a balance due of \$801, for which amount he presented his original claim.

After an examination by your Committee, Mr. Lee agreed to deduct the trade profit on the car, namely, 20 per cent on \$1100—\$220, and the amount received by him for sale of the original body, namely, \$65, thus making a total rebate of \$285 from his original claim, and a net charge to the city of \$516, which your Committee allowed.

In favor of petition of W. H. Stansbury, with claim in sum of \$10 for bail money alleged to have been erroneously forfeited. It appears to the satisfaction of your Committee that Stansbury was notified to appear in the Juvenile Court, when as a matter of fact the case in which he was interested was called up in the Police Court, and owing to non-appearance the bail was declared forfeited. The Judge of the Police Court forfeiting the bail originally recommends that the same be refunded.

Against the claim of Jane C. Burnett in the sum of \$50 for burial expenses of Wellington C. Burnett, veteran of the Mexican War, it appearing from the report of Mr. Bullis, having charge of the interment of ex-Union soldiers and sailors, that the claimant is not entitled to the benefit of the fund.

In favor of claims of F. T. Hamilton in the sum of \$84 and of John Sperring in the sum of \$40 for refunding to them respectively of said amounts paid to the Tax Collector in the matter of De Haro street change of grade assessment, declared invalid by the Superior Court.

The claimants in good faith paid their money to the Tax Collector upon

his order, and should not be penalized for obeying the law while others who refused to pay in the first instance did not suffer in any respect.

In favor of payment of judgment claim in the sum of \$9,500 and costs in action instituted by the City and County of San Francisco against Ellen Goff in condemnation proceedings for acquisition of remaining parcel of land in Western Addition Block No. 73—the Public Library Site selected under the bond issue.

Your Committee recommends that a warrant be issued in favor of the Clerk of the Board of Supervisors in the proper sum and that said Clerk be directed to pay said amount of \$9500 and costs into the care and custody of the Superior Court for the benefit of the defendant in the action.

In favor of payment of approximately \$1100 worth of claims of A. Waldteufel, assignee of several banks, for refund of Telegraph Hill Bond Redemption and Interest taxes paid in the year 1904. Mr. Waldteufel's claims filed with your honorable Board exceed the sum of \$5000, and your Committee at this time recommends the payment of such claims as he has purchased and is the sole party in interest.

In favor of setting aside the following moneys upon recommendation of the Street Committee of your Honorable Board, to wit: Out of the \$600,000 set aside for Sewers and Streets by Resolution No. 1236, the sum of \$4000 for the construction of sewer with necessary appurtenances on Pine street from Market street to Battery street.

Out of the said sum of \$600,000 as aforesaid, the sum of \$2500 for the purchase of basalt blocks to be used in the repaving and repairing of streets.

In favor of setting aside the following moneys out of the "Rehabilitation Fund" upon recommendation of the Public Buildings Committee of your Honorable Board, to wit:

\$800 for the installing of metal filing cases for the Identification Bureau of Police Department;

\$590 for repairs to warehouse of Election Commissioners at Eighteenth and Division streets;

\$900 for repairs to basement in City Hall for accommodation of Registrar's Department;

\$410 for installing filing cases and clothes closets in the Recorder's office. Said work to be performed by the Board of Public Works;

\$315 for installing by Department of Electricity of 120 incandescent and 6 arc lights in the office of the Tax Collector.

Your Committee recommends that the requisition of the District Attorney for repairs to automobile be honored and that said official be instructed to

cause the same to be made at his convenience.

Your Committee recommends that the sum of \$250 be set aside out of the "Rehabilitation Fund" for the purpose of completing furnishing and installing fixtures in the office of the Assessor.

By reason of the imperative necessity of conserving the resources of the City and County to provide against the spread of bubonic plague in San Francisco, and to repair and remedy the deplorable condition of our streets, sewers and public buildings, your Committee recommends as a measure of urgency that the Auditor and Treasurer be directed to transfer to the credit of the surplus fund of the year 1906-7 the sum of \$327,400 credited to the Bond Redemption and Interest Funds so said money may be made available for the purpose above mentioned.

Respectfully submitted,

H. U. BRANDENSTEIN,
G. BRENNER,
L. SACHS.

Report of Fire Committee.

To the Honorable, the Board of Supervisors of the City and County of San Francisco—Gentlemen:

Your Committee on Fire, to which various matters were referred, begs leave respectfully to report thereon as follows, to wit:

In favor of the following petitions reported favorably upon by the Fire Marshal after his investigation thereon, for the erection and maintenance of boilers and oil storage tanks.

Boilers.

Of the American Casket Company, at premises Nos. 3531 to 3537 Seventeenth street, near Guerrero.

Protest of property owners heretofore filed against the usage of shavings, etc., for fuel, after investigation by the Fire Marshal, and upon his recommendation, this privilege is granted with the express understanding that gas only shall be allowed as fuel under said boiler.

Oil Storage Tanks.

Of Calvin Knickerbocker, in premises at north line of Sacramento street, 200 feet east of Hyde street; capacity 1400 gallons.

Of the Standard Box Company, in premises at northwest corner Beale and Bryant streets; capacity 2250 gallons.

Montgomery Street Improvement Co., in premises at "New Russ Building," Montgomery street, between Bush and Pine streets; capacity 2000 gallons.

The Communication from the Board of Public Works, recommending that the bond of Dunham, Carrigan & Hayden Co., for permission to blast in premises situate at Beale street, between Howard and Folsom streets, be

fixed in the sum of \$5000, was approved and permission to blast recommended.

The following matters were referred to the Board of Public Works for its action thereon:

Petition of the San Francisco Paving Company, for permission to blast in premises situate at the northeast corner of Clay and Spruce streets, for grading purposes, requesting that a sufficient bond be fixed for said privilege.

Petition of D. Munso, for permission to remove two 3-room refugee cottages from Precita Park to San Bruno Road, near Silver avenue.

Communication from the Tax Collector, transmitting a list of theatres and places of amusement operating under permits of the Board of Public Works.

Your Committee has requested the said Board to investigate the said places and furnish a list showing the theatres in the city operating in buildings not erected strictly in accordance with the building law regulating the construction of such places.

In the matter of the protest of J. H. Boardman and others to abate a nuisance caused by sparks emanating from the smokestacks of the American Casket Co. on Seventeenth street, between Guerrero and Dolores streets.

Your Committee would state that the matter was referred to the Fire Marshal for investigation and report, and after such investigation recommended that gas only being used as fuel, would correct the danger the said firm was allowed to continue operations under these restrictions, and the protest ordered placed on file.

Regarding the proposed Ordinance amending Ordinance No. 243 (New Series), entitled, "Regulating the construction, maintenance and occupancy of tenement houses," your Committee would state that the subject matter therein was carefully considered, and after discussion, the said proposed ordinance was referred to a special Committee constituting the Chief Building Inspector of the Board of Public Works, the Fire Marshal, the Chapter of Architects by Mr. Mosser, Mr. Porter of the Board of Underwriters and Supervisor Rixford of the Building Committee of your Honorable Board, which Committee passed upon and reported a draft of Ordinance which fully met the approval, and recommendation of your Committee that the same be passed by your Honorable Board.

The Committee as above also reported upon a draft of ordinance amending Section No. 290 of Ordinance 31, relating to the construction of oriel and bay windows, which met with the approval and same recommendation of your Committee for the reason that the said Ordinances are of much benefit to

prospective contractors and builders, and an advantage to the owners of property.

Report of Hospital and Health Committee.
To the Honorable the Board of Supervisors of the City and County of San Francisco—Gentlemen:

Your Committee on Hospital and Health, to which various matters were referred, begs leave respectfully to report thereon as follows, to-wit:

The following petitions for the erection and maintenance of stables at certain localities were referred to the Board of Health to be investigated and reported upon to your Committee:

Of Arata and Valente, in premises at Francisco street, 100 feet west of Franklin street.

Of A. Vetter, in premises at McLean Court, off Ninth street, between Harrison and Bryant streets.

Of J. F. Lehaney, in premises at Seventeenth street and Potrero avenue.

The following matters were also referred for investigation and action thereon by said Board of Health:

Communication of S. E. Thorn, complaining of a nuisance existing from the throwing of swill in the public streets, at Noe, Castro, Seventeenth and Eighteenth streets.

Of property owners, complaining of a nuisance existing from the stopping up of the sewer in vicinity of the Potrero, caused by the operation of the California Canneries, situate in the neighborhood.

Of the Bay View and Silver Terrace Improvement Club, for the abatement of a nuisance caused by the operation of a fallow and axle grease works at Twentieth avenue and "X" street south.

Of property owners, for the abatement of a nuisance caused by the Milwaukee Brewing Company on Juniper street, between Tenth and Eleventh streets, in the working of a so-called beer cooler.

Of S. Danzigas et al., for the abatement of a nuisance in the vicinity of Van Ness avenue and Lombard street, caused by the placing of refugee shacks in the neighborhood.

Of R. Laselle et al., against the establishment of a Chinese laundry at Seventeenth street, between Norwood and Capp streets.

Your Committee recommends referring the petition of Glakin, of the Southern Heights Improvement Club, calling attention to the neglected condition of the sewer at Arkansas street and at Mariposa street.

Your Committee reports adversely to the petition of A. W. Keck for per-

mission to erect and maintain a stable at the northeast corner of Eighth and Bryant streets.

Your Committee recommends the placing on file of the following communications, to-wit:

From the S. F. County Medical Society, informing the Board of Supervisors of the appointment of a committee to confer in matters of municipal legislation.

From the S. F. Nurses' Association, with the proper committee of the Board, requesting the privilege of conferring at the time of preparing plans and specifications for the new City and County Hospital building.

From the City Attorney, asking for further time in which to file his opinion in the matter of the ownership of certain property situate at Forty-ninth avenue and "H" street, affected by a petition of property owners for placing this particular point on official grade, and further removing a stagnant pool therefrom.

In the matter of the demand of Roth & Co., in the sum of \$294.25, \$96.55 of which has been disputed as not being purchased under contract price, existing at the time of the delivery at the Alms-house the certain whisky itemized in the said demand, your Committee would state that the various interested persons were present and heard at length. It was shown to your Committee that there was a contract existing at the time of the purchase of said whisky and held by the firm of Dunnigan & Co., in the sum of \$2.42 per gallon; nevertheless the goods enumerated were ordered from Roth & Co., irrespective of the contract and at a higher price, amounting to the sum of \$3.09 more than the contract price would have been. Your Committee has ordered the changing of said demand to conform with the bid price, making a reduction amounting to \$3.09, and when this is done the same will be approved.

Regarding the bids recently presented and referred by your Honorable Board for furnishing and delivering butter and eggs for use of the various public institutions during the balance of the present fiscal year, the same having been heretofore rejected at the time of receiving bids in accordance with the yearly schedule of enumerated supplies for the various institutions, your Committee would state that the prices bid for the said articles were carefully considered and after hearing the statements of the Commissary of the City Prison and others present, as well as the respective bidders, your Committee would respectfully recommend that the said bids be rejected, as the prices are deemed too high and unreasonable with market values, and it is further recommended that the said butter and eggs

be purchased as needed on the basis of the market quotations.

Report of Judiciary Committee.

To the Honorable The Board of Supervisors of the City and County of San Francisco—Gentlemen:

Your Judiciary Committee, to whom were referred various matters, begs leave to report thereon as follows:

In the matter of providing offices for the County Clerk of the City and County in convenient access to the quarters of the Superior Courts, your Committee begs leave to state that it obtained an estimate from Mr. John Barnett, Superintendent of Public Buildings, of the cost of restoring the rooms formerly used by the Assessor in the City Hall, so the same may be used by the County Clerk. Mr. Barnett reports that it will cost \$15,000 to restore these quarters for use of the County Clerk, and your Committee therefore recommends that this amount be set aside out of the "Rehabilitation" Fund for this purpose.

While the work of rehabilitation of this office is going on, your Committee recommends that the County Clerk be assigned temporary quarters in the Hall of Records, and that a notice be served upon the owner of the premises wherein he is located at the present time of the termination of the present tenancy.

Your Committee recommends that the sum of \$300 be set aside and appropriated out of the Urgent Necessity Fund to provide for law books required for use of the District Attorney.

Your Committee reports in favor of payment of claim of A. Carlisle & Co. for \$335 for law books furnished Hon. Carroll Cook, Judge of the Superior Court, and in the sum of \$18.50 for California Codes furnished the Police Department.

Respectfully submitted,
MATT. J. SULLIVAN,
D. C. MURPHY.

Report of Police Committee.

San Francisco, Sept. 30th, 1907.

To the Honorable the Board of Supervisors of the City and County of San Francisco—Gentlemen:

Your Police Committee, to whom were referred various petitions to hold masquerade balls, begs leave to report thereon as follows:

In favor of granting the following petitions upon the payment of the usual license fee required by law:

Of the Alhambra Club, for permission to hold a masquerade ball on October 5th, 1907, at the Auditorium, corner Page and Fillmore streets.

Of Peter D. Findley, for permission to hold a masquerade ball at Findley's

School of Dancing, No. 3241 Sixteenth street, on Saturday evening, October 30th, 1907.

In favor of granting permission to the following fraternal and benevolent organizations to conduct masquerade balls without the payment of the usual license fee, upon the ground that the proceeds thereof are to be devoted to charitable and benevolent purposes:

To Castro Parlor No. 232, N. S. G. W., for permission to conduct a masquerade ball in Puckett's Hall, on Church street, between Fourteenth and Fifteenth streets, on November 9th, 1907.

To the Order of Brith Abraham, for permission to conduct a masquerade ball on October 27th, 1907, at the Auditorium Riuk, corner Page and Fillmore streets.

Respectfully submitted,
W. G. STAFFORD,
THOMAS MAGEE.

Report of Printing and Salaries Committee.

To the Honorable The Board of Supervisors of the City and County of San Francisco—Gentlemen:

Your Committee on Printing and Salaries to which was referred the matter of furnishing certain rebinding of books for the Tax office and Recorder's office, and printing for certain other officials, would state: That the said supplies, being non-contract, bids were invited thereon, and were opened and awarded to the lowest bidders therefor, as follows:

Rebinding books for the Tax Collector—To the City Commercial Co. @ \$27.75.

Rebinding books for the Recorder—To the City Commercial Co. @ \$32.97.

Printing as follows:

For the City and County Hospital—To Pacific Printing and Engraving Co. @ \$1.87 $\frac{1}{2}$.

For the Sheriff's Office—To the Pacific Printing and Engraving Co. @ \$1.87 $\frac{1}{2}$.

For the District Attorney's Office—To the Pacific Printing and Engraving Co. @ \$22.50.

JAMES P. BOOTH,
CHAS. A. MURDOCK,
G. L. CENTER.

Report of Printing and Salaries Committee.

To the Honorable The Board of Supervisors of the City and County of San Francisco—Gentlemen:

Your Committee on Printing and Salaries, to which various matters were referred, begs leave respectfully to report thereon as follows:

In the matter of printing pamphlet forms of the proposed Charter amendments, bids were invited for furnishing 80,000 copies. The said bids were opened and the award therefor recom-

mended to the Neal Publishing Company, the lowest bidder therefor, in the sum of \$79.15.

The firm of Brown & Power made request to your Committee for a release from doing the work of making two certain books for use in the Juvenile Department of the Superior Court on account of error, and accordingly the same has been granted, and the contract therefor awarded to the next lowest bidder, the Neal Publishing Co., in the sum of \$9.95.

It was recommended that the firm of Phillips & Van Orden be allowed an additional charge of \$1 for the printing of certain Housemoving Demands, on account of additional composition since the date of awarding the work—appearing on the schedule of yearly contract supplies as No. 584.

JAMES P. BOOTH,
CHAS. A. MURDOCK,
G. L. CENTER.

Report of Public Buildings Committee.

To the Honorable the Board of Supervisors of the City and County of San Francisco—Gentlemen:

Your Committee on Public Buildings, to which various matters were referred, begs leave respectfully to report thereon as follows, to wit:

In favor of the following requisitions from various offices and departments:

Of the Board of Public Works for the purchase of one gallon of oil, and directing the doing of the work of oiling the floors in the "Hall of Justice" building, Eddy street, by the janitors employed therein, for the suppression of dust.

Of the Sheriff for a metal filing case for use in his office in conformity with those already installed. The order has been placed for the same with the Art Metal Construction Co., as per its catalogue and schedule price made to the city for such supply at a cost of \$——.

Of the Clerk of the Board of Supervisors, for the mounting on a proper roller, the official map showing the city property in outline, and on file in the rooms of the Committees. Also

For the erection of certain shelving by the Board of Public Works, in the room of the Stationery Clerk at a cost not to exceed \$10.00—the price estimated therefor.

Of the Police Department, for the purchase and laying a carpet in the Matron's room at the City Prison in the sum of \$74.34 for a Bigelow Body Brussels carpet with two thicknesses of lining underneath to W. & J. Sloane & Co., in accordance with bid therefor.

Of the County Clerk, for the wiring and installing of electric light service in his office at a cost of

\$59.25, estimated by the Department of Electricity.

The following matters were respectfully referred to the Finance Committee of your Honorable Board, with the recommendation that the several amounts be set aside for the certain work deemed to be necessary.

That the sum of \$800.00 be allowed for furnishing and installing a metal filing case in the rooms of the Identification Bureau of the Police Department for the care of photographic records, per bid price of the Art Metal Construction Co., the lowest bidder therefor, in accordance with plans and specifications.

The sum of \$590.00 and \$900.00 respectively, for certain repairs to the warehouse of the Election Commission, situate at 18th and Division streets, and the repairing of floors, etc., in the basement at City Hall for the accommodation of the Registrar of Voters, in accordance with estimates filed by the Board of Public Works.

The sum of \$410.00 for the making and installing by the Board of Public Works, in accordance with its estimate, certain filing cases of wood, and constructing clothes closets, etc., in the Hall of Records for the accommodation of the Recorder, as per plans and specifications prepared by said Board and approved by the Recorder.

The sum of \$314.72, for the installation by the Department of Electricity of 120 incandescence lights and six arcs, in the office of the Tax Collector, as estimated by the said department.

Bids were received from private concerns for this work, and the lowest bid presented was in the sum of \$416.00.

The following matters were referred to the Board of Public Works, with a request that action and report be had thereon, to wit:

Examination of the work performed on the vault in the Treasurer's office at the City Hall, as to whether the contract provisions were complied with and the work performed satisfactorily.

To estimate the cost of the rehabilitation of the Mission High School, in accordance with the request of the Board of Education.

To confer with the Judges of the Police Courts, and suggest a plan for proper ventilation of the courts in the "Hall of Justice" building.

To have made and installed in the Identification Bureau of the Police Department certain wooden filing cases, in accordance with specifica-

tions and estimated cost not to exceed the sum of \$160.00.

To erect certain shelving in the rooms of the Stationery Clerk of the Board of Supervisors at a price not to exceed \$10.00.

To oil the floors of the "Hall of Justice"—Eddy street—the work to be performed by the janitors employed therein.

To direct the certain wiring and electric lighting of the County Clerk's office, the work to be performed by the Department of Electricity at an estimated cost not to exceed \$59.25.

To estimate a price for installing certain electric buzzers in the office of the Clerk of the Board of Supervisors, for signal bell service.

Your Committee recommends placing on file the following communications, the matter having been heretofore disposed of at former meetings of your Committee in conjunction with the Judiciary Committee of your Honorable Board.

From F. A. Meyer, offering to lease certain property situate at Turk street, near Larkin street, for municipal offices; also

From John McGaw & Co., offering to rent to the city for municipal purposes certain premises situate at No. 1023 Market street.

Your Committee discussed the subject matter of Ordinance No. 1767, relating to the appointment by the Board of Supervisors of Architects for the respective public building construction and found in conclusion that the said Ordinance is in conflict with the provisions of the Charter; and that the drafting of plans and supervision of such construction properly belongs to the Board of Public Works in accordance with Ordinances passed by the Board of Supervisors, and accordingly would respectively recommend that the said Ordinance No. 1767 be repealed on the grounds of being illegal and in conflict with the Charter requirements, and respectfully present for the consideration of your Honorable Board with recommendation for its passage an Ordinance repealing said Ordinance No. 1767, and providing for the appointment of a City Architect, prescribing his duties and compensation, and further providing for competitive plans for all public buildings and the supervision thereof by the Board of Public Works.

Respectfully submitted,
LORING P. RIXFORD,
Chairman.

Report of Street Committee.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Supervisor Murphy introduced the following Resolution and moved the suspension of the Rules for its immediate consideration.

So ordered.

Directing Streets and Judiciary Committees to Investigate into the Cause of Recent Street Car Accidents.

Resolved, That the Committee on Streets and the Committee on Judiciary be and they are hereby directed to examine into the cause of the constantly recurring accidents on street cars within the City and County and to report to the Board such resolution or ordinance as in their judgment may be effective to prevent the same, and generally to insure a better street car service.

Motion.

Supervisor Murphy moved the adoption of the Resolution.

So ordered.

Referred.

Subsequently, during the proceedings the aforesaid action was reconsidered

and said Resolution was amended by adding thereto the Public Utilities Committee, and as amended the same was referred to the Joint Committee on Public Utilities, Streets and Judiciary.

Authorizing Public Utilities Committee to Investigate into the Causes of the Inadequacy of the Street Car Service.

Supervisor Sullivan introduced the following Resolution and moved the suspension of the Rules for its immediate consideration:

So ordered.

Whereas, Under the present management of the street railroad system in San Francisco, the facilities for transportation of passengers are grossly inadequate, and

Whereas, the Mission and other districts in San Francisco are now suffering from a scarcity of cars, especially between the hours of 7 o'clock a. m. and 9 o'clock a. m., and 5 o'clock p. m. and 7 o'clock p. m., to such an extent that the few cars in operation are always overcrowded and a great number of people living in said districts are deprived of the use of cars, and

Whereas, the franchises now owned by the corporation, United Railroads of San Francisco, are subject to the general laws of the State and all reasonable ordinances that may be passed by the Board of Supervisors, and

Whereas, the Charter, in express terms, gives to the Board of Supervisors, the power "to regulate street railroads, tracks and cars . . . to fix, establish, and reduce the fares and charges for transportation of passengers and goods thereon; to regulate rates of speed, and to pass ordinances to protect the public from danger or inconvenience in the operation of said cars", and

Whereas, said provisions of the Charter give to the Board of Supervisors the undoubted legal right to pass ordinances prescribing the number of cars which shall be operated on the different streets of San Francisco at any and all hours, and the manner of their operation; the right to determine and regulate the headway between the cars, and the right to pass any and all reasonable ordinances to protect the public from danger or inconvenience while traveling in said cars.

Now, therefore, be it resolved that the Public Utilities Committee of this Board be and it is hereby authorized to investigate the causes for the existing intolerable conditions affecting the management of our street railroads, and after such investigation to submit to this Board, for its

adoption, an appropriate ordinance for the purpose of affording adequate relief to the people of this City and County.

Motion.

Supervisor Molera moved that the subject-matter of the Resolution be referred to the Joint Committee on Streets and Judiciary instead of to the Public Utilities Committee.

Amendment.

Supervisor Murdock moved to amend that the Resolution and also the Resolution preceding it introduced by Supervisor Murphy be referred to the Joint Committee on Public Utilities, Streets and Judiciary.

So ordered.

Adopted

The following Resolution was intro-

duced under suspension of the rules and *adopted*:

Rejecting Bids for Brick and Sewer Pipe.

On motion of Supervisor Magee:

Resolution No. 1411 (New Series), as follows:

Resolved, That the bids received on September 16, 1907, for furnishing brick and sewer pipe to the various institutions of the City and County be and the same are hereby rejected on the ground that the City and County can be advantaged by purchasing in the open market at daily listed quotations.

ADJOURNMENT.

There being no further business, the Board at the hour of 4:20 p. m., adjourned.

To the Fire Committee.

Report—From the Chief Building Inspector of the Board of Public Works, as follows:

San Francisco, October 3rd, 1907.

To the Honorable the Board of Supervisors of the City and County of San Francisco,—

Gentlemen: In response to your request concerning the theaters mentioned, I beg leave to inform you that the following do not comply with the Building Law, to wit:

The Davis, Empire, Wigwam, Novelty, National, Van Ness, Central and Lyceum. The Chutes Theater, to the best of my knowledge and belief, was erected prior to the passage of the ordinance specially governing theaters, though I have no official records to that effect.

The others were erected shortly after the fire of April, 1906, and without any regard to the Building Law. For your further information I will say that no permits were issued from this Bureau for their erection and maintenance.

Respectfully,

JOHN P. HORGAN,
Chief Inspector.

From the Board of Public Works, recommending that the petition of the San Francisco Paving Company for permission to blast on the northeast corner of Clay and Spruce streets be denied.

To the Judiciary Committee.

Requisition—From the Police Commission, for one set of Pony Codes.

To the Police Committee.

Requisition—From the Police Depart-

ment, for two high whirling stools and six wagon jacks for patrol wagons.

To the Public Buildings Committee.

Communication—From the Chief of Police, requesting that provision be made for the proper ventilation of rooms used as his official headquarters.

Requisitions—From the Police Department, for one safe for Clerk's office, and one scale for weighing forage for Harbor Station.

From the Police Department, for three chairs and one stool for use in the O'Farrell Street Station.

To the Joint Committee on Public Buildings, Public Utilities and Education.

From the Board of Public Works, recommending that the said Board be authorized to commence construction of the South End School, at the corner of Beacon and Girard streets, at an estimated cost of \$81,000.

To the Joint Committee on Public Utilities, Streets and Judiciary.

Communications—From the Millmen's Union No. 422, calling attention to the inadequacy of the service of the United Railroads of San Francisco and requesting that some action be taken to remedy said condition.

From the Merchants' Association of San Francisco, withdrawing former recommendation to the Board for center trolley poles on Market street, and recommending erection of ornamental side poles.

To the Streets, Sewers and Parks Committee.

Communications—From the Board of Public Works, recommending that the Barber Asphalt Paving Company be granted an extension of 90 days' time from and after October 4th, 1907, for the completion of repaving Ellis street, between Stockton and Larkin streets.

Also, recommending that C. S. Harny be granted an extension of 90 days' time from and after September 27, 1907, within which to complete contract for street work on "H" street, between Twentieth and Twenty-eighth avenues.

Also, recommending that C. S. Harny be granted an extension of 90 days' time from and after October 11th, 1907, within which to complete street work on Fourth street, from Freelon to Channel streets.

Also, recommending that grades be established at various points on Diamond street, on Beacon street and on Thirty-first street.

Also, recommending that the width of sidewalks on Danc street, between Thirtieth and Randall streets, be fixed at 10 feet.

Also, recommending that the width of sidewalks on Elliot lane, between O'Farrell street and Elliot Park, be dispensed with and abolished.

Also, recommending the expediency

of performing the following street work, the expense thereof to be assessed on private property:

That granite curbs and artificial stone sidewalks be constructed on Locust street, between Clay and Sacramento streets.

That artificial stone sidewalks be constructed on the south side of Market street, between Twelfth and Valencia streets, and on the southwesterly corner of Market and Brady streets.

That an 8-inch ironstone pipe sewer with appurtenances be constructed in Eighteenth avenue, between "I" and "J" streets.

That artificial stone sidewalks be constructed on Shrader street, between Hayes and Fell streets, and on the southeasterly corner of Shrader and Hayes streets and the northwesterly corner of Shrader and Fell streets.

That artificial stone sidewalks, granite curbs and a bituminous rock pavement be constructed in the crossing of Eleventh avenue and "L" street.

That granite curbs and artificial stone sidewalks be constructed on Twenty-third street, between Diamond and Douglass streets.

Referred to Mayor.

Bonds—Of Dunham, Carrigan & Hayden, in the sum of \$5,000, filed in connection with petition to blast for grading purposes on Beale street.

Of the Southern Pacific Company, in the sum of \$5,000, filed in connection with petition to blast for grading purposes on Beach street.

SPECIAL ORDER.

Consideration of the Parkside Transit Company Franchise.

In accordance with the notice given at the last meeting Supervisor Center moved the reconsideration of the vote whereby Bill No. 137, Ordinance No. — (New Series), entitled, "Granting to Parkside Transit Company, a railway corporation, a franchise for a right of way, and the right to con-

struct, maintain and operate a single or double track railroad, together with all necessary branches, side tracks, turn outs, switches, curves, crossings, depots and terminal tracks, and facilities over, along, under and across certain streets in the City and County of San Francisco," was refused final passage.

Privilege of the Floor.

Before the question was taken on the motion to reconsider, the following named gentlemen were granted the privilege of the floor and were heard at length favoring the final passage of the Parkside Franchise:

Frank J. Symmes, representing the Merchants' Association of San Francisco; F. V. Meyers, representing the Ingleside District; Rev. Father McCue, Walker C. Graves and L. C. Lederman, representing property owners in the Sunset District.

Notice of Filing of Stipulations by the Parkside Transit Company Waiving Certain Rights and Agreeing to Certain Conditions Incidental to the Granting of the Franchise.

Supervisor D'Ancona, Chairman of the Public Utilities Committee, submitted stipulations of the Parkside Transit Company, waiving certain rights and agreeing to certain conditions incidental to the franchise and providing that the City and County may take over the road during the last ten years of the grant and stated that by reason of said Parkside Transit Company agreeing to sell to the City and County during the last ten years of the franchise as aforesaid, he would vote for the Bill on final passage.

Question on Reconsideration of Vote.

Whereupon, the question being taken on Supervisor Center's motion to reconsider the vote whereby Bill No. 137 was refused final passage, the same was carried by the following vote:

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Molera, Murdock, O'Neill, Payot, Rixford, Sachs, Sullivan, Tveitmoe—15.

Noes—Supervisors Magee, Stafford—2.

Absent—Supervisor Murphy—1.

Final Passage of Franchise.

Whereupon, the question being taken, Bill No. 137, in words and figures following, was finally passed as Ordinance No. 288 (New Series) by the following vote:

Bill No. 137, Ordinance No. 288 (New Series), Granting to Parkside Transit Company, a railway corporation, a franchise for a right of way, and the right to construct, maintain and operate a single or double track rail-

road, together with all necessary branches, side tracks, turn-outs, switches, curves, crossings, depot and terminal tracks, and facilities along, over, and across certain streets in the City and County of San Francisco.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The right of way is hereby granted unto Parkside Transit Company, a railway corporation, its successors or assigns, for the term of twenty-five (25) years, to use portions of the streets, avenues, alleys, places and properties hereinafter named and described for street railroad purposes, as hereinafter set forth, and to that end the said Parkside Transit Company, a railway corporation, its successors or assigns, is hereby granted the right to construct, erect, maintain, and operate, by means of electricity or such other motive power as science has now or may hereafter discover and the laws sanction, a single or double track railroad along, upon, across, over and under the portions of the streets, avenues, alleys, places and properties upon the routes of and to be traversed by said railroad, and upon, along, over and under the right of way of said Parkside Transit Company, a railway corporation.

Section 2. It shall be lawful, and said Parkside Transit Company, a railway corporation, its successors or assigns, shall have the right to build, construct, erect and maintain, all necessary poles, feed, trolley, guy, stay and sustaining wires, overhead construction, connecting tracks, Y tracks, side tracks, turn-outs, curves, switches, crossings, spur tracks, yard, depot and terminal tracks, depot, station buildings, and to connect any or all of said tracks with the main line of the railroad as hereinafter set forth. The following is a description of the route referred to, to wit:

Commencing in Ocean avenue opposite the southerly termination of Corbett avenue, thence through private property to Nineteenth avenue, thence across Nineteenth avenue to a point approximately nine hundred and ninety-six (996) feet southerly from the south line of "W" street, as laid down on the official map of the City and County of San Francisco, thence through private property in a general westerly direction to what would be the line of Market street, if extended; thence along Market street to its westerly terminus; thence through private property in a general northwesterly direction to the easterly line of the Great Highway; also

Commencing on "W" street at the

easterly line of the Great Highway; thence easterly along "W" street to Forty-sixth avenue; thence curving into Forty-sixth avenue; thence southerly along Forty-sixth avenue, there connecting with the track or tracks laid or to be laid by grantee; also

Commencing at the southerly line of Ocean avenue, where said southerly line of Ocean avenue is intersected by the westerly line of Corbett avenue; thence northerly across Ocean avenue, there connecting with the track or tracks laid or to be laid by grantee, from the intersection of Ocean avenue and Corbett avenue; also

Commencing at the intersection of the easterly line of Twelfth avenue and "T" street; thence westerly along "T" street to Thirty-third avenue; thence curving into Thirty-third avenue and southerly along Thirty-third avenue to "V" street; thence curving into "V" street; thence westerly on "V" street to Thirty-fifth avenue; thence curving into Thirty-fifth avenue; thence southerly along Thirty-fifth avenue to its southerly terminus; thence across private property, connecting with the track or tracks laid or to be laid by grantee on private property; also

Commencing on Nineteenth avenue at a point approximately nine hundred and ninety-six (996) feet southerly from the south line of "W" street, as laid down upon the official map of the City and County of San Francisco; thence northerly along Nineteenth avenue to and across "H" street.

Section 3. The foregoing grants are made upon the following express conditions, to be strictly complied with by the grantee, its successors or assigns, viz:

First—The grantee, its successors or assigns, shall pay to the City and County of San Francisco, in lawful money of the United States, a percentage upon the gross annual receipts of said grantee, its successors or assigns, arising from the use, operation, possession or enjoyment of such franchise as follows:

Three (3) per centum thereof during the first five years of the period for which said franchise is granted; four (4) per centum thereof during the next succeeding ten years of said period, and five (5) per centum thereof during the next succeeding ten years of such period.

All such per centum of said gross receipts shall be paid into the Treasury of the City and County of San Francisco on or before the tenth day of the next ensuing month after such gross receipts shall have been earned.

Second—The grantee, its successors or assigns, shall continuously operate the whole of the railway hereby authorized and at the end of the term of

this franchise the road, track and bed of said railway and all its stationary fixtures upon the public streets shall become the property of the City and County.

The grantee, its successors or assigns, shall within one hundred days after the date of the grant hereby made, commence the construction of the railway hereby authorized, and continuously thereafter in each and every month until the completion thereof, expend in such construction at least the sum of three thousand dollars.

A failure to comply with any of the conditions in the foregoing paragraphs shall work an immediate forfeiture of such franchise and the road or track constructed thereunder, and there shall be no power in the Board of Supervisors to relieve from such forfeiture or from any of said conditions.

On or before the tenth day of each month, after said receipts shall have been earned, the President and Secretary of said railway company shall make and file with the Clerk of the Board of Supervisors a sworn statement of the gross receipts of such railway for the preceding month.

Third—The franchise hereby granted shall not, upon expiration of the term thereof, be renewed or regranted, and the Board of Supervisors of the City and County of San Francisco shall at all times have the power to regulate the rates of fare to be charged by those using, operating, possessing or enjoying this franchise, and the Finance Committee of said Board shall at all times be permitted to examine and inspect their books as to their gross receipts.

Fourth—The grantee, its successors or assigns, shall be required to pave the space between the rails and for two feet each side thereof, and between the tracks if there be more than one, upon the streets whereon said tracks are to be laid, and to keep the same in good condition and repair under the supervision and to the satisfaction of the Board of Public Works of the City and County.

Fifth—That such street railroads operating under different managements as the Board of Supervisors may permit, or the City and County itself, in the operation of a municipal railroad, shall have the privilege of using said tracks for a distance not exceeding ten (10) consecutive blocks, for the purposes of securing equal terminal facilities, upon condition that the expense of construction and repair of the tracks and appurtenances used by said railways jointly be equally divided between the respective owners.

Sixth—The grantee, its successors or assigns, shall pay to the City and

County as a license upon each car such sum as the Board of Supervisors may fix, provided, however, that such sum shall not exceed fifty dollars (\$50) per annum, nor be less than fifteen dollars (\$15) per annum.

Seventh—That as a condition precedent to the sale and granting of this franchise, the grantee thereunder shall permit and allow all firemen and policemen of the City and County of San Francisco at all times, and all mail carriers in the employ of the United States Government, while engaged in the actual discharge of duty, to ride on the cars of such company without paying any sum of money whatever for fare or otherwise.

Section 4. This ordinance shall take effect and be in force from and after its passage.

Ayes—Supervisors Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Molera, Murdock, O'Neill, Payot, Rixford, Sachs, Sullivan, Tveitmoe.—14.

—Noes—Supervisors Booth, Magee, Stafford—3.

Absent—Supervisor Murphy—1.

Motion.

Supervisor D'Ancona moved that the stipulations filed by the Parkside Transit Company waiving certain rights and privileges under the franchise and agreeing that the City may take over the road during the last ten years of the franchise be accepted.

So ordered.

Adopted.

Acceptance of Certified Agreements of Parkside Transit Company Waiving Certain Rights Under Franchise as to Gauge of Road and to Construction of Other than Surface Railway, and Agreeing to Grade Twentieth Avenue, to Plant Shade Trees on Parkside Boulevard and to Sell to the City and County Its Railroad During the Last Ten Years of the Franchise.

Whereupon, on motion of Supervisor D'Ancona, the following Resolution was adopted by unanimous vote as Resolution No. 1444 (New Series):

Resolution No. 1444 (New Series).

Whereas, The Parkside Transit Company filed on October 14, 1907, the following certified agreements in consideration of the final passage by the Board of Supervisors of the City and County of San Francisco of Bill No. 137, Ordinance No. — (New Series), entitled, "Granting to Parkside Transit Company, a railway corporation, a franchise for a right of way, and the right to construct, maintain and operate a single or double track railroad, together with all nec-

essary branches, sidetracks, turnouts, switches, curves, crossings, depot and terminal tracks, and facilities along, over, under and across certain streets in the City and County of San Francisco";

1. Whereas, heretofore, under date of September 23, 1907, the President and Secretary of this corporation, Parkside Transit Company, under the name of the company, wrote a letter to the Mayor and Board of Supervisors of the City and County of San Francisco, State of California, of which the following is a copy: "San Francisco, Cal., Sept. 23rd, 1907.

To the Mayor and Board of Supervisors of the City and County of San Francisco.

Gentlemen: At the suggestion of your Joint Committees on Public Utilities and Streets, which have had under consideration the final passage of the Ordinance granting a franchise for a street railway in the Sunset District to the Parkside Transit Company, which Ordinance is now pending before your Board on final passage, the said Parkside Transit Company hereby signifies its willingness, and hereby binds itself by this supplemental agreement, in the event of the passage of said Ordinance in its present form:

(1) To construct the proposed railway only according to the standard gauge, to wit: 4 feet 8½ inches;

(2) To relinquish, and it does hereby relinquish, all right which may be conferred by said Ordinance to construct such railway either above the street, as an elevated railway, or below the street as a subway railroad, the true intent of this relinquishment being that this company shall construct its railroad only upon the surface of the street;

(3) To grade Twentieth avenue, now a boulevard, from H street South to W street to the official line and grade within six months from the receipt by this company from the City Engineer of diagrams of official line and grade of said Twentieth avenue between said streets.

We further agree that a failure on the part of this company to perform the work contemplated in these conditions according to the tenor thereof shall work a forfeiture of any franchise granted under said Ordinance.

We also agree to plant shade trees on both sides of Parkside boulevard and for the full length thereof, on request of the Board of Supervisors signified by Resolution of said Board.

Respectfully,

PARKSIDE TRANSIT COMPANY.

J. E. GREEN, President.

G. A. NICHOLS, Secretary."

Now, therefore, Resolved, That the action of the president and secretary

in writing and sending said letter to the Mayor and Board of Supervisors be, and the same is hereby approved, ratified and confirmed; and further

Resolved, That this corporation shall be bound in all respects by said letter.

I, G. A. Nicholls, secretary of the Parkside Transit Company, a corporation, do hereby certify that the foregoing is a full, true and correct copy of a resolution duly passed and adopted by the Board of Directors of the Parkside Transit Company, a corporation, at a meeting of said Board duly convened and held on the 30th day of September, 1907.

In witness whereof, I have hereunto set my hand and affixed the corporate seal of this corporation this 30th day of September, 1907.

(Seal) G. A. NICHOLLS,
Secretary Parkside Transit Company.

2. Whereas, Under date October 14th, 1907, the president of this corporation, Parkside Transit Company, under the name of the company, wrote a letter to the Mayor and Board of Supervisors of the City and County of San Francisco, of which the following is a copy:

"San Francisco, Cal., Oct 14th, 1907.

To the Mayor and Board of Supervisors of the City and County of San Francisco.

Gentlemen: The Parkside Transit Company hereby supplements its supplemental agreement of September 20th, 1907, which read as follows:

"San Francisco, Cal., Sept. 20th, 1907.

To the Mayor and Board of Supervisors of the City and County of San Francisco.

Gentlemen: At the suggestion of your Joint Committee on Public Utilities and Streets which have had under consideration the final passage of the Ordinance granting a franchise for a street railway in the Sunset District to the Parkside Transit Company, which Ordinance is now pending before your Board on final passage, the said Parkside Transit Company hereby signifies its willingness and hereby binds itself by this supplemental agreement, in the event of the passage of said Ordinance in its present form:

(1) To construct the proposed railway only according to the standard gauge, to wit: 4 feet 8½ inches.

(2) To relinquish, and it does hereby relinquish, all right which may be conferred by said Ordinance to construct such railway either above the street as an elevated railway, or below the street as a subway railroad, the true intent of this relinquishment being that this company shall construct its railroad only upon the surface of the street;

(3) To grade Twentieth avenue, now a boulevard, from H street South to W street to the official line and grade within six months from the receipt by this company from the City Engineer of diagrams of official line and grade of said Twentieth avenue between said streets.

We further agree that a failure on the part of this company to perform the work contemplated in these conditions according to the tenor thereof shall work a forfeiture of any franchise granted under said Ordinance.

Also to plant shade trees on both sides of Parkside boulevard and for the full length thereof, on request of the Board of Supervisors signified by Resolution of said Board passed within two years from passage and approval of said Ordinance.

Respectfully,
PARKSIDE TRANSIT COMPANY,
J. E. GREEN, President.

(Seal) G. A. NICHOLLS, Secretary.

By the further agreement that the City and County of San Francisco shall have the right at any time during the last ten (10) years of the life of said franchise to acquire the same, together with the power plant, poles, wires, roadbed, rails, rolling stock and other equipment of said railway at such fair and reasonable valuation as may be agreed upon by the holder of said franchise and the City and County of San Francisco, or, failing such agreement, at such valuation as may be fixed by a Court of competent jurisdiction.

Respectfully,
PARKSIDE TRANSIT COMPANY,
By J. E. GREEN, President."

Now therefore Resolved, That the action of the president in writing and sending said letter to the Mayor and Board of Supervisors be, and the same is hereby approved, ratified and confirmed; and further

Resolved, That this corporation shall be bound in all respects by said letter.

I, F. M. Mullany, assistant secretary of Parkside Transit Company, a corporation, do hereby certify that the foregoing is a full, true and correct copy of a Resolution duly passed and adopted by the board of directors of the Parkside Transit Company, a corporation, at a meeting of said board duly convened and held on the 14th day of October, 1907.

In witness whereof I have hereunto set my hand and affixed the corporate seal of this corporation this 14th day of October, 1907.

(Seal) F. M. MULLANY,
Assistant Secretary Parkside Transit Company.

3. Whereas, Under date October 14th, 1907, the president of this cor-

poration, Parkside Transit Company, under the name of the company, wrote a letter to the Mayor and Board of Supervisors of the City and County of San Francisco, State of California, of which the following is a copy:

"San Francisco, Oct. 14, 1907.

To the Mayor and Board of Supervisors of the City and County of San Francisco.

Gentlemen: The Parkside Company hereby supplements its supplemental agreement of September 20th, 1907, which read as follows:

'San Francisco, Cal., Sept. 20th, 1907.

To the Mayor and Board of Supervisors of the City and County of San Francisco.

Gentlemen: At the suggestion of your Joint Committee on Public Utilities and Streets, which have had under consideration the final passage of the Ordinance granting a franchise for a street railway in the Sunset District to the Parkside Transit Company, which Ordinance is now pending before your Board on final passage, the said Parkside Transit Company hereby signifies its willingness, and hereby binds itself by this supplemental agreement, in the event of the passage of said Ordinance in its present form:

Respectfully,

PARKSIDE TRANSIT COMPANY.

J. E. GREEN, President.

G. A. NICHOLS, Secretary."

By the further agreement that the Parkside Transit Company does hereby bind itself in the event of the final granting of said franchise in its present form and over its present route, to lawfully relinquish and abandon so much of the present route thereof as extends from H street along 19th avenue to W street, upon the final granting to the Parkside Transit Company within the period of six months from date hereof of a franchise to construct, maintain and operate a single or double track electric street railway of standard gauge along and upon Twentieth avenue from H street to W street, and along and upon W street from Twentieth avenue to Nineteenth avenue.

The true intent and meaning of this agreement being that the Parkside Transit Company will accept as a legal substitution for the franchise about to be granted to operate said street railway upon and along 19th avenue from H street to W street, the granting of a franchise to operate said railway upon and along Twentieth avenue from H street to W street and upon and along W street from Twentieth avenue to Nineteenth avenue.

Respectfully,

PARKSIDE TRANSIT COMPANY.

(Seal) By J. E. GREEN, President."

Now, therefore, Resolved, That the action of the president in writing and sending said letter to the Mayor and Board of Supervisors be, and the same is hereby approved, ratified and confirmed; and further

Resolved, That this corporation shall be bound in all respects by said letter.

I, F. M. Mullany, assistant secretary of Parkside Transit Company, a corporation, do hereby certify that the foregoing is a full, true and correct copy of a resolution duly passed and adopted by the Board of Directors of the Parkside Transit Company, a corporation, at a meeting of said board duly convened and held on the 14th day of October, 1907.

In witness whereof, I have hereunto set my hand and affixed the corporate seal of this corporation this 14th day of October, 1907.

(Seal) F. M. MULLANY,

Assistant Secretary Parkside Transit Company.

Now, therefore, Resolved, That said agreements and each of them be and the same are hereby accepted by the Board of Supervisors of the City and County of San Francisco.

Recess.

REPORT OF HOSPITAL AND HEALTH COMMITTEE ON CARE AND MAINTENANCE OF PATIENTS OF CITY AND COUNTY HOSPITAL AND INMATES OF ALMSHOUSE.

To the Honorable, the Board of Supervisors of the City and County of San Francisco—Gentlemen:

Your Committee on Hospital and Health, to whom were referred a Resolution directing your Committee to confer with the Board of Health, and with the Board of Directors of the Relief and Red Cross Funds (a corporation), with the purpose in view of providing adequate facilities for the care and housing of the sick and infirm of the City and County, begs leave to report thereon as follows:

Several conferences were held by your Committee with the members of the Board of Health, and also with the officials of the Relief and Red Cross Funds (a corporation), and as a result thereof, the question under consideration was referred to a Special Committee, consisting of Dr. William Ophuls, President of the Board of Health, F. W. Dohrmann, Vice-President of the Relief and Red Cross Funds, H. U. Brandenstein, Chairman of the Finance Committee, Board of Supervisors, Henry Payot, Chairman of the Hospital and Health Committee of said Board, and Loring P. Rixford, Chairman of the Public Buildings Committee of said Board.

The question of transferring the chronic cases from the City and County Hospital to Ingleside, and placing of management and control of the Almshouse under the Relief and Red Cross Funds (a corporation) was considered by said Special Committee, and its findings submitted to

and approved by your Committee. A copy of the findings of said Special Committee is hereto attached and made a part hereof, and your Hospital and Health Committee recommends the adoption of the same by your Honorable Board.

The Board of Health informs your Committee that it has likewise concurred in the report and recommendation of the Special Committee—a copy of which notice is also made a part of this report.

Respectfully submitted,

HENRY PAYOT,

L. SACHS,

A. A. D'ANCONA.

Minutes of Meeting of Joint Committee on the Care of Patients in the City and County Hospital and Inmates of Almshouse, held Saturday, October 5th, 1907, at 1299 Gough Street, San Francisco, Cal., 10 a. m. to 4 p. m.

Present—F. W. Dohrmann, Vice-President of the San Francisco Relief and Red Cross Funds, a Corporation; Dr. Wm. Ophuls, President of the Board of Health; H. U. Brandenstein, Chairman of the Finance Committee of the Board of Supervisors; Henry Payot, Chairman of the Hospital and Health Committee of the Board of Supervisors; Loring P. Rixford, Chairman of the Public Buildings Committee of the Board of Supervisors; C. N. Wollenberg, Commander of Ingleside Model Camp; William Dolge, Auditor of the San Francisco Relief and Red Cross Funds, a Corporation.

On motion of F. W. Dohrmann, seconded by H. U. Brandenstein, Mr. Henry Payot took the chair.

The Chairman made a general statement of the hospital and health conditions in the city, with particular reference to the bubonic plague and the condemnation of the City and County Hospital by Dr. Rupert Blue of the United States Marine Hospital Service.

Dr. William Ophuls took up the cost of maintenance of City and County Hospital patients, reporting present cost in the City and County Hospital at about \$6.00 per patient per week, and estimated the cost of maintaining chronic cases outside of the City and County Hospital at \$3.50 to \$4.50 a week; acute and surgical cases in the various hospitals throughout the city at \$12.00 a week. Dr. Ophuls closed his remarks with the statement that the questions to be determined by the Committee were whether the Relief Corporation would allow the use of one or two pavilions in the new Relief Home for the Aged and Infirm for chronic cases now at the City and County Hospital, the Board of Health agreeing to

transfer no infectious cases to the new Relief Home. 2nd. That the administration of the new Relief Home, under these conditions, remain with the Relief Corporation. 3rd. That the City pay the actual cost of maintenance of the chronic cases at the new Relief Home. 4th. That the acute and surgical cases from the City and County Hospital be transferred to the existing hospitals, the rate of care and maintenance to be agreed upon.

In reply Mr. Dohrmann, representing the Relief Corporation, made a general statement with reference to the financial condition of the Relief Corporation, and particularly with reference to the restrictions imposed upon the Relief Corporation by the Massachusetts Association for the Relief of California, by the New York Chamber of Commerce, by the American National Red Cross, Washington, D. C., and other donors. The available funds at this time were stated to be \$300,000.00, and the estimated expenses for closing of the relief work on the lines laid out by the Executive Committee of the Corporation at \$750,000.00. The deficit, \$450,000.00, would, therefore, necessarily have to come out of the moneys now held by the American National Red Cross in Washington. Mr. Dohrmann stated further that it was the desire of the Relief Corporation to leave substantial evidence of the generosity of the donors of the relief funds to the city in the Relief Home for the Aged and Infirm now nearing completion on the Almshouse tract, the total cost of which will aggregate \$250,000.00. It was further the desire of the Relief Corporation to operate the new Relief Home for the Aged and Infirm to the end of the fiscal year for the purpose of demonstrating the feasibility of a continued high standard of maintenance at a reasonable cost after the dedication of the new Home to the city.

At the request of the Chairman, Mr. C. N. Wollenberg, Commander of Ingleside Model Camp, submitted the plans of the new Relief Home for the Aged and Infirm.

Mr. Dohrmann pointed out that the buildings erected by the Relief Corporation were intended as a *Relief Home*,

and not as a hospital, that it was the desire of the Relief Corporation to give the city an object lesson in the administration of such a home, that the term "Almshouse" was objectionable, and that the new buildings should be known as the "Relief and Red Cross Home for the Aged and Infirm", that the presence of patients was undesirable in a home of this kind, that the buildings were not especially adapted for hospital purposes, that a double administration by the Relief Corporation and the Board of Health would be impracticable. In conclusion, Mr. Dohrmann offered the following suggestions to the Committee:

1st.—That chronic patients in the City and County Hospital be removed to Ingleside Model Camp, provided Mr. T. T. Williams of the California Jockey Club consents to this use of the premises.

2nd.—That acute surgical cases from the City and County Hospital be transferred to existing hospitals.

3rd.—That the inmates of Ingleside Model Camp and the inmates of the Almshouse be transferred to the new Relief Home for the Aged and Infirm.

4th.—That the determination of the financial questions resulting from the foregoing recommendations be left for later consideration.

Thereupon, the Committee made a thorough inspection of the hospital and living quarters of Ingleside Model Camp, the new Relief Home for the Aged and Infirm on the Almshouse tract, and of the Almshouse. Upon the conclusion of this inspection, the committee returned to its original place of meeting.

Mr. C. N. Wollenberg reported the cost of administration and maintenance at Ingleside Model Camp at about 50 cents per day per inmate. This sum should be reduced materially with a larger number of inmates. The administration and maintenance of inmates at the Almshouse is about 25 cents per day per inmate. The available funds in the city treasury for the administration of the City and County Hospital and the Almshouse and the care and maintenance of patients in both institutions is estimated to be \$154,333.33 from November 1st.

On motion of Mr. H. U. Brandenstein, seconded by Mr. Rixford, the following report was unanimously adopted and ordered spread on the minutes of the Committee. Upon the adoption of the report the Committee adjourned
WILLIAM DOLGE, Secretary.

Report of Joint Committee Consisting of Dr. William Ophuls, President of the Board of Health; F. W. Dohrmann, Relief and Red Cross Corporation; H. U. Brandenstein, Chairman of the Finance Committee, Board of Supervisors; Henry Payot, Chairman of the Hospital and Health Committee of the Board of Supervisors, and Loring P. Rixford, Chairman of the Public Buildings Committee, Board of Supervisors, in the Matter of Care and Maintenance of Patients of City and County Hospital and Inmates Almshouse.

San Francisco, October 5, 1907.

To the Board of Health of the City and County of San Francisco, to the Executive Committee of the San Francisco Relief and Red Cross Funds, a Corporation; to the Finance Committee of the Board of Supervisors; to the Hospital and Health Committee of the Board of Supervisors; to the Public Buildings Committee of the Board of Supervisors—Gentlemen:

The joint committee appointed by your honorable bodies consisting of Dr. William Ophuls, F. W. Dohrmann, H. U. Brandenstein, Henry Payot and Loring P. Rixford met Saturday, October 5th, 1907, for the purpose of considering the care and maintenance of patients of the City and County Hospital and inmates of the Almshouse in connection with the proffer of assistance by the San Francisco Relief and Red Cross Funds, a corporation.

The hospital and health situation in the city at this time was reviewed thoroughly. Existing conditions at

the City and County Hospital and the Almshouse, as well as the financial abilities of the municipality and the Relief Corporation, received especial consideration. The committee made a thorough inspection of the hospital and quarters at Ingleside Model Camp, the Relief Home for the Aged and Infirm situated on the Almshouse Tract, now nearing completion, and of the Almshouse.

Upon the conclusion of its session, the following recommendations were adopted unanimously and are herewith offered for your consideration:

1st.—That the City and County Hospital be abandoned forthwith.

2nd.—That acute and surgical cases of the City and County Hospital be transferred for treatment to existing hospitals, the rate of payment for care to be agreed upon.

3rd.—That chronic cases of the City and County Hospital be transferred to Ingleside Model Camp as soon as the Relief Corporation can make this practicable by moving the present inmates to the new Relief Home for the Aged and Infirm, and provided further that Mr. T. T. Williams, President of the California Jockey Club, consents to such use of the premises.

4th.—That the determination of the question of administration by the Board of Health or by the Relief Corporation of Ingleside Model Camp, after the present inmates have removed to the new Relief Home for the Aged and Infirm, be left as matter for future consideration.

5th.—That the question of defraying the cost of maintaining City and County Hospital patients at Ingleside

side Model Camp, pending removal of the present inmates to the new Relief Home for the Aged and Infirm, be left for future determination and agreement.

6th.—That the present inmates of Ingleside Model Camp be moved to the new Relief Home for the Aged and Infirm immediately upon the completion thereof.

7th.—That the Almshouse buildings are not fit for human habitation.

8th.—That arrangements should be made by the municipality with the Relief Corporation for taking over and caring for the inmates of the Almshouse in the new Relief Home for the Aged and Infirm until the end of the fiscal year.

9th.—That the charge by the Relief Corporation for the care and maintenance of inmates of the Almshouse in the new Relief Home for the Aged and Infirm until the end of the fiscal year shall be the balance of the appropriation set aside for the Almshouse.

10th.—That the buildings now occupied as Almshouses should be condemned, in whole or in part, as soon as they can be dispensed with.

11th.—That no further repairs of any but the most temporary nature be made on the Almshouse.

12th.—That a high board fence be built around the entire Almshouse tract.

13th.—That the Committee advocates a bond issue for the construction of a permanent, modern City and County Hospital.

Respectfully submitted,

WILLIAM DOLGE,

Secretary of the Joint Committee.
Headquarters Department of Public Health, O'Farrell street, near Scott.

San Francisco, Cal., Oct. 8, 1907.

Mr. Henry Payot, Chairman Joint Committee, San Francisco, Cal.—
Dear Sir:

At a meeting of the Board of Health held October 7th, 1907, the Report and Recommendations of the Joint Committee, which Committee met on October 5th, were presented, and it was moved, seconded and unanimously carried that the report be acknowledged; that the Board of Health expresses its hearty concurrence in the recommendations contained in said report, and that it further express its appreciation of the courtesies extended to the City and County of San Francisco by the Relief Corporation, in assisting in the care of the chronic sick of the city.

Respectfully,

W. OPIIULS,

President Board of Health.

Received and read.

REPORT OF THE PUBLIC UTILITIES COMMITTEE AGAINST THE RECOMMENDATIONS OF THE FEDERATED WATER COMMITTEE TO PURCHASE THE PLANT OF THE SPRING VALLEY WATER COMPANY.

To the Honorable The Board of Supervisors of the City and County of San Francisco—

Gentlemen: Your Committee on Public Utilities to which was referred the communication from the Federated Water Committee recommending the purchase of the plant of the Spring Valley Water Company at a cost of approximately \$28,000,000, begs leave to report thereon as follows:

The issue of bonds already authorized amounts to \$17,000,000. The extreme limit of the bonded indebtedness of the City is 15 per cent of the assessed valuation. Upon the present valuation of \$420,000,000, this would amount to \$63,000,000. The expenditure of \$28,000,000 for the Spring Valley System, together with the bond issue of \$17,000,000 already authorized, would amount to \$45,000,000. This would leave but \$18,000,000 available for the construction of an auxiliary salt water system for fire protection, the reconstruction of the streets, sewers and other public property and the construction of the system whereby pure water would be brought from the Sierras. As the Sierra system has been estimated to cost \$39,000,000, it is evident that the purchase of the Spring Valley system amounts to the complete abandonment of the plan to obtain a supply of water from the mountains.

It seems to your Committee that the only thoroughly satisfactory source whereby the City would be assured a sufficient and unfailling supply of pure, uncontaminable water is to be found in the Sierra Mountains.

Your Committee therefore deems the purchase of the properties of the Spring Valley Company at this present time inadvisable.

While your Committee deems it inadvisable to buy the properties of the Spring Valley Company at this time, it sees no objection to adopting the recommendation of the Federated Water Committee, viz: "That the City au-

thorities by negotiation agree upon a price with the Company for all such portion of said property as may be desired and at that price an option to purchase be immediately secured and that thereafter a bond election be ordered, at which the citizens may have an opportunity to vote"; provided the option be made for a sufficiently long period. Your Committee embraces this opportunity to urge upon you the necessity of commencing and prosecuting to a speedy completion the projected waterworks for fire protection.

It also strongly recommends the appointment of a permanent "Water Supply Commission" which would permanently consider all matters relating to the water supply for this City.

In all probability, some legislation may be necessary for the creation of such commission, and, if so, while this legislation was pending, a Board of Engineers might be appointed to complete the study and report upon the feasibility and cost of the plans for water supply for this city, already submitted or that may be submitted to said Board.

Your Committee agrees with the general opinion of the citizens of San Francisco that the City should own its water works, and at such an early date as the means of raising the necessary funds will permit, but it should be done in a careful and systematic manner, commensurate with the magnitude and importance of the undertaking.

Respectfully submitted,

A. A. D'ANCONA,
E. J. MOLERA.

Report of the Public Utilities Committee in the Matter of the Revocation of the Home Telephone and So-called Overhead Trolley Franchises.

San Francisco, Oct. 10, 1907.

To the Honorable the Board of Supervisors of the City and County of San Francisco—

Gentlemen: The Committee on Public Utilities to which were referred communications in which your honorable body was requested to cancel the so-called Overhead Trolley and the Home Telephone franchises begs leave to report thereon as follows:

If your honorable body after an investigation of the methods whereby the so-called Overhead Trolley and Home Telephone franchises were granted were to adopt resolutions rescinding and declaring void said franchises, such action would be subjected to review in the Courts and would be practically nugatory until endorsed by judicial sanction.

It would seem that the most expeditious and practicable means of determining the validity of the above-named franchises would be by suit instituted in the Courts.

Your Committee therefore recommends that consideration of the communications be indefinitely postponed.

Respectfully submitted,

A. A. D'ANCONA,
Chairman.

Report of Hospital and Health Committee on Disposition of Inmates of City and County Almshouse and of Patients of City and County Hospital.

San Francisco, Cal., Oct. 21, 1907.

To the Honorable, the Board of Supervisors of the City and County of San Francisco—Gentlemen:

Your Hospital and Health Committee, to whom were recommitted the report made at the last meeting of your Hon-

orable Board, on the disposition of the inmates of the City and County Almshouse, and of the patients of the City and County Hospital, begs leave to renew its recommendations then made, and to now recommend to your Honorable Board the adoption of appropriate resolutions in accord with said recommendations.

Briefly summed up, these recommendations provide as follows:

City and County Almshouse.

That the management of the City and County Almshouse be transferred to the Relief and Red Cross Funds (a corporation) on or about the 15th of December, 1907, when the new Relief and Red Cross Home on the Almshouse tract, wherein it is proposed to quarter the inmates of the Almshouse, will be ready for occupancy.

That the unexpended balance in the appropriation made for the Almshouse for the fiscal year 1907-8, be paid in monthly installments to the Relief and Red Cross Funds (a corporation) from the time of the transfer.

That the Board of Health take over the management and control of the new home on July 1st, 1908, the beginning of the next fiscal year.

That pending completion of the Relief Home on the Almshouse tract, that all of the inmates of Almshouse building No. 2, and as many of the inmates of building No. 1, as can be accommodated, be temporarily transferred to the Relief and Red Cross Model Camp at Ingleside, together with the necessary bedding and equipment, and that the actual cost of maintenance of said inmates, not to exceed thirty (30) cents per day per person, be paid to the Relief Corporation monthly.

City and County Hospital.

That the City and County Hospital be abandoned.

That the acute and surgical cases be transferred to local hospitals.

That the chronic or non-acute cases be transferred to Almshouse building No. 2.

Respectfully submitted,

HENRY PAYOT,

L. SACHS,

Defining Policy of the Board of Supervisors and Board of Health in the Matter of Care of Inmates of Almshouse.

On motion of Supervisor Payot:

Resolution No. 1491 (New Series), as follows:

Resolved, That in accordance with the recommendation of the Special Committee on Care and Maintenance of Inmates of the City and County Almshouse, consisting of the Board of Health of the City and County, the Hospital and Health, the Public Buildings and the Finance Committees of the Board of Supervisors, and of the Executive Committees of the Relief and Red Cross Funds (a corporation), presented to the Board of Supervisors October 14, 1907, that the following

polices and courses of action be adopted by this Board, to wit:

That an agreement be entered into by and between the Board of Supervisors, the Board of Health and the Relief and Red Cross Funds (a corporation) that the necessary financial preparation and arrangements be made so that as soon as the Relief and Red Cross Funds (a corporation) is ready to occupy the Relief and Red Cross Home, now in course of construction on the Almshouse Tract, and expected to be completed on or about December 15, 1907, that the inmates of the Almshouse be transferred to said Home.

That the compensation thereafter to be paid by the City and County of San Francisco to the Relief and Red Cross Funds (a corporation) for maintenance of the inmates of the Almshouse in the Relief and Red Cross Home shall be the unexpended balance, at the time of the transfer, remaining to the credit of the Almshouse Fund in the Budget of the fiscal year 1907-8, and that the monthly proportion of said unexpended balance of said fund shall be paid to the Relief and Red Cross Funds (a corporation) from the time of said transfer as compensation for the care and maintenance of the inmates of the Almshouse, it being distinctly understood that at the end of the present fiscal year and beginning with the next fiscal year, the City and County will take over the Relief and Red Cross Home as the Home for the Aged and Infirm of the City and County, and thereafter maintain the same instead of the Almshouse, as heretofore.

That pending the completion of the Relief and Red Cross Home on the Almshouse Tract, that all of the inmates of Almshouse building No. 2 and as many of the inmates of Building No. 1 as can be accommodated be transferred to the Relief and Red Cross Model Camp at Ingleside, and therein maintained until such time as said Relief and Red Cross Home on the Almshouse Tract is ready for occupancy.

That for the maintenance of these inmates the City and County of San Francisco shall pay to the Relief and Red Cross Funds (a corporation), during this temporary period, the actual cost of maintaining said inmates at a cost not to exceed thirty cents (30) per day per person, and it is hereby agreed that the claim for this service shall be paid monthly.

It is further understood and agreed that such of the bedding and other Almshouse equipment as will become available by this transfer to the Relief and Red Cross Funds (a corporation) shall be transferred with the inmates to be used in the Ingleside Model Camp during this temporary period last aforesaid.

Application of the Parkside Transit Company for a Street Railroad Franchise on Twentieth Avenue.

The following application filed this day by the Parkside Transit Company, a corporation, was received, read and ordered referred to the Joint Committee on Public Utilities and Streets, Sewers and Parks:

To the Honorable, the Board of Supervisors of the City and County of San Francisco:

**Application of Parkside Transit Company
for a Street Railway Franchise.**

In accordance with the provisions of the Charter of the City and County of San Francisco and that certain supplemental agreement dated October 14th, 1907, and accepted by your Honorable Board by Resolution No. 1444 (New Series), the Parkside Transit Company does hereby make application, and does hereby petition your Honorable Board for the sale, award and granting of a street railway franchise along and upon the route hereinafter described, and in that behalf respectfully represent:

(1) That the Parkside Transit Company, your petitioner, is a railway corporation organized and existing under and by virtue of the laws of the State of California, and having its principal place of business in the City and County of San Francisco in said State.

(2) That the Parkside Transit Company, your petitioner, is desirous of constructing, maintaining and operating a street railroad in said City and County of San Francisco, State of California, over and along the route hereinafter designated, under and in accordance with the terms and provisions of the Charter of the City and County of San Francisco.

Wherefore, your petitioner hereby applies to your Honorable Board for a franchise for a term of twenty-five years to construct, lay down, maintain and operate a single or double track street railroad with all the necessary branches, side tracks, turnouts, switches, crossings, curves, connections, spur tracks, yard tracks, depot tracks, terminal tracks and facilities in the said City and County of San Francisco, State of California, over and along the following described route, to wit:

Commencing on Nineteenth avenue at a point opposite the intersection of "W" street with Nineteenth avenue, there connecting with the track or tracks laid or to be laid by the said grantee in said Nineteenth avenue, thence westerly along "W" street to Twentieth avenue, thence curving northerly into Twentieth avenue, thence northerly along Twentieth avenue to and across "H" street, as said streets and avenues are laid down and designated on the official map of the City and County of San Francisco.

A draft of a proposed Ordinance granting said franchise is filed herewith.

Dated October 21st, 1907.

Parkside Transit Company.

By J. E. Green, President.

Referred.

Proposed Form of Grant Under Application of Parkside Transit Company of a Franchise for a Street Railroad on Twentieth Avenue.

Supervisor D'Ancona introduced by

request Bill No. —, Ordinance No. — (New Series), as follows:

Granting to a franchise for a right of way, and the right to construct, maintain and operate a single or double track railroad, together with all necessary branches, side tracks, turn-outs, switches, curves, crossings, spur tracks, yard tracks, depot and terminal tracks and facilities upon, along and across certain streets, avenues, alleys, places and properties in the City and County of San Francisco.

Be it ordained by the People of the City and County of San Francisco as follows:

Section 1. The right of way is hereby granted unto

..... (its or his) successors or assigns, for the term of twenty-five (25) years, to use portions of the streets, avenues, alleys, places and properties hereinafter named and described for street railroad purposes, as hereinafter set forth, and to that end the said

..... (its or his) successors or assigns is hereby granted the right to construct, erect, maintain and operate, by means of electricity or such other motive power as science has now or may hereafter discover and the laws sanction, a single or double track, standard gauge railroad along, upon and across the portions of the streets, avenues, alleys, places and properties upon the routes of and to be traversed by said railroad, upon, along and across the right of way of said

Section 2. It shall be lawful, and said

(its or his) successors or assigns shall have the right to build, construct, erect and maintain, all necessary poles, feed, trolley, guy, stay and sustaining wires, overhead construction, connecting tracks, Y tracks, side tracks, turnouts, curves, switches, crossings, spur tracks, yard, depot and terminal tracks, depot, station buildings, and to connect any or all of said tracks with the main line of the railroad as hereinafter set forth.

The following is a description of the route referred to, to wit:

Commencing in Nineteenth avenue at a point opposite the intersection of "W" street with Nineteenth avenue, there connecting with the track or tracks laid or to be laid by said grantee in said Nineteenth avenue, thence westerly along "W" street to Twentieth avenue, then curving northerly into Twentieth avenue, thence northerly along Twentieth avenue to and across "H" street, as said streets and avenues are laid down and designated on the official map of the City and County of San Francisco.

Section 3. The foregoing grants are made upon the following express conditions, to be strictly complied with by

the said grantee (its or his) successors or assigns, viz:

First. The grantee (its or his) successors or assigns, shall pay to the City and County of San Francisco, in lawful money of the United States, a percentage upon the gross annual receipts of said grantee (its or his) successors or assigns, arising from the use, operation, possession or enjoyment of such franchise, as follows:

.... per centum thereof during the first five years of the period for which said franchise is granted; per centum thereof during the next succeeding ten years of said period, and per centum thereof during the next succeeding ten years of such period.

All such per centum of said gross receipts shall be paid into the treasury of the City and County of San Francisco, on or before the tenth day of the next ensuing month after such gross receipts shall have been earned.

Second. The grantee (its or his) successors or assigns, shall continuously operate the whole of the railway hereby authorized, and at the end of the term of this franchise the road track and bed of said railway and all its stationary fixtures upon the public streets shall become the property of the City and County.

The grantee (its or his) successors or assigns shall within one hundred days after the date of the grant hereby made commence the construction of the railway hereby authorized, and continuously thereafter in each and every month until the completion thereof expend in such construction at least the sum of three thousand dollars.

A failure to comply with any of the conditions in the foregoing paragraphs shall work an immediate forfeiture of such franchise and the road or track constructed thereunder, and there shall be no power in the Board of Supervisors to relieve from such forfeiture or from any of said conditions.

On or before the tenth day of each month, after said receipts shall have been earned, the president and secretary of said railway company shall make and file with the Clerk of the Board of Supervisors a sworn statement of the gross receipts of such railway for the preceding month.

Third. The franchise hereby granted shall not, upon expiration of the term thereof, be renewed or regranted, and the Board of Supervisors of the City and County of San Francisco shall at all times have power to regulate the rates of fare to be charged by those using, operating, possessing or enjoying this franchise, and the Finance Committee of said Board shall at all times be permitted to examine and inspect their books as to their gross receipts.

Fourth. The grantee (its or his) successors or assigns, shall be required to pave the space between the rails and for two feet each side thereof, and between the tracks if there be more than one, upon the streets whereon said tracks are to be laid, and to keep the same in good condition and repair under the supervision and to the satisfaction of the Board of Public Works of the City and County.

Fifth. That such street railroads operating under different managements as the Board of Supervisors may permit, or the City and County itself, in the operation of a municipal railroad, shall have the privilege of using said tracks for a distance not exceeding ten (10) consecutive blocks, for the purpose of securing equal terminal facilities, upon condition that the expense of construction and repair of the tracks and appurtenances used by said railways jointly be equally divided between the respective owners.

Sixth. The grantee (its or his) successors or assigns, shall pay to the City and County as a license upon each car such sum as the Board of Supervisors may fix, provided, however, that such sum shall not exceed fifty (\$50.00) dollars per annum, nor be less than fifteen (\$15.00) dollars per annum.

Seventh. That as a condition precedent to the sale and granting of this franchise the grantee thereunder shall permit and allow all policemen and firemen of the City and County of San Francisco at all times while engaged in the actual discharge of duty, and in full uniform, to ride on the cars of such company, without paying any sum of money whatever for fare or otherwise.

Eighth. The City and County of San Francisco shall have the right at any time during the last ten (10) years of the life of said franchise to acquire the same, together with the power plant, poles, wires, roadbed, rails, rolling stock and other equipment of said railway, at such fair and reasonable valuation as may be agreed upon by the holder of said franchise and the City and County of San Francisco, or failing such agreement at such valuation as may be fixed by a court of competent jurisdiction.

Section 4. This Ordinance shall take effect and be in force from and after its passage.

No bid will be received for a stated amount. All bids must be for the payment to the City and County of San Francisco, in lawful money of the United States, of a stated percentage of the gross annual receipts of the person, company or corporation to whom the franchise may be awarded, arising from its use, operation, enjoyment or possession.

Each bid shall have thereupon the

affidavit of the bidder; or if a corporation be such bidder, of the president or secretary thereof, that such bid is genuine, and not collusive or sham; that such bidder has not colluded, conspired, connived or agreed, directly or indirectly, with any other bidder or person to put in a sham bid, or that such other person shall refrain from bidding, and has not in any manner sought by collusion to secure any advantage against the City and County of San Francisco or any person interested in said street railroad, for himself or any other person.

Each bidder shall file with his bid a bond executed to the City and County of San Francisco, with at least two good and sufficient sureties to be approved by the Mayor, in the penal sum of ten thousand (\$10,000) dollars, conditioned that such bidder will well and truly observe, fulfill and perform each and all of the conditions, terms and obligations of the franchise, for which said application has been made, in case the same shall be awarded to him, or it, and that in case of the breach of any of the conditions of such bond, the whole amount of said penal sum shall be taken to be liquidated damages, and that, as such, shall be recoverable from the principal and sureties on said bond.

The franchise will be awarded to the person, company or corporation offering to pay the highest stated percentage of the gross receipts arising from the use, operation, possession or enjoyment of the franchise for which application has been made.

No award will be made or application granted unless the stated percentage offered to be paid for said franchise shall be at least three (3) per centum of such gross receipts during the first five (5) years of the period for which the franchise is granted, four (4) per centum of the gross receipts during the next succeeding ten (10) years, and five (5) per centum during the next succeeding ten (10) years.

This notice of sale of street railroad franchise shall be advertised for ten consecutive days in "The Evening Post" newspaper, the official newspaper of the City and County of San Francisco.

The successful bidder for this franchise shall pay all charges for advertising in the official newspaper of Resolution No. —, determining to grant franchise, of this notice of sale and of the Ordinance granting said franchise.

The Board reserves the right to reject any and all bids and to refuse to grant a franchise for any part of the route for which the application is made.

Calling Attention to Clerical Error in Charter Amendment No. 6.

On motion of Supervisor Murphy:

Resolution No. 1494 (New Series), as follows:

Whereas, Proposed Charter Amendment No. 6 purports to amend Section 2 of Article V of the Charter of the City and County of San Francisco; and

Whereas, Such amendment relates to and concerns the official bonds of City and County officers, and is entirely foreign to, and has no connection with, the subject-matter of Article V, but was originally written as an amendment to Article XV of the Charter, and it is evident that a clerical error has been made in designating it as an amendment to Article V; now, therefore,

Resolved, That the intention of the Board of Supervisors at the time of adopting Charter Amendment No. 6 was to amend Section 2 of Article XV and not to amend in any manner Article V; also,

Resolved, That the Clerk of this Board be, and he is hereby authorized and directed to publish a notice to the voters of the City and County stating the intention of the Board as herein expressed, in relation to said amendment.

Resolved, That the Humboldt Construction Company be and is hereby granted an extension of thirty (30) days' time from and after November 1, 1907, within which to complete contract

for construction of Ingleside boulevard, between Ocean avenue and County line.

This extension of time is recommended by the Board of Public Works for the reason that the contractor has been required to temporarily discontinue the work on account of the Spring Valley Water Company making changes

necessitated by the revision of the original plans and specifications.

ADJOURNMENT.

There being no further business, the Board, at the hour of 4:05 p. m., adjourned.

To the Public Utilities Committee.

Report—From the City Engineer, submitting estimate of the cost of construction of Geary Street Municipal Railroad, as follows:

Board of Public Works, Bureau of Engineering.

San Francisco, Cal., Oct. 31, 1907.

Dr. A. A. D'Ancona, Chairman, Committee on Public Utilities, Board of Supervisors of the City and County of San Francisco—Dear Sir:

In pursuance with your request of August 8th, 1907, that I submit to you an estimate of the cost, under present existing conditions, for the construction of a street railroad along Geary street, from Kearny street to Point Lobos avenue, along Point Lobos avenue to Tenth avenue and along Tenth avenue to Fulton street, in accordance with the plans submitted by me February 19, 1906, for the construction of a municipal railroad, I have made the following estimates:

Estimate of Cost Using Existing Rails and Roadbed.

Conversion of the present cable road on Geary street from Kearny street to Point Lobos avenue, and on Point Lobos avenue to Fifth avenue, into an electric underground conduit road, utilizing the existing rails and roadbed, spreading tracks between Kearny street and Presidio avenue to a uniform width of 10 feet, 6½ inches, straight track construction, 3.28 miles.	\$143,114
Special track construction for above distance, including crossings at Powell, Jones, Taylor and Leavenworth streets, terminal branch-offs at Geary and Kearny streets, and tracks into car house.	35,775
Construction of new road on Point Lobos avenue from Fifth avenue to Tenth avenue, and on Tenth avenue to Fulton street, straight track construction, .81 miles.	116,508
Special track construction for above distance, including crossings at Sixth and Eighth avenues and terminal branch-offs at Tenth avenue and Fulton street	18,100
Feeder cables installed for entire distance	143,762
Real Estate for car house and sub-station (warrant issued before the fire for \$17,667.13 for property corner of Geary and Baker streets, but held up in the courts)	20,000
Building for car house and sub-station	110,000
Equipment of car house and sub-station	85,000
Twenty-five cars, 40 feet long.	175,000
Engineering and inspection.	17,741
	<hr/>
	\$965,000
Cost of Reconstruction of the converted portion of the	

road, which will be worn out inside of five years after opening of municipal road. . 665,000

\$1,520,000

Estimate of Cost for Entirely New Construction.

Reconstruction of the present cable road on Geary street from Kearny street to Point Lobos avenue and on Point Lobos avenue to Fifth avenue, including the breaking down and removal of all existing structures; straight track construction, 3.28 miles	\$547,232
Special track construction for above distance, including crossings at Powell, Jones, Taylor and Leavenworth streets, terminal branch-offs at Geary and Kearny streets, and tracks into car house.	35,775
Construction of new road on Point Lobos avenue, from Fifth avenue to Tenth avenue, and on Tenth avenue to Fulton; straight construction, .81 miles	116,568
Special track construction for above distance, including crossings at Sixth and Eighth avenues and terminal branch-offs at Tenth avenue and Fulton street.	18,100
Feeder cables installed for entire distance	143,762
Real estate for car house and sub-station	20,000
Building for car house and sub-station	110,000
Equipment of car house and sub-station	85,000
Twenty-five cars, 40 feet long.	175,000
Engineering and inspection.	20,623
	<hr/>
	\$1,272,000

It is decidedly preferable, both from an engineering and an economic standpoint, to construct an entirely new road rather than to attempt to utilize the existing rails and roadbed which it will be necessary to replace inside of five years after the opening of the new municipal road.

As I have already advised you, I am ready to immediately proceed with the preparation of the plans and specifications and await your instructions in the matter.

Very respectfully,

THOS. P. WOODWARD,
City Engineer.

To the Streets, Sewers and Parks Committee.

Communications—From the Board of Public Works, recommending that grades be changed and established at

certain points and elevations on Harrison street, on Stanley place, on Vassar place and on Hawihome street.

Also, Recommending the full acceptance of the following streets, paved with bituminous rock:

Sanchez street, between Army and Twenty-seventh streets.

Valley street, between Dolores street and San Jose avenue.

Crossing of Ninth avenue and "L" street.

Crossing of Tenth avenue and "K" street.

Crossing of Hayes and Ashbury streets.

Crossing of Ninth avenue and "M" street.

Crossing of Dolores and Twenty-fourth streets.

Treat avenue, between Eighteenth and Nineteenth streets.

Also, Recommending the expediency of constructing artificial stone sidewalks on the easterly side of Mission street, between Seventeenth and Eighteenth streets, and on the southerly side of Seventeenth street, between Mission and Capp streets, and on the southeasterly angular corner of Mission and Seventeenth streets.

Also, Recommending the ordering of the construction of the Golden Gate School on Golden Gate avenue, between Pierce and Scott streets, at an estimated cost of \$81,000.

Also, Returning petitions calling attention to the impassable condition of Jackson street, between Maple and Cherry streets; Railroad avenue, below Sixteenth avenue and the crossing of California and Montgomery streets, and stating that said matters have received attention.

The following Resolutions were taken up and on motion *laid over one week*:

Directing Publication of Notice of Land Grants Under and Pursuant to Ordinance of Grant No. 549.

On motion of Supervisor Center:
Resolution No. — (New Series), as follows:

Whereas, On the 9th day of April, A. D. 1906, this Board by Ordinance of Grant No. 549, adjudged and awarded grants of land to the following persons, to wit: to Frank J. Ehrmann, to Michael Houlihan and Margaret Houlihan, his wife; to Christoph F. W. Vette; to Louis H. Mooser; to Frank C. Mollet and Mary I. Mollet, his wife; to George F. Chapman; to Robert O. Hoffman; to Charlotte E. Emerson; to Robert Milligan; to Calvin E. Knickerbocker; John G. Barker, and Harry R. Bostwith, respectively; and

Whereas, Said Ordinance was thereafter published in the "Evening Post," the Official Newspaper of this city and county, on 11th and 12th days of April, A. D. 1906, as appears by the files of said newspaper of those days still extant; and

Whereas, The fire which occurred in this city on the 18th, 19th and 20th days of April, 1906, destroyed the original record of said Ordinance, and in consequence thereof, the publication required by law giving notice of said grants so adjudged and awarded has never been made; and

Whereas, The said above named grantees of the City and County of San Francisco by themselves, or by their duly authorized agents, have heretofore filed petitions with this Board setting forth amongst others, the facts hereinbefore recited, and requesting that the Board of Supervisors direct that the necessary proceedings leading up to the issuance of certificates of land grants be continued, to the end that deeds may be obtained from the City and County of San Francisco to the aforesaid grantees respectively, and for the respective land or lands awarded to each of them:

Now Therefore Resolved, That the Clerk of this Board be and he is hereby directed to cause to be published under and pursuant to said Ordinance of Grant No. 549, and in pursuance to an Act of the Legislature of March 24, 1870, entitled "An Act to Expedite Settlement of Land Titles in the City and County of San Francisco," etc., notices of land grants adjudged and awarded under said Ordinance of Grant No. 549 to said herein grantees of said City and County hereinbefore named.

Directing Mayor to Execute Deed to E. Scodeletti, Trustee of Estate of Michael C. Tonini, Bankrupt.

Also, Resolution No. — (New Series), as follows:

Whereas, Under and pursuant to Order of Grant No. 71 of the Board of Supervisors of the City and County of San Francisco, adopted June 3rd, 1867, a deed of said City and County to Western Addition Block No. 94 was issued July 10th, 1867, by the Outside Lands Committee of said Board, to one Jane E. Fuller, which deed is ineffectual to convey the title of the City and County inasmuch as Order No. 733 of the Board of Supervisors, under which proceedings were taken, had not at the time of the issuance of said deed been ratified by the Legislature of the State of California; and

Whereas, From evidence duly presented to the Outside Lands Committee of this Board, it is shown that the title to a portion of said grant of land is now vested in E. Scodeletti, as Trustee of the estate of Michael G. Tonini, bankrupt, who as grantee and successor in interest of said Jane E. Fuller, prays by petition filed September 3rd, 1907, for a new and amended deed to the land now in his possession and ownership, and more particularly described hereinafter, and to which deed he is entitled by virtue of said possession and ownership; now therefore,

Resolved, That his Honor, the Mayor, be and he is hereby requested to make, execute and deliver to said E. Scodeletti as said Trustee, a deed to the following described land, to wit:

Commencing at a point on the southerly line of Vallejo street, distant thereon 90 feet and 10 1/2 inches easterly from the easterly line of Franklin street; running thence easterly and along the southerly line of Vallejo street 22 feet and 10 1-3 inches; thence at a right angle southerly 137 feet 6 inches; thence at a right angle westerly 22 feet and 10 1-3 inches; thence at a right angle northerly 137 feet 6 inches to the southerly line of Vallejo street and point of commencement:

Being part of Western Addition Block No. 94.

The following Resolutions were adopted:

Authorizing Mayor to enter into Lease for lot of land whereon Isolation Hospital is constructed.

Also Resolution No. 1531 (New Series), as follows:

Resolved, That his Honor, the Mayor, be and he is hereby authorized and requested to enter into a lease with Ellen Dore, Charlotte Dore Horrigan and Maurice Dore for the following

described lot of land whereon is constructed the Isolation Hospital of the City and County of San Francisco, to wit: Commencing at the point of intersection of the southerly line of Army street and the easterly line of Rhode Island street, running thence easterly along said southerly line of Army street 200 feet to the westerly line of De Haro street, thence southerly along said line of De Haro street 133 feet; thence at right angles westerly and parallel to Army street 200 feet to the easterly line of Rhode Island street; thence northerly along said line of Rhode Island street 133 feet to the southerly line of Army street and the point of commencement, being a portion of Potrero Nuevo Block 152.

Said lease is hereby authorized to be made upon the following terms and conditions, to wit:

The term of said lease shall commence on the 1st day of October, 1907, and end on the 30th day of September, 1908, unless said land is sold meanwhile, and then as hereinafter provided; that the rent shall be \$25 per month; that at the termination of the period prescribed by said lease, if the City and County of San Francisco shall continue in possession of said property, the said holding shall be deemed a tenancy from month to month only;

That it is hereby understood that the leasing of said land to the City and County of San Francisco is intended as a favor and concession by the owners thereof on account of said property being put to public use, and used for the public benefit, and that the monthly rental is not now nor at any time to be considered a criterion or basis of value in any condemnation suit, or any effort on the part of the City and County of San Francisco to acquire said property for public use.

That it is understood and agreed that the owners of said land may sell and dispose of the property above described at any time during the life of this lease to any person, and that this lease and its provisions shall not in any manner prejudice the purchase of said property, or prevent any such purchaser from entering into possession thereof upon thirty days' notice to the City and County of San Francisco.

That all the improvements heretofore or during the term of this lease placed upon said land by the City and County of San Francisco shall be and remain the property of said City and County of San Francisco upon the expiration or termination of this lease, and upon the expiration and termination of this lease, the City and County shall have thirty days' time in which to remove said improvements. That

in the event of the sale of said land and the termination of said lease, the City and County shall be entitled to sixty days' instead of thirty days' notice to remove.

Ayes—Supervisors Booth, Brandenstein, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphv, O'Neill, Rixford, Sachs, Sullivan, Tveitmoe—15.

Authorizing Clerk to cause publication in Official Newspaper of all authorizations to pay moneys ordered passed by Board during legal holidays.

Action Deferred.

The following Resolutions were taken up and on motion *laid over one week*:

Directing Publication of Notice of Land Grants Under and Pursuant to Ordinance of Grant No. 549.

On motion of Supervisor Center: Resolution No. — (New Series), as follows:

Whereas, On the 9th day of April, A. D. 1906, this Board by Ordinance of Grant No. 549, adjudged and awarded grants of land to the following persons, to wit: to Frank J. Ehrman, to Michael Houlihan and Margaret Houlihan, his wife; to Christoph F. W. Vette; to Louis H. Mooser; to Frank C. Mollet and Mary I. Mollet, his wife; to George F.

Chapman; to Robert O. Hoffman; to Charlotte E. Emerson; to Robert Milligan; to Calvin E. Knickerbocker; John G. Barker, Harry R. Bostwick and Alice Kennedy, respectively; and

Whereas, Said Ordinance was thereafter published in the "Evening Post," the Official Newspaper of this city and county, on 11th and 12th days of April, A. D. 1906, as appears by the files of said newspaper of those days still extant; and

Whereas, The fire which occurred in this city on the 18th, 19th and 20th days of April, 1906, destroyed the original record of said Ordinance, and in consequence thereof, the publication required by law giving notice of said grants so adjudged and awarded has never been made; and

Whereas, The said above named grantees of the City and County of San Francisco by themselves, or by their duly authorized agents, have heretofore filed petitions with this Board setting forth amongst others, the facts hereinbefore recited, and requesting that the Board of Supervisors direct that the necessary proceedings leading up to the issuance of certificates of land grants be continued, to the end that deeds may be obtained from the City and County of San Francisco to the aforesaid grantees respectively, and for the respective land or lands awarded to each of them:

Now Therefore Resolved, That the Clerk of this Board be and he is hereby directed to cause to be published under and pursuant to said Ordinance of Grant No. 549, and in pursuance to an Act of the Legislature of March 24, 1870, entitled "An Act to Expedite Settlement of Land Titles in the City and County of San Francisco," etc., notices of land grants adjudged and awarded under said Ordinance of Grant No. 549 to said herein grantees of said City and County hereinbefore named.

Directing Mayor to Execute Deed to E. Scodeletti, Trustee of Estate of Michael C. Tonini, Bankrupt.

Also, Resolution No. — (New Series), as follows:

Whereas, Under and pursuant to Order of Grant No. 71 of the Board of Supervisors of the City and County of San Francisco, adopted June 3rd, 1867 a deed of said City and County to Western Addition Block No. 94 was issued July 10th, 1867, by the Outside Lands Committee of said Board, to one Jane E. Fuller, which deed is ineffectual to convey the title of the City and County inasmuch as Order No. 733 of the Board of Supervisors, under which proceedings were taken, had not at the time of

the issuance of said deed been ratified by the Legislature of the State of California; and

Whereas, From evidence duly presented to the Outside Lands Committee of this Board, it is shown that the title to a portion of said grant of land is now vested in E. Scodeletti, as Trustee of the estate of Michael G. Tonini, bankrupt, who as grantee and successor in interest of said Jane E. Fuller, prays by petition filed September 3rd, 1907, for a new and amended deed to the land now in his possession and ownership, and more particularly described hereinafter, and to which deed he is entitled by virtue of said possession and ownership; now therefore.

Resolved, That his Honor, the Mayor, be and he is hereby requested to make, execute and deliver to said E. Scodeletti as said Trustee, a deed to the following described land, to wit:

Commencing at a point on the southerly line of Vallejo street, distant thereon 90 feet and 10 1/2 inches easterly from the easterly line of Franklin street; running thence easterly and along the southerly line of Vallejo street 22 feet and 10 1-3 inches; thence at a right angle southerly 137 feet 6 inches; thence at a right angle westerly 22 feet and 10 1-3 inches; thence at a right angle northerly 137 feet 6 inches to the southerly line of Vallejo street and point of commencement:

Being part of Western Addition Block No. 94.

Adopted.

The following Resolution was adopted:

Requesting Governor to call Special Session of Legislature for Ratification of Charter Amendments.

On motion of Supervisor D'Ancona: Resolution No. 1542 (New Series), as follows:

Whereas, For the reconstruction of the public property of San Francisco there is needed a larger sum of money than can be obtained by direct taxation within the limits of the Charter, and

Whereas, There is urgently needed the installation of an auxiliary water system for fire protection, the cost of which can be borne only through an issue of bonds, and

Whereas, In the present state of the financial market, bonds cannot be sold even at the maximum rate permitted by the Charter, namely 4 per cent, and

Whereas, For the above named purposes it is necessary that the Charter of the City and County of San Francisco be amended in such a way as to permit of the issuance of bonds of a higher rate than permitted by the present Charter, and

Whereas, No amendments can be adopted until 1909, unless the State Legislature be called in special session for the approval of Charter amendments, therefore be it

Resolved, That the Board of Supervisors of the City and County of San Francisco with the approval of his Honor, the Mayor, petition his Excellency, the Governor, to call the Legislature in special session as soon as practicable in order that amendments submitted to and ratified by the People on the fifth of November, 1907, may be presented to the Legislature for approval.

Discontinuing Almshouse, Transferring Inmates to San Francisco Relief and Red Cross Funds (a Corporation), Providing for Care and Maintenance of Said Inmates and Authorizing the Mayor and President of the Board of Public Health to Enter Into Agreement to This Effect.

On motion of Supervisor Payot:

Resolution No. 1566 (New Series), as follows:

Whereas, The Board of Supervisors did heretofore, to wit, on the 21st day of October, 1907, pass a Resolution, Numbered 1491 (New Series), declaring its intention to transfer the care and maintenance of the inmates of the City and County Almshouse to the San Francisco Relief and Red Cross Funds (a corporation), said inmates to be housed at the New Relief and Red Cross Home for the aged and infirm on the Almshouse Tract, during the remainder of the present fiscal year, at an expense to the City and County of San Francisco not to exceed the unexpended balances in the appropriations made by the Board of Supervisors and Board of Health for the fiscal year 1907-8 for all Almshouse purposes; and

Whereas, Said transfer of City and County Almshouse inmates is made on the express condition that all improvements made by said San Francisco Relief and Red Cross Funds (a corporation) on said Almshouse Tract shall revert to the City and County of San Francisco at the expiration of the present fiscal year, to wit, on the 30th day of June, 1908; and

Whereas, Said Relief and Red Cross Home is practically completed and the San Francisco Relief and Red Cross Funds (a corporation) is now ready and willing to take over said Almshouse inmates on the terms and conditions specified; now, therefore, be it

Resolved, First: That the City and County Almshouse be forthwith discontinued.

Second: That the care and maintenance of the inmates of the City and County Almshouse be forthwith transferred to the San Francisco Relief and Red Cross Funds (a corporation).

Third: That for the care, housing and maintenance of the inmates of the City and County Almshouse, as afore-

said, there shall be paid to said San Francisco Relief and Red Cross Funds (a corporation), the unexpended balance of the appropriation set aside in the Budget for the fiscal year 1907-8 for City and County Almshouse purposes, and also the unexpended portion of the departmental appropriation made by the Board of Health for the maintenance of said Almshouse.

Further Resolved, That his Honor, the Mayor, and the President of the Board of Health of San Francisco be and they are hereby authorized and empowered to enter into an agreement with the Executive Committee of the Board of Directors of the San Francisco Relief and Red Cross Funds (a corporation) to this effect.

Recommended.

The following Resolutions laid over from a prior meeting were taken up and on motion *recommended to the Outside Lands Committee*:

Directing Publication of Notice of Land Grants Under and Pursuant to Ordinance of Grant No. 549.

On motion of Supervisor Center:
Resolution No. — (New Series), as follows:

Whereas, On the 9th day of April, A. D. 1906, this Board by Ordinance of Grant No. 549, adjudged and awarded grants of land to the following persons, to wit: to Frank J. Ehrmann, to Michael Houlihan and Margaret Houlihan, his wife; to Christoph F. W. Vette; to Louis H. Mooser; to Frank C. Mollet and Mary I. Mollet, his wife; to George F. Chapman; to Robert O. Hoffman; to Charlotte E. Emerson; to Robert Milligan; to Calvin E. Knickerbocker; John G. Barker, Harry R. Bostwick and Alice Kennedy, respectively: and

Whereas, Said Ordinance was thereafter published in the "Evening Post," the Official Newspaper of this city and county, on 11th and 12th days of April, A. D. 1906, as appears by the files of said newspaper of those days still extant: and

Whereas, The fire which occurred in this city on the 18th, 19th and 20th days of April, 1906, destroyed the original record of said Ordinance, and in consequence thereof, the publication required by law giving notice of said grants so adjudged and awarded has never been made: and

Whereas, The said above named grantees of the City and County of San Francisco by themselves, or by their duly authorized agents, have heretofore filed petitions with this

Board setting forth amongst others, the facts hereinbefore recited, and requesting that the Board of Supervisors direct that the necessary proceedings leading up to the issuance of certificates of land grants be continued, to the end that deeds may be obtained from the City and County of San Francisco to the aforesaid grantees respectively, and for the respective land or lands awarded to each of them:

Now Therefore Resolved, That the Clerk of this Board be and he is hereby directed to cause to be published under and pursuant to said Ordinance of Grant No. 549, and in pursuance to an Act of the Legislature of March 24, 1870, entitled "An Act to Expedite Settlement of Land Titles in the City and County of San Francisco," etc., notices of land grants adjudged and awarded under said Ordinance of Grant No. 549 to said herein grantees of said City and County hereinbefore named.

Directing Mayor to Execute Deed to E. Scodeletti, Trustee of Estate of Michael C. Tonini, Bankrupt.

Also, Resolution No. — (New Series), as follows:

Whereas, Under and pursuant to Order of Grant No. 71 of the Board of Supervisors of the City and County of San Francisco, adopted June 3rd, 1867, a deed of said City and County to Western Addition Block No. 94 was issued July 10th, 1867, by the Outside Lands Committee of said Board, to one Jane E. Fuller, which deed is ineffectual to convey the title of the City and County inasmuch as Order No. 733 of the Board of Supervisors, under which proceedings were taken, had not at the time of the issuance of said deed been ratified by the Legislature of the State of California: and

Whereas, From evidence duly presented to the Outside Lands Committee of this Board, it is shown that the title to a portion of said grant of land is now vested in E. Scodeletti, as Trustee of the estate of Michael G. Tonini, bankrupt, who as grantee and successor in interest of said Jane E. Fuller, prays by petition filed September 3rd, 1907, for a new and amended deed to the land now in his possession and ownership, and more particularly described hereinafter, and to which deed he is entitled by virtue of said possession and ownership; now therefore.

Resolved, That his Honor, the Mayor, be and he is hereby requested to make, execute and deliver to said E. Scodeletti as said Trustee, a deed to the following described land, to wit:

Commencing at a point on the southerly line of Vallejo street, dis-

tant thereon 90 feet and 10 ½ inches easterly from the easterly line of Franklin street; running thence easterly and along the southerly line of Vallejo street 22 feet and 10 1-3 inches; thence at a right angle southerly 137 feet 6 inches; thence at a right angle westerly 22 feet and 10 1-3 inches; thence at a right angle northerly 137 feet 6 inches to the southerly line of Vallejo street and point of commencement:

Being part of Western Addition Block No. 94.

Relating to the Construction of a Bridge for Public Convenience and Safety at Market and East Streets.

Under suspension of the rules, Supervisor Magee presented the following communication from the State Board of Harbor Commissioners, which was received, read and ordered referred to the Joint Committee on Streets, Sewers and Parks and Finance:

San Francisco, Cal., Nov. 1, 1907.
Hon. Thos. Magee, Board of Supervisors, San Francisco, Cal.—Dear Sir:

At a meeting of the Board of State Harbor Commissioners held yesterday, President Stafford referred to a conversation he had with you over the phone in relation to the construction of a bridge from the second floor of the Ferry Building to the west side of

East street, at the foot of Market, and on the basis of that conversation it was declared the sense of the Board that improvement ought to be made, and that the Board stood ready to take up the matter with the city authorities. The matter of providing this measure of safety and convenience to the traveling public would seem to be of considerable and growing importance, and if you will canvass the matter with your fellow members of the Board of Supervisors, our Board will be pleased to take up the matter with you at any time.

Respectfully,

(Signed) W. B. THORPE,
Secretary Board of State Harbor Commissioners.

Referred.

To the Honorable, the Board of Supervisors of the City and County of San Francisco—Gentlemen:

The undersigned Special Committee of members of the Fire Department of the City and County of San Francisco herewith file for record with your Honorable Board the waiver submitted to his Excellency, Hon. Jas. N. Gillett, Governor of the State of California, of extra compensation which may accrue to them as members of said Fire Department during the fiscal year 1907-8 by reason of the immediate approval by the Legislature of the State of California of Charter Amendment numbered 8, submitted to and ratified by the electors of the City and County of San Francisco on the fifth day of November, 1907.

Respectfully submitted,

Special Committee representing Members of the San Francisco Fire Department.

San Francisco, November 13th, 1907.

To His Excellency, Honorable James N. Gillett, Governor of the State of California:

We, the undersigned, members of the Fire Department of the City and County of San Francisco, respectfully call your attention to the fact that Amendment No. 8 to the Charter of San Francisco was adopted at the election held on November 5, 1907, and we respectfully request that in the call of a special session of the State Legislature you include the ratification of this Amendment to the Charter.

We hereby agree to waive any extra compensation as members of said Fire Department during the fiscal year

1907-8 by reason of the immediate adoption and ratification of said Amendment.

(Here follow the signatures of all members of the Fire Department affected by Charter Amendment No. 9.)

Read and ordered referred to the Finance Committee.

Waiver of Members of the San Francisco Police Department to Extra Compensation Arising Under Charter Amendment No. 20 During Fiscal Year 1907-08.

To his Honor, Mayor Edward R. Taylor, and the Honorable Board of Supervisors of the City and County of San Francisco—Gentlemen:

The undersigned, your petitioners, respectfully represent and show—

That they are officers and members of the Police Department of the City and County of San Francisco.

That on the fifth day of November, 1907, an Amendment numbered 20, providing for an increase in salaries of members of the Police Department was submitted to and ratified by the electors of this city and county.

That it was fully understood at the time of the filing of the original petition by members of the Police Department that said Amendment, if carried, would become effective at the beginning of the next ensuing fiscal year, to wit: on the first day of July, 1908.

That His Excellency, the Governor, has now under consideration the question of calling a special session of the Legislature of the State of California for the purpose, amongst other things, of approving certain Amendments to the Charter of the City and County of San Francisco, submitted to and ratified by the people at said election of November 5, 1907, aforesaid.

That in connection with this matter it may be claimed that if the Legislature of the State of California approves said Amendment No. 20 an obligation will be incurred against the city and county for the payment of the increased amount of salaries to members of the Police Department from the date of said approval.

That in the event of said approval of said Charter Amendment by the Legislature it is not the intention of your petitioners to press said claim for increased salaries from date of said approval.

Wherefore, your petitioners hereby request your Honor and the Honorable Board of Supervisors to petition His Excellency, the Governor, to include in his call for a Special Session of the Legislature, said Charter Amendment Numbered 20, and we hereby promise and agree in case of its approval by the Legislature, to waive any and all claims against the City and County of San Francisco for increased salaries or pen-

sions arising under said Amendment, until the first day of July, 1908.

Respectfully submitted.

(Here follow the signatures of all members of the Police Department affected by Charter Amendment No. 20.)

Repealing Ordinance Declaring Fortieth Avenue, from "H" Street to "W" Street, a Boulevard.

Supervisor D'Ancona introduced Bill No. 361, Ordinance No. — (New Series), entitled, "Repealing Ordinance No. 85 (New Series), entitled, 'Ordinance declaring Twentieth (20th) avenue, from "H" street to "W" street, as the same is laid down upon the official map of the City and County of San Francisco, a boulevard,' approved October 22, 1906," which was,

On his motion, *passed for printing.*

Action Deferred.

Supervisor D'Ancona introduced the following Resolution:

Determining to Grant a Street Railroad Franchise on Twentieth Avenue, upon Application of Parkside Transit Co.

Resolution No. — (New Series), as follows: Whereas, Application has been made to the Board of Supervisors of the City and County of San Francisco by the Parkside Transit Company (a corporation), through petition filed October 21st, 1907, for a franchise for a term of twenty-five (25) years, to construct, lay down and operate a single or double track street railroad, with all the necessary branches, sidetracks, turnouts, switches, crossings, curves, connections, spur tracks, yard tracks, depot tracks, terminal tracks and facilities, upon, along and across the following described route, to wit:

COMMENCING at such point or points in Nineteenth avenue, opposite the intersection of "W" street with Nineteenth avenue as may conveniently admit of connection or connections with the track or tracks of any street railroad now or hereafter constructed on Nineteenth avenue; thence curving westerly into "W" street; thence running westerly along "W" street to Twentieth avenue; thence curving northerly into Twentieth avenue; thence running northerly along Twentieth avenue to such point or points in "H" street opposite the intersection of "H" street and Twentieth avenue as may conveniently admit of a connection or connections with the track or tracks of any street railroad now or hereafter constructed on "H" street as said streets and avenues are laid down and designated on the official map of the City and County of San Francisco; and

Whereas, It appears to this Board that the public interest will be served by the grant of such franchise, therefore,

Resolved, That this Board grant a franchise as a whole, for a term of twenty-five (25) years, for a standard gauge street railroad upon, along and across the following described route, to wit:

COMMENCING at such point or points in Nineteenth avenue opposite the intersection of "W" street with Nineteenth avenue as may conveniently admit of connection or connections with the track or tracks of any street railroad now or hereafter constructed on Nineteenth avenue; thence curving westerly into "W" street; thence running westerly along "W" street to Twentieth avenue; thence curving northerly into Twentieth avenue; thence running northerly along Twentieth avenue to such point or points in "H" street opposite the intersection of "H" street and Twentieth avenue as may conveniently admit of a connection or connections with the track or tracks of any street railroad now or hereafter constructed on "H" street as said streets and avenues are laid down and designated on the official map of the City and County of San Francisco.

The Grantee under said franchise shall have the right to construct, erect, maintain and operate, by means of electricity, or such other improved motive power as science has now or may hereafter discover and the laws sanction, a single or double track railroad upon, along and across the streets hereinabove described, and to that end the grantee shall have the right to build, construct, erect and maintain, all necessary poles, feed, trolley, guy, stay and sustaining

wires, overhead construction, connecting tracks, Y tracks, side tracks, turnouts, curves, switches, crossings, spur tracks, yard, depot and terminal tracks, and depot station buildings, and to connect any or all of said tracks with the line of any street railroad or railroads constructed, maintained or operated under the franchise hereby proposed to be granted, or any other railroad or railroads now or hereafter constructed, maintained or operated under any other franchise along or upon or across any of the streets or avenues in said application set forth and described.

Said street railroad franchise shall be granted after due advertisement and offer for sale, in the manner and subject to the conditions and restrictions provided in the Charter of the City and County of San Francisco, with particular reference to the following subdivisions and Sections of Chapter 2, Article II of said Charter, relating to the powers of the Board of Supervisors, to wit:

Subdivision 2 and Subdivision 27, as amended February 5th, 1903, of Section 1 thereof, and Section 6 thereof.

It is hereby determined that said street railroad franchise shall be granted subject to the following conditions additional to those prescribed by the Charter, to wit:

That the City and County of San Francisco shall have the right at any time during the last ten (10) years of the life of said franchise, to acquire the same, together with the power plant, poles, wires, roadbed, rails, rolling stock and other equipment of said railroad, at such fair and reasonable valuation as may be agreed upon by the holder of said franchise and the City and County of San Francisco, or failing such agreement, at such valuation as may be fixed by a Court of competent jurisdiction.

That the grantee operating under said franchise shall be required to pave the space between the rails and for two feet each side thereof, and between the tracks if there be more than one, upon the streets whereon said tracks are to be laid, and to keep the same in good condition and repair under the supervision and to the satisfaction of the Board of Public Works of the City and County; also,

That such street railroads operating under different managements, as the Board of Supervisors may permit, or the City and County itself, in the operation of a municipal railroad, shall have the privilege of using said tracks for a distance not exceeding ten (10) consecutive blocks, upon condition that the expense of construc-

tion and repair of the tracks and appurtenances used by said railroad jointly be equitably divided between the respective owners; also,

That the grantee operating under this franchise must pay to the City and County as a license upon each car such sum as the Board of Supervisors may fix, provided, however, that such sum shall not exceed Fifty (\$50) Dollars per annum, nor be less than Fifteen (\$15) Dollars per annum; also,

That as a condition precedent to the sale and granting of this franchise, the grantee thereunder shall permit and allow all policemen and firemen of the City and County of San Francisco at all times, and all mail carriers in the employ of the United States Government, while engaged in the actual discharge of duty, to ride on the cars of such company without paying any sum of money whatever for fare or otherwise; also,

That the bidder for said franchise shall file with his bid a good and sufficient bond in the penal sum of Five Thousand (\$5000) Dollars, with sureties thereon satisfactory to the Mayor of the City and County, conditioned that the bidder shall well and truly observe and perform the conditions of the franchise for which application is made, in the case the same is awarded to him, and that in case of breach of any of the conditions of such bond, the whole of the penal sum of Five Thousand (\$5000) Dollars, shall be taken to be liquidated damages; also,

That the successful bidder for this franchise shall pay all charges for advertising in the official newspaper of this resolution, of the notice of sale and of the ordinance granting said franchise.

Further, Resolved, That the Clerk of this Board be and he is hereby authorized, empowered and directed to advertise for sealed proposals, or bids, for the sale of this franchise, in accordance with the provisions of the Charter, and with the terms of this Resolution, as hereinbefore expressed, said bids to be filed with the Clerk not later than Saturday, January 11th, 1907, at the hour of 12 o'clock M., and Monday, January 13, 1907, at the hour of 3 P. M. is hereby fixed as the hour and date for the opening of said proposals, or bids, and for the awarding of said franchise.

The Board of Supervisors reserves the right to reject any and all bids if they believe the public interest will be subserved thereby.

Motion.

Supervisor Magee moved that action on the aforesaid Resolution be postponed one week.

So ordered.

Passed for Printing.

The following matters were *passed for printing*:

Extension of Time, Sewer Work.

On motion of Supervisor Magee: Resolution No. — (New Series), Granting J. A. Dowling an extension of thirty days' time from and after November 21, 1907, within which to complete the contract for the construction of a sewer in Drumm street, between California and Commercial streets, and thirty days' time from and after November 3, 1907, within which to complete the contract to pave the crossing of Polk and Lombard streets.

These extensions of time are granted for the reason that the contractor has been unable to complete the work within the time originally fixed by the Board of Public Works.

Extension of Time, Cleaning Cisterns.

Also, Resolution No. — (New Series), Granting E. M. Leonard an extension of forty days' time from and after November 7, 1907, within which to complete the contract for cleaning cisterns for fire protection in the City and County of San Francisco.

This extension of time is recommended for the reason that the contractor has been delayed owing to the broken condition of the cisterns and also to the presence of pipes, conduits and manholes in the same.

Spur Track Permits.

D. Ghirardelli Company.

Also, Bill No. 362, Ordinance No. — (New Series), entitled, "Granting permission to D. Ghirardelli Company, during the pleasure of the Board of Supervisors, to construct, maintain and operate a spur track from a point in the Southern Pacific Company's spur track in Beach street, 75 feet east of center of Larkin street; thence to a point one hundred and sixty feet west of center of Larkin street, and twenty feet from southerly line of Beach street; thence a distance of one hundred and ninety feet in a line parallel to southerly line of Beach street."

Pacific Oil and Lead Works.

Also, Bill No. 363, Ordinance No. — (New Series), entitled "Granting permission to the Pacific Oil and Lead Works, during the pleasure of the Board of Supervisors, to construct, maintain and operate a spur track from the existing spur in King street, between Second and Third streets, thence westerly along King street a distance of about ninety feet."

Recommendation.

Intention to Change Grades on Harrison Street, Stanley Place, Vassar Place and Hawthorne Street.

Resolution No. — (New Series), Declaring it to be the intention of the Board of Supervisors to change and establish grades at certain points and elevations on Harrison street, on Vassar place, on Stanley place and on Hawthorne street, in accordance with the recommendation of the Board of Public Works, filed October 31st, 1907, and directing said Board of Public Works to determine the district to be assessed for benefits and to make an estimate of the cost of making said changes of grade, including an estimate of the damages which may result therefrom or be caused thereby, laid over from the last meeting, was taken up, and

On motion of Supervisor Magee, *re-committed to the Streets, Sewers and Parks Committee.*

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Relating to Proposed Issuance of Bonds.

Supervisor D'Ancona, Chairman of the Public Utilities Committee, gave a synopsis of the propositions to be incorporated in proposed bond issue to be submitted to the electors under the amended Charter, stating in part that the present Assessment Roll would permit of bonding the City to the extent of \$64,000,000, but, anticipating an increase in the Roll to \$500,000,000, bonds to amount of \$75,000,000 could be issued.

From this sum it is imperative to reserve \$40,000,000 for a Sierra Water Supply and as the outstanding bonded indebtedness reaches nearly \$4,000,000 it is possible to bond the City to the extent of approximately \$30,000,000 for improvements.

An auxiliary water system for fire protection should be provided, the intercepting sewer system completed, public buildings rebuilt, streets repaved, streets widened for fire barriers, a new hospital and a new library erected and parks and playgrounds purchased.

Motion.

Supervisor Brenner moved that the Public Utilities Committee meet on Tuesday evening, December 3, 1907, at the hour of 8 o'clock and thereafter on Thursdays and Tuesdays of each week for the purpose of considering bond issue propositions, and that all the members of the Board of Super-

visors and the Supervisors-elect attend said meetings.

So ordered.

Referred.

Petition of Property Owners to Grant Franchise on Spear Street to Atchison, Topeka and Santa Fe Railway Co.

Supervisor Magee presented a petition from J. A. Folger & Co. and other Spear-street Property Owners, to grant a forty-year steam railroad franchise over and along Spear street from Howard street to "Little Main Wharf," together with connecting property track privileges.

Ordered *referred to Streets, Sewers and Parks Committee.*

Referred.

Thereupon Supervisor Magee introduced by request:

Bill No. 364, Ordinance No. — (New Series), entitled "Providing for a grant to the Atchison, Topeka and Santa Fe Railway Company, a corporation, of the right of way, and the right to construct, maintain and operate a railroad on Spear street from "Little Main Wharf" to Mission street, with connecting spur tracks."

Ordered *referred to Streets, Sewers and Parks Committee.*

Referred.

Inviting the President of the United States to Join the People of San Francisco in Welcoming the Fleet of American Battleships on Their Arrival in this Port.

Under suspension of the rules Supervisor Payot introduced the following Resolution:

Whereas, The coming of the great fleet of American battleships and cruisers from the Atlantic to the Pacific Ocean is an event of world-wide significance, as it records the purpose of the United States to establish naval prestige on the Pacific, equal to that maintained on the Atlantic; therefore be it

Resolved, That San Francisco, as the metropolis of the Pacific, should celebrate the event with a demonstration of approval, commensurate with the crowning achievement in the history of national progress of land and sea.

Further Resolved, That his Honor, the Mayor, be requested to transmit to the President of the United States an invitation to join our people in extending a worthy welcome to the officers, sailors and marines of the fleet on their arrival here.

Further Resolved, That the Mayor appoint a committee of twenty-five from the citizens at large, to cooperate with the municipal authorities and the Committee on Reception and

Entertainment of the United States Navy that was lately organized by the commercial organizations about San Francisco Bay in framing proper measures for the proposed demonstration of welcome to the fleet.

Ordered referred to the Committee on Beautification and Adornment of San Francisco and Public Receptions.

Creating a Committee on "Building Laws."

Under suspension of the rules, Supervisor Rixford moved the adoption of a Resolution providing that a Committee of the Board of Supervisors be created to consist of the Chairman of the Fire, Public Buildings and Hospital and Health Committees to be designated as the Committee on "Building Laws."

Supervisor Faymonville moved an amendment to the Resolution providing that the Chairman of the Public Buildings Committee be appointed Chairman of the Committee on "Building Laws."

So ordered.

Adopted.

Whereupon, said Resolution as amended was adopted as Resolution No. 1635 (New Series), by the following vote:

Resolved, That a Committee of the Board of Supervisors, designated the Committee on "Building Laws" be, and the same is hereby created, the personnel of said Committee to consist of the Chairman of the Fire Committee, the Chairman of the Public Buildings Committee and the Chairman of the Hospital and Health Committee of the Board of Supervisors;

Further Resolved, That the Chairman of the Public Buildings Committee be, and he is hereby appointed Chairman of the Committee on Building Laws.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'An-

cona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Adopted.

Providing for Reference of all Matters Relating to the Construction of School Buildings and Acquisition of Lands for Children's Playgrounds Purposes Under the Bond Issue to the Public Buildings Committees in Conjunction with the Committees on Public Utilities and Education.

Under suspension of the rules, Supervisor Rixford introduced the following Resolution:

Resolved, That all matters relating to the construction of School Buildings, the acquisition of all School lands and acquisition of lands for Children's Playgrounds purposes under the Bond issue, heretofore referred to the Joint Committee on Public Buildings, Public Utilities and Education be and the same are ordered referred to the Public Buildings Committee for consideration, in conjunction with the Committees on Public Utilities and Education in so far as the particular matters under consideration fall within the purview of said Committees.

Adopted, on motion of Supervisor Rixford, as Resolution No. 1636 (New Series), by the following vote:

Ayes Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Determining to Grant a Street Railroad Franchise on Twentieth Avenue, upon Application of Parkside Transit Co.

Resolution No. — (New Series), as follows: Whereas, Application has been made to the Board of Supervisors of the City and County of San Francisco by the Parkside Transit Company (a corporation), through petition filed October 21st, 1907, for a franchise for a term of twenty-five (25) years, to construct, lay down and operate a single or double track street railroad, with all the necessary branches, sidetracks, turnouts, switches, crossings, curves, connections, spur tracks, yard tracks, depot tracks, terminal tracks and facilities, upon, along and across the following described route, to wit:

Commencing at such point or points in Nineteenth avenue, opposite the intersection of "W" street with Nineteenth avenue as may conveniently admit of connection or connections with the track or tracks of any street railroad now or hereafter constructed on Nineteenth avenue; thence curving westerly into "W" street; thence running westerly along "W" street to Twentieth avenue; thence curving northerly into Twentieth avenue; thence running northerly along Twentieth avenue to such point or points in "H" street opposite the intersection of "H" street and Twentieth avenue as may conveniently admit of a connection or connections with the track or tracks of any street railroad now or hereafter constructed on "H" street as said streets and avenues are laid down and designated on the official map of the City and County of San Francisco; and

Whereas, It appears to this Board that the public interest will be subserved by the grant of such franchise, therefore,

Resolved, That this Board grant a franchise as a whole, for a term of twenty-five (25) years, for a standard gauge street railroad upon, along and across the following described route, to wit:

Commencing at such point or points in Nineteenth avenue opposite the intersection of "W" street with Nineteenth avenue as may conveniently admit of connection or connections with the track or tracks of any street railroad now or hereafter constructed on Nineteenth avenue; thence curving westerly into "W" street; thence running westerly along "W" street to Twentieth avenue; thence curving northerly into Twentieth avenue; thence running northerly along Twentieth avenue to such point or points in "H" street opposite the intersection of "H" street and Twentieth avenue as may conveniently admit of a connection or connections with the track or tracks of any street railroad now or hereafter constructed on "H" street as said streets and avenues are laid down and designated on the official map of the City and County of San Francisco.

The Grantee under said franchise shall have the right to construct, erect, maintain and operate, by means of electricity, or such other improved motive power as science has now or may hereafter discover and the laws sanction, a single or double track railroad upon, along and across the streets hereinabove described, and to that end the grantee shall have the right to build, construct, erect and maintain, all necessary poles, feed, trolley, guy, stay and sustaining wires, overhead construction, connecting tracks, Y tracks, side tracks, turnouts, curves, switches, crossings, spur tracks, yard, depot and terminal tracks, and depot station buildings, and to connect any or all of said tracks with the line of any street railroad or railroads constructed, maintained or operated under the franchise hereby proposed to be granted, or any other railroad or railroads now or hereafter constructed, maintained or operated under any other franchise along or upon or across any of the streets or avenues in said application set forth and described.

Said street railroad franchise shall be granted after due advertisement and offer for sale, in the manner and subject to the conditions and restrictions provided in the Charter of the City and County of San Francisco, with particular reference to the following subdivisions and Sections of Chapter 2, Article II of said Charter, relating to the powers of the Board of Supervisors, to wit:

Subdivision 2 and Subdivision 27, as amended February 5th, 1903, of Section 1 thereof, and Section 6 thereof.

It is hereby determined that said street railroad franchise shall be granted subject to the following conditions additional to those prescribed by the Charter, to wit:

That the City and County of San Francisco shall have the right at any time during the last ten (10) years of the life of said franchise, to acquire the same, together with the power plant, poles, wires, roadbed, rails, rolling stock and other equipment of said railroad, at such fair and reasonable valuation as may be agreed upon by the holder of said franchise and the City and County of San Francisco, or failing such agreement, at such valuation as may be fixed by a Court of competent jurisdiction.

That the grantee operating under said franchise shall be required to pave the space between the rails and for two feet each side thereof, and between the tracks if there be more than one, upon the streets whereon said tracks are to be laid, and to keep the same in good condition and repair under the supervision and to the satisfaction of the Board of Public Works of the City and County; also,

That such street railroads operating under different managements, as the Board of Supervisors may permit, or the City and County itself, in the operation of a municipal railroad, shall have the privilege of using said tracks for a distance not exceeding ten (10) consecutive blocks, upon condition that the expense of construction and repair of the tracks and appurtenances used by said railroads jointly be equitably divided between the respective owners; also,

That the grantee operating under this franchise must pay to the City and County as a license upon each car such sum as the Board of Supervisors may fix, provided, however, that such sum shall not exceed Fifty (\$50) Dollars per annum, nor be less than Fifteen (\$15) Dollars per annum; also,

That as a condition precedent to the sale and granting of this franchise, the grantee thereunder shall permit and allow all policemen and firemen of the City and County of San Francisco at all times, and all mail carriers in the employ of the United States Government, while engaged in the actual discharge of duty, to ride on the cars of such company without paying any sum of money whatever for fare or otherwise; also,

That the bidder for said franchise shall file with his bid a good and sufficient bond in the penal sum of Five Thousand (\$5000) Dollars, with sure-

ties thereon satisfactory to the Mayor of the City and County, conditioned that the bidder shall well and truly observe and perform the conditions of the franchise for which application is made, in the case the same is awarded to him, and that in case of breach of any of the conditions of such bond, the whole of the penal sum of Five Thousand (\$5000) Dollars, shall be taken to be liquidated damages; also,

That the successful bidder for this franchise shall pay all charges for advertising in the official newspaper of this resolution, of the notice of sale and of the ordinance granting said franchise.

Further, Resolved, That the Clerk of this Board be and he is hereby authorized, empowered and directed to advertise for sealed proposals, or bids, for the sale of this franchise, in accordance with the provisions of the Charter, and with the terms of this Resolution, as hereinbefore expressed, said bids to be filed with the Clerk not later than Saturday, January 11th, 1907, at the hour of 12 o'clock M., and Monday, January 13, 1907, at the hour of 3 P. M. is hereby fixed as the hour and date for the opening of said proposals, or bids, and for the awarding of said franchise.

The Board of Supervisors reserves the right to reject any and all bids if they believe the public interest will be subserved thereby.

The aforesaid Resolution, laid over from last meeting, was taken up and, on motion of Supervisor Magee, referred to *Streets, Sewers and Parks Committee*.

Ordering the Construction of the Winfield Scott School.

On motion of Supervisor Rixford: Bill No. 365, Ordinance No. —, (New Series), entitled, "Ordering the construction of the Winfield Scott School, in accordance with plans and specifications prepared therefor under direction of the Board of Public Works, and approved by the Board of Education; authorizing and directing the Board of Public Works to enter into contract for the construction of said Winfield Scott School, and to expend therefor the sum, not to exceed \$30,000, out of the proceeds for sale of School Bonds."

Alternative Site Under the Bond Issue for a Children's Playground at North Beach and Accepting Offers from Owners of Lots in said Block to Convey Title Thereto to the City and County of San Francisco.

Resolution No. —, (New Series), as follows:

Whereas, The electors of the City and County of San Francisco, at a special election held September 29, 1903, authorized the acquisition of 50 Vara Block No. 129, bounded by Powell, Stockton, Filbert and Greenwich streets, for a Children's Playground at North Beach, or lots of land of a similar size and like value to said 50 Vara Block No. 129 and in its immediate neighborhood; and

Whereas, By evidence duly presented to the Board of Supervisors it is shown that the amount of money set aside in the bond issue for the purchase of a Children's Playground at North Beach is insufficient to enable the City and County of San Francisco to acquire said block; and

Whereas, The Board of Supervisors caused to be made appraisements of blocks of land in the immediate vicinity of said 50 Vara Block No. 129, and from said appraisements made and offers to sell tendered to the Board of Supervisors, it appears that 50 Vara Block No. 152, bounded by Greenwich street, Montgomery avenue, Mason, Lombard and Powell streets, is available as an alternative selection and can be purchased by the City and County for a sum within the amount set aside by the bond issue; now therefore

Resolved, That said 50 Vara Block No. 152, bounded by Greenwich street, Montgomery avenue, Mason, Lombard and Powell streets, be and the same is hereby selected as the alternative site under the bond issue of September 29, 1903, for a Children's Playground at North Beach, in lieu of 50 Vara Block No. 129; and

Further resolved, That the following offers to convey a good and sufficient, fee simple title of the various subdivisions in said 50 Vara Block No. 152 to the City and County of San Francisco be and the same are hereby accepted, to wit:

- Of A. Ratto—Land situate at east line of Mason street, 75 feet south of Lombard street, size 25x80 feet, for the sum of\$ 8,500

Recommittal.

Supervisor D'Ancona introduced the following Resolution:

Amending Condition Relating to the Payment of Percentage to the City on Gross Receipts of the Geary Street, Park and Ocean Railway Company.

Resolved, That condition numbered

6 in Resolution No. 1285 (New Series), approved September 3, 1907, wherein and whereby the Geary Street, Park and Ocean Railway Company was granted permission, during the pleasure of the Board of Supervisors, to operate cars along the route heretofore traversed by the cars of said Company, be and the same is hereby amended to read as follows:

5. That said Geary Street, Park and Ocean Railway Company pay into the Municipal Treasury monthly 5 per cent of the gross receipts of the said Company derived from passenger fares;

Further Resolved, That this amendment shall take effect from and after November 1, 1907.

On motion of Supervisor Murphy ordered *recommitted to the Public Utilities Committee.*

Passed for Printing.

The following matters were *passed for printing*:

Full Acceptance, Certain Streets.

On motion of Supervisor Magee:

Bill No. 366, Ordinance No. — (New Series), entitled, "Providing for full acceptance of the roadways of Carmel street, between Shrader and Cole streets; Shrader street, between Seventeenth street and the southerly line of the Pope Tract, and the intersection of Carmel street, paved with bituminous rock; roadway of Cole street, between Seventeenth street and Carmel street and the south line of Pope Tract, paved with bituminous rock with a 14-foot central strip of basalt blocks; the crossing of Carmel street and Cole street, paved with bituminous rock; the roadway of Cole street, from Seventeenth street to the southerly line of the Pope Tract, and the crossing of Carmel street, paved with bituminous rock."

Extension of Time, Street Work.

Also, Resolution No. — (New Series), as follows:

Resolved, That the City Street Improvement Company be and is hereby granted an extension of 90 days' time from and after December 17, 1907, within which to complete the contract for paving, etc., of the roadway of Market street, from Second street to East street.

This extension is granted for the reason that the contractors are unable to complete the contract within the time originally fixed by the Board of Public Works.

Granting Permission to United Railroads and Sutter Street Railway Company to String Overhead Trolley Wire on South Side of Market Street, Between Sansome street and the Ferry.

Also, Resolution No. — (New Series), as follows:

Relating to Public Reception to the Fleet of the United States to be Assembled in this Port.

Supervisor Molera presented the report of the Committee on Beautification and Adornment of San Francisco and Public Receptions as a substitute to a Resolution referred at the last meeting to the aforesaid committee covering the same subject matter as follows:

To the Honorable Mayor and Board of Supervisors of the City and County of San Francisco:

In compliance with your instructions given at the last meeting to your Committee on Beautification and Adornment of San Francisco and Public Receptions, it has the honor to report as follows:

That the President of this Board of Supervisors request the President of the United States that the fleet of the United States to be assembled at Magdalena Bay, on or about April of 1908, proceed from there to the Bay of San Francisco, and the President of the United States attend the public reception to be given by the citizens of San Francisco and the State of California to the officers and men of the fleet;

That upon a favorable reply by the President of the United States that the fleet shall visit San Francisco, the Mayor of the city invite the Governor of the State of California and his staff to participate in the public reception to be given to the officers and men of the United States fleet;

That a similar invitation be given to the authorities of all the counties of the State and to request them to send delegations to participate in the ceremonies;

That the President of this Board of Supervisors appoint a committee of twenty-five, comprising a representative of the Supreme Court of California, a representative of the Superior Court of this County, a representative of the principal financial, industrial, commercial and labor organizations, and some of the prominent citizens, which, together with a committee of the Board of Supervisors, take charge of the details of the public reception;

That the duration of the festivities be two days and, in a general way, to consist of:

A reception at the Ferry building to the officers of the fleet by the Mayor and citizens of San Francisco and citizens of the State of California, at which reception the officers of the fleet be given the freedom of the city; after the reception that a procession take place from the ferries along Market street to Van Ness avenue; thence turning to the east side of Van Ness avenue to Clay street, thence countermarching on the west side of Van Ness avenue to Market street, where the procession will be disbanded;

That in the evening of the first day theater parties in charge of members of the joint committee be organized for the officers of the fleet;

That the second day be devoted to sight-seeing in the city and, for this purpose, parties under the care of members of the joint committee be organized; that the United Railways of San Francisco be requested to put at the disposal of the Committee as many cars as possible under the management of competent conductors and motor-men;

That in the evening of the second day the citizens of San Francisco tender a banquet to the commanders of the different vessels of the fleet;

That the hotel expenses of the officers of the fleet during the two days of festivities be paid by the city;

That the citizens of San Francisco be requested to display the national flag during the festivities; that the part of the city where the procession is to take place be decorated by the city and by the property owners and tenants of the buildings; that during

the two nights of the festivities the same part of the city be illuminated.

Ayes—Supervisors Booth, Brandenstein, Brenner, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan—16.

Adopted.

Under suspension of the rules the following Resolutions were adopted by the following votes:

Ordering the United Railroads to Discontinue Forthwith the Work of Erecting Poles and Stringing Wires Thereon on Pacific Avenue, from Polk Street West-erly.

On motion of Supervisor Stafford:
Resolution No. 1645 (New Series),
as follows:

Whereas, The United Railroads of San Francisco is proceeding with the work of erecting poles and stringing wires thereon on Pacific avenue west-erly from Polk street; and

Whereas, In the opinion of this Board it is desirable that the source and extent of authority for doing the same should be definitely known by this Board, now therefore

Resolved, That the Clerk, on behalf of the Board of Supervisors, be and is hereby directed to order the United Railroads of San Francisco to discontinue forthwith the work of erecting poles and stringing wires thereon on Pacific avenue from Polk street westerly, pending an investigation as to the right of said Company so to do;

Further Resolved, That the Clerk procure from the Board of Public Works and Department of Electricity copies of any permits which may have been heretofore issued to the United Railroads of San Francisco for erecting poles and stringing wires on said avenue, and also evidence of the authority under which said pole and wire permits were granted.

Ayes—Supervisors Booth, Brandenstein, Brenner, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan—16.

Requesting the Judges of the Superior Court to Adopt Rules for Protecting the Interests of the City in Suits to Establish Title Under the McEnerney Act.

On motion of Supervisor Sullivan:

Resolution No. 1640 (New Series),
as follows:

Resolved, That the Judges of the Superior Court of the City and County of San Francisco be and they are hereby requested to adopt without delay, a rule requiring the plaintiff, in every action now pending and hereafter commenced, to establish title under the McEnerney Act, to file with the Clerk of the Court and to serve on the City Attorney, at least ten days before the day set for hearing, a diagram showing the location and dimensions of each lot described in the complaint; the streets bounding the block in which each lot is situated; and the distance of the starting point of each lot from the nearest street.

Resolved further, That said Judges be requested to adopt a rule requiring each plaintiff in such actions to file with such diagram, an affidavit to the effect that no lot or portion of lot described in his complaint includes any portion of a public street, lane, court, alley, park, square, school lot, engine lot, hospital lot or any other lot be-longing to the City and County of San Francisco.

Resolved further, That said Judges be requested to adopt such other rules as in their judgment may be proper, to protect the interests of this City and County in all public property.

Resolved further, That a copy of these Resolutions duly certified by the Clerk of this Board, be transmitted to the Presiding Judge and the Judges of the Civil Departments of said Court.

Ayes—Supervisors Booth, Brandenstein, Brenner, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan—16.

Referred.

Relating to Removal of Unused and Un-necessary Poles and Imposing Condi-tions for the Erection of Poles in the Future.

On motion of Supervisor Rixford, Resolution No. — (New Series), pro-viding for the removal of unused and unnecessary poles and imposing condi-tions for the erection of poles in the future, laid over from a prior meeting, was referred to the *Joint Committee on Public Utilities, Streets, Sewers and Parks and Judiciary*, pending the report of said Committee on proposed ordinance ordering the removal of all poles and wires.

Providing for the Construction of a Foot Passenger Bridge Over East Street at Market Street.

Resolution No. 1647 (New Series), as follows:

Whereas, Public safety and convenience demands the construction of a foot passenger bridge over East street, at Market street, so as to permit ingress and egress of passenger traffic to and from the second-story of the Ferry Building; and

Whereas, The State Board of Harbor Commissioners have agreed to construct said foot passenger bridge, provided the City and County of San Francisco shall bear one-third of the cost thereof, which cost is estimated not to exceed the sum of \$30,000; now, therefore,

Resolved, That the sum of \$10,000 be and the same is hereby set aside, appropriated and authorized to be expended out of the item in the Budget of the fiscal year 1907-8, "For Improvements and Rehabilitation of Departments, to bear the City and County's portion of the expense of the construction of said bridge; provided, however, that \$10,000 shall be the limit of the City and County's expenditure irrespective of the cost of said construction, and in case one-third of the cost does not equal the sum of \$10,000 then the City and County shall pay but one-third of the actual cost of construction; further

Resolved, That it is hereby understood and agreed by and between the Board of Supervisors of the City and County of San Francisco and the State Board of Harbor Commissioners that said State Board of Harbor Commissioners shall prepare the plans of said bridge, and submit the same to the

City Engineer of the said City and County of San Francisco for approval, and that when said plans are so approved the work of construction of said bridge shall be performed by the State Board of Harbor Commissioners.

The following Resolution heretofore passed for printing was taken up and on motion of Supervisor Rixford *recommitted* to the Joint Committee on Public Buildings and Education:

Selecting Fifty Vara Block No. 152 as Alternative Site Under the Bond Issue for a Children's Playground at North Beach and Accepting Offers from Owners of Lots in said Block to Convey Title Thereto to the City and County of San Francisco.

Resolution No. — (New Series), as follows:

Whereas, The electors of the City and County of San Francisco, at a special election held September 29, 1903, authorized the acquisition of 50 Vara Block No. 129, bounded by Powell, Stockton, Filbert and Greenwich streets, for a Children's Playground at North Beach, or lots of land of a similar size and like value to said 50 Vara Block No. 129 and in its immediate neighborhood; and

Whereas, By evidence duly presented to the Board of Supervisors it is shown

that the amount of money set aside in the bond issue for the purchase of a Children's Playground at North Beach is insufficient to enable the City and County of San Francisco to acquire said block; and

Whereas, The Board of Supervisors caused to be made appraisements of blocks of land in the immediate vicinity of said 50 Vara Block No. 129, and from said appraisements made and offers to sell tendered to the Board of Supervisors, it appears that 50 Vara Block No. 152, bounded by Greenwich street, Montgomery avenue, Mason, Lombard and Powell streets, is available as an alternative selection and can be purchased by the City and County for a sum within the amount set aside by the bond issue; now therefore

Resolved, That said 50 Vara Block No. 152, bounded by Greenwich street, Montgomery avenue, Mason, Lombard and Powell streets, be and the same is hereby selected as the alternative site under the bond issue of September 29, 1903, for a Children's Playground at North Beach, in lieu of 50 Vara Block No. 129; and

Further resolved, That the following offers to convey a good and sufficient fee simple title of the various subdivisions in said 50 Vara Block No. 152 to the City and County of San Francisco be and the same are hereby accepted, to wit:

Of A. Ratto—Land situate at east line of Mason street, 75 feet south of Lombard street, size 25x80 feet, for the sum of\$ 8,500

Of Caroline M. Chambers—Land situate at west line of Greenwich alley, 85 feet south of Lombard street, size 52x90 feet, together with all her right or title to said Greenwich alley, for the sum of 7,000

Of G. B. Dondero—(Two pieces) situate at north line of Greenwich street, intersecting east line of Greenwich alley, size 80 feet 1/2 inch x 135 feet; also north line of Greenwich street with west line of Greenwich alley, irregular size, for the sum of 66,500

Of P. Castagnetto—(Two pieces) situate at south line of Lombard street, east line of Greenwich alley, size 30 feet 1/2 inch x 111 feet 3 inches; also south line of Lombard street, west line of Greenwich alley 85 feet, size 33 feet x 85 feet, for the sum of 15,000

Of Roman Catholic Archbishop of San Francisco—Land situate at south line of Lombard street, west line of Powell street, irregular size, for the sum of 80,000

Of G. Pardini—Land situate at east line of Greenwich alley, 135 feet north from north line of Greenwich street, size 28 feet 4 3/4 inches x 80 feet 1/2 inch, for the sum of 6,500

Of L. Lercari—Land situate at east line of Mason street, 6 feet 7/8 inch north from northeast line of Montgomery avenue, irregular size, for the sum of 18,500

Of Kate Maher—Land situate at south line of Lombard street, 80 feet east from east line of Mason street, size 67 x 85 feet, for the sum of 11,000

Of D. Foppiano—Land situate at east line of Mason street, 50 feet south from south side of Lombard street, size 25x80 feet, for the sum of... 4,500

Of I. Giuocchio—Land situate at southeast corner of Mason and Lombard streets, size 50x80 feet, for the sum of... 26,000

Total\$243,500

The City Attorney is hereby directed to examine the title to said subdivisions of 50 Vara Block No. 152, and to cause good and sufficient fee simple titles to be executed and delivered to the City and County of San Francisco upon the payment by said City and County of the above sums of money for said lands and all improvements thereon.

Ordering Street Work.

Bill No. 358, Ordinance No. 317, entitled, "Ordering the performance of certain street work to be done in the City and County of San Francisco, ap-

proving and adopting specifications therefor and authorizing the Board of Public Works to enter into contract for doing same," the provisions of which order the following work:

That artificial stone sidewalks be constructed on Steiner street, between Post and Sutter streets.

That an 8-inch ironstone pipe sewer, with appurtenances, be constructed in Twenty-first avenue, from the northerly line of Lake street to a point 150 feet northerly therefrom and in the crossing of Twenty-first avenue and Lake street.

That artificial stone sidewalks be constructed on the following streets:

On Carl street, between Shrader and Stanyan streets.

On Eighteenth street, between Church and Sanchez streets.

On Fair Oaks, between Twenty-fourth and Twenty-sixth streets.

On Capp street, between Twenty-third and Twenty-fourth streets.

On Sanchez, between Fifteenth and Sixteenth streets.

On Fourteenth, between Sanchez and Noe streets.

On the northerly side of Filbert street, between Broderick and Baker streets.

That a 15-inch ironstone pipe sewer, with appurtenances, be constructed in Dolores street, between Clinton Park and Fourteenth street, and in the crossing of Dolores and Fourteenth streets.

That granite curbs and a bituminous rock pavement be constructed on Twenty-fifth street, between Sanchez and Church streets, and on the intersection of Twenty-fifth and Vicksburg streets; also

That brick cesspools and ironstone pipe culverts be constructed on the northeasterly and northwesterly angular corners of the crossing of Twenty-fifth and Vicksburg streets.

IN RELATION TO THE REMOVAL OF WOODEN BUILDINGS IN THE FIRE LIMITS.

Supervisor Faymonville presented the following Report which was read and ordered filed:

Report of Joint Committee on Fire and Judiciary on Removal of Wooden Buildings in Fire Limits.

To the Honorable the Board of Supervisors of the City and County of San Francisco—Gentlemen:

Your Joint Committee on Fire and Judiciary, to whom were referred Bill No. 359, entitled "Providing for the removal not later than January 1, 1909, of all buildings erected since April 18, 1906, within the City and County of San Francisco, in violation of the Building Laws and Ordinances of said City and County of San Francisco; re-

quiring the Board of Public Works to serve notice hereof on all owners of property affected hereby and providing penalties for violation hereof," begs leave to report that they have duly considered said Bill and amended the same in the following particulars:

First. By changing the final date within which all such buildings shall be removed, from January 1, 1909, to January 1, 1910.

Second. By providing that the Board of Public Works shall serve notice of removal upon the agent of the owner of the structure affected, as well as on the owner, and by making the provisions of the penalty clause of the Bill applicable to the agent of the owner, as well as to the owner.

As amended your Committee recommends the passage of said Bill by your Honorable Board.

Respectfully submitted,

BERNARD FAYMONVILLE,
Chairman.

IN RELATION TO THE VACATION AND REMOVAL OF BUILDINGS USED FOR THEATRICAL AND OPERATIC PURPOSES, ERECTED IN VIOLATION OF THE "BUILDING LAW."

Supervisor Faymonville presented the following Report, which was, on his motion, adopted and the action of

Committee as therein outlined approved:

Special Report of Fire Committee on Theaters Erected in Violation of Building Laws.

To the Honorable the Board of Supervisors of the City and County of San Francisco—Gentlemen:

Your Fire Committee to whom were referred the list prepared by the Board of Public Works of Theaters erected subsequent to the 18th day of April, 1906, in violation of "The Building Law," presents the following report on said matter:

The Chairman of your Committee in company with Supervisor Brandenstein, Chief Engineer P. H. Shaughnessy of the Fire Department, Fire Marshal Chas. Towe, Chief Building Inspector John P. Horgan of the Board of Public Works, Chief Building Inspector F. H. Porter of the Board of Fire Underwriters of the Pacific and John E. Behan, Clerk of your Honorable Board, visited on November 27, 1907, the Central Theater, the Van Ness Theater, the Wigwam Theater and the Globe Theater, and thoroughly inspected each of said buildings and the apartments therein contained.

On November 30, 1907, the same party inspected the Lyceum Theater, the Davis Theater, the Novelty Theater, the National Theater and the Empire Theater, being joined at the Davis Theater by Supervisor Rixford.

Instructions were given to each of the managers of the different theaters visited to construct suitable exits, to widen aisles, to fasten seats securely to the floor, to equip the stage with stand pipes, perforated overhead sprinklers and suitable equipment to guard against danger from fire, to metal line dressing rooms and auditoriums of buildings where necessary, in short to make the theaters comply with the requirements of the Building Law, and more, with the sole exception of requirements of Class "A" construction.

The compliance on part of the theaters with the instructions given will insure safety to patrons from danger arising through panic caused by fire or otherwise, by making it possible to empty the house at any time, within a few minutes.

The Davis Theater was found to be in an extremely dangerous condition and was closed at once by order of the Committee.

Thereafter the instructions given the managers of the various theaters, which are hereto appended and made a part of this report, were submitted at a conference held in the Mayor's office on December 5, 1907, between the Special Committee aforesaid and his Honor, the Mayor, the President of the Board of Public Works, the Chief of

Police and B. P. Oliver, foreman of the late Grand Jury and said instructions were approved by the conference.

As the result of the conference it was determined to close the Empire Theater until sufficient exits are provided, and to allow all of the aforementioned theaters two weeks within which to make the alterations and improvements exacted by the Committee.

Notices to this effect were thereupon served upon the managers of the theaters affected, and they were also required to pay the compensation of two experienced firemen detailed for each performance by the Chief Engineer of the Fire Department.

It was also determined by the conference to recommend that the theaters making the requisite alterations be permitted to conduct performances during the pleasure of the Board of Supervisors within a period not later than January 1, 1910, at which latter date all theatrical performances in said buildings must cease.

Such action will place theaters of this character on a parity with wooden buildings within the fire limits which are destined for removal within said time.

The conference also recommended the amendment of "The Building Law" by adding a new section (thereof) to be numbered 141-A, providing that the Chief Engineer of the Fire Department shall detail two experienced firemen at each performance given in all theaters, the salaries of said firemen to be paid by the managers of the respective theaters.

Your Fire Committee approves these recommendations, submits herewith appropriate ordinances for passage and further recommends the adoption of this report.

Respectfully submitted

BERNARD FAYMONVILLE,
Chairman.

W. G. STAFFORD,

O. A. TVEITMOE,

Fire Committee.

Instructions Served Upon Van Ness Theater,
December 5, 1907.

Dec 5, 1907.

Messrs. Gottlob, Marx & Co., Mgrs. Van Ness Theater, Grove and Van Ness, San Francisco, Cal.—Gentlemen:

The Fire Committee of the Board of Supervisors will, in the near future, make its report and recommendations to the Board, concerning all theaters in this City, built or maintained contrary to or in violation of the Theater or Building Ordinances.

Anticipating any report that may be made concerning the Van Ness Theater, it is suggested that you make, *within two weeks from the above date*, changes and improvements hereinafter noted. This work must be done to the satisfaction of Chief Shaughnessy of

the Fire Department, Chief Inspector Horgan of the Board of Public Works and Chief Hewitt of the Department of Electricity, who will report your compliance or non-compliance with these suggestions to the Fire Committee at an early date.

First. Bring forward the metal curtain grooves so that they will more completely cover the edge of curtain.

Second. Put complete metal lining in carpenter's room, property room and paint room.

Third. Put a piece of sheet iron behind the gas stove where sizing or glue is heated.

Fourth. Before complying with number two, have the electric wiring examined by Chief Hewitt, and make said wiring comply with the law.

Fifth. Attach spring to sliding door in fly gallery off the property room.

Sixth. Two firemen detailed by the Chief Engineer of the Fire Department shall be present on the stage during all performances for the purpose of guarding against danger from fire, and the compensation of said firemen shall be paid by the management of your theatre.

Yours truly,

(Seal)

(Signed) BERNARD FAYMONVILLE, Chairman Fire Committee of the Board of Supervisors of the City and County of San Francisco.

(Signed) JOHN E. BEHAN, Clerk, Board of Supervisors of the City and County of San Francisco.

Instructions Served Upon National Theater, December 5, 1907.

Dec. 5, 1907.

Mr. Z. Abraham, Mgr. National Theater, Post and Steiner Sts., San Francisco, Cal.—Dear Sir:

The Fire Committee of the Board of Supervisors will, in the near future, make its report and recommendations to the Board, concerning all Theaters in this City, built or maintained contrary to or in violation of the Theater or Building Ordinances.

Anticipating any report that may be made concerning the National Theater, it is suggested that you make, *within two weeks from the above date*, the changes and improvements hereinafter noted. This work must be done to the satisfaction of Chief Shaughnessy of the Fire Department, Chief Inspector Horgan of the Board of Public Works and Chief Hewitt of the Department of Electricity, who will report your compliance or non-compliance with these suggestions to the Fire Committee at an early date.

First. Take out main entrance stairs and put in a sloping gradient.

Second. Close up the present gradient exit in center of front, and put in another of same size on northeast corner of building.

Third. Put in 2 stand pipes, one on each side of the arch, on the stage, also equip with proper amount of hose.

Fourth. Put in perforated pipe sprinklers over stage.

Fifth. Remove one row of seats through center of main section so as to create a passage from north side of building through center to the south exits.

Sixth. Remove sufficient seats from each row so as to leave not over fourteen in each row, the space so created to be put into the aisles, thus widening them.

Seventh. Cut a door or opening from dressing rooms to the auditorium, to permit escape of performers.

Eighth. Have all electric wiring made safe to the satisfaction of Chief Inspector Hewitt.

Ninth. Run an eight-foot aisle from stage through north side of house to new exit. This can be done by taking three seats off each row on north side.

Tenth. Two firemen detailed by the Chief Engineer of the Fire Department shall be present on the stage during all performances, for the purpose of guarding against danger from fire, and the compensation of said firemen shall be paid by the management of your theatre.

Yours truly,

Instructions Served Upon Central Theater December 5, 1907.

Dec. 5, 1907.

Ernest Howell, Esq., Mgr. and Proprietor, Central Theater, Eighth and Market Sts., San Francisco, Cal.—Dear Sir:

The Fire Committee of the Board of Supervisors will, in the near future, make its report and recommendations to the Board, concerning all Theaters in this City, built or maintained contrary to or in violation of the Theater or Building Ordinances.

Anticipating any report that may be made concerning the Central Theater, it is suggested that you make, *within two weeks from the above date*, the changes and improvements hereinafter noted. This work must be done to the satisfaction of Chief Shaughnessy of the Fire Department, Chief Inspector Horgan of the Board of Public Works and Chief Hewitt of the Department of Electricity, who will report your compliance or non-compliance with these suggestions to the Fire Committee at an early date.

First. Have all electrical wiring made safe to the satisfaction of Chief Hewitt.

Second. Remove two rows of benches in rear of left section, and one row of benches in rear of right section.

Third. Fasten down all seats and benches as required by law.

Fourth. Remove one seat from the end of each row, so as to increase the width of side aisles that much.

Fifth. Put in four-inch stand pipes instead of the two-inch, now in place, and get necessary amount of hose of proper size to fit.

Sixth. Cut off the ends of the benches adjoining the main aisle, at least 6 inches, and put a cleat over the end to avoid sharp projections.

Seventh. Remove all rubbish from side of building in rear, and keep it removed.

Eighth. Put in metal grooves for the curtain to run in.

Ninth. Move one stand pipe and hose to the front of the stage.

Tenth. Put in approved sprinkler pipes in the top of fly gallery.

Eleventh. Put metal lining in all dressing rooms.

Twelfth. Cut door through wall between stage and property room on right-hand side, and put a metal covered door in this opening.

Thirteenth. Put self-closing spring on the door between orchestra and space under stage.

Fourteenth. Remove counter and showcase from rear of auditorium.

Fifteenth. Lower the flooring of the exit next to stage on Eighth street side to a suitable gradient.

Sixteenth. Remove all wooden rubbish barrels and put in suitable metal receptacles.

Seventeenth. Protect gas stove on west side of shop, rear of stage with metal pan.

Eighteenth. Two firemen detailed by the Chief Engineer of the Fire Department shall be present on the stage during all performances, for the purpose of guarding against danger from fire, and the compensation of said firemen shall be paid by the management of your theater.

Yours truly,

Dec. 5, 1907.

Mr. W. H. Weber, Mgr. Lyceum Theater, Mission and Twenty-ninth Sts., San Francisco, Cal.—Dear Sir:

The Fire Committee of the Board of Supervisors will, in the near future, make its report and recommendations

to the Board, concerning all Theaters in this City, built or maintained contrary to or in violation of the Theater or Building Ordinances.

Anticipating any report that may be made concerning the Lyceum Theater, it is suggested that you make *within two weeks from the above date*, the changes and improvements hereinafter noted. This work must be done to the satisfaction of Chief Shaughnessy of the Fire Department, Chief Inspector Horgan of the Board of Public Works and Chief Hewitt of the Department of Electricity, who will report your compliance or non-compliance with these suggestions to the Fire Committee at an early date.

First. Have all electric wiring made safe to the satisfaction of Chief Inspector Hewitt.

Second. Move the screen in front of main entrance forward two feet or more toward stage, and secure same solidly.

Third. Remove two rear rows of seats entirely.

Fourth. Remove one seat off the end of each row next to the side aisles, so as to widen said aisles.

Fifth. Remove one whole row of seats through both the center and front sections so as to create passages from center aisle to the side exits.

Sixth. Put stage hose on a "half barrel" rack instead of on the patent rack now used.

Seventh. Put the present stand pipe and hose against the front wall of stage instead of the back wall.

Eighth. Put in one additional stand pipe with hose in auditorium.

Ninth. Install perforated pipe sprinklers over the stage.

Tenth. Put in asbestos curtain, to run in metal side grooves.

Eleventh. Metal line all dressing rooms and also the property and repair rooms.

Twelfth. Cut door from large dressing room to outside, and put in stairs or ladder for escape from said dressing room.

Thirteenth. Put a twelve-inch metal vent pipe through ceiling and roof of moving picture room.

Fourteenth. Put in rubber lined hose instead of linen hose in all places.

Fifteenth. Two firemen detailed by the Chief Engineer of the Fire Department shall be present on the stage during all performances, for the purpose of guarding against danger from fire, and the compensation of said firemen shall be paid by the management of your theater.

Instructions Served Upon Globe Theater, De-
cember 5, 1907.

Dec. 5, 1907.

Mr. Morris, Mgr. Globe Theater,
Mission St., San Francisco, Cal.—Dear
Sir:

The Fire Committee of the Board of
Supervisors will, in the near future,
make its report and recommendations
to the Board, concerning all Theaters
in this City, built or maintained con-
trary to or in violation of the Theater
or Building Ordinances.

Anticipating any report that may be
made concerning the Globe Theater,
it is suggested that you make, *within
two weeks from the above date*, the
changes and improvements hereinafter
noted. This work must be done to the
satisfaction of Chief Shaughnessy of
the Fire Department, Chief Inspector
Horgan of the Board of Public Works
and Chief Hewitt of the Department of
Electricity, who will report your com-
pliance or non-compliance with these
suggestions to the Fire Committee at
an early date.

First. Have all electric wiring made
safe, to the satisfaction of Chief Elec-
trical Inspector Hewitt.

Second. As the boxes have more
than eight seats, they must be fast-
ened down.

Third. Remove the steps from boxes
to auditorium and put in gradients.

Fourth. Remove the row of seats
now against the back wall, also remove
one seat from each row, on the right
of main aisle in the right center sec-
tion, to widen said aisle.

Fifth. Completely metal line the
cave under rear of auditorium; also
the endy room.

Sixth. Take out the entire back
stairs leading to the cave and also the
partitions in front of the main entrance
back as far as the wall of the ladies'
retiring room. Put floor over said
back stairs, so as to facilitate exit
through main entrance.

Seventh. Clean up all rubbish in
back alley and from fly galleries, and
provide metal receptacles.

Eighth. Metal line all dressing
rooms; also the ends of the upper stage
lofts or rooms; also the property
rooms.

Ninth. Build an additional stairway
to the fly gallery, so that there may
be one on each side of stage.

Tenth. Install the usual perforated
pipe sprinklers over the stage.

Eleventh. Move the metal curtain
guides forward so they will more com-
pletely cover the edge of the curtain.

Twelfth. Remove enough seats to
create at least a ten-foot aisle by rear
auditorium on Mission street side.

Thirteenth. Run stairway down
from upper dressing room No. 11 on
Mission street side, which stairway
must connect with lower dressing room
as well.

Fourteenth. Cover both inside and outside of back wall with corrugated iron.

Fifteenth. Two firemen detailed by the Chief Engineer of the Fire Department shall be present on the stage during all performances, for the purpose of guarding against danger from fire and the compensation of said firemen shall be paid by the management of your theatre.

Yours truly,

Instructions Served Upon Davis Theater, December 6, 1907.

December 5, 1907.

Messrs. Davis Bros., Managers Davis Theatre, 1234 McAllister street, San Francisco, Cal.—Gentlemen:

The Fire Committee of the Board of Supervisors hereby instructs you not to use or permit to be used for theatre or any other entertainment purposes, that certain building known as the Davis Theater in San Francisco, until legally authorized to do so.

The Committee will further consider the question of permitting the reopening of said theatre when the changes and improvements hereinafter noted have been made to the entire satisfaction of Chief Shaughnessy of the Fire Department, Chief Building Inspector Horgan and Chief Electrical Inspector Hewitt.

First. Have all electric wiring made safe to the satisfaction of Chief Hewitt.

Second. Move box office into a side building so as to leave whole front for exit and entrance purposes.

Third. Remove the rear two rows of seats.

Fourth. Remove all seats from the side spaces between posts and wall so as to leave these spaces clear for exits.

Fifth. Put on a complete metal roof instead of the present canvas roof.

Sixth. The rows of seats may be run to the side posts, but one seat must be taken off each row, on each side of center aisle, so as to widen said aisle.

Seventh. Widen the side exits to seven feet.

Eighth. Remove one row of seats through center of theatre, so as to create passages from center aisle to side exits.

Ninth. On west side next to stage take out the steps in front of exit and put in a sloping gradient.

Tenth. Take out the paint room completely.

Eleventh. Take out all cloth or canvas lining and completely metal line all dressing rooms, property room and area under stage.

Twelfth. Clean out all refuse and rubbish under stage.

Thirteenth. Put in a fireproof curtain and metal groove guides to same.

Fourteenth. Cut an exit on west side of stage for performers.

Fifteenth. Two firemen detailed by the Chief Engineer of the Fire Department shall be present on the stage during all performances for the purpose of guarding against danger from fire, and the compensation of said firemen shall be paid by the management of your theatre.

Instructions Served Upon Empire Theater, December 5, 1907.

December 5th, 1907.

Mr. Hall R. Curtis, Manager Empire Theater, Sutter and Steiner streets, San Francisco, Cal.—Dear Sir:

The Fire Committee of the Board of Supervisors will, in the near future, make its report and recommendations to the Board, concerning all theatres in this city, built or maintained contrary to or in violation of the theatre or Building Ordinances.

Anticipating any report that may be made concerning the Empire Theatre, it is suggested that you make *within two weeks from the above date*, the changes and improvements hereinafter noted. This work must be done to the satisfaction of Chief Shaughnessy of the Fire Department, Chief Inspector Horgan of the Board of Public Works and Chief Hewitt of the Department of Electricity, who will report your compliance or non-compliance with these suggestions to the Fire Committee at an early date:

First. Instead of the present lateral aisle (which may be again filled with seats), create *two* lateral aisles by removing two rows of seats in each section, thus creating two passages running from one side to the other and dividing the house into six sections instead of four.

Second. Fasten down all seats in the boxes, as there are more than eight in each.

Third. Line the whole building with metal, carrying the metal down on the side posts three feet below the

ceiling, thus creating an iron apron to partly protect the side aisles.

Fourth. Cut a seven-foot exit on each side forward next to stage.

Fifth. Metal line room under stage.

Sixth. Put in perforated pipe sprinklers over stage.

Seventh. Clear out the back stage exit and keep it clear of lumber and rubbish; also level down the earth.

Eighth. Metal line the carpenter shop or property room.

Ninth. Close the two openings leading from the stage to property room with metal covered fire doors.

Tenth. Metal line the narrow passage between the stage and the property room.

Eleventh. Remove entirely the rear row of seats and move the screen forward toward stage, the distance so created.

Twelfth. Have all electric wiring made safe to the satisfaction of Chief Inspector Hewitt.

Thirteenth. Two firemen detailed by the Chief Engineer of the Fire Department shall be present on the stage during all performances for the purpose of guarding against danger from fire, and the compensation of said firemen shall be paid by the management of your theatre.

IN RELATION TO THE GROUNDING OF OVERHEAD WIRES AND THE REMOVAL OF POLES IN CERTAIN DISTRICTS.

The following Reports were presented by Supervisors Sullivan and D'Ancona, respectively:

Report of Majority Joint Committee on Public Utilities, Streets and Judiciary, on Pole and Wire Bill.

To the Honorable the Board of Supervisors of the City and County of San Francisco, Gentlemen: The Joint Committee, consisting of the Committees on Public Utilities, Streets and Judiciary of the Board of Supervisors, respectfully present the following report on Bill No. 273, entitled, "Ordinance No. — (New Series), Providing for the placing of electric wires and conductors underground within certain limits in the City and County of San Francisco and for the removal of all overhead wires and conductors within said limits and all poles and contrivances used for supporting the same."

The Committee held several sessions; heard the testimony of representatives of the different public service corporations doing business in the City and County of San Francisco and affected by the provisions of said Bill, and after due consideration of all the testimony introduced, your Committee has come to the conclusion that the time limit fixed by said Bill, as originally proposed, namely 18 months, is too short.

Your Committee, after due investigation, concluded that the territory described in the original Bill should be divided into three districts, designated as Underground District "A", Underground District "B" and Underground District "C". The said three districts are specifically described in the accompanying proposed Ordinance.

We deem it fair to the people of the City and County of San Francisco, and just to the public service corporations, that in District "A" the poles and wires should be removed within two years from date of the passage of the Ordinance; that in District "B", the poles and wires should be removed within five years from said date, and in District "C" the poles and wires should be removed within eight years from said date.

By the provisions of the proposed Ordinance street railroads now operated by electricity by virtue of any franchise lawfully granted by the Board of Supervisors are expressly exempted from the provisions of this Ordinance, in so far as it affects the poles, span wires and trolley wires

used in the operation of such roads; provided, however, that nothing herein contained shall prejudice the rights of this City and County to question the validity of any franchise under which any street railroad is now operated by means of electricity.

All feed wires used by the street railroad companies must within Districts "A", "B" and "C" be removed within the time required pursuant to the provisions of the Ordinance.

The accompanying proposed Ordinance, in the opinion of the majority of the Joint Committee, should be adopted by your Honorable Board, as an Ordinance of the City and County of San Francisco, and therefore we recommend its adoption.

Respectfully submitted,

MATT. J. SULLIVAN,
JAMES P. BOOTH,
D. C. MURPHY,
G. L. CENTER,
THOMAS MAGEE,
Joint Committee.

Read and ordered filed.

Report of the Minority Joint Committee of Public Utilities, Judiciary and Streets Committees on Pole and Wire Bill.

To the President and Board of Supervisors: The minority of the Joint Committee on the matter of removal of poles and wires within certain districts, and putting said wires underground, begs to report as follows:

In the first place, considering the financial condition in which the whole country, in general, and the aggravated financial condition in which the citizens and corporations are in our City, due to the great conflagration, and considering that, after the many recent public disturbances, what San Francisco most needs, is to rehabilitate itself, and industrial peace, your minority joint committee considers the matter before it inopportune.

The adoption of the majority joint committee report would entail great hardships upon the corporations affected, not only on account of the great expenditure of money, amounting to millions, but it would be untimely because, when they are struggling to rehabilitate themselves from the great losses from the great calamity, a cloud, so to speak, would be cast on their power of borrowing money, for present necessities, on account of the further and future obligations imposed upon them by the proposed ordinance.

It will be apparent to you that such burdens imposed upon them would mean impaired service to the City.

A further objection found in the proposed ordinance by your minority joint committee is, that it intends to legislate at long range. It ventures to predict how the City is to develop in two, five and eight years, and your minority Joint Committee asserts that no man

can so predict. This would involve that if the City's growth should be different than what the proposed ordinance assumes, then some parts of the City where the growth would have taken place, outside of the named districts in the proposed ordinance, would be without relief and the companies put to the expense of placing wires underground where not needed.

The minority of your Committee therefore recommends that the proposed bill do not pass.

Respectfully submitted,

A. A. D'ANCONA,
GUSTAVE BRENNER,
A. COMTE JR.,
E. I. MOLERA.

Section 2. It shall be unlawful for any electric light, electric power, telegraph, telephone or other electric company or street railway company, or any person, firm or corporation, after the passage of this Ordinance, except as hereinafter provided, to erect or construct within said Underground Districts "A", "B" and "C", any pole or overhead wires, overhead cable, or device upon or over any street or alley, by, through, over or by means of which electricity is or may be in any manner transmitted, conducted or conveyed for the purpose of electric light, heat, power, telegraph, telephone, railway, or other electric service; provided, however, where lawfully erected or maintained, wires and poles may be repaired, and for the purposes of repair, new poles may be substituted for old ones; provided further, that upon permission being granted under existing laws and ordinances by the Board of Public Works, poles may be erected and temporarily maintained in Districts "A," "B" and "C," outside of underground Districts 1, 2, 3 and 4, upon condition, however, that said poles and all wires supported thereby shall be removed within the time after which it shall, pursuant to the provisions of

this Ordinance, become unlawful to maintain poles within said Districts "A," "B" and "C," respectively.

Any permit granted by the Board of Public Works shall contain an endorsement thereon that all poles erected pursuant to such permit shall be removed within the time required by the provisions of this Ordinance.

Nothing herein contained shall affect the provisions of Section 12 of this Ordinance, but terminal poles and posts for the support of lamps exclusively, may be erected and maintained without such permit.

Section 3. It shall be unlawful from and after two years from the date of passage of this ordinance, except as herein provided, for any electric light, electric power, telegraph, telephone, or other electric company, or street railway company, or any person, firm or corporation, to maintain, continue, use, operate or employ, within said District "A", any pole or overhead wires, overhead cable or device, over or upon any street or alley, within said District "A", by, through, over, or by means of which electricity is, has been or may be in any manner transmitted, conducted, or conveyed, for the purpose of electric light, heat, power, telegraph, telephone, railway, or other electric service, and all such poles, overhead wires, cables, devices or apparatus, erected, maintained, operated or employed in violation of this Ordinance, shall be deemed and become public nuisances.

Section 4. It shall be unlawful from and after five years from the date of passage of this Ordinance, except as herein provided, for any electric light, electric power, telegraph, telephone, or other electric company, or street railway company, or any person, firm or corporation, to maintain, continue, use, operate or employ, within said District "B", any pole or overhead wires, overhead cable or device, over or upon any street or alley, within said District "B", by, through, over, or by means of which electricity is, has been, or may be in any manner transmitted, conducted, or conveyed, for the purpose of electric light, heat, power, telegraph, telephone, railway, or other electric service, and all such poles, overhead wires, cables, devices or apparatus, erected, maintained, operated or employed in violation of this Ordinance, shall be deemed and become public nuisances.

Section 5. It shall be unlawful from and after eight years from the date of passage of this Ordinance, except as herein provided, for any electric light, electric power, telegraph, telephone, or other electric company, or street railway company, or any person, firm or corporation, to maintain, continue, use, operate or employ, within said District

"C", any pole or overhead wires, overhead cable or device, over or upon any street or alley, within said District "C", by, through, over, or by means of which electricity is, has been, or may be in any manner transmitted, conducted, or conveyed, for the purpose of electric light, heat, power, telegraph, telephone, railway, or other electric service, and all such poles, overhead wires, cables, devices or apparatus, erected, maintained, operated or employed in violation of this Ordinance, shall be deemed and become public nuisances.

Section 6. All feed wires used and employed by street electric railway companies, and persons, firms, or corporations, operating street electric railways, in the City and County of San Francisco, shall in District "A" be removed and placed underground within two years from and after the date of the passage of this Ordinance; in District "B", within five years from and after said date, and in District "C", within eight years from and after said date, and it shall be unlawful to use, maintain, or suspend on poles, any such feed wires in District "A", from and after the expiration of two years from the date of the passage of this Ordinance; in District "B", from and after the expiration of five years from said date, and in District "C" from and after the expiration of eight years from the said date.

Street railroads now operated by electricity by virtue of any franchise lawfully granted by the Board of Supervisors are expressly exempted from the provisions of this Ordinance, in so far as it affects the poles, span wires and trolley wires used in the operation of such roads; provided, however, that nothing herein contained shall prejudice the rights of this City and County to question the validity of any franchise under which any street railroad is now operated by means of electricity.

Section 7. Each and every pole, overhead wire, overhead cable, device and apparatus, hereafter erected or constructed in violation of this Ordinance, shall be summarily taken down and removed by the Board of Public Works.

Section 8. Each and every pole, overhead wire, overhead cable, device and apparatus, owned, controlled, operated, employed, or used by any and all of said electric light, heat, power, telegraph, telephone, railway or electric company, or by any other person, firm or corporation, required to be taken down and removed pursuant to the provisions of this Ordinance, shall be taken down and removed at the cost and expense of the persons, firms or corporations so owning, controlling, operating, employing or using the same.

Section 9. The Board of Public Works shall take down, remove and carry away, any and all poles, overhead wires, cables, devices and apparatus, erected or maintained in violation of this Ordinance, and said Board of Public Works is hereby expressly given full power and authority to use and employ such force, for effectually carry out the provisions of this Ordinance.

Section 10. Every person, firm, or corporation who shall erect or construct, in violation of this Ordinance, in said Districts "A," "B" and "C," or any of the said Districts, any pole or overhead wire, overhead cable, or device, upon or over any street or alley in said Districts, or any of them, for any of the purposes above mentioned, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than two hundred dollars, nor more than five hundred dollars, for every day such poles and appliances are left standing after such erection and construction.

Section 11. Every person, firm or corporation who shall within District "A," after the expiration of two years from the date of the passage of this Ordinance, keep, maintain, continue, employ, operate or use, in any manner whatever, in violation of the provisions of this order, any such pole or overhead wires, cable, device or apparatus aforesaid, or who shall have neglected for the period of two years from and after the date of the passage of this Ordinance to take down and remove within said District "A," any and all such poles, overhead wires, cables, devices and apparatus aforesaid, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than two hundred dollars, nor more than five hundred dollars for every day such poles and appliances are left standing after the expiration of said two years from and after the date of the passage of this Ordinance.

Section 12. Every person, firm or corporation who shall within District "B," after the expiration of five years from the date of the passage of this Ordinance, keep, maintain, continue, employ, operate or use, in any manner whatever, in violation of the provisions of this order, any such pole or overhead wires, cable, device or apparatus aforesaid, or who shall have neglected for the period of five years from and after the date of the passage of this Ordinance, to take down and remove within said District "B," any and all such poles, overhead wires, cables, devices and apparatus aforesaid, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than two hundred dollars, nor more

than five hundred dollars, for every day such poles and appliances are left standing after the expiration of said five years from and after the date of the passage of this Ordinance.

Section 13. Every person, firm or corporation who shall within District "C," after the expiration of eight years from the date of the passage of this Ordinance, keep, maintain, continue, employ, operate or use, in any manner whatever, in violation of the provisions of this order, any such pole, or overhead wires, cable, device or apparatus aforesaid, or who shall have neglected for the period of eight years from and after the date of the passage of this Ordinance, to take down and remove within said District "C," any and all such poles, overhead wires, cables, devices and apparatus aforesaid, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than two hundred dollars, nor more than five hundred dollars, for every day such poles and appliances are left standing after the expiration of said eight years from and after the date of the passage of this Ordinance.

Section 14. Posts used for the support of lamps, exclusively, and such terminal poles and other appliances as may be necessary for reaching places of business, and residence, at the terminals of underground wires, are hereby exempt from the provisions of this Ordinance; provided, however, that posts, used for the support of lamps, exclusively, and poles used for terminal purposes and wires thereon, shall not be connected with any other pole by overhead wires, and provided, further, that such posts and poles shall be erected and maintained under the supervision and to the satisfaction of the Board of Public Works.

Section 15. All electric light, electric power, telegraph, telephone and other electric companies, and street railway companies, and all other persons, firms and corporations, that now keep, continue, maintain, use, operate or employ any pole, overhead wires, cables, devices or apparatus, conveying, transmitting or conducting electricity for any of the purposes herein mentioned shall have and they are hereby granted the privilege to place underground, within Districts "A," "B" and "C" above described, in the streets and alleys thereof, conduits, and other receptacles for the purpose of holding wires, and the necessary apparatus and appliances for the purpose of transmitting and conveying electricity and making the necessary connections for disposing of the same, provided, however, that all such underground conduits, or receptacles, ap-

paratus, and appliances shall be placed, constructed and maintained, under the supervision and to the satisfaction of the Board of Public Works.

Nothing herein contained, however, shall be construed to extend the term of any franchise of any such person, firm or corporation, or as a grant of any rights not heretofore possessed, by such person, firm or corporation.

Section 16. Wires of a continuous lead, crossing said Districts "A," "B" and "C," or parts of said Districts, not further than the extent of the width of a single street, are hereby exempted from the provisions of this Ordinance.

Section 17. Nothing herein contained shall be deemed to abrogate or repeal order No. 214 (Second Series), approved August 23, 1899, providing for placing electrical wires and conductors underground in the City and County of San Francisco.

Said order is hereby confirmed and declared operative and effectual in all of its parts, as to undergrounds Districts 1, 2, 3 and 4, therein defined, save and except Section 8 thereof, which provides "Electric wires are hereby expressly exempted from the provisions of this order, in so far as it affects the poles and wires used exclusively for the transmission of electric power for railway purposes."

Section 18. All ordinances, and parts of ordinances, in conflict herewith, are hereby repealed.

Section 19. This ordinance shall take effect from and after its passage.

Motion.

Supervisor Brenner moved that the communication from the Merchants' Association relative to the removal of poles and overhead wires in certain districts be read.

So ordered.

Thereupon, said Communication was read at length.

Motion.

Supervisor Comte moved that the whole matter be made a special Order of Business for Monday, December 16th, 1907, at 4 p. m.

Motion carried by the following vote:

Ayes—Supervisors Booth, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Tveitmoe.—16.

No—Supervisor Sullivan—1.

Absent—Supervisor Brandenstein—1.

Passed for Printing.

The following matters were passed for printing:

Extensions of Time, Street and Sewer Work.

On motion of Supervisor Magee: Resolution No. — (New Series), as follows:

Resolved, That Flynn and Treacy be and are hereby granted an extension of ninety days' time from and after December 6, 1907, within which to complete the contract for the paving, etc., of Mission street from Twentieth to Army streets.

This extension of time is recommended for the reason that the question as to the legality of the contract is now being determined by the courts.

Also, Resolution No. — (New Series), as follows:

Resolved, That Williams & Belser be and are hereby granted an extension of thirty days' time from and after November 19, 1907, within which to complete the contract for the construction of a sewer in Steuart street from Mission to Market streets; in Beale street, First and Fremont streets, across Market street.

Granting Permission to the Merchants' Ice and Cold Storage Company to Lay and Maintain a Pipe Line for the Transmission of Power in Lombard Street. From Sansome Street to the Westerly Line of East Street.

Also, Resolution No. — (New Series), as follows:

Whereas, The Merchants' Ice and Cold Storage Company has been heretofore granted permission by the Board of Supervisors to erect and maintain an overhead electric cable for the purpose of conveying power for the operation of a pump on the wharf to convey salt water to the property of the company situate southwest corner of Sansome and Lombard streets; and

Whereas, The Board of Public Works in communication filed November 27, 1907, recommends that the Merchants' Ice and Cold Storage Company be granted permission to put said cable underground; therefore

Resolved, That permission, during the pleasure of the Board of Supervisors, be and the same is hereby granted to the Merchants' Ice and Cold Storage Company to lay and maintain a two and one-half inch iron pipe, from the southwest corner of Sansome and Lombard streets, along Lombard street easterly crossing Sansome street to the westerly line of East street for the purpose of placing therein an electric feed cable to operate a centrifugal pump, which supplies the company with salt water; said pipe to be placed in a trench not more than two feet below the surface, also to construct three small manholes for the running of the electric cable.

Full Acceptance, Certain Streets.

Also, Bill No. 370, Ordinance No.

— (New Series), entitled, "Providing for full acceptance of the roadways of Maple street, between California and Sacramento streets; Broderick street, between Lombard and Greenwich streets, and Dolores street, between Fifteenth and Sixteenth streets, paved with bituminous rock."

Changing Name of Sunset Avenue to Edgewood Avenue.

Also, Bill No. 371, Ordinance No. — (New Series), entitled, "Changing the name of Sunset avenue to Edgewood avenue."

Determination to Grant Franchise for Street Railway Over and Along Twentieth Avenue, From "H" Street to "W" Street.

Resolution No. — (New Series), as follows: Whereas, Application has been made to the Board of Supervisors of the City and County of San Francisco by the Parkside Transit Company (a corporation), through petition filed October 21st, 1907, for a franchise for a term of twenty-five (25) years, to construct, lay down and operate a single or double track street railroad, with all the necessary branches, sidetracks, turnouts, switches, crossings, curves, connections, spur tracks, yard tracks, depot tracks, terminal tracks and facilities, upon, along and across the following described route, to wit:

Commencing at such point or points in Nineteenth avenue, opposite the intersection of "W" street with Nineteenth avenue as may conveniently admit of connection or connections with the track or tracks of any street railroad now or hereafter constructed on Nineteenth avenue; thence curving westerly into "W" street; thence running westerly along "W" street to Twentieth avenue; thence curving northerly into Twentieth avenue; thence running northerly along Twentieth avenue to such point or points in "H" street opposite the intersection of "H" street and Twentieth avenue as may conveniently admit of a connection or connections with the track or tracks of any street railroad now or hereafter constructed on "H" street as said streets and avenues are laid down and designated on the official map of the City and County of San Francisco; and

Whereas, It appears to this Board that the public interest will be subserved by the grant of such franchise, therefore,

Resolved, That this Board grant a franchise as a whole, for a term of twenty-five (25) years, for a standard gauge street railroad upon, along and across the following described route, to wit:

Commencing at such point or

points in Nineteenth avenue opposite the intersection of "W" street with Nineteenth avenue as may conveniently admit of connection or connections with the track or tracks of any street railroad now or hereafter constructed on Nineteenth avenue; thence curving westerly into "W" street; thence running westerly along "W" street to Twentieth avenue; thence curving northerly into Twentieth avenue; thence running northerly along Twentieth avenue to such point or points in "H" street opposite the intersection of "H" street and Twentieth avenue as may conveniently admit of a connection or connections with the track or tracks of any street railroad now or hereafter constructed on "H" street as said streets and avenues are laid down and designated on the official map of the City and County of San Francisco.

The Grantee under said franchise shall have the right to construct, erect, maintain and operate, by means of electricity, or such other improved motive power as science has now or may hereafter discover and the laws sanction, a single or double track railroad upon, along and across the streets hereinabove described, and to that end the grantee shall have the right to build, construct, erect and maintain, all necessary poles, feed, trolley, guy, stay and sustaining wires, overhead construction, connecting tracks, Y tracks, side tracks, turnouts, curves, switches, crossings, spur tracks, yard, depot and terminal tracks, and depot station buildings, and to connect any or all of said tracks with the line of any street railroad or railroads constructed, maintained or operated under the franchise hereby proposed to be granted, or any other railroad or railroads now or hereafter constructed, maintained or operated under any other franchise along or upon or across any of the streets or avenues in said application set forth and described.

Said street railroad franchise shall be granted after due advertisement and offer for sale, in the manner and subject to the conditions and restrictions provided in the Charter of the City and County of San Francisco, with particular reference to the following subdivisions and Sections of Chapter 2, Article II of said Charter, relating to the powers of the Board of Supervisors, to wit:

Subdivision 2 and Subdivision 27, as amended February 5th, 1903, of Section 1 thereof, and Section 6 thereof.

It is hereby determined that said street railroad franchise shall be granted subject to the following con-

ditions additional to those prescribed by the Charter, to wit:

That the City and County of San Francisco shall have the right at any time during the last ten (10) years of the life of said franchise, to acquire the same, together with the power plant, poles, wires, roadbed, rails, rolling stock and other equipment of said railroad, at such fair and reasonable valuation as may be agreed upon by the holder of said franchise and the City and County of San Francisco, or failing such agreement, at such valuation as may be fixed by a Court of competent jurisdiction.

That the grantee operating under said franchise shall be required to pave the space between the rails and for two feet each side thereof, and between the tracks if there be more than one, upon the streets whereon said tracks are to be laid, and to keep the same in good condition and repair under the supervision and to the satisfaction of the Board of Public Works of the City and County; also,

That such street railroads operating under different managements, as the Board of Supervisors may permit, or the City and County itself, in the operation of a municipal railroad, shall have the privilege of using said tracks for a distance not exceeding ten (10) consecutive blocks, upon condition that the expense of construction and repair of the tracks and appurtenances used by said railroads jointly be equitably divided between the respective owners; also,

That the grantee operating under this franchise must pay to the City and County as a license upon each car such sum as the Board of Supervisors may fix, provided, however, that such sum shall not exceed Fifty (\$50) Dollars per annum, nor be less than Fifteen (\$15) Dollars per annum; also,

That as a condition precedent to the sale and granting of this franchise, the grantee thereunder shall permit and allow all policemen and firemen of the City and County of San Francisco at all times, and all mail carriers in the employ of the United States Government, while engaged in the actual discharge of duty, to ride on the cars of such company without paying any sum of money whatever for fare or otherwise; also,

That the bidder for said franchise shall file with his bid a good and sufficient bond in the penal sum of Five Thousand (\$5000) Dollars, with sureties thereon satisfactory to the Mayor of the City and County, conditioned that the bidder shall well and truly observe and perform the conditions of the franchise for which application is made, in the case the same is awarded

to him, and that in case of breach of any of the conditions of such bond, the whole of the penal sum of Five Thousand (\$5000) Dollars, shall be taken to be liquidated damages; also,

That the successful bidder for this franchise shall pay all charges for advertising in the official newspaper of this resolution, of the notice of sale and of the ordinance granting said franchise.

Further, Resolved, That the Clerk of this Board be and he is hereby authorized, empowered and directed to advertise for sealed proposals, or bids, for the sale of this franchise, in accordance with the provisions of the Charter, and with the terms of this Resolution, as hereinbefore expressed, said bids to be filed with the Clerk not later than Saturday, January 11th, 1907, at the hour of 12 o'clock M., and Monday, January 13, 1907, at the hour of 3 P. M. is hereby fixed as the hour and date for the opening of said proposals, or bids, and for the awarding of said franchise.

The Board of Supervisors reserves the right to reject any and all bids if they believe the public interest will be subserved thereby.

Amendment.

Supervisor D'Ancona moved to amend the Resolution by providing that the bids be filed with the Clerk on January 25, 1908, in lieu of January 11, 1908, and that the same be opened in Board of Supervisors on January 27, 1908, in lieu of January 13, 1908.

So ordered.

Passed for Printing.

Whereupon, said Resolution, as amended, was *passed for printing.*

IN RELATION TO THE TRANSFERRING AND DEDICATING OF THE PEABODY SCHOOL LOT ON WEST MISSION STREET, NEAR HERMANN STREET, AS A SITE FOR A MUNICIPAL FREE MARKET.

Supervisor Bremer presented the following Report which was received and ordered *filed.*

Report of Special Committee on Free Markets on Transfer of Peabody School Lot as Site for Free Market.

To the Honorable the Board of Supervisors of the City and County of San Francisco. Gentlemen: Your Special Committee, to whom was referred the establishment of Free Markets, begs leave to report the passage of an ordinance hereby submitted, transferring and dedicating the Peabody School lot, situate on the westerly side of West Mission street, between Duhoce avenue and Hermann street, for the purpose of establishing a Free Market thereon, the Board of Education having filed its consent in writing to the transfer of said lot provided that the

net proceeds arising from the conduct of such Free Market shall be placed to the credit of the Common School Fund.

Respectfully submitted,

G. BRENNER,

Special Committee on the Establishment of Free Markets.

Transferring and Dedicating Peabody School Lot for Free Market Purposes.

Thereupon, Supervisor Brenner introduced the following Bill, which was, on his motion, *passed for printing*:

Bill No. 372, Ordinance No. — (New Series), as follows:

Transferring and dedicating the Peabody School lot for Free Market purposes.

Whereas, The Board of Education has filed its consent in writing to the transfer by the Board of Supervisors of a school lot situate on the westerly side of West Mission street, between Duboce avenue and Hermann street, on which was heretofore constructed the Peabody School building, for the purpose of enabling said Board to use said lot as a site for a Free Market, provided the net proceeds of said Free Market are credited to the Common School Fund; and

Whereas, It is for the best interests of the people of the City and County of San Francisco that said Free Market be established in order that produce of all kinds may be purchased advantageously by the public; therefore,

Be it ordained by the people of the City and County of San Francisco as follows:

Section 1. The school lot hereinafter described is hereby set apart, reserved and dedicated for Free Market purposes, subject to the express condition that the net proceeds arising from said Free Market be placed to the credit of the Common School Fund, to wit:

Commencing at a point on the westerly line of West Mission street, distant thereon 206 feet 3 inches southerly from the southerly line of Hermann street; running thence southerly along said westerly line of West Mission street 133 feet 9 inches; thence at right angles westerly 1 1/2 feet 6 inches; thence at right angles northerly 133 feet 9 inches, and thence at right angles easterly 137 feet 6 inches to the point of commencement. Being a portion of Mission Block No. 21.

Section 2. The attention of the Board of Education, the Board of Public Works, the City Engineer and the Assessor is hereby called to the provisions of this Ordinance.

Section 3. This Ordinance shall take effect immediately.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Referred.

Supervisor Brenner introduced the

following Resolution which was on his motion ordered *referred to the Streets, Sewers and Parks Committee*:

Board of Public Works to Recommend the Repaving of All Streets in Excess of 5 Per Cent in Grade with Central Strip of Basalt Blocks; to Submit List of Streets Affected by This Resolution and an Estimate of the Cost of Doing Said Work.

Resolution No. — (New Series), as follows:

Resolved, That the Board of Public Works be and it is hereby requested to recommend to this Board the repaving of all streets in excess of 5% in grade with a central strip of basalt blocks, vitrified brick, or concrete macadam, and, also in advance of said recommendation to submit to this Board a list of the streets or parts of streets affected by this Resolution and an estimate as to the cost of said repaving; also to present to this Board such amendments to the Ordinances providing rules, regulations and specifications for the doing of street work as may be necessary to secure the improvements herein referred to.

Adopted.

Supervisor Magee presented the following Report, under suspension of the rules, which Report was read and *adopted*:

Report of Joint Committee on Public Utilities, Streets and Judiciary in the Matter of the Investigation of the Authority Whereby Poles and Overhead Wires Were Constructed on Pacific Avenue.

San Francisco, Dec. 10, 1907.

To the Honorable, the Board of Supervisors of the City and County of San Francisco.

Gentlemen:—Your Joint Committee on Public Utilities, Streets and Judiciary begs leave to report that they have investigated the matter of the erection of poles for the purpose of stringing wires thereon incidental to the operation of a street railway overhead trolley system on Pacific Avenue, westerly from Polk street, and find that on the 21st day of November, 1907, permission was granted to the United Railroads of San Francisco by W. R. Hewitt, Chief of the Department of Electricity, to erect iron poles for electric railway purposes along both sides of Pacific avenue, from Polk street to Broderick street, under application made to said Chief by said United Railroads under date of November 20, 1907.

Under Ordinance No. 1564 of the Board of Supervisors, such permits can be issued only by the Board of Public Works, and the Chief of the Department of Electricity in issuing said pole permits exceeded his authority, as he subsequently admitted to your Committee when appearing before it.

The President of the Board of Public Works, Mr. Michael Casey, appeared before your Committee and testified

that no pole permits had been granted on said avenue by said Board.

The United Railroads of San Francisco claim the right under Ordinance No. 20 (New Series) of the Board of Supervisors passed in June, 1906, to erect overhead trolley construction on Pacific avenue, westerly from Polk street, but inasmuch as the very terms of the said Ordinance require that the work of installing electrical equipment be immediately begun and be prosecuted with all possible expedition and without interruption, and as a period of one and one-half years has lapsed since the passage of said Ordinance, it is doubtful whether or not the company can lawfully exercise said privilege at the present time.

Your Committee, therefore, recommends that the Board of Public Works be requested not to issue permits for the erection of poles to the United Railroads of San Francisco along said avenue, until such time as the authority under which said United Railroads of San Francisco is now proceeding can be investigated.

We further recommend that the subject matter of this report, concerning the action of Chief Hewitt of the Department of Electricity, in exceeding his authority, as herein recited, be referred to the Mayor for further investigation and for such action as he may deem proper in the premises, this being the second instance of this kind that has come to our knowledge.

Respectfully submitted,

A. A. D'ANCONA,
THOMAS MAGEE,
D. C. MURPHY,
MATT. I. SULLIVAN.

Adopted.

The following Resolutions were introduced under suspension of the rules and *adopted*:

Board of Public Works Not to Issue Permits to United Railroads to Erect Poles for Overhead Trolley and Span Wires on Pacific Avenue, Westerly from Polk Street.

On motion of Supervisor Sullivan: Resolution No. 1688 (New Series), as follows:

Resolved, That the Board of Public Works be and is hereby requested not to issue permits to the United Railroads of San Francisco to erect poles for overhead trolley and span wires on Pacific avenue, westerly from Polk street, until such time as the Joint Committee on Public Utilities, Streets and Judiciary investigates the authority under which said United Railroads of San Francisco is requesting such permission.

Report of the Public Utilities Committee in the Matter of the Reconstruction of the Presidio and Ferries Railway and of the Forfeiture of the Alleged Franchise of the United Railroads to Maintain an Overhead Trolley System.

To the Members of the Board of Supervisors—Gentlemen: Your Committee on Public Utilities, to whom were referred the following matters respectfully report thereon as follows:

1. In the matter of the Resolution asking for information as to when the Presidio and Ferries Railway Company would complete the work of reconstructing its railway, a statement conveying the information sought, made by Geo. A. Newhall, president of said road is herewith appended, and in view of such statement no further action by this Board at the present time is recommended.

2. In the matter of the request

made for action by this Board to instruct the City Attorney to commence an action to secure the forfeiture of the alleged franchise of the United Railroads to operate an overhead trolley system, the Committee deems it inadvisable for this Board to consider the subject until after the criminal proceedings connected with the granting of the said franchise shall have terminated in the Courts where the proceedings are now pending.

Respectfully submitted.

Determination to Grant Franchise for Street Railway Over and Along Twentieth Avenue, From "H" Street to "W" Street.

Resolution No. 1710 (New Series), as follows: Whereas, Application has been made to the Board of Supervisors of the City and County of San Francisco by the Parkside Transit Company (a corporation), through petition filed October 21st, 1907, for a franchise for a term of twenty-five (25) years, to construct, lay down and operate a single or double track street railroad, with all the necessary branches, sidetracks, turnouts, switches, crossings, curves, connections, spur tracks, yard tracks, depot tracks, terminal tracks and facilities, upon, along and across the following described route, to wit:

Commencing at such point or points in Nineteenth avenue, opposite

the intersection of "W" street with Nineteenth avenue as may conveniently admit of connection or connections with the track or tracks of any street railroad now or hereafter constructed on Nineteenth avenue; thence curving westerly into "W" street; thence running westerly along "W" street to Twentieth avenue; thence curving northerly into Twentieth avenue; thence running northerly along Twentieth avenue to such point or points in "H" street opposite the intersection of "H" street and Twentieth avenue as may conveniently admit of a connection or connections with the track or tracks of any street railroad now or hereafter constructed on "H" street as said streets and avenues are laid down and designated on the official map of the City and County of San Francisco; and

Whereas, It appears to this Board that the public interest will be subserved by the grant of such franchise, therefore,

Resolved, That this Board grant a franchise as a whole, for a term of twenty-five (25) years, for a standard gauge street railroad upon, along and across the following described route, to wit:

Commencing at such point or points in Nineteenth avenue opposite the intersection of "W" street with Nineteenth avenue as may conveniently admit of connection or connections with the track or tracks of any street railroad now or hereafter constructed on Nineteenth avenue; thence curving westerly into "W" street; thence running westerly along "W" street to Twentieth avenue; thence curving northerly into Twentieth avenue; thence running northerly along Twentieth avenue to such point or points in "H" street opposite the intersection of "H" street and Twentieth avenue as may conveniently admit of a connection or connections with the track or tracks of any street railroad now or hereafter constructed on "H" street as said streets and avenues are laid down and designated on the official map of the City and County of San Francisco.

The Grantee under said franchise shall have the right to construct, erect, maintain and operate, by means of electricity, or such other improved motive power as science has now or may hereafter discover and the laws sanction, a single or double track railroad upon, along and across the streets hereinabove described, and to that end the grantee shall have the right to build, construct, erect and maintain, all necessary poles, feed, trolley, guy, stay and sustaining wires, overhead construction, connect-

ing tracks, Y tracks, side tracks, turnouts, curves, switches, crossings, spur tracks, yard, depot and terminal tracks, and depot station buildings, and to connect any or all of said tracks with the line of any street railroad or railroads constructed, maintained or operated under the franchise hereby proposed to be granted, or any other railroad or railroads now or hereafter constructed, maintained or operated under any other franchise along or upon or across any of the streets or avenues in said application set forth and described.

Said street railroad franchise shall be granted after due advertisement and offer for sale, in the manner and subject to the conditions and restrictions provided in the Charter of the City and County of San Francisco, with particular reference to the following subdivisions and Sections of Chapter 2, Article II of said Charter, relating to the powers of the Board of Supervisors, to wit:

Subdivision 2 and Subdivision 27, as amended February 5th, 1903, of Section 1 thereof, and Section 6 thereof.

It is hereby determined that said street railroad franchise shall be granted subject to the following conditions additional to those prescribed by the Charter, to wit:

That the City and County of San Francisco shall have the right at any time during the last ten (10) years of the life of said franchise, to acquire the same, together with the power plant, poles, wires, roadbed, rails, rolling stock and other equipment of said railroad, at such fair and reasonable valuation as may be agreed upon by the holder of said franchise and the City and County of San Francisco, or failing such agreement, at such valuation as may be fixed by a Court of competent jurisdiction.

That the grantee operating under said franchise shall be required to pave the space between the rails and for two feet each side thereof, and between the tracks if there be more than one, upon the streets whereon said tracks are to be laid, and to keep the same in good condition and repair under the supervision and to the satisfaction of the Board of Public Works of the City and County; also,

That such street railroads operating under different managements, as the Board of Supervisors may permit, or the City and County itself, in the operation of a municipal railroad, shall have the privilege of using said tracks for a distance not exceeding ten (10) consecutive blocks, upon condition that the expense of construction and repair of the tracks and ap-

purtenances used by said railroads jointly be equitably divided between the respective owners; also.

That the grantee operating under this franchise must pay to the City and County as a license upon each car such sum as the Board of Supervisors may fix, provided, however, that such sum shall not exceed Fifty (\$50) Dollars per annum, nor be less than Fifteen (\$15) Dollars per annum; also.

That as a condition precedent to the sale and granting of this franchise, the grantee thereunder shall permit and allow all policemen and firemen of the City and County of San Francisco at all times, and all mail carriers in the employ of the United States Government, while engaged in the actual discharge of duty, to ride on the cars of such company without paying any sum of money whatever for fare or otherwise; also.

That the bidder for said franchise shall file with his bid a good and sufficient bond in the penal sum of Five Thousand (\$5000) Dollars, with sureties thereon satisfactory to the Mayor of the City and County, conditioned that the bidder shall well and truly observe and perform the conditions of the franchise for which application is made, in the case the same is awarded to him, and that in case of breach of any of the conditions of such bond, the whole of the penal sum of Five Thousand (\$5000) Dollars, shall be taken to be liquidated damages; also.

That the successful bidder for this franchise shall pay all charges for advertising in the official newspaper of this resolution, of the notice of sale and of the ordinance granting said franchise.

Further, Resolved, That the Clerk of this Board be and he is hereby authorized, empowered and directed to advertise for sealed proposals, or bids, for the sale of this franchise, in accordance with the provisions of the Charter, and with the terms of this Resolution, as hereinbefore expressed, said bids to be filed with the Clerk not later than Saturday, January 25th, 1907, at the hour of 12 o'clock M., and Monday, January 27, 1907, at the hour of 3 P. M. is hereby fixed as the hour and date for the opening of said proposals, or bids, and for the awarding of said franchise.

The Board of Supervisors reserves the right to reject any and all bids if they believe the public interest will be subserved thereby.

Ayes—Supervisors Booth, Brenner, Center, Comfe, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—15.

Referred.

The following Bill heretofore passed for printing, was taken up, and, on motion, referred to the *Judiciary Committee*.

Transferring and Dedicating Peabody School Lot for Free Market Purposes.

Bill No. 372, Ordinance No. — (New Series), as follows:

Transferring and dedicating the Peabody School lot for Free Market purposes.

Whereas, The Board of Education has filed its consent in writing to the transfer by the Board of Supervisors of a school lot situate on the westerly side of West Mission street, between Duboce avenue and Hermann street, on which was heretofore constructed the Peabody School building, for the purpose of enabling said Board to use said lot as a site for a Free Market, provided the net proceeds of said Free Market are credited to the Common School Fund; and

Whereas, It is for the best interests of the people of the City and County of San Francisco that said Free Market be established in order that produce of all kinds may be purchased advantageously by the public; therefore,

Be it ordained by the people of the City and County of San Francisco as follows:

Section 1. The school lot hereinafter described is hereby set apart, reserved and dedicated for Free Market purposes, subject to the express condition that the net proceeds arising from said Free Market be pledged to the credit of the Common School Fund, to wit:

Commencing at a point on the westerly line of West Mission street, distant thereon 206 feet 3 inches southerly from the southerly line of Hermann street; running thence southerly along said westerly line of West Mission street 133 feet 9 inches; thence at right angles westerly 1.1 feet 6 inches; thence at right angles northerly 133 feet 9 inches, and thence at right angles easterly 137 feet 6 inches to the point of commencement. Being a portion of Section Block No. 21.

Section 2. The attention of the Board of Education, the Board of Public Works, the City Engineer and the Assessor is hereby called to the provisions of this Ordinance.

Section 3. This Ordinance shall take effect immediately.

Section 2. No cars shall be allowed to stand on spur-track designated and described above as Spur Track No. 1, at any time except during the course of actual switching, along and upon said track, and the tracks connecting therewith. And no cars shall be allowed on any spur-track covered by this ordinance upon any of the public highways of the City and County of San Francisco, between the hours of eight o'clock a. m., and six o'clock of any day. And provided further that no cars shall be taken to or from the north side of Mission street between six in the morning and twelve o'clock midnight. And provided that no switching train or freight car shall stand on Mission, Howard, Folsom or Harrison street, save during switching of said cars, and then for not more than three minutes.

Section 3. In the construction, operation and maintenance of said railroad track or tracks, or any of the spur or switch-tracks connecting therewith, the said The Atchison, Topeka and Santa Fe Railway Company shall act in strict accordance with the provisions of Ordinance No. 69, approved October 12th, 1906, and any other ordinance passed at any time by said Board. And be it further provided, that the said Railway Company shall, upon demand of the person, firm or corporation, for the use and benefit of whom such spur-track is operated, whether a shipper or receiver of goods, place upon such spur-track the freight cars of any railway company which has, or may hereafter have, in the City and County of San Francisco track connection with the said operating railway company, such cars so placed to be used for the receipt and delivery of freight in carloads only. And provided further that all other railroads, persons, firms and corporations to whom spur-track privileges may have been or may hereafter be granted, shall have the right to make connections with said main line of spur-tracks. And the operating railway shall receive and deliver the cars of the

connecting railway (or any car carried over said connecting railroad), over, at and upon such connecting track or tracks in the performance of such switching service for such persons and firms and corporations, and such service shall be rendered without undue delay or discrimination, and for the same charge or rate that it charges for a corresponding or like service for its own cars. And it is further provided that no permit or license for a spur-track connecting with any of the track or tracks in this ordinance defined shall hereafter be granted by the Board of Supervisors of the City and County of San Francisco, which does not specifically contain the provisions and conditions of this ordinance.

Section 4. All of the rights, privileges, terms, stipulations and conditions herein granted to or imposed upon The Atchison, Topeka and Santa Fe Railway Company shall extend to and be binding and operative as against and upon any of its successors or assigns.

Section 5. Any person, firm or corporation that shall permit any car brought by him upon any spur-track herein granted to stand on Spear street at any time between the hours of eight o'clock in the morning and six o'clock in the evening shall be guilty of a misdemeanor.

Section 6. This ordinance shall take effect and be in force from and after its passage.

to a point in the northerly line of Mission street; thence continue northerly 137.5 feet to a point; being a total length of 332.29 feet of track.

Section 2. No cars shall be allowed to stand on spur-track designated and described above as Spur Track No. 1, at any time except during the course of actual switching, along and upon said track, and the tracks connecting therewith. And no cars shall be allowed on any spur-track covered by this ordinance upon any of the public highways of the City and County of San Francisco, between the hours of eight o'clock a. m., and six o'clock a. m. of any day. And provided further that no cars shall be taken to or from the north side of Mission street between six in the morning and twelve o'clock midnight. And provided that no switching train or freight car shall stand on Mission, Howard, Folsom or Harrison street, save during switching of said cars, and then for not more than three minutes.

Section 3. In the construction, operation and maintenance of said railroad track or tracks, or any of the spur or switch-tracks connecting therewith, the said The Atchison, Topeka and Santa Fe Railway Company shall act in strict accordance with the provisions of Ordinance No. 69, approved October 12th, 1906, and any other ordinance passed at any time by said Board. And be it further provided, that the said Railway Company shall, upon demand of the person, firm or corporation, for the use and benefit of whom such spur-track is operated, whether a shipper or receiver of goods, place upon such spur-track the freight cars of any railway company which has, or may hereafter have, in the City and County of San Francisco track connection with the said operating railway company, such cars so placed to be used for the receipt and delivery of freight in carloads only. And provided further that all other railroads, persons, firms and corporations to whom spur-track privileges may have been or may hereafter be granted, shall have the right to make connections with said main line of spur-tracks. And the operating railway shall receive and deliver the cars of the connecting railway (or any car carried over said connecting railroad), over, at and upon such connecting track or tracks in the performance of such switching service for such persons and firms and corporations, and such service shall be rendered without undue delay or discrimination, and for the same charge or rate that it charges for a corresponding or like service for its own cars. And it is further provided that no permit or license for a spur-track connecting with any of the track or tracks in this ordinance defined shall hereafter be granted by the Board of Supervisors of the City and

County of San Francisco, which does not specifically contain the provisions and conditions of this ordinance.

Section 4. All of the rights, privileges, terms, stipulations and conditions herein granted to or imposed upon The Atchison, Topeka and Santa Fe Railway Company shall extend to and be binding and operative as against and upon any of its successors or assigns.

Section 5. Any person, firm or corporation that shall permit any car brought by him upon any spur-track herein granted to stand on Spear street at any time between the hours of eight o'clock in the morning and six o'clock in the evening shall be guilty of a misdemeanor.

Section 6. This ordinance shall take effect and be in force from and after its passage.

Statement.

Supervisor Magee, speaking as a minority of the Streets, Sewers and Parks Committee, opposed granting a permit to extend proposed spur track across Mission street and moved that "Spur Track 8" in the foregoing Bill be stricken out.

Motion.

Supervisor Sullivan moved to amend by permitting a single spur of said spur track to extend 137½ feet northerly from the northerly line of Mission street.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

Adopted.

The following Resolutions were introduced under suspension of the rules and *adopted.*

City Attorney to Advise Board Whether Publication of a Bill or Resolution May be Made on Sundays and Legal Holidays with Equal Validity as Upon Week Days, Together with an Opinion as to the Interpretation of Article II, Chapter 1, Section 43 of the Charter.

On motion of Supervisor Brandenstein:

Resolution No. 1716 (New Series), as follows:

Resolved, That the City Attorney be and he is hereby requested to advise the Board of Supervisors whether the publication of a bill or resolution under Article II, Chapter 1, Section 43 of the Charter may be made on Sundays and legal holidays with equal validity as upon week days, and whether the section of the Charter referred to is not intended merely to provide that the successiveness of the days of publication shall not be interfered with by reason of the non-publication of the official newspaper on Sundays and legal holidays.

Ayes—Supervisors Booth, Bremner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdoch, Murphy, O'Neill, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—16.

City Attorney to Take Steps to Dissolve Gray Bros'. Injunction Relative to Blasting on Telegraph Hill and Directing Board of Public Works to Stop the Use of Public Streets by Gray Bros. in Connection with their Blasting and Quarrying Operations on said Hill.

On motion of Supervisor Molera: Resolution No. 1747 (New Series), as follows:

Whereas, At the request of the Outdoor Art League and a Petition filed in the Clerk's office of the Board of Supervisors of the City and County of San Francisco, the Committee on Beautification and Adornment of the Board of Supervisors made an investigation of the blasting and quarrying operations on Telegraph Hill; and

Whereas, After a thorough investigation and testimony taken of residents in that section, it seems that the quarrying of said Telegraph Hill by Gray Bros. is the principal cause of the damage of said Telegraph Hill; and

Whereas, Owing to an injunction obtained by Gray Bros. the City Officials whose duty it is to abate this nuisance are restrained by said injunction, now, therefore, be it

Resolved, That the City Attorney be instructed to immediately take the necessary proceedings to have said injunction dissolved, and to take such other measures that the City may recover its rights; and be it

Further Resolved, That the Board of Public Works be and is hereby instructed to stop the said Gray Bros. from occupying and using the streets

for the purpose of blasting and quarrying on Telegraph Hill.

Relative to the Payment of Percentage of Gross Receipts of the United Railroads of San Francisco to the City and County of San Francisco for the Year 1905.

The following communication and resolution were presented, received and referred to the Finance Committee:

United Railroads of San Francisco, Oak and Broderick streets, San Francisco, Dec. 30th, 1907.

Mr. J. E. Behan, Secretary Board of Supervisors of the City and County

of San Francisco, San Francisco, Cal. Dear Sir:

In accordance with our understanding of this morning, I take pleasure in enclosing certified copy of resolution of our Board of Directors, adopted at a meeting held this day, authorizing the payment of \$25,500.00 to the City and County of San Francisco, being the percentage due upon the receipts of lines in accordance with the terms of sundry franchises, as also voucher in favor of the City and County for \$10,000.00, being a part payment of said amount, the balance of \$15,500.00 to be paid on January 15th next.

Respectfully yours,

(Signed.)

THORNWELL MULLALLY,

Assistant to President.

Resolution of the Board of Directors of the United Railroads of San Francisco Authorizing Payment of Percentage of Gross Receipts Due the City and County of San Francisco for the Year 1905.

Whereas, By reason of the loss of its records in the conflagration of April, 1906, the United Railroads of San Francisco offered to pay to the City and County of San Francisco the percentage due for the year 1905, under ordinances of the Board of Supervisors and set forth in their several franchises, an amount based on the average increase in the gross receipts of said Company for the years 1902, 1903 and 1904, which sum is estimated to make said percentage equal to \$25,500; and

Whereas, By Resolution 1278, New Series, adopted by the Board of Supervisors September 3rd, 1907, and duly approved September 6th, 1907, said offer was accepted and the United Railroads of San Francisco was requested to pay said sum into the treasury of the City and County of San Francisco, and the treasurer was authorized and directed to accept said sum of \$25,500 in full settlement of said claim and credit same to the surplus for the year 1905-6,

Now, therefore, be it resolved, That the Acting Treasurer of this corporation pay to the Treasurer of the City and County of San Francisco on De-

ember 30th, 1907, the sum of \$10,000.00 and on January 15th, 1908, a further sum of \$15,500.00 in full settlement of said claim.

I, Geo. B. Willcutt, Secretary of the United Railroads of San Francisco, hereby certify the foregoing to be a full, true and correct copy of resolution duly adopted by the Board of Directors of the United Railroads of San Francisco at a regularly called meeting of the United Railroads of San Francisco held on the 30th day of December, 1907, and that there were then and there present a quorum of said Board of Directors.

(Signed.) GEO. B. WILLCUTT,
Secretary of the United Railroads
of San Francisco.

UNFINISHED BUSINESS.

Final Passage.

The following Resolution heretofore passed for printing, was taken up, finally passed by the following vote and numbered as follows, to wit:

Selecting 50 Vara Block No. 152 as Alternative Site Under the Bond Issue for a Children's Playground at North Beach and Accepting Offers from Owners of Lots in said Block to Convey Title Thereto to the City and County of San Francisco.

Resolution No. 1749 (New Series) as follows:

Whereas, The electors of the City and County of San Francisco, at a special election held September 29, 1903, authorized the acquisition of 50 Vara Block No. 129, bounded by Powell, Stockton, Filbert and Greenwich streets, for a Children's Playground at North Beach, or lots of land of a similar size and like value to said 50 Vara Block No. 129 and in its immediate neighborhood; and

Whereas, By evidence duly presented to the Board of Supervisors it is shown that the amount of money set aside in the bond issue for the purchase of a Children's Playground at North Beach is insufficient to enable the City and County of San Francisco to acquire said block; and

Whereas, The Board of Supervisors caused to be made appraisements of blocks of land in the immediate vicinity of said 50 Vara Block No. 129, and from said appraisements made and offers to sell tendered to the Board of Supervisors, it appears that 50 Vara Block No. 152, bounded by Greenwich street, Montgomery avenue, Mason, Lombard and Powell streets, is available as an alternative selection and can be purchased by the City and County for a sum within the amount set aside by the bond issue; now therefore

Resolved, That said 50 Vara Block No. 152, bounded by Greenwich street, Montgomery avenue, Mason, Lombard and Powell streets, be and the same is hereby selected as the alternative site under the bond issue of September 29, 1903, for a Children's Playground at North Beach, in lieu of 50 Vara Block No. 129; and

Further resolved, That the following offers to convey a good and sufficient

fee simple title of the various subdivisions in said 50 Vara Block No. 152 to the City and County of San Francisco be and the same are hereby accepted, to wit:

- Of A. Ratto—Land situate at east line of Mason street, 75 feet south of Lombard street, size 25x80 feet, for the sum of\$ 8,500
- Of Caroline M. Chambers—Land situate at west line of Greenwich alley, 85 feet south of Lombard street, size 52x90 feet, together with all her right or title to said Greenwich alley, for the sum of 7,000
- Of G. B. Dondero—(Two pieces) situate at north line of Greenwich street, intersecting east line of Greenwich alley, size 80 feet 1/2 inch x 135 feet; also north line of Greenwich street with west line of Greenwich alley, irregular size, for the sum of 66,500
- Of P. Castagnetto—(Two pieces) situate at south line of Lombard street, east line of Greenwich alley, size 30 feet 1/2 inch x 111 feet 3 inches; also south line of Lombard street, west line of Greenwich alley 85 feet, size 33 feet x 85 feet, for the sum of 15,000
- Of Roman Catholic Archbishop of San Francisco—Situate at south line of Lombard street, west line of Powell street, irregular size, for the sum of..... 80,000
- Of G. Pardini—Land situate at east line of Greenwich alley, 135 feet north from north line of Greenwich street, size 28 feet 4 3/4 inches x 80 feet 1/2 inch, for the sum of. 6,500
- Of L. Loreari—Land situate at east line of Mason street, 6 feet 7/8 inch north from northeast line of Montgomery avenue, irregular size, for the sum of..... 18,500
- Of Kate Maher—Land situate at south line of Lombard street, 80 feet east from east line of Mason street, size 67 x 85 feet, for the sum of.. 11,000
- Of D. Foppiano—Land situate at east line of Mason street, 50 feet south from south side of Lombard street, size 25x80 feet, for the sum of... 4,500
- Of I. Ginocchio—Land situate at southeast corner of Mason and Lombard streets, size 50x80 feet, for the sum of... 26,000

Total\$243,500
The City Attorney is hereby directed

to examine the title to said subdivisions of 50 Vara Block No. 152, and to cause good and sufficient fee simple titles to be executed and delivered to the City and County of San Francisco upon the payment by said City and County of the above sums of money for said lands and all improvements thereon.

Accepting Amended Offer of Rev. P. W. Riordan, Roman Catholic Archbishop of San Francisco, to Sell Site for Marshall Primary School.

Also, Resolution No. 1756 (New Series), as follows:

Whereas, The Board of Supervisors

by Resolution No. 1426 (New Series), approved October 9, 1907, accepted the offer of P. W. Riordan, Roman Catholic Archbishop of San Francisco, a Corporation Sole, through his agents, Cranston, Belvel and Dwyer, to convey to the City and County of San Francisco the following described parcel of land selected as the alternative site for the Marshall Primary School provided for in the bond issue of September 29, 1903, subject to approval of his title to said lands by the City Attorney, to wit:

Commencing at a point formed by the intersection of the southerly line of Nineteenth street with the easterly line of Angelica street, running thence southerly along said easterly line of Angelica street 205 feet to the northerly line of Cumberland place; thence easterly along said northerly line of Cumberland place and Cumberland place extended 183 feet; thence at right angles northerly 144 feet; thence at right angles westerly 50 feet; thence in a northwesterly direction 118 feet 2 1/2 inches to a point in the southerly line of Nineteenth street which is distant easterly 102 feet from the southeasterly corner of Nineteenth and Angelica streets; thence westerly along said southerly line of Nineteenth street 102 feet to point of commencement, being a portion of Mission Block No. 72, and

Whereas, It appears from the report on title made by the City Attorney to the Board of Supervisors that the record title of a portion of said land of dimensions 10x23 feet, facing Cumberland place, is not vested in said P. W. Riordan, Roman Catholic Archbishop of San Francisco, a Corporation Sole, although prescriptive and adverse possession has been held by him for more than five years last past, and

Whereas, The said Roman Catholic Archbishop of San Francisco, through his agents, offers to deduct from the original purchase price of \$24,000.00 of said land, the sum of \$275.00, which sum represents the proportionate value of the superficial area of the strip of land to which good record title is not given, and

Whereas, said Roman Catholic Archbishop of San Francisco offers to deliver to the City and County of San Francisco a grant, bargain and sale deed to all of said land with exception of said strip hereinbefore referred to and to furnish a quit claim deed to the small strip to which record title is not given.

Now Therefore Resolved, That said amended offer to convey said land upon the terms hereinbefore specified be and the same is hereby accepted, and the Clerk of this Board is hereby instructed to draw an authorization in favor of P. W. Riordan, Roman Catholic Archbishop of San Francisco, a Corporation Sole, in the sum of \$33.

Resolved, That an expenditure of \$33,625.00 be and the same is hereby authorized to be made out of the "School Construction Account" of the Public Building Fund in payment to P. W. Riordan, Roman Catholic Archbishop of San Francisco, a Corporation Sole, for the following described lot of land selected as an alternative site for the Marshall Primary School, authorized by the bond issue of September 29, 1903, to wit:

Commencing at a point formed by the intersection of the southerly line of Nineteenth street with the easterly line of Angelica street, running thence southerly along said easterly line of Angelica street 205 feet to the northerly line of Cumberland place; thence easterly along said northerly line of Cumberland place and Cumberland place extended 183 feet; thence at right angles northerly 91 feet; thence at right angles westerly 50 feet; thence in a northwesterly direction 118 feet 2 1/2 inches to a point in the southerly line of Nineteenth street, which is distant easterly 102 feet from the southeasterly corner of Nineteenth and Angelica streets; thence westerly along said southerly line of Nineteenth street, 102 feet to point of commencement, being a portion of Mission Block No. 72.

Clerk to Solicit Offers for Remaining Un-acquired Parcels of Land in the Proposed County Jail Site.

Also, Resolution No. — (New Series), as follows:

Whereas, In condemnation proceedings instituted by the City and County of San Francisco against Florence M. Perine et al. for the acquisition of a parcel of land of dimensions 47 feet 6 inches frontage by a uniform depth of 34 feet 8 inches on the southerly side of Washington street, between Kearny street and Dunbar alley, judgment was rendered in favor of said defendants in the sum of \$22,000 for the value of their land; and in proceedings instituted against Robert C. Bolton et al. for the acquisition of a parcel of land of di-

mensions 38 feet 8 inches frontage by a uniform depth of 62 feet 6 inches on the northerly side of Merchant street, between Montgomery street and Dunbar alley, judgment was rendered in favor of said defendants in the sum of \$9450, as the value of their land; and

Whereas, Said judgments establish the standards of value of lands required for County Jail purposes authorized by the bond issue of September 29, 1903; now therefore

Resolved, That the Clerk of this Board be and he is hereby directed to offer to the remaining owners of property in said County Jail site the following sums, the same being the proportionate amounts of the value of the properties hereinafter described, based on the judgments awarded in said condemnation proceedings against Florence M. Perine et al. and Robert C. Bolton et al. to wit:

To Mrs. E. M. Whitmore et als., for a parcel of land on the southeast corner of Washington street and Dunbar alley, of dimensions 23 feet frontage by a uniform depth of 53 feet 6 inches, the sum of \$13,235.00.

To the Schmiedell Estate Company, for a parcel of land and improvements on the northerly side of Merchant street, 43 feet 2 1/2 inches from the easterly line of Dunbar alley, of dimensions 31 feet 8 inches frontage on Merchant street by a uniform depth of 62 feet 6 inches, the sum of \$15,450.00.

To J. G. Gabey, for a parcel of land and improvements at the northeast corner of Merchant street and Dunbar alley, of dimensions 23 feet frontage by a uniform depth of 42 feet, the sum of \$8456.00.

Further Resolved, That if the above offers for the purchase of said lands are not accepted by the owners thereof on or before January 14, 1908, the City Attorney be and is hereby directed to institute condemnation proceedings to acquire the said lands for County Jail purposes.

Accepting Offers for the Purchase of Parcels of Land in the Proposed County Jail Site.

Also, Resolution No. — (New Series) as follows:

Whereas, Offers have been received from Mary A. Bond et als. and O. C. Cappelmann to convey to the City and County of San Francisco certain lands and improvements in the County Jail site specified in the bond issue of September 29, 1903; and

Whereas, The prices at which said parcels of land and improvements are offered are in accordance with the standard of value of properties within this site established by judgments rendered in the Superior Court in condemnation suits brought against other owners therein; therefore be it

Resolved, That the following offers to convey to the City and County of San Francisco a good and sufficient fee simple title to said lands be and the same are hereby accepted, to wit:

Of Marv A. Bond et als., the sum of \$42,402.50 for the following described land: All that certain lot situate on southerly line of Washington street, distant 137 feet 6 inches westerly from Montgomery street; thence westerly on the southerly side of Washington street 63 feet 4 inches; thence at right angles southerly 75 feet; thence at right angles easterly 63 feet 4 inches; thence at right angles northerly 75 feet to the point of commencement, being a portion of 50-vara Block No. 69; also

Of O. C. Cappelmann, the sum of \$24,255.00 for the following described land with improvements thereon: All that certain lot commencing at a point on the southerly line of Washington street, 200 feet 10 inches westerly from the westerly line of Montgomery street, running thence southerly and parallel with the said westerly line of Montgomery street, 137 feet 6 inches to the northerly line of Merchant street; thence at right angles westerly along the said northerly line of Merchant street 20 feet 2½ inches; thence at right angles northerly and parallel with the said westerly line of Montgomery street 137 feet 6 inches to the southerly line of Washington street; thence at right angles easterly along the southerly line of Washington street 20 feet 2½ inches to the point of commencement, being a portion of 50-Vara Block No. 69.

The City Attorney is hereby directed to examine the titles to the said lands, and if the same are found to be vested in the aforesaid owners free from all incumbrances, to report the result of his examination to the Board of Supervisors, and also to cause good and sufficient deeds for said lands to be executed and delivered to the City and County upon payment of the agreed purchase price as aforesaid.

Providing \$1250 for Printing and Publishing Reports on Auxiliary Water System for Fire Protection and Proposed System of Sewerage for San Francisco.

Resolution No. 1757 (New Series), as follows:

Resolved, That the sum of \$1250 be and the same is hereby set aside, appropriated and authorized to be expended out of the item in the Budget for the fiscal year 1907-8, "For expenses connected with the acquirement of public utilities," for the purpose of printing and publishing the preliminary report of the City Engineer on the auxil-

iary water system for fire protection, for the printing and publishing of the report of the City Engineer on the proposed system of sewerage for San Francisco, and for the printing and publishing of such other matters in connection with the proposed bond issue as may be directed by the Public Utilities Committee of this Board.

The following Resolution, heretofore referred to the Public Utilities Committee, was taken up, and

On motion of Supervisor D'Ancona, again laid over one week:

Granting License to United Railroads, for a Period of One Year, to Erect and Maintain Ornamental Iron Poles on Pacific Avenue, Between Polk and Broderick Streets, and to String Wires Thereon for the Purpose of Operating Overhead Trolley Street Railway System.

Resolution No. — (New Series), as follows:

Resolved, That a license for a period of one year be and the same is hereby granted to the United Railroads of San Francisco, to erect and maintain ornamental iron poles on Pacific avenue, between Polk and Broderick streets, and to string wires thereon, for the purpose of operating an overhead electric trolley system between the points named on said avenue, provided that incandescent arc lights shall be placed at distances of not more than 160 feet apart, on said ornamental poles, and that lighting service shall be constantly maintained thereon; said ornamental poles and lamps to be of a design approved by the Committee on Beautification and Adornment and Artificial Lights of the Board of Supervisors; provided further, that in the granting of this license the Board of Supervisors in no manner recognizes the right of the United Railroads of San Francisco to erect an overhead trolley system on Pacific avenue, with express reference to Ordinances Nos. 9 and 20 (New Series) of the Board of Supervisors, and that this temporary license shall be without prejudice to any rights of the City and County of San Francisco in the premises.

Adopted.

The following Resolutions were adopted:

Approving Recommendations of Board of Public Works to Change and Establish Grades on Rincon Hill, Requesting Said Board to Report District Affected and to Prepare an Estimate of the Actual Cost of Street Paving and Sewer Work Incidental to Said Change of Grade.

On motion of Supervisor Magee:

Resolution No. 1758 (New Series), as follows:

Resolved, That the recommendation of the Board of Public Works, filed December 23, 1907, to change and establish grades at certain points and elevations on Harrison street, on Essex street, on Stauley place, on Vassar place and on Hawthorne street (Rincon Hill), be and the same is hereby approved; and inasmuch as regrading, repaving, sidewalking, sewerage and curbing will be necessary on said streets if grades are lowered, the Board of Public Works is hereby directed to report the district benefited and to be assessed for the payment of damages and for the expenses of regrading, repaving, sewerage, sidewalking and curbing so as to conform with such changed or modified grades; further

Resolved, That the Board of Public Works be and is hereby directed to report an estimate of the actual cost of regrading, repaving, sewerage, sidewalking and curbing, or otherwise improving said streets or portions thereof with the same or other material with which they were formerly graded, paved, sewerage, sidewalked or curbed, or otherwise improved, briefly describing the work to be done, and whether or not in judgment of said Board the cost of the same shall also be assessed upon the same district which is reported to be benefited by said changed or modified grade.

Ayes—Supervisors Booth, Brandenstein, Bremer, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

POLE AND WIRE BILL.

Bill No. 273, Ordinance No. — (New Series), entitled, "Prohibiting the erection or maintenance of poles and overhead electric wires within certain prescribed limits; providing for the placing of electric wires and conductors underground within certain limits of the City and County of San Francisco, and for the removal of all overhead wires and conductors within said limits, and all poles and contrivances used for supporting the same," submitted by Supervisor Sullivan on behalf of the majority of the Joint Committee on Public Utilities, Streets and Judiciary, was taken up.

The question being on the following amendment proposed by Supervisor Magee:

Proposed Amendment.

Section 4. Strike out.

Section 5. Line 9, add District C, District B, and add District B in line 12 to District C. In line 19 ending the sentence with the word "service," and adding the following: "Not less than one mile of street length of wires to be buried during any year of the term commencing two years from the passage of this ordinance." After the word "service" the word "and" to be stricken out, and a new sentence to begin "All such poles," etc.

Section 6. Add in line 9 "District C," and strike out in line 9 "within five years from," and all of line 10 and the letter "C" in line 11. Line 18, add to District B, District C, and strike out the words "from and" and all of line 19 and line 20 to the word "from." Add to Section 6, "Not less than one mile of street length to be buried during any year of the term commencing two years from the passage of this ordinance."

Section 12. Strike out.

Section 13. At the end of line 2 add "B and." Line 15, after the word "District" add "B and."

Amendment.

Supervisor Rixford moved to further amend by providing as follows:

District "A" to remain as it is.

That Underground District "B" be bounded on the southwest by Twentieth street instead of Army street, inclusive of these streets.

That Underground District "C" be bounded on the west by Fillmore street and on the north by California street, inclusive of these streets.

And that District "D" include a district bounded on the north by Twentieth street, on the east by Folsom street, on the north by Army street and on the west by Guerrero street, inclusive of these streets. District "D" to have wires grounded in eight years.

Amendments accepted.

Amendment.

Supervisor Faymonville moved to

amend Section 3 of the Bill by striking out the words "two years," relating to the time within which wires shall be buried and poles removed from District "A", and by inserting in lieu thereof the words "three years".

Amendment Adopted.

Whereupon the question being taken on Supervisor Faymonville's amendment, the same was *adopted* by the following vote:

Ayes — Supervisors Brandenstein, Brenner, Comte, D'Ancona, Faymonville, Molera, Murdock, Payot, Sachs, Stafford, Tveitmoe—11.

Noes—Supervisors Booth, Center, Magee, Murphy, O'Neill, Rixford, Sullivan—7.

Amendment.

Supervisor Magee moved to further amend as follows:

The southern boundary of District "B" to be Twentieth street, inclusive. The northern boundary of District "C" to be California street, inclusive and the western boundary to be Fillmore street, inclusive. District "D" to be eliminated.

Substitute Motion.

Whereupon, Supervisor Brandenstein moved as a substitute that everything relating to Districts "B" and "C" be stricken out of Bill.

Ruling of Chair.

Thereupon, his Honor, the Mayor, declared that he would not consider the motion as a substitute, but as an amendment.

Amendment Carried.

Whereupon, the question being taken on Supervisor Brandenstein's motion, the same was *carried* by the following vote:

Ayes — Supervisors Brandenstein, Brenner, Comte, D'Ancona, Faymonville, Molera, Murdock, Payot, Rixford, Sachs, Stafford, Tveitmoe—12.

Noes—Supervisors Booth, Center, Magee, Murphy, O'Neill, Sullivan—6.

Passed for Printing.

Thereupon Bill No. 273, Ordinance No. — (New Series), amended as follows, was *passed for printing* by the following vote:

Bill No. 273, Ordinance No. — (New Series), Prohibiting the erection or maintenance of poles and overhead electric wires within certain prescribed limits; providing for the placing of electric wires and conductors underground within certain limits of the City and County of San Francisco, and for the removal of all overhead wires and conductors within said limits and all poles and contrivances used for supporting the same.

Section 2. It shall be unlawful for any electric light, electric power, telegraph, telephone or other electric company or street railway company, or any person, firm or corporation, after the passage of this Ordinance, except as hereinafter provided, to erect or construct within said Underground District "A", any pole or overhead wires overhead cable, or device upon or over any street or alley, by, through, over or by means of which electricity is or may be in any manner transmitted, conducted or conveyed for the purpose of electric light, heat, power, telegraph, telephone, railway, or other electric service; provided, however, where lawfully erected or maintained, wires and poles may be repaired, and for the purposes of repair, new poles may be substituted for old ones; provided further, that upon permission being granted under existing laws and ordinances by the Board of Public Works, poles may be erected and temporarily maintained in District "A", outside of Underground Districts 1, 2, 3 and 4, upon condition, however, that said poles and all wires supported thereby shall be removed within the time after which it shall, pursuant to the provisions of this Ordinance, become unlawful to maintain poles within said District "A".

Any permit granted by the Board of

Public Works shall contain an endorsement thereon that all poles erected pursuant to such permit shall be removed within the time required by the provisions of this Ordinance.

Nothing herein contained shall affect the provisions of Section 10 of this Ordinance, but terminal poles and posts for the support of lamps exclusively, may be erected and maintained without such permit.

Section 3. It shall be unlawful from and after three years from the date of passage of this ordinance, except as herein provided, for any electric light, electric power, telegraph, telephone, or other electric company, or street railway company, or any person, firm or corporation, to maintain, continue, use, operate or employ, within said District "A", any pole or overhead wires, overhead cable or device, over or upon any street or alley, within said District "A", by, through, over, or by means of which electricity is, has been or may be in any manner transmitted, conducted, or conveyed, for the purpose of electric light, heat, power, telegraph, telephone, railway, or other electric service, and all such poles, overhead wires, cables, devices or apparatus, erected, maintained, operated or employed in violation of this Ordinance, shall be deemed and become public nuisances.

Section 4. All feed wires used and employed by street electric railway companies, and persons, firms, or corporations, operating street electric railways, in the City and County of San Francisco, shall in District "A" be removed and placed underground within three years from and after the date of the passage of this Ordinance, and it shall be unlawful to use, maintain, or suspend on poles, any such feed wires in District "A", from and after the expiration of three years from the date of the passage of this Ordinance.

Street railroads and all railroads now using the overhead system and now operated by electricity by virtue of any franchise lawfully granted by the Board of Supervisors are expressly exempted from the provisions of this Ordinance, in so far as it affects the poles, span wires and trolley wires used in the operation of such roads; provided, however, that nothing herein contained shall prejudice the rights of this City and County to question the validity of any franchise under which any street railroad is now operated by means of electricity.

Section 5. Each and every pole, overhead wire, overhead cable, device and apparatus, hereafter erected or constructed in violation of this Ordinance, shall be summarily taken down and removed by the Board of Public Works.

Section 6. Each and every pole,

overhead wire, overhead cable, device and apparatus, owned, controlled, operated, employed, or used by any and all of said electric light, heat, power, telegraph, telephone, railway or electric company, or by any other person, firm or corporation, required to be taken down and removed pursuant to the provisions of this Ordinance, shall be taken down and removed at the cost and expense of the persons, firms or corporations so owning, controlling, operating, employing or using the same.

Section 7. The Board of Public Works shall take down, remove and carry away, any and all poles, overhead wires, cables, devices and apparatus, erected or maintained in violation of this Ordinance, and said Board of Public Works is hereby expressly given full power and authority to use and employ such force, for effectually carry out the provisions of this Ordinance.

Section 8. Every person, firm, or corporation, and the directors, officers, agents and servants of any such person, firm or corporation, who shall erect or construct, or cause to be erected or constructed, in violation of this Ordinance, in said District "A", or any of the said districts, any pole or overhead wire, overhead cable, or device, upon or over any street or alley in said district, for any of the purposes above mentioned, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than two hundred dollars, nor more than five hundred dollars, for every day such poles and appliances are left standing after such erection and construction.

Section 9. Every person, firm or corporation, and the directors, officers, agents and servants of any such person, firm or corporation, who shall within District "A", after the expiration of three years from the date of the passage of this Ordinance, keep, maintain, continue, employ, operate or use, or cause to be kept, maintained, continued, employed, operated or used, in any manner whatever, in violation of the provisions of this order, any such pole or overhead wires, cable, device or apparatus aforesaid, or who shall have neglected for the period of three years from and after the date of the passage of this Ordinance to take down and remove within said District "A," any and all such poles, overhead wires, cables, devices and apparatus aforesaid, shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than two hundred dollars, nor more than five hun-

dred dollars for every day such poles and appliances are left standing after the expiration of said three years from and after the date of the passage of this Ordinance.

Section 10. Posts used for the support of lamps, exclusively, and such terminal poles and other appliances as may be necessary for reaching places of business, and residence, at the terminals of underground wires, are hereby exempt from the provisions of this Ordinance; provided, however, that posts, used for the support of lamps, exclusively, and poles used for terminal purposes and wires thereon, shall not be connected with any other pole by overhead wires, and provided, further, that such posts and poles shall be erected and maintained under the supervision and to the satisfaction of the Board of Public Works.

Section 11. All electric light, electric power, telegraph, telephone and other electric companies, and street railway companies, and all other persons, firms and corporations, that now keep, continue, maintain, use, operate or employ any pole, overhead wires, cables, devices or apparatus, conveying, transmitting or conducting electricity for any of the purposes herein mentioned shall have and they are hereby granted the privilege to place underground, within District "A", above described, in the streets and alleys thereof, conduits, and other receptacles for the purpose of holding wires, and the necessary apparatus and appliances for the purpose of transmitting and conveying electricity and making the necessary connections for disposing of the same, provided, however, that all such underground conduits, or receptacles, apparatus, and appliances shall be placed, constructed and maintained, under the supervision and to the satisfaction of the Board of Public Works.

Nothing herein contained, however, shall be construed to extend the term of any franchise of any such person, firm or corporation, or as a grant of any rights not heretofore possessed, by such person, firm or corporation.

Section 12. Wires of a continuous lead, crossing said District "A", or parts of said District, not further than the extent of the width of a single street, are hereby exempted from the provisions of this Ordinance.

Section 13. Nothing herein contained shall be deemed to abrogate or repeal order No. 214 (Second Series), approved August 23, 1899, providing for placing electrical wires

and conductors underground in the City and County of San Francisco.

Said order is hereby confirmed and declared operative and effectual in all of its parts, as to undergrounds Districts 1, 2, 3 and 4, therein defined, save and except Section 8 thereof, which provides "Electric wires are hereby expressly exempted from the provisions of this order, in so far as it affects the poles and wires used exclusively for the transmission of electric power for railway purposes."

Section 14. All ordinances, and parts of ordinances, in conflict herewith, are hereby repealed.

Section 15. This ordinance shall take effect from and after its passage.

ROLL CALL FOR THE INTRODUCTION OF RESOLUTIONS, BILLS AND MOTIONS NOT CONSIDERED OR REPORTED UPON BY A COMMITTEE.

The following Resolution was introduced under suspension of the rules and *adopted*:

Public Utilities Committee to Investigate the Question of Prescribing a Period Within Which All Feed Wires of Electric Street Railways Shall be Placed Underground.

On motion of Supervisor Brandenstein:

Resolution No. 1750 (New Series), as follows:

Resolved, That the Public Utilities Committee investigate the question of prescribing a period within which all feed wires of electric street railways be placed underground.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Relative to Failure of Water Supply at Fire at Corner of Turk Street and Van Ness Avenue on Saturday Evening, December 28th, 1907.

The following communication was presented under suspension of the rules and ordered *referred to the Fire Committee*:

San Francisco, Dec. 30th, 1907.

To the Honorable the Board of Supervisors—Gentlemen: I beg to call your attention to a matter of the gravest import to the City. At a fire on the corner of Turk street and Van Ness avenue on Saturday night a number of engines could not obtain any

water from hydrants in the immediate vicinity, which allowed the fire to spread unchecked for a time. Engine Company No. 34, which was first on the ground, had to leave the hydrant at the southeast corner of Eddy street and Van Ness avenue on account of lack of water, as a result of which several of its members were severely burned. Engine Company 14, which also responded on a first alarm, had to abandon the hydrant at the corner of Van Ness and Elm avenues for the same reason. Engine Co. 17 could get no water at the southeast corner of Turk and Polk streets. Engine Company 4 found the same condition on Eddy street west of Polk, where they were stationed in order to stop the fire from spreading to the building of Harry J. Moore Furniture Company. None of the hydrants at Eddy and Polk streets had any water. The cause of this is entirely due to the neglect of the Spring Valley Water Company.

On October 11th, 1907, the Board of Fire Commissioners, on my recommendation, addressed a letter to the Water Company calling attention to the lack of pressure in the district bounded by Turk, Larkin and Ellis streets and Van Ness avenue, and requesting that the pressure existing before the earthquake be restored, yet nothing has been done.

On November 1st, 1907, a letter was sent to the water company calling attention to the great danger existing in the vicinity of Sutter and Gough streets, on account of the large frame hotels there located and the small size of the water mains and the Company was requested to lay a 12-inch main on Gough street, from Bush street to Geary street, and to set six double hydrants thereon.

An answer was received recognizing the seriousness of the situation and promising compliance with the request, yet after waiting a whole month nothing has been done. Under these circumstances I earnestly appeal to you to take immediate action to avert the danger that threatens us.

Respectfully submitted,

P. H. SHAUGHNESSY,
Chief Engineer, S. F. F. D.

Adopted.

The following Resolutions were introduced under suspension of the rules and *adopted*:

Committee on Education to Report List of Lots Under Control of School Department Not Used for Educational Purposes With a View to Leasing Same for the Purpose of Increasing Revenue of City.

On motion of Supervisor Murdock:
Resolution No. 1760 (New Series), as follows:

Resolved, That the Committee on Education of the Board of Supervisors

be and is hereby requested to report, after consultation with the members of the Board of Education, a list of all lots belonging to the city under control of the School Department, which are not at present used for educational purposes, and which in their judgment are not likely to be so used in the future, that the advisability of leasing the lots for a term of years may be considered by the Board of Supervisors, with a view of increasing the revenue of the city and providing for a more liberal allowance to the Department of Education.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Directing Light and Power Companies to File Statements of Business for Year 1907.

On motion of Supervisor Sachs:
Resolution No. 1761 (New Series).

Resolved, That the San Francisco Gas and Electric Company, the San Francisco Coke and Gas Company, the Mutual Electric Light Company, the Standard Electric Light Company, the United Railroads of San Francisco, the Sutro Baths and all other persons, companies or corporations supplying heat, light, or power to this City and County or to the inhabitants thereof, be and they are hereby required to furnish this Board on or before February 18, 1908, with the following information, to wit:

First—A detailed statement showing all revenue derived by such person, company or corporation supplying heat, light or power, from all sources, for the year ending December 31, 1907.

Second—An itemized statement showing all expenditures made for the manufacture and supply of heat, light or power for the year ending December 31, 1907.

Third—The original cost and the estimated present value of the plant used for the manufacture and supply of heat, light and power.

Fourth—If it be a company or corporation the amount of the capital stock of the company or corporation outstanding, the amount of the bonds of the company or corporation outstanding, and the amount of the floating debt of the company or corporation.

The above statements to be verified by the oath of the president of such company or corporation, or of such person, as the case may be.

The object of this inquiry is in order that this Board may obtain information upon which to fix and determine, in the month of February, the rates or compensation to be collected by any person, company or corporation in this

City and County for the use of heat, light or power supplied to this City and County or to the inhabitants thereof, and to prescribe the quality of the service, as provided under the provisions of the new Charter of the City and County of San Francisco, Article 11, Chapter 11, Section 1, Subdivision 14, under the title "Powers of the Supervisors."

Further Resolved, That the Clerk of this Board be and he is hereby directed to forthwith serve a certified copy of this Resolution upon the president and secretary of each company or corporation, or upon such person, hereinbefore mentioned, and upon all other companies or corporations, or such persons, as the case may be, furnishing heat, light or power to this City and County or to the inhabitants thereof.

Ayes—Supervisors Booth, Brandenstein, Brenner, Center, Comte, D'Ancona, Faymonville, Magee, Molera, Murdock, Murphy, O'Neill, Payot, Rixford, Sachs, Stafford, Sullivan, Tveitmoe—18.

Approval of Design of Lamps and Ornamental Iron Poles to be Erected on Market Street, by the United Railroads, for Lighting Purposes.

On motion of Supervisor Sachs:
Resolution No. — (New Series)

Resolved, That the design of lamps and ornamental iron poles to be erected by the United Railroads of San Francisco on Market street from the Ferry to Valencia street, on Valencia street, from Market street to Mission street, and on Sutter street, from Sansome street to Van Ness avenue, and submitted by said United Railroads of San Francisco on the 13th day of November, 1907, to the Committee on Beautification and Adornment and Artificial Lights of this Board, be and the same is hereby approved; *provided, however*, that none of the rights of the City and County of San Francisco or of the United Railroads of San Francisco in the premises shall be affected, except as herein mentioned.

Referred.

Supervisor Stafford introduced the following Resolutions:

Board of Health to Inform Public Through Newspapers of Status of Bubonic Plague.

Resolution No. — (New Series), as follows:

Whereas, The Oriental disease, known as Bubonic Plague, has again obtained a foothold on the Pacific Coast, and particularly in the City of San Francisco, and

Whereas, Competent and reliable Federal, State and municipal authorities have established the identity of this disease beyond all possibility of doubt, and

Whereas, The efforts of said Federal, State and municipal authorities in attempting to eradicate said disease have not met with the proper degree of support and encouragement in this community, owing to public apathy, incredulity and misapprehension, and

Whereas, It is the opinion of those familiar with the character of Bubonic Plague that unless vigorous and unremitting measures be adopted to check the further spread of the disease, during the coming summer, the number of cases and foci of infection will be vastly increased, with great resulting mortality, and

Whereas, The combined and intelligent aid of all citizens should be enlisted toward efficient co-operation with the health authorities in the extermination of rats and fleas, the destruction of garbage, the placing of premises in sanitary condition, and all other measures which experience and common sense have demonstrated to be the proper method of dealing with this grave situation, and

Whereas, The reading public of this community will never have an opportunity to learn the truth unless the facts be given due publicity, therefore be it

Resolved, That the Board of Health of the City and County of San Francisco be requested to furnish daily to the newspapers of this city a correct list of a. cases of bubonic plague, verified during the preceding twenty-four hours, giving in full the name and residence of each individual case, and be it further

Resolved, That the newspapers of the City and County of San Francisco be requested by this Board of Supervisors to publish in full said lists to be furnished by the Board of Health, and be it further

Resolved, That in the event of any newspaper, or newspapers, declining or refusing to publish said lists, said newspaper, or newspapers, shall be requested to enter into a contract with this Board to publish the same at regular advertising rates, and be it finally

Resolved, That the Finance Committee of this Board be requested to set aside a sum sufficient, in the opinion of said Committee, to meet the expense of such publication.

Ordered referred to Hospital and Health Committee.

Judiciary Committee to Report as to Powers of Police Commission in the Matter of Imposing Double License on Combination Saloons and Restaurants.

Also, Resolution No. — (New Series), as follows:

Whereas, It is proposed by the Board of Police Commissioners to impose a double license upon combination saloons and restaurants.

Resolved, That the Judiciary Committee of this Board be and is hereby directed to investigate and report to this Board as to the extent of the powers of the said Board of Police Commissioners in the premises.

Ordered referred to Judiciary Committee.

ADJOURNMENT.

There being no further business the Board at the hour of 5:50 o'clock adjourned.

JOHN E. BEHAN,
Clerk of the Board of Supervisors.
